INDEPENDENT AUDITOR'S REPORT

The Administrative Committee
The Scoular Company Retirement Savings Plan
Omaha, Nebraska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The Scoular Company Retirement Savings Plan & Trust (the "Plan"), and employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have an audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by state or federal agency, provided that the statements or information regarding assets held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures accompanying the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America:

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statement themselves, and other procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. Description of the Plan

The following description of The Scoular Company Retirement Savings Plan (the Plan) provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering substantially all employees of The Scoular Company and its United States based subsidiaries (the Company) who have completed 30 days of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Each year, participants may contribute up to 50% of their eligible compensation, as defined by the Plan. Participants have the option to make pre-tax and after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. Contributions are subject to applicable Internal Revenue Code (IRC) limitations.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a target date fund based on an anticipated retirement date until changed by the participant. Unless the participant affirmatively elects out, participants contributing less than 10% of eligible compensation on January 2nd and who have not changed their contribution rate in the preceding 6 months, will have their contribution rate automatically increased by 1% annually up to a maximum contribution rate of 10%. Automatic increases shall occur each February 1st. If a participant is making both pre-tax and after-tax Roth contributions, the automatic increase will be applied to the pre-tax contribution rate only.

Each year, the Company is required to contribute a safe harbor amount equal to 3% of eligible compensation, as defined under the Plan, to each eligible participant. Additional discretionary matching or profit-sharing contributions may be made at the option of the Company's board of directors. No discretionary contributions were made for 2021 or 2020.

SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2021 AND 2020

1. Description of the Plan - Continued

C. Participant Accounts

Each participant's account is credited with the participant's contribution, the Company safe harbor contribution, and allocations of a) Company discretionary profit-sharing contributions, if any, b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on each participant's compensation to the total of all Plan compensation, account balances, or specific participant transactions or employment status as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are immediately vested 100% in their account balance, including Company safe harbor, discretionary matching and profit-sharing contributions, and investment earnings or losses thereon.

E. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, or 100% of the sum of the participant's pre-tax account, Roth account, and rollover account, whichever is less. The Coronavirus Aid, Relief, and Economic Security (CARES) Act increased maximum loan amounts to \$100,000 for the period of March 27, 2020 through September 22, 2020. Loan interest and principal repayments are credited directly to the borrower's account and are repaid in installments through payroll deductions. Loan terms range from one to ten years. The CARES Act allowed for the suspension of loan payments from March 27, 2020 through December 31, 2020, if elected by the participant. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50%, which is 1% over the prime rate of interest charged by large United States money center commercial banks.

F. Payment of Benefits

The payment of benefits can be made upon disability, termination of the Plan, death, termination of employment, financial hardship, child birth or adoption. The participant or beneficiary may choose to receive either a lump-sum payment in cash equal to the value of the participant's account or payment can be made under several installment options, as defined in the Plan agreement. Coronavirus-related distributions up to \$100,000 were allowed during 2020.

2. Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

B. Plan Administration and Expenses

The Plan provides for the appointment of an administrative committee by the Company who is responsible for the investment options and administration of the Plan. At December 31, 2021, those serving jointly on the administrative committee were Roger Barber, Megan Belcher, Andrew Kenny, and Kelli Eickhoff. The Company has designated Fidelity Management Trust Company as the trustee of the Plan. The Plan's expenses are paid either by the Plan or the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included within the net appreciation in fair value of investments.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Estimates and Assumptions

The Plan administrator uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the U.S.A. Estimates and assumptions affect the reported amounts of assets, liabilities, net asset additions and deductions, and related disclosures. The most significant estimate in the accompanying statements is the valuation of investments at fair value by Fidelity Management Trust Company. Because of the inherent uncertainties in this process, it is likely actual results, including the realization of fair value of the investments, will vary from the estimates.

SAVINGS PLAN**

DECEMBER 31, 2021 AND 2020

2. Summary of Significant Accounting Policies – Continued

E. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

F. Payment of Benefits

Benefits are recorded when paid.

G. Risks and Uncertainties

The Plan provides for investment options in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investments will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

H. Subsequent Period

Management evaluated transactions and events occurring subsequent to December 31, 2021, and through September 1, 2022, the date the financial statements were available to be issued, to determine whether any events should be recognized or disclosed in these statements. There were no material transactions or events in the subsequent period requiring disclosure or recognition in the statements other than those discussed in Note 8.

3. Investments

The following information included in the financial statements and accompanying supplemental schedule was obtained from data prepared and certified to as complete and accurate by Fidelity Management Trust Company, the trustee:

	<u>2021</u>	<u>2020</u>
Investments at fair value	\$ 132,660,998	116,009,787
Notes receivable from participants	1,033,188	1,017,700
Net appreciation in fair value of investments	12,898,388	12,352,856

4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2021 and 2020.

Common/Collective Trust Fund: Valued at the net asset value (NAV) of the common/collective trust (CCT). The NAV, as provided by the fund's trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the CCT, the investment adviser reserves the right to temporarily delay withdrawal from the trust to ensure securities liquidations will be carried out in an orderly business manner.

**THE SCOULAR COMPANY RETIREMENT
SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2021 AND 2020

4. Fair Value Measurements – Continued

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

<u>Investments at Fair Value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 126,714,223	--	--	126,714,223
Investments measured at NAV (1)				5,946,775
Investments at fair value				<u>\$ 132,660,998</u>

<u>Investments at Fair Value as of December 31, 2020</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 110,091,293	--	--	110,091,293
Investments measured at NAV (1)				5,918,494
Investments at fair value				<u>\$ 116,009,787</u>

(1) In accordance with ASC 820, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Fair Value of Investments in Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share:

<i>December 31, 2021</i>	<i>Fair Value</i>	<i>Unfunded Commitments</i>	<i>Redemption Frequency (if currently eligible)</i>	<i>Redemption Notice Period</i>
Common/collective trust fund	\$5,946,775	n/a	Daily	n/a

4. Fair Value Measurements – Continued

<i>December 31, 2020</i>	<i>Fair Value</i>	<i>Unfunded Commitments</i>	<i>Redemption Frequency (if currently eligible)</i>	<i>Redemption Notice Period</i>
Common/collective trust fund	\$5,918,494	n/a	Daily	n/a

5. Party-in-Interest Transactions

The Plan engages the services of Fidelity Management Trust Company, whose responsibilities include investing assets, paying benefits to participants under the direction of the administrative committee, and performing the recordkeeping of the Plan. Some of the fees incurred by the Plan for the investment management services are included within net appreciation in fair value of investments.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

7. Tax Status

The Internal Revenue Service has determined and informed the Plan by a letter, dated February 21, 2018, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed, and is currently being operated, in accordance with the applicable requirements of the IRC and, therefore, the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability or asset if the plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the plan, and concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The plan is subject to audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Subsequent Event

On March 18, 2022, the Plan moved its trustee, third party administrator, recordkeeping, and plan investment holdings from Fidelity to Merrill Lynch, a Bank of America Company.
