INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Imperial Pools, Inc. 401(k) Plan
Latham, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Imperial Pools, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Imperial Pools, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Imperial Pools, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Imperial Pools, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Imperial Pools, Inc. 401(k) Plan's ability to continue as a going concern within one year from the date the financial statements were available to be issued.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Imperial Pools, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IMPERIAL POOLS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

1. PLAN DESCRIPTION

The following is a brief description of the Imperial Pools, Inc. 401(k) Plan (the “Plan”), provided for general informational purposes. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Board of Trustees is responsible for oversight of the Plan as well as determining the appropriateness of the Plan’s investment offerings.

General – The Plan is a defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code (“IRC”). The Plan is funded by employee and employer contributions and covers all employees of Imperial Pools, Inc. (the “Company” or “Plan Sponsor”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Certain Plan administrative expenses are paid by the Plan Sponsor. Effective May 21, 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) which provided economic relief to plan sponsors and participants of employee benefit plans. The provisions adopted by the Plan are described in further detail below. The Plan has not been formally amended for the adoption of these provisions, however, under the CARES Act, the Plan must be formally amended by December 31, 2022.

Contributions – Participants may make contributions to the Plan in the form of salary deductions of up to 100% of their compensation, not to exceed the amount limited by the maximum allowable contribution under the IRC. Participants may also contribute rollover amounts representing distributions from other defined contribution plans and certain IRAs. Participants direct the investment of their contributions into various investment options offered by the Plan. Additionally, participants age 50 or older can elect to make a catch-up contribution limited to the amount imposed by law.

The Company makes contributions to participant accounts equal to 25% of participant contributions, up to 4% of eligible compensation. The Plan may also make discretionary profit sharing contributions which may vary year to year and are approved by the Board of Trustees. There were no such discretionary profit sharing contributions during the year ended December 31, 2021.

Contributions received from participants are net of \$10,053 and \$11,670 for the years ended December 31, 2021 and 2020, respectively, for payments made during 2022 and 2021, respectively, to active participants to return excess deferred contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. These amounts are also included in the statements of net assets available for benefits as excess contributions payable as of December 31, 2021 and 2020.

Vesting – Participants are immediately vested in their voluntary contributions and earnings thereon. Company contributions and earnings thereon vest over six years of service. Regardless of years of service, participants are fully vested upon disability or death.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 or up to 50% of their vested account balance up to \$50,000. Effective May 21, 2020 through September 22, 2020, under the provisions of the CARES Act, participants could borrow from their accounts up to \$100,000, but limited to their vested account balance, and repayment may be delayed.

1. **PLAN DESCRIPTION (continued)**

Notes range from one to five years, unless the loan is for the purchase of the participant's principal residence, in which case the loan must be payable within a reasonable time commensurate with the repayment period permitted by commercial lenders for similar loans. Loans are secured by the vested balance in the participant's account and bear interest at the prime rate plus 2%, which is commensurate with local prevailing rates determined by the plan administrator. At December 31, 2021, the interest rates ranged from 5.25% to 7.50%, maturing through December 2040. Principal and interest are paid ratably through regular payroll deductions. The Plan also allows for payments on loans to occur through personal checks from the participants.

Participant Accounts – Each participant's account is credited with the participant's contribution, an allocation of the employer contributions, and Plan earnings and losses. Allocations of earnings and losses are based on participant account balances.

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may elect a distribution in the amount equal to the value of the participant's vested interest in his or her account. Various payment options are available upon retirement including lump-sum cash or minimum distribution installments. In-service distributions are permitted to participants who have attained the age of 59 1/2. The Plan also allows for hardship distributions in accordance with the applicable guidelines under the IRC and must be approved by the plan administrator.

Under the provisions available of the CARES Act, effective May 21, 2020, participants may also take a coronavirus-related distribution of up to \$100,000, but limited to their total account balance, from their account through December 31, 2020, without incurring a 10% early withdrawal penalty. Coronavirus-related distributions may be repaid within three years to avoid Federal income taxes.

Forfeitures – Participants not fully vested in employer contributions upon termination of employment forfeit their non-vested balances, which are used to reduce employer contributions or plan expenses. During the year ended December 31, 2021, forfeitures of \$33,585 were used to reduce employer contributions. There was a forfeiture balance of \$6,439 and \$1,512 at December 31, 2021 and 2020, respectively, which can be used to reduce future employer contributions or plan expenses.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition – The Plan determines the fair value of assets and liabilities which are subject to reporting at fair value based on standards established within generally accepted accounting principles. These standards establish a hierarchy for the determination of fair value, as well as disclosure requirements relative to those assets and liabilities. The hierarchy identifies three levels of input. Level 1 inputs are generally quoted market prices for identical assets or liabilities, which are actively traded on an exchange.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Level 2 inputs generally consist of market prices for identical assets which are not actively traded or market prices of similar assets or liabilities which are actively traded on an exchange. Level 3 inputs are referred to as unobservable inputs and consist primarily of information derived by management where Level 1 and Level 2 inputs are not available. These may include such things as present value of expected future cash flows or other valuation methodologies. Under the hierarchy, Level 1 inputs are the most preferred followed by Level 2, and Level 3. Level 3 inputs are to be used when neither Level 1 nor Level 2 inputs are available.

An investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value as of December 31, 2021 and 2020:

Money market funds: Valued at the quoted prices of shares held by the Plan at year end.

Mutual funds: Valued based on quoted market prices available on an active market.

Common stocks: Valued at the closing price reported in the active market in which the individual securities are traded.

Corporate bonds: Valued based on yields currently available on comparable securities of issuers with similar credit ratings.

Government securities: Valued based on quoted market prices available on an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation in fair value of investments, which includes unrealized and realized gains and losses on investments that were held or sold during the year.

Purchases and sales are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividend income is recognized on the ex-dividend date and is included in net appreciation of investments in the accompanying statement of changes in net assets available for benefits.

Payment of Plan Benefits – Benefits paid to participants are recorded when paid.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent Events – Management of the Plan has evaluated the effects of all subsequent events through September 22, 2022, the date the financial statements were available to be issued, to determine if events or transactions occurring through that date require potential adjustment or disclosure in the financial statements.

3. PARTY IN INTEREST TRANSACTIONS

Ascensus Inc., agent for Ascensus Trust Company, and Morgan Stanley Smith Barney (“Morgan Stanley”), the custodians of the Plan, manage certain investments of the Plan, and therefore transactions with Ascensus Inc. and Morgan Stanley qualify as party in interest transactions.

4. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures (as discussed in Note 2). The following table sets forth, by level within the fair value hierarchy, the Plan’s assets that are measured at fair value.

	2021	2020
<i>Level 1:</i>		
Money market funds	\$ 4,088,145	\$ 2,189,648
Mutual funds	14,803,555	12,071,831
Common stocks	6,734,101	7,414,862
Government securities	446,583	306,604
<i>Level 2:</i>		
Corporate bonds	<u>737,049</u>	<u>938,814</u>
Total investments, at fair value	<u>\$ 26,809,433</u>	<u>\$ 22,921,759</u>

5. INCOME TAX STATUS

The Plan is intended to satisfy the tax qualification requirements under Section 401(a) of the Internal Revenue Code, therefore, the funds of the Plan are intended to be exempt from Federal income taxes under Section 501(a). The Plan has not applied for a tax determination letter; however, the plan’s administrator has received a favorable tax determination letter for this Plan’s prototype. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, was qualified as of the financial statement date.

Management of the Plan Sponsor evaluated the Plan’s tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements.

6. SUMMARY OF TRUSTEE INFORMATION

The following is a summary of unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule. The information was prepared by Ascensus Trust Company and furnished to the Plan Sponsor. The trustee has certified that the information is complete and accurate:
