INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
First Step, Inc. 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of First Step, Inc. 401 (k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section;

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of First Step, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First Step, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Step Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First Step, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H-Line 4i of Form 5500 Schedule of Assets Held at End of Year December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of First Step, Inc. 401(k) Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FIRST STEP, INC. 401(k) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Page 7

Note 1. Description of Plan

The following description of the First Step, Inc. ("Company") 401(k) Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who have three months of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Amendments. The plan was amended July 15, 2015 to provide for automatic enrollment for all new hires unless the new hire affirmatively elects otherwise and to amend the eligibility service requirement to two months.

Contributions. Each year, participants may contribute up to 80% of pretax annual compensation as defined by the Plan and is limited by Internal Revenue Code, Section 402(g). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds as investment options for participants. The Plan was amended effective July 1, 2008 to provide for a discretionary match by the employer based on a scale of years of service with the Company.

Participant Accounts. Each participant's account is credited with the participant's elective deferral and allocation of (a) the Company's contribution and match and, (b) plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings and length of service, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Note 1. Description of Plan (continued)

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined quarterly by the Plan administrator, currently 4%. Principal and interest is paid ratably through payroll deductions and/or direct payments.

Forfeitures. Forfeitures of non-vested Company contributions are used to reduce future Company contributions.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over the life expectancy of him and/or his designated beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

SECURE Act and CARES Act. The Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security (CARES) Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.

The Plan has implemented certain requirements by the CARES Act and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS Guidance.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting. The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits. Benefits are recorded when paid. There were no requested distributions that were not paid out by December 31, 2021.

Administrative Expenses. All expenses of maintaining the Plan are paid by the Company except for investment and record keeping service fees charged to the Plan. Expenses paid by the plan consist of quarterly assets fees and distribution fees. These fees are charged directly to participant accounts.

Notes Receivable from Participants. In September 2010, FASB issued ASU 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans*. Prior to ASU 2010-25, loans to participants were reported as investments at fair value. ASU 2010-25 requires that loans to participants be reported as notes receivable from participants measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Note 3. Tax Status

The Company adopted a master/prototype plan offered by Fidelity Investments on December 21, 2009, with modifications. The Plan has not been submitted to the Internal Revenue Service for determination that the Plan as modified and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4. Investments

The Plan's investment assets recorded at fair value have been categorized based upon a fair value hierarchy in accordance with ASC 820. This hierarchy consists of three broad levels; Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The fair values of mutual funds are held by the Plan at year end and are readily determinable. The following table presents information about the Plan's assets measured at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	Level 1	Total
Mutual Funds	\$ 1,498,577	\$ 1,498,577
Total investments at fair value	\$ 1,498,577	\$ 1,498,577
Collective trust measured at NAV*	-	13,099,052
Total investments	<u>\$ 1,498,577</u>	<u>\$ 14,597,629</u>

Assets at Fair Value as of December 31, 2020

	Level 1	Total
Mutual Funds	\$ 1,399,898	\$ 1,399,898
Total investments at fair value	\$ 1,399,898	\$ 1,399,898
Collective trust measured at NAV*	-	11,395,273
Total investments	<u>\$ 1,399,898</u>	<u>\$12,795,171</u>

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Investments in Collective Trust – The Plan holds an investment in a collective trust, specifically the Fidelity Management Income Portfolio Fund (the MIP). The MIP invests in investment contracts issued by insurance companies and other financial institutions, fixed income securities, money market funds and may include derivative instruments such as futures contracts and swap agreements to provide daily liquidity. The investment contract issuers seek to preserve the principal investment and earnings, but cannot guarantee that they will be able to do so. The MIP is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There are no unfunded commitments, and the redemption frequency is daily.

Note 5. Risks and Uncertainties

The Plan's assets, other than participants' loans, are in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company as the trustee of the Plan.

Note 9. Forfeitures

During the plan year ended December 31, 2021, \$21,308 of forfeitures was utilized to reduce contributions by the Company. During the plan year ended December 31, 2020, no forfeitures were utilized to reduce contributions by the Company. Forfeitures available at December 31, 2021 and 2020 to offset future Company contributions were \$40,251 and \$45,152 respectively.

Note 10. Subsequent Events Review

The COVID-19 pandemic during 2020 significantly disrupted financial markets, economies and other events. As noted in the risk and uncertainties note, investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect the Plan's participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

The impact to the Plan of the COVID -19 pandemic during 2020 resulted in significant reductions in values to many investments of the Plan. It also significantly decreased interest rates.

The markets in 2021 performed very well coming out of the COVID-19 pandemic of 2020. The investments of the plan saw a more stable market and an appreciation of value that more resembled a typical year in the markets. The effect of the pandemic on the market appears to be over in 2021.

On August 19, 2021, the Plan Sponsor Board of Directors approved amending the plan effective January 1, 2022 to adopt a safe harbor provision, to discontinue the automatic enrollment plan feature and to change the eligibility requirement from two months to three months. Effective January 1, 2022, the Company adopted a prototype non standardized plan pre-approved by the Internal Revenue Service with opinion letter dated June 30, 2020.

Note 10. Subsequent Events Review (continued)

Subsequent to December 31, 2021, volatility experienced in the financial markets has resulted in a decline in the fair value of certain investments. As of October 4, 2022, the fair value of the investment portfolio declined by 17% or \$2,503,374.

For the year ended December 31, 2021, subsequent events were evaluated through October 6, 2022, the date the financial statements were available to be issued.
