CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT

The Trustee and Investment Committee
El Paso Children's Hospital 401(k) Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of El Paso Children's Hospital 401(k) Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of El Paso Children's Hospital 401(k) Pension Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the "Information Prepared and Certified to by Qualified Institution" note to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of El Paso Children's Hospital 401(k) Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about El Paso Children's Hospital 401(k) Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

NOTES TO FINANCIAL STATEMENTS

DESCRIPTION OF PLAN

The following description of El Paso Children's Hospital 401(k) Pension Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan was adopted January 1, 2012. The Plan is a defined contribution plan covering substantially all employees of El Paso Children's Hospital ("the Organization") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Organization filed for bankruptcy protection in May 2015 and established a reorganization plan that was approved by the Bankruptcy Court on December 8, 2015. University Medical Center of El Paso ("UMC") became the sole member of the Organization effective January 8, 2016.

Plan Administration – Transamerica Life Insurance Company ("Transamerica"), the agent for its directed custodian, Reliance Trust Company, is the Custodian of the Plan. Benefit Administrators, LLC is the third-party administrator for the Plan. The Plan Administrator, an employee of the Organization, administers the Plan. The Trustee and Investment Committee, appointed by the Organization, provide oversight of the Plan by determining the appropriateness of Plan provisions and investment offerings and monitoring investment performance.

Eligibility – All employees of the Organization who are not a part of an excluded class (union employees, nonresident aliens, and part-time employees not scheduled for more than 20 hours unless they complete one year of service), have attained age 18, and completed one month of service are eligible to participate in the Plan. Credited service regarding eligibility, vesting, and contribution allocation is also recognized for duration of employment with UMC.

Contributions – Each year, participants may contribute up to 45% of pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 4% of eligible compensation.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued) – The Organization makes a non-discretionary matching contribution equal to a uniform percentage of each participant's contributions based on the participant's years of service as seen below, not to exceed 4% of the participant's compensation.

<u>Years of Service</u>	<u>Matching Percentage</u>
0-5 Years	35%
6-9 Years	65%
10 Years and above	100%

The Organization may make a discretionary profit-sharing contribution on behalf of each participant eligible to share in the allocation of the contribution. During 2021, the Organization made a profit-sharing contribution of \$755,641.

Participants direct the investment of their contribution, and the Organization's matching and profit-sharing contributions, into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts – Each participant's account is credited with the participant's contribution, the Organization's matching and profit-sharing contributions, and an allocation of the Plan's earnings and administrative expenses as applicable. Allocations are based on the participant's proportionate share of units held of the applicable investment options during each Plan year. The benefit to which a participant is entitled is the benefit that can be provided from that participant's vested account.

Vesting – Participants are immediately vested in their contributions and rollovers, if any, plus actual earnings thereon. Vesting in the Organization's matching contributions and profit-sharing contributions, plus actual earnings thereon, is according to a graduated schedule based on years of service. Participants are fully vested in these contributions after six years of credited service.

Payment of Benefits – On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance. In addition, hardship distributions are permitted if certain criteria are met.

EL PASO CHILDREN'S HOSPITAL 401(k) PENSION PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants – Subject to limitations, a participant may borrow from the vested portion of his or her elective account. The minimum amount of any loan is \$1,000, and the maximum amount is the lesser of one-half of their vested account balance or \$50,000 reduced by the highest outstanding loan balance in the participant's account during the prior twelve-month period. The loans are secured by the balance in the participant's accounts. Up to 50% of a participant's vested account balance may be used as collateral for any loan. Notes receivable from participants, at the time of loan withdrawal, are applied interest rates of Wall Street Prime, which was 3.25% as of December 31, 2021 and 2020, plus 2% and remain at that rate through the loan's maturity. Outstanding notes receivable from participants have interest rates ranging from 4.75% to 7.50%. Principal and interest are paid through payroll deductions, or by check for prepayment. Notes receivable from participants are reported at their unpaid balances plus any accrued, but unpaid, interest. For the years ended December 31, 2021 and 2020, there were defaulted notes receivable from participants of \$64,721 and \$40,619, respectively.

Forfeited Accounts – Forfeitures of the Organization's contributions, and earnings thereon, resulting from participants leaving the Organization prior to vesting, are retained in a forfeiture account. Forfeitures of Organization contributions may be applied first to the payment of Plan administration expenses, and then shall be applied to reduce the contributions of the Organization. The balance in the Plan's forfeiture account as of December 31, 2021 and 2020 was \$107,474 and \$104,243, respectively. Forfeitures must be applied by the end of the Plan year following the Plan year in which the forfeiture occurred. For the years ended December 31, 2021 and 2020, forfeitures used to pay administrative expenses amounted to \$68,087 and \$14,414, respectively. For the years ended December 31, 2021 and 2020, forfeitures used to offset Organization contributions amounted to \$62,273 and \$16,258, respectively.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Accounting Estimates – The preparation of the Plan's financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition – Mutual funds are stated at fair value as determined by quoted market prices, which represents the net asset value of shares held by the Plan at year-end. Stable value funds are stated at fair value, as determined by redeemable measurement date net asset values of the shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Notes receivable from participants are valued at cost, which approximates fair value.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance, plus accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document. Management does not believe that the Plan is exposed to any significant credit risk, and no allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability, with a corresponding reduction to contributions. Excess contributions payable as of December 31, 2021 and 2020 was \$347 and \$12,556, respectively. For the Plan years ended December 31, 2021 and 2020, the Plan distributed excess contributions to the applicable participants' accounts in March 2022 and March 2021, respectively.

Net Appreciation (Depreciation) in Fair Value of Investments – Net appreciation (depreciation) consists of the unrealized appreciation (depreciation) of the investments and the excess (deficiency) of net proceeds over market value of the related investment at the beginning of the year.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. For the year ended December 31, 2021, administrative expenses amounting to \$230,225 were paid by the Plan.

INFORMATION PREPARED AND CERTIFIED TO BY QUALIFIED INSTITUTION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End-of-Year), including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Transamerica Life Insurance Company, the agent for its directed custodian, Reliance Trust Company, the Custodian of the Plan.

FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FASB ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. In general, fair value determined by Level 1 inputs utilize quoted prices (unadjusted) in active markets the Plan has the ability to access for identical assets or liabilities. Fair value determined by Level 2 inputs utilize inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include quoted prices for similar assets and liabilities in active markets and inputs other than quoted prices observable for the asset or liability, such as interest rate and yield curves observable at commonly quoted intervals. Level 3 inputs are unobservable inputs for the asset or liability, and include situations where there is little, if any, market activity for the asset or liability.

In instances in which the inputs used to measure fair value may fall into different levels of the fair value hierarchy, the level in the fair value hierarchy within which the fair value measurement in its entirety has been determined is based on the lowest level input significant to the fair value measurement in its entirety. The Plan's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the asset or liability.

FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

		<u>Fair Value Measurements Using:</u>	
		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Observable Inputs Other Than Quoted Prices (Level 2)</u>

Total	<u>\$18,370,215</u>	<u>\$16,406,406</u>	<u>\$1,963,809</u>

Level 1 Fair Value Measurements

The fair value of the mutual fund accounts is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements

The fair value of stable value funds is based on redeemable measurement-date net asset values of the shares held by the Plan at year-end, which approximates fair value.

EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and stable value funds, managed by Transamerica Life Insurance Company ("Transamerica"), the agent for its directed custodian, Reliance Trust Company. Transamerica is the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Transamerica provides certain administrative services to the Plan pursuant to a Plan service agreement between the Organization and Transamerica. Transamerica rebates certain amounts to the Plan based on a fee concession. The rebate amount is equal to 0.25% credits per year based on the balances with Transamerica. This rebate is calculated monthly and credited to the Expense Budget Account, a suspense account used by Transamerica. The balance in the Expense Budget Account may be used to offset certain Plan expenses or allocated to participants as additional income. As of December 31, 2021 and 2020, the balance in the Expense Budget Account was \$13,733 and \$11,302, respectively, and is included as cash. During 2021, the total contributions made to the Expense Budget Account of \$51,321 has been recorded as other income. For the year ended December 31, 2021, \$48,890 of eligible Plan expenses were offset using the balance in the Expense Budget Account. There were no amounts allocated to participants during 2021.

The Plan or Organization may make a payment to Transamerica for administrative expenses not covered by the Plan's Expense Budget Account program. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan, the Expense Budget Account, and forfeiture account to Transamerica for investment management services amounted to \$52,542 for the year ended December 31, 2021.

Certain Plan transaction processing, year-end compliance testing and Form 5500 preparation is performed by Benefits Administrators, LLC ("Benefits Administrators"). Benefits Administrators is the third-party administrator as defined by the Plan during the 2021 Plan year and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan, the Expense Budget Account, and forfeiture account to Benefits for these services amounted to \$56,506 for the year ended December 31, 2021.

Certain Plan investment advising services are provided by Cetera Advisor Networks, LLC ("Cetera"). Cetera is the investment advisor as defined by the Plan during the 2021 Plan year and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan, the Expense Budget Account, and forfeiture account for these services amounted to \$50,337 for the year ended December 31, 2021.

EXEMPT PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

SBNG, PC, the auditor of the Plan, charges fees for the audit and attest services it provides. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Organization and by the Plan from the Expense Budget Account and forfeiture account for these services amounted to \$24,306 for the year ended December 31, 2021.

The Plan has notes receivable from participants, which are secured solely by a portion of the participants' vested account balance, in accordance with the Plan document. These transactions qualify as exempt party-in-interest transactions. The balance of notes receivable from participants as of December 31, 2021 and 2020 was \$461,013 and \$496,320, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

INCOME TAX STATUS

The Plan has not requested determination from the Internal Revenue Service as to the Plan's tax-exempt status. The IRS has determined and informed Benefit Administrators, LLC by a letter dated June 30, 2020 that the volume submitter plan from which the Plan was drafted is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the letter, Plan management believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code. Therefore, management believes that the Plan is qualified and that the related trust is exempt from taxation under the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain tax position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2021, there were no uncertain tax positions. The Plan files a Form 5500. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to U.S. federal and state income tax examinations by authorities for the years before December 31, 2018.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities based upon participant requests. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

SUBSEQUENT EVENTS

Effective January 1, 2022, the Plan Sponsor adopted Benefit Administrators, LLC's restated plan document dated June 30, 2020, as part of the cycle 3 restatement. The restated plan document and adoption agreement include significant law changes and amendments since the last restatement as required by the Internal Revenue Service.

Effective January 1, 2022, the Plan Sponsor made an amendment to change the Plan to meet the requirements of a safe harbor plan. The change includes a safe harbor contribution formula under the basic match defined as 100% of the first 3% of the eligible participant's compensation contributed to the Plan and 50% of the next 2% of the eligible participant's compensation contributed to the Plan.

Effective January 1, 2022, the Plan Sponsor made an amendment to allow eligible employees the option of making after-tax contributions in the form of a Roth 401(k) deferral.

Subsequent events were evaluated through October 4, 2022, which is the date the financial statements were available to be issued.
