Independent Auditors' Report

The Plan Administrator and Participants of 403(b) Thrift Plan of Nonprofit Finance Fund

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan of Nonprofit Finance Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from the qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**The Plan Administrator and Participants of
403(b) Thrift Plan of Nonprofit Finance Fund**
Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and to other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**The Plan Administrator and Participants of
403(b) Thrift Plan of Nonprofit Finance Fund**
Page 4

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule (modified cash basis) related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

The Plan Administrator and Participants of 403(b) Thrift Plan of Nonprofit Finance Fund

We were engaged to audit the accompanying statement of net assets available for benefits (modified cash basis) of the 403(b) Thrift Plan of Nonprofit Finance Fund, as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Mutual of America Life Insurance Company ("MOA"), except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that MOA holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from MOA as of December 31, 2020, that the information provided to the plan administrator by MOA is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The 2020 financial statement is prepared on the modified cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance with DOL Rules and Regulations for the 2020 Financial Statement

The form and content of the information included in the 2020 financial statement (modified cash basis), other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

403(b) Thrift Plan of Nonprofit Finance Fund

Notes to Financial Statements
(Modified Cash Basis)
December 31, 2021

1. Description of Plan

The Nonprofit Finance Fund (the "Employer") adopted the 403(b) Thrift Plan of Nonprofit Finance Fund (the "Plan") on April 1, 1983. The following description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and Eligibility

The Plan is a defined contribution plan covering all employees of the Employer. Employees are eligible to participate in the Plan on their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year participants may elect to have a percentage deducted on a pre-tax basis from their compensation as defined by the Plan. A participant may elect to increase, decrease or suspend their contributions according to procedures established by the Employer. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to the statutorily permitted amounts. There is an annual dollar limit as to the amount that can be contributed on a pre-tax basis into the Plan which is determined by the Internal Revenue Service ("IRS").

The Employer makes a matching contribution on behalf of each participant who has completed at least six months of service, equal to the lesser of 100% of the participant's salary reduction amount contributed to the Plan or 2% of compensation. In addition, the Employer also makes base contributions on behalf of each participant who has completed at least six months of service, based on 4% of compensation.

The Plan includes an auto enrollment provision whereby eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default rate set at 2% of their eligible compensation. The amount will be contributed on a pre-tax basis. Each year, the deferral rate will be automatically increased by 1% until the participant reaches 4% of their eligible compensation.

Vesting

A participant is fully vested in their own contributions at all times. For Employer contributions, a participant is fully vested after completing 18 months of service. Furthermore, the account value of contributions is fully vested when a participant reaches age 65 or if a participant becomes disabled or is deceased.

Nonprofit Finance Fund**

Notes to Financial Statements
(Modified Cash Basis)
December 31, 2021

1. Description of Plan *(continued)*

Forfeitures

Forfeitures of terminated non-vested accounts will be used to reduce future contributions made to the Plan. At December 31, 2021 and 2020, forfeited account balances were zero. During the year ended December 31, 2021, \$3,808 of forfeitures were used to reduce Employer contributions.

Participant Accounts

Each participant's account is credited for Employer and participant contributions and the investment earnings thereon. The contributions are allocated among the investment options according to the participant's instructions. Allocations are based on participant earnings, account balances, or specific participant transactions. Participant accounts are charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reasons, a participant is entitled to receive a distribution in the amount equal to the total vested value of the participant's account.

Loans to Participant/Collateralized Assets

The Plan offers a loan feature whereby a participant ("borrower") enrolled in the Plan may borrow a minimum of \$1,000 up to a maximum of 50% of his/her vested balance or \$50,000 (whichever is less). Loans to the participant are made directly from Mutual of America Life Insurance Company ("MOA"). The participant's account is not reduced by the loan amount, but serves as security for the loan. The loan must be repaid directly to MOA within a five year period in substantially equal payments (not less frequently than quarterly). The five year repayment period does not apply to a loan that is used to acquire a principal residence of the borrower in which case the loan is repayable over a period not to exceed ten years.

If the borrower does not repay the loan and related interest due in accordance with the schedule set forth in the promissory note or other writing permitted by applicable law representing the loan, the loan will be deemed in default. Defaults in loans shall be treated as distributions at the time of default against the participant's account.

At December 31, 2021 and 2020, there were 10 and 11 loans outstanding with total principal balances due of \$61,226 and \$71,573. No loan balances were in default as of December 31, 2021 and 2020. At December 31, 2021 and 2020, the interest rates on these loans were 4% with maturities through 2026.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). Under this basis, investment income and contributions are recognized when received and expenses are recognized when paid, except for certain investments which are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with U.S. GAAP. Management has determined that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances.

Use of Estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value of Financial Instruments

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. As of December 31, 2021 and 2020, the Plan's investments, that were valued at fair value, were valued using level 2 inputs.

Investment Valuation and Income Recognition

Certain Plan investments are stated at fair value. The insurance company general account is valued at contract value and represents contributions made under the contract, plus interest credited, less benefits paid and expenses. Separate accounts are stated at the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividend income is recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (*continued*)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses may be paid out from the assets of the Plan. The Employer, in its discretion, may decide to pay for any or all of these expenses.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 4, 2022.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends, for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by MOA, a qualified institution.

4. Insurance Company General Account

Amounts placed in the MOA Interest Accumulation Account are credited with interest at a rate determined by MOA. MOA guarantees to credit interest for the life of the contract to amounts in the Interest Accumulation Account of their general account at a rate at least equal to the greater of: (1) any contractual minimum guarantee provided by the contract; or (2) the minimum rate required by applicable state law or, if no state law minimum rate is applicable to a contract, the minimum guaranteed credited interest rate will be set pursuant to National Association of Insurance Commissioners (“NAIC”) standard non-forfeiture law. The NAIC minimum rate is determined in accordance with a formula, and cannot be less than 1% or more than 3%. MOA determines whether the application of the formula will change the minimum guaranteed rate each November, and any change is effective the following January 1 for that calendar year.

The interest rate under that contract will not go below that amount regardless of the minimum rate that is set for a calendar year. In MOA’s sole discretion, they may credit a higher rate of interest to a participant’s contract in the general account, although they are not obligated to credit interest in excess of the minimum guaranteed rate. MOA compounds interest daily on the contract amounts in the general account to produce an effective annual yield that is equal to the stated interest rate.

4. Insurance Company General Account (*continued*)

The principal and previously credited interest is guaranteed by MOA. This guarantee is subject to MOA's financial strength and claims-paying ability. The credit risk of the issuer was evaluated by nationally recognized statistical agencies as follows: A.M. Best (A as of February 2022), Standard and Poor's (A+ as of July 2021) and Fitch Ratings (A as of March 2022).

The MOA Interest Accumulation Account represents approximately 7% and 4% of the net assets available for benefits as of December 31, 2021 and 2020, respectively.

5. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants accounts will become 100% vested in any unvested Employer matching and non-elective contributions allocated to their accounts.

6. Tax Status

On March 31, 2017, the Internal Revenue Service issued an opinion letter to the prototype document preparer indicating that the Plan, as then designed, qualifies under Section 403(b) of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognized a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by taxing jurisdictions for periods since 2018; however, there are currently no examinations for any tax periods in progress.

7. Party-in-Interest

Plan investments are managed by MOA. MOA is the trustee as defined by the Plan and therefore, these transactions are considered party-in-interest transactions under ERISA. Fees paid to MOA were \$981 for the year ended December 31, 2021. Fees incurred by the Plan for investment management services are included in the net appreciation in fair value of the investments as they are paid through revenue sharing rather than direct payment.

Certain employees of the Employer, who may be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.
