INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants,
Fireclay Tile, Inc. 401(k) P/S Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Fireclay Tile, Inc. 401(k) P/S Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Fireclay Tile, Inc. 401(k) P/S Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fireclay Tile, Inc. 401(k) P/S Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fireclay Tile, Inc. 401(k) P/S Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fireclay Tile, Inc. 401(k) P/S Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The financial statements of the Plan as of December 31, 2020 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the other auditors not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. In their report dated July 16, 2021, they indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of Fireclay Tile, Inc. 401(k) P/S Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a 401(k) defined contribution plan covering eligible employees of Fireclay Tile, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established for the purpose of providing eligible employees of Fireclay Tile, Inc. (the “Employer”) and their beneficiaries funds for retirement.

Eligibility

Employees of the Employer, other than non-resident aliens, and union employees, are eligible to make deferral contributions to the Plan. There is no age requirement and no minimum service requirement for Plan participation. Employees may enter the Plan immediately.

Contributions

Participants

Each year, eligible employees may contribute up to 100% of eligible compensation limited to the maximum contribution limit (in dollars) permitted by law. Roth elective deferrals and voluntary after-tax contributions are not permitted. Participants direct the investment of their contributions among various investment options offered by the Plan.

Employer

Each Plan year, the Employer will make a safe harbor contribution equal to 100% of participants’ eligible contributions up to the first 4% of eligible compensation deferred. The Employer may also elect to make an additional matching employer contribution of a discretionary percentage on behalf of each eligible participant. The Employer may also elect to make a discretionary nonelective contribution. A participant must be employed on the last day of the Plan year and work 1,000 hours in the Plan year to be eligible for the discretionary nonelective contribution. For the year ended December 31, 2021, the Employer elected not to make any additional employer contributions.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, an allocation of the Employer’s contribution (if any), and the proportionate share of dividends, interest and investment gains since the preceding valuation date. The participant’s account is reduced by withdrawals, losses on investments and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

A participant’s interest in his/her contribution, under the Plan, is at all times fully vested and non-forfeitable. A participant is vested in the Employer matching and non-elective contributions at 100%.

Notes Receivable from Participants

A participant may request a loan in the amount of \$1,000 to \$50,000, limited to 50% of the participant’s vested account balance. These loans have interest rates ranging from 4.25% to 6.50% with maturities through 2047. Principal and interest are paid ratably through payroll deductions.

Fireclay Tile, Inc. 401(k) P/S Plan
Notes to Financial Statements
December 31, 2021 and 2020

Payment of Benefits

Upon normal retirement, death, or termination of employment, a participant (or designated beneficiary) will receive a lump sum distribution equal to the value of the participant's vested interest in their account. In-service distributions are allowed when a participant reaches age 59 ½ or due to financial hardship. In the event of termination of employment, a participant with an account balance under \$5,000 shall receive, as a lump sum distribution, their participant contributions and earnings thereon and vested Employer contributions and earnings thereon.

Forfeitures

Forfeited non-vested accounts are used to reduce Employer contributions and to pay Plan expenses. During the year ended December 31, 2021, forfeitures of approximately \$1,450 were used to pay Plan expenses. Forfeited non-vested accounts available at each of the years ended December 31, 2021 and 2020 were \$1,731 and \$1,684, respectively. Subsequent to year end, the Plan allocated the forfeiture balance of \$1,731 to participants as a discretionary match.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income from notes receivable is recorded when earned. No allowance for losses is deemed necessary by Plan management as principal and interest are repaid through payroll deductions.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gain and losses on investments bought and sold, as well as held during year.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Administrative Expenses

The expenses necessary to administer the Plan, including, but not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment advisor are paid by the Employer. All expenses except for transaction fees and investment fund expenses have been paid by the Employer. Participants are charged service fees for any loan transactions they request. In addition, certain investment related expenses have been included with net appreciation in fair value of investments and are not readily determinable. For the year ended December 31, 2021, \$15,805 of administrative fees were charged to the Plan.

3. FAIR VALUE MEASUREMENTS (UNAUDITED)

The Plan's investments in registered investment companies are recorded at fair value in accordance with the accounting pronouncement on fair value measurements, which established a framework for measuring fair value and clarifies that fair value is an estimate of the exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants (i.e., the exit price at the measurement date).

The accounting pronouncement on fair value measurements establishes a three-tier fair value hierarchy, which classifies the inputs used in measuring fair value. These tiers include:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities (interest rates, prepayment speeds, credit risk, etc.).

Level 3 – Unobservable inputs that are supported by little or no market activity and that are financial instruments whose value is determined using pricing models, discounted cash flows, or similar methodologies, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. There were no changes in the methodologies used at December 31, 2021 and 2020 and there were no transfers between any of the fair value measurement levels for the years ended December 31, 2021 and 2020. The following is a description of the valuation methodologies used for assets measured at fair value:

Registered investment companies (mutual funds): Valued at quoted market prices in active markets at year end.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S CUSTODIAN (UNAUDITED)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, PAi Trust Company, the Custodian of the Plan has certified the completeness and accuracy of all investments, notes receivable and the related investment activity in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and the statement of changes in net assets available for benefits for the year ended December 31, 2021 and the accompanying supplementary schedule of assets (held at end of year) as of December 31, 2021.

As a result of the aforementioned election, no auditing procedures were performed by the independent auditor with respect to information certified as complete and accurate, except for comparing such information with the related information included in the financial statements.

The following information as of and for the years ended December 31, was prepared by the trustee:

	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ 3,271,014	\$ 2,203,398
Notes receivable from participants	\$ 76,475	\$ 44,099
Net appreciation in fair value of investments	\$ 292,559	
Interest and dividends	\$ 87,449	
Interest on notes receivable from participants	\$ 2,993	

5. PLAN TERMINATION

Although it has not expressed an intention to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become fully vested in their remaining employer contribution balances, as applicable.

6. RECONCILIATION OF THE FINANCIAL STATEMENTS AND INFORMATION CONTAINED IN FORM 5500

The following is a reconciliation of net assets available for benefits per these financial statements to schedule H of Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 3,374,043	\$ 2,266,166
Employer contributions receivable	<u>-</u>	<u>(56)</u>
Net assets available for benefit per schedule H of Form 5500	<u>\$ 3,374,043</u>	<u>\$ 2,266,110</u>

The following is a reconciliation of change in net assets available for benefits per the financial statements for the year ended December 31, 2021 to schedule H of Form 5500:

Change in net assets available for benefits per the financial statements	\$ 1,107,877
Change in contributions receivable	<u>56</u>
Change in net assets available for benefits per schedule H of Form 5500	<u>\$ 1,107,933</u>

7. INCOME TAX STATUS

The Plan adopted a pre-approved profit sharing plan which has received an opinion letter, dated June 30, 2020, from the IRS that the Plan is acceptable under the applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has subsequently been amended, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

8. PARTY-IN-INTEREST TRANSACTIONS

The Plan assets are held by PAi Trust Company. The Plan paid fees for administrative services of \$15,805 to PAi Trust Company, Inc. during the year ended December 31, 2021. Further, certain expenses related to the Plan's investments have been offset with net investment income. These transactions qualify as party-in interest transactions. Notes receivable from participants qualify as exempt party-in interest transactions.

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of September 22, 2022, the date for which the financial statements were available to be issued. Based upon this evaluation, the Plan has determined that no subsequent events have occurred which require disclosure in or adjustment to the financial statements.
