Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Give Kids The World, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

To the Plan Administrator and Participants
Give Kids The World, Inc. 403(b) Plan
Kissimmee, Florida

INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator and Participants
Give Kids The World, Inc. 403(b) Plan

INDEPENDENT AUDITOR'S REPORT

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated September 27, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GIVE KIDS THE WORLD, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan

The following brief description of the Give Kids The World, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Give Kids The World, Inc. (the Company or Employer) is a 501(c)(3) non-profit organization that exists only to fulfill the wishes of children with critical illnesses. The Company provides children, between the ages of 3 and 18, who have a critical illness, and their families a cost-free opportunity to experience various world-famous Central Florida attractions. The Company also provides the families with lodging on its 89-acre property located in Kissimmee, Florida. In addition to providing theme park tickets and accommodations, the Company also provides meals to the families and operates Give Kids The World Village, the Company's own resort, which includes swimming pools, miniature golf, a carousel ride, nightly entertainment and much more.

The Plan, originally effective July 8, 2002, and most recently amended in April 2020, is a defined contribution plan for the employees of the Company. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the provisions of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). As of December 31, 2021, the Plan holds investment accounts with Voya Retirement Insurance and Annuity Company, Fidelity Management Trust Company, and Metropolitan Life Insurance Company. Accounts held with Fidelity Management Trust Company and Metropolitan Life Insurance Company include the accounts of inactive participants who have elected to maintain their funds with these institutions.

On March 27, 2020, in response to the novel coronavirus (COVID-19) pandemic, the U.S. Congress enacted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act), which among other things, included temporary relief provisions that impacted retirement plan withdrawal and loan rules for qualified participants. In April 2020, the Plan was amended to adopt certain provisions of the CARES Act. The amendment allowed for qualified individuals (as defined under the CARES Act) to obtain penalty-free coronavirus-related distributions of up to \$100,000 with repayment terms of up to three years, obtain coronavirus-related loans up to the lesser of \$100,000 or the value of the participant's vested account balance between April 20, 2020 and September 23, 2020, and suspend loan payments otherwise due in 2020 for one year. The CARES Act also waived required minimum distributions that would have been payable during 2020. The temporary CARES Act provisions expired December 31, 2020.

Eligibility

All employees of the Company become eligible to make elective salary deferrals into the Plan upon the date employment begins, provided that they normally work a minimum of 20 hours per week. Regardless of an employee's normal work schedule, if an employee works at least 1,000 hours during the first year of employment, or in a subsequent Plan year, the employee is eligible to participate. Participants become eligible to receive Employer safe harbor matching contributions and Employer discretionary contributions upon attainment of age 21 and completion of one year of service, as defined.

GIVE KIDS THE WORLD, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

Contributions

Employees participating in the Plan may elect to contribute either pre-tax or Roth after-tax deferrals up to the maximum of \$19,500 allowed under the Internal Revenue Service limitation for calendar year 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500 to the Plan in 2021. Participants may also contribute amounts representing distributions from other qualified retirement plans or individual retirement accounts.

The Company will make a safe harbor matching contribution to all participants based on the following tiers of salary deferrals: 100% of salary deferrals up to the first 4% of Plan compensation, as defined; and 50% of salary deferrals up to the next 2% of Plan compensation. Participant catch-up contributions are not eligible for matching contributions.

The Company may elect to make a discretionary contribution each year to the Plan. The Company did not elect to make a discretionary contribution during 2021.

Participant Accounts

Participants' accounts are completely self-directed. Each participant's account is credited with the participant's contributions and allocations of the Company's discretionary contributions, safe harbor match and Plan earnings and charged with benefit payments and an allocation of the Plan's losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. Participant transaction fees are charged directly to the accounts of the participants who incur those fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Investments in 403(b) plans are restricted by law to annuity contracts or custodial accounts holding units of participation of regulated investment companies. Participants direct the investment of their accounts into various options offered by the Plan. Participants may change their investments periodically, as permitted by the Plan sponsor.

Vesting

Vesting is the portion of the participant's account that cannot be forfeited. Participants are immediately vested in employer and participant contributions, including earnings thereon.

Payment of Benefits

Upon termination of employment, retirement, disability, or death, if the participant's vested account balance does not exceed \$5,000, the participant may elect to receive the vested account balance in a single lump-sum payment. If the vested account balance is more than \$1,000 but less than \$5,000, and the participant does not make an election otherwise, the Plan will automatically roll over the distribution to an individual retirement account. If the vested account balance is less than \$1,000, the Plan will automatically distribute the vested balance in a single lump-sum payment. If the vested balance exceeds \$5,000, the participant may elect to receive a distribution in a single lump-sum payment or in a series of installments over time. In-service distributions from a participant's vested account balance may be made provided the participant has reached the age of 59 ½, has incurred a hardship, or has become disabled. Participants that reached the age of 70 ½ prior to January 1, 2020, are required to take a minimum distribution from their account. Effective January 1, 2020, participants are required to take a minimum distribution from their account upon reaching the age of 72.

GIVE KIDS THE WORLD, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

Participant Loans

Participant loans are not permitted under the terms of the Plan documents with exception of provisionally allowed coronavirus-related loans under the CARES Act. Participants who met the eligibility requirements, as defined under the CARES Act, between April 20, 2020 and September 23, 2020, were allowed to borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$100,000, or 100% of their vested account balance. No participants obtained a loan under these provisions.

Expenses of the Plan

Administrative fees totaled \$12,819 for 2021, and are primarily participant recordkeeping fees, distribution fees, and termination fees. Investment related expenses are included in net appreciation in fair value of investments. All other fees and expenses of the Plan are paid for by the Employer and are excluded from these financial statements. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements, in accordance with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments, with the exception of fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements.

The Plan's fully benefit-responsive investment contracts are valued at contract value. Contract value equals the accumulated cash contributions and interest credited to the Plan's contracts, less withdrawals and expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Subsequent Events

The Company has evaluated events and transactions occurring subsequent to December 31, 2021, as of September 27, 2022, which is the date the financial statements were available to be issued. No material events have occurred since December 31, 2021, that require recognition or disclosure in the financial statements.

GIVE KIDS THE WORLD, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 3 - Income Tax Status

The Plan is based on a Volume Submitter 403(b) Plan (the Volume Submitter Plan). The Internal Revenue Service ruled on March 31, 2017, that the Volume Submitter Plan qualifies under 403(b) of the IRC under the volume submitter program and the related trust is, therefore, not subject to tax under the present income tax law. The Plan has been amended since receiving this ruling, however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4 - Information Certified by Voya Retirement Insurance and Annuity Company, Fidelity Management Trust Company and Metropolitan Life Insurance Company

The following summary of financial information included in the Plan's financial statements and supplemental schedule, was obtained from data that has been prepared and certified to as complete and accurate by Voya Retirement Insurance and Annuity Company, Fidelity Management Trust Company and Metropolitan Life Insurance Company as of December 31, 2021 and 2020 and for the year ended December 31, 2021, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

		<u>2021</u>

Dividend and Interest Income		\$ 45,634

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

**GIVE KIDS THE WORLD, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS**

Note 6 - Partial Plan Termination

As a result of a reduction of the Company's workforce due to COVID-19, it is likely that the Plan experienced a partial Plan termination as defined by IRC section 411(d)(3) for the 2020 plan year. Under the IRC, a partial plan termination may occur if at least 20% of eligible Plan participants are terminated by the Company within the applicable period.

Partial plan terminations result in affected participants becoming fully vested in their accrued benefits at the termination date. Participants of the Plan are fully vested immediately in their contributions to the Plan, the Company's contributions and actual earnings thereon; therefore, a partial plan termination would have no effect on the Plan and its participants.

Note 7 - Risks and Uncertainties

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization classified the COVID-19 outbreak as a pandemic. The effects of the COVID-19 pandemic have caused volatility in financial markets and may continue to affect the value of investments held by the Plan. Due to the uncertainty of the duration and the continued effects of this pandemic, the near and long-term financial effects cannot be reasonably estimated at this time.

Note 8 - Fair Value Measurements

The Plan measures and reports its financial assets and liabilities using a three-tier hierarchy, which prioritizes the inputs used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

GIVE KIDS THE WORLD, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2021 and 2020.

Cash Equivalents: Comprised of an investment in an institutional money market fund which is valued at quoted price in an active market, which represents the net asset value of shares held by the Plan.

Mutual Funds: Valued at the quoted market prices of shares held by the Plan at year-end. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: The Plan holds units of participation in the separate accounts, which are valued daily at their accumulation unit value. Accumulation unit value is determined based on the NAVs of the underlying funds, which are generally quoted in active markets, and the contract's separate account charges. There are no transfer or redemption restrictions, and no unfunded commitments on these investments. The underlying mutual funds include: (i) equity securities invested in small, large and mid-sized companies that seek high total return or long-term capital growth; (ii) common stocks, preferred stocks, fixed-income securities, convertible securities and depositary receipts of foreign companies that seek long-term capital growth; (iii) common stocks and fixed-income securities that seek favorable overall return; (iv) stocks, bonds and money market instruments that seek to achieve a competitive total return; and (v) asset allocation funds which invest in a combination of assets such as stocks, bonds and money market instruments and seek to provide capital appreciation and income consistent with asset allocation.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Note 9 - Guaranteed Investment Accounts

During the years ended December 31, 2021 and 2020, the Plan maintained certain guaranteed investment contract investment options, including the MetLife Fixed Account and the Voya Fixed account (collectively, the Investment Contracts), which are considered to be fully benefit-responsive and, therefore, are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

The primary objective of these accounts is stability of principal. The contract holders maintain the contributions governed by the contracts in general accounts that are managed by the contract holders. The contract holders may impose restrictions on the ability to move Plan assets into or out of these investment options or among investment options in general under the contracts.

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events include the following: (i) liquidation of the entire contract; (ii) layoffs; (iii) early retirement windows; (iv) spin-offs; (v) sale of a division; (vi) facility closings; (vii) Plan termination; (viii) partial Plan termination; or (ix) changes in laws or regulations. The Plan administrator does not believe that the occurrence of any events that would result in the Plan being unable to transact at contract value with the participants is probable.

The Investment Contracts do not permit the issuers to terminate the agreements prior to the scheduled maturity date.

Note 10 - Party-In-Interest Transactions

The Plan's investments are managed by Voya Retirement Insurance and Annuity Company, Fidelity Management Trust Company and Metropolitan Life Insurance Company. Therefore, transactions in these investments qualify as party-in-interest transactions. Accounts managed by these parties-in-interest totaled \$5,475,117 and \$4,672,419 at December 31, 2021 and 2020, respectively. Fees paid to these parties-in-interest amounted to \$12,819 for the year ended December 31, 2021.
