INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Grady-White Boats, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit the accompanying financial statements of the Grady-White Boats, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Grady-White Boats, Inc. Retirement Savings Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certificate from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

TERRY NG, CPA, PLLC

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Grady-White Boats, Inc. Retirement Savings Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Grady-White Boats, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

TERRY NG, CPA, PLLC

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Grady-White Boats, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Grady-White Boats, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

TERRY NG, CPA, PLLC

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presenting in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Grady-White Boats, Inc. Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GRADY-WHITE BOATS, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – BACKGROUND

The Grady-White Boats, Inc. Retirement Savings Plan, which began receiving deferrals on January 3, 2001, is a profit-sharing plan with a 401(k) option.

NOTE 2 – DESCRIPTION OF PLAN

The following brief description of the Grady-White Boats, Inc. Retirement Savings Plan (the Plan) covering employees of Grady-White Boats, Inc. (a Plan Sponsor and Plan Administrator) and Pamlico Investments, LLC (also a Plan Sponsor as a related, participating employer) provides general information only. The Plan is a single employer plan and the term "Plan Sponsor" will refer to both Grady-White Boats, Inc. and Pamlico Investments, LLC for the remainder of the notes. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan covers all full-time and part-time employees with the Plan Sponsor who are at least 18 years of age and have been employed by the Plan Sponsor for at least three months. Effective May 31, 2021, the Plan was amended to cover all full-time and part-time employees with the Plan Sponsor who are at least 18 years of age. In addition, all temporary employees who are at least 21 years of age and have completed at least 1,000 hours of service in a one-year period are also eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan Sponsor matching contributions begin as soon as a participant's deferrals begin.

Effective April 1, 2014, the Plan was amended so that employees of Pamlico Investments, LLC, a related employer of the Plan Sponsor, were given the option to participate in the Plan. The age and length of employment requirements for the employees of Pamlico Investments, LLC are identical to those required for Grady-White Boats, Inc. employees.

The Plan Sponsor has engaged CapTrust Financial Advisors (CapTrust) as an ERISA 3(21) co-fiduciary investment advisor of the Plan. CapTrust's responsibilities include recommending Plan investment options, monitoring the performance of Plan investments, and providing participant investment advice.

NOTE 2 – DESCRIPTION OF PLAN – (CONTINUED)

Contributions

Each year, participants may contribute a percentage of eligible compensation, as defined in the Plan. In addition, participants may roll over amounts from other qualified defined benefit or contribution plans. The Plan document allows for three types of contributions from the Plan Sponsor. The Plan Sponsor determines annually the employee contribution percentage, if any, that it will match. The Plan Sponsor match is currently 100% of the first 6% of earnings contributed by each participant.

Newly eligible employees are automatically enrolled in the Plan, and an initial pre-tax deferral contribution of 6% of compensation is made each pay period. The employee is not required to participate and may opt-out at any time. The Plan Sponsor may make additional matching contributions, as outlined in the plan document. No such additional matching contributions were made for the years ended December 31, 2021 and 2020. The Plan Sponsor may also make additional non-matching discretionary contributions that would be allocated to participants based upon several criteria. Non-matching discretionary contributions of \$ 600,275 and \$ 561,250 were made for the years ended December 31, 2021 and 2020, respectively.

The Plan also allows participants the option to make after-tax Roth 401(k) contributions.

Participant Accounts

Each participant's account is credited with the participant's deferral, and allocations of (a) the Plan Sponsor's matching and non-matching discretionary contributions, and (b) Plan earnings, and is charged with an allocation of investment management and some administrative expenses. Allocations are based on participant earnings or account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Investments are self-directed by the participants.

Vesting

Participants are immediately fully vested in their employee contributions plus actual earnings thereon, and employer discretionary contributions. Vesting in the Plan Sponsor's matching contributions plus actual earnings thereon is based on years of service and is determined as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	20%
2	40%
3 or more	100%

GRADY-WHITE BOATS, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 – DESCRIPTION OF PLAN – (CONTINUED)

Notes Receivable from Participants

Under the terms of the plan, participants may borrow from their accounts up to \$ 50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participants' accounts and bear interest at a fixed rate, as determined by the Plan Administrator. Loan terms require that repayment be amortized in level payments, not less frequently than quarterly, over a period of no more than five years from the date of the loan. For both years ended December 31, 2021 and 2020, the interest rates for participant loans ranged from 4.25% to 6.50%. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. The notes are valued at their unpaid principal balances plus any accrued, but unpaid interest.

Forfeited Accounts

Any forfeiture of nonvested participant account balances remains in the Plan and may be applied to reduce the contributions of the employer or to pay administrative expenses of the Plan, as directed by the Plan Sponsor. Forfeited account increases totaled \$ 51,209 and \$ 63,162 at December 31, 2021 and 2020, respectively. During 2021 and 2020, forfeited amounts of \$ 53,000 and \$ 64,000 were used to offset Plan Sponsor contributions. No forfeited amounts were used to pay administrative expenses of the Plan during 2021 and 2020.

See Notes 3 (Administrative Expenses), 6, and 9.

Payment of Benefits

Prior to termination of service, a qualified participant may make in-service withdrawals of the participant's vested interest in his or her account. In-service withdrawals are allowed for participants that have reached age 59 ½, those eligible for a Qualified Reservist Distribution, or those who were hired prior to January 1, 2020 and have been participants in the Plan for at least 5 years.

Upon termination of service, a participant is qualified to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the account balance is \$5,000 or more, the participant may instead elect to choose from various other payment plans as provided in the Plan's document.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the applicable participants' accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

See Note 2 (Forfeited Accounts).

Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net assets value of the shares held at year end.

Reclassifications

Certain accounts in prior-year financial statements may have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – FAIR VALUE MEASUREMENTS

As defined in the current authoritative guidance, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The guidance applies to all financial instruments that are measured and reported on a fair value basis. The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of inputs used in the valuation techniques the Plan is required to provide information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

- Level 1 – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.
- Level 2 – Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets and liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3 – Significant unobservable inputs that reflect a company's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

For the years ended December 31, 2021 and 2020, the application of valuation techniques applied to similar assets and liabilities have been consistent.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end.

Collective trusts: Valued at net asset value as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments. The redemption notice period is applicable only to the Plan.

NOTES TO FINANCIAL STATEMENTS

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

See Notes 2 and 7.

NOTE 7 – TAX STATUS

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities. However, there are currently no audits for any tax periods in progress.

See Note 6.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment funds. Investments in general are exposed to various risk factors, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Contingencies

On March 11, 2020, the World Health Organization announced that it had declared the coronavirus disease 2019 (COVID-19) a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. The Plan has been and may continue to be affected by the COVID-19 pandemic.

NOTE 9 – CORRECTION OF OVERPAYMENTS

Several non-highly compensated employees that were terminated during 2020 and 2021 received additional employer contributions equal to the nonvested portion of their employer matching contributions. The Plan Sponsor will self-correct for the overpayments using the procedures in the IRS Self-Correction Program, in accordance with the rules set forth in IRS Revenue Procedure 2021-30.

See Note 2 (Forfeited Accounts).

NOTE 10 – SUBSEQUENT EVENTS

Subsequent events were evaluated through October 4, 2022, which is the date the financial statements were available to be issued.

In-Plan Roth Conversions

Effective February 15, 2022, a new Plan document adoption agreement was put in place. The new plan document added a provision to allow in-Plan Roth conversions of employee deferrals and nonelective discretionary contributions.
