**Part III Welfare Benefit Contract Information**

If more than one contract covers the same group of employees of the same employer(s) or members of the same employee organizations(s), the information may be combined for reporting purposes if such contracts are experience-rated as a unit. Where contracts cover individual employees, the entire group of such individual contracts with each carrier may be treated as a unit for purposes of this report.

| <b>Part I</b> | <b>Service Provider Information (see instructions)</b> |
|---------------|--------------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

| <b>1</b> Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. <b>Round off amounts to the nearest dollar.</b> MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. ## **Report of Independent Auditors**

To the Administrator of Aramco U.S. Savings Plan (formerly the Savings Plan of Saudi Arabian Oil Company)

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying 2021 financial statements of Aramco U.S. Savings Plan (formerly the Savings Plan of Saudi Arabian Oil Company) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The 2021 financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, including the related notes (collectively referred to as the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA

Section 103(a)(3)(C) audit opinion.

### ***Other Matter – 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended (not presented herein, other than the statement of net assets available for benefits). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 23, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter – Supplemental Schedule Required by ERISA***

Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Notes to the Financial Statements**

### **December 31, 2021 and December 31, 2020**

---

#### **1. Description of Plan**

##### **General**

The Aramco U.S. Savings Plan (the “Plan”) is a defined contribution plan sponsored and administered by Aramco Shared Benefits Company (“ASBCO”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Prior to April 1, 2020, the Plan was sponsored by the Saudi Arabian Oil Company and the legal name was “The Savings Plan of Saudi Arabian Oil Company.” Effective April 1, 2020, the name of the Plan changed to Aramco U.S. Savings Plan, and the Plan Sponsor was changed to ASBCO. The ASBCO Employee Benefits Committee has appointed the Vanguard Group Inc. (“VGI”) as third-party administrator and record keeper to coordinate the day-to-day activities of the Plan and Vanguard Fiduciary Trust Company (“VFTC”) as the Trustee.

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

##### **Eligibility**

All salaried employees who are on any U.S. payroll of the plan sponsor or a participating associated company as set forth in the plan document are eligible to participate in the Plan.

##### **Contributions**

The Plan is a defined contribution benefit plan. Employees become eligible to participate in the Plan on the first day of the month following the employee’s first day on the payroll. A participant may elect to contribute 2% to 50% of his or her Monthly Benefits Base (as defined in the plan document). The Employer matches 100% of the employee’s contributions up to a maximum of 9% of the employee’s Monthly Benefits Base. Employees hired by the plan sponsor or certain participating associated companies on or after January 1, 2021 are not eligible to participate in the Retirement Income Plan (“RIP”) and instead will receive an enhanced Savings Plan contribution of 5% fixed employer contribution, regardless of the employee’s contribution, as well as a matching contribution equal to 100% of the employee’s current contributions, up to a maximum matching contribution of 4% of eligible compensation. Employees who are 50 years of age or older as of the end of any calendar year may elect to make additional “catch up” contributions as permitted under the Internal Revenue Code (“IRC”). Unless an employee elects not to participate in the Plan, the employee automatically becomes a participant in the Plan. If no contribution election is made, employees will, by default, be enrolled in the Plan with a 9% contribution rate. The employer and employee contributions, and earnings thereon are credited to the participants’ accounts, net of certain fund operating expenses; and participants are fully vested in all contributions and earnings from the initial date of their participation in the Plan. In addition to employer and employee contributions, participants may roll over balances into the Plan from other qualified plans. Included in participant contributions on the Statement of Changes in Net Assets Available for Benefits are approximately \$138 million of rollover contributions, the majority of which are from the Aramco U.S. Retirement Income Plan Trust, a qualified pension plan sponsored by ASBCO. Participants may direct how their contributions and the employer contributions are to be invested. Subject to certain restrictions, participants may choose to invest in one or more of several funds as offered by VGI and VFTC.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, subject to certain limitations. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. The Plan currently provides for repayment terms of up to a maximum of 60 months.

**Payment of Benefits**

Participants who retire or terminate may defer withdrawal of their interest in the Plan until, at the latest, April 1 of the year following the year in which the participant becomes 70.5 years of age. However, effective January 1, 2020, the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) increased the required minimum distribution age from 70.5 to 72.

Participants may specify a deferred date for their withdrawal and may accelerate their withdrawal to a date earlier than that originally requested; however, once specified, the deferred date of withdrawal cannot be delayed. Participants electing such deferred withdrawals have their interest in the Plan fixed on the first day of the month subsequent to their election. Such participants continue to share in their funds' investment activity; however, further contributions are not permitted.

**Plan Termination**

Although the Employer has not expressed any intent to discontinue the Plan, it reserves the right to do so at any time. In the event of termination or partial termination of the Plan or complete discontinuance of Employer contributions under the Plan, the accounts of all participants, which are fully vested and non-forfeitable, will be held, invested and/or distributed pursuant to the plan document.

**Plan Amendments**

The Plan document was not amended during 2021.

**Forfeited Accounts**

At December 31, 2021, and 2020, forfeited accounts totaled \$11,509 and \$114,192 respectively. These accounts can be used to reduce future employer contributions.

**2. Accounting Policies**

**Basis of Accounting**

The accompanying financial statements are presented on the accrual basis of accounting.

**Investment Valuation and Income Recognition**

Investments held by the Plan are reported at fair value (see Note 6), except for benefit-responsive investment contracts, which are reported at contract value. Accounting Standards Codification (“ASC”) 820 provides a framework for measuring fair value and requires expanded disclosures regarding fair value measurements. The standard defines fair value as the price that would be received to sell an asset or paid to transfer a liability (i.e., the “exit price”) in an orderly transaction between market participants at the measurement date. In determining fair value, ASC 820 permits the use of various valuation approaches, including the market, income and cost approach. The standard establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

The fair value hierarchy is broken down into three levels based on the reliability of inputs and is described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. In periods of market inactivity, the observability and inputs may be reduced for certain instruments. This condition could cause an instrument to be reclassified from Level 1 to Level 2 or from Level 2 to Level 3.

## **Notes to the Financial Statements**

### **December 31, 2021 and December 31, 2020**

---

Valuation techniques and inputs used for major investment types measured at fair value include:

- *Mutual Funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U. S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Common / Collective Trust ("CCTs")*: Valued at NAV, which is utilized as a practical expedient to estimate fair value of their underlying investments and liabilities on the valuation date.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

#### **Payment of Benefits**

Benefit payments are recorded when paid.

#### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### **Risk and Uncertainties**

The Plan, through its investment options, holds various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that significant changes in the values of investment securities will continue to occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the Statement of net assets available for benefits.

**Aramco U.S. Savings Plan (formerly The Savings Plan of Saudi Arabian Oil Company)**  
**Notes to the Financial Statements**  
**December 31, 2021 and December 31, 2020**

---

**3. Plan Expenses**

Under the management of Vanguard, investment management fees are deducted from fund earnings and fixed-price record keeping fees are invoiced quarterly and paid for by the Company in accordance with the provisions of the record keeping fee agreement. The company pays the record keeping fees for active employees. For retirees, terminated employees, or other participants, such as beneficiaries and former spouses, investment management fees and fixed price fees are deducted from their fund earnings in accordance with the provisions of the service fee and record keeping fee agreement. Certain other fees and administrative expenses are typically paid by the Employer, including audit fees paid by the Employer for 2021.

**4. Tax Status**

The Plan obtained its latest determination letter dated October 25, 2017, in which the Internal Revenue Service ("IRS") stated that the Plan was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving its latest determination letter, however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions and there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to IRS examinations for years prior to 2018.

**5. Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is reported on the accrual basis. There are no fees or administrative expenses to participants related to participant loans, as any such fees or administrative expenses are included in the base fees paid by the Employer. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a distribution of employee benefits is recorded as a benefit payment.

Participant loans outstanding as of December 31, 2021 and 2020 had payment terms of up to 60 months utilizing interest rates from 3.25% to 5.50% for 2021 and 2020.

**8. Fully Benefit Responsive Investment Contracts**

The Plan holds traditional and synthetic guaranteed investment contracts in the Saudi Aramco Income Fund, a stable value fund of which 100% of the outstanding units are owned by the Plan. The Plan's GICs are fully benefit-responsive and included in the financial statements at contract value as reported by the issuer. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses; and is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The following represents the disaggregation of contract value between types of investment contracts held by the Plan.

|                                  | <b>2021</b>           | <b>2020</b>           |
|----------------------------------|-----------------------|-----------------------|
| Synthetic investment contracts   | \$ 740,903,283        | \$ 785,767,060        |
| Traditional investment contracts | <u>28,897,598</u>     | <u>23,867,178</u>     |
| Total                            | <u>\$ 769,800,881</u> | <u>\$ 809,634,238</u> |

The key difference between a synthetic investment contract and a traditional investment contract is the Plan owns the underlying assets of the synthetic investment contract. A synthetic investment contract includes a wrapper contract, which is an agreement for the wrap issuer, such as a bank or insurance company, to make payments to the Plan in certain circumstances. The wrapper contract typically includes certain conditions and limitations on the underlying assets owned by the Plan. With traditional investment contracts, the Plan owns only the contract itself. Synthetic and traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

The synthetic investment contracts held by the Plan include wrapper contracts that provide a guarantee that the credit rate will not fall below 0%. Cash flow volatility (for example, timing of benefit payments) as well as asset underperformance can be passed through to the Plan through adjustments to future contract crediting rates. Formulas are provided in each contract that adjusts renewal crediting rates to recognize the difference between the fair value and the book value of the underlying assets. Crediting rates are generally reviewed quarterly for resetting.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

The types of events that could potentially limit the ability of the Plan to transact at contract value could include premature termination of the contracts by the Plan, location closings, layoff, Plan termination, bankruptcy, mergers, early retirement incentives, or the Plan's failure to qualify under Section 401 (a) of the IRC or the failure of the trust to be tax exempt under Section 501 (a) of the IRC. The likelihood of the occurrence of these events to limit the Plan's ability to transact at contract value with the participants in the Plan is low. Other than for reasons of Plan default, issuers may

generally only terminate contracts upon the completion of certain contract requirements, such as completion of a specified period of time. However, certain events may allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, or a material amendment to the agreements without the consent of the issuer.

**9. Party-in-Interest and Related Party Transactions**

All transactions involving purchases or sales of VGI and VFTC investments, and fees paid to VGI and VFTC, are considered party-in-interest transactions.

**10. Subsequent Events**

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through June 23, 2022, the date the financial statements were available to be issued and has determined no subsequent events occurred which require disclosure
