T & M ASSOCIATES RETIREMENT AND SAVINGS INCENTIVE PLAN

**COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE
AT OR NEAR THE CONCLUSION OF THE AUDIT**

DECEMBER 31, 2021

August 25, 2022

The Trustees
T & M Associates Retirement and Savings Incentive Plan
11 Tindall Road
Middletown, NJ 07748

We have audited the financial statements of T & M Associates Retirement and Savings Incentive Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021, and we issued our report thereon dated August 24, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Great-West Life and Annuity Insurance Company ("Great-West") and Reliance Trust Company, which are banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 6, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by T & M Associates Retirement and Savings Incentive Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate(s) affecting the financial statements was:

- Management's estimate of the fair value of the Plan's investments are based on specific valuation methods as described in the notes to the financial statements. We evaluated the key factors and assumptions used to develop these fair values of investments in determining that they are reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

- The Fair Value Measurements footnote in the notes to the financial statements is particularly sensitive. Assets and liabilities are classified in the fair value hierarchy based on the lowest level of input that is significant to the fair value measurement. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are: Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities; Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly; and Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no misstatements identified during the audit.

Page 3

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 24, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Employer Contributions

During our audit, we noted that as of December 31, 2021 and 2020, the Plan included \$112.57 and \$215.60, respectively, in additional employer contributions. We were informed that this amount is more than likely related to excess of loan overpayments returned back to a participant. We recommend that Plan Management review the details to verify that these payments were properly allocated. In addition, management should set-up policies and procedures to ensure that loans are paid in full without excess payments.

The CARES Act

During our audit we noted that the Plan implemented certain provisions of the CARES Act. The CARES Act requires that the any changes to the Plan based on the CARES Act be reflected in a Plan amendment. The CARES Act gives Plans until December 31, 2022 to make these amendments.

Plan Investments in Cryptocurrencies

The Employee Benefits Security Administration (EBSA) has recently issued an alert advising Plan fiduciaries “to exercise extreme care before they consider adding a cryptocurrency option to a 401(k) plan’s investment menu for plan participants.” In the alert it said “EBSA expects to conduct an investigative program aimed at plans that offer participant investments in cryptocurrencies and related products, and to take appropriate action to protect the interests of plan participants and beneficiaries with respect to these investments.” We have included a copy of this alert for you to review and recommend that Plan Management be familiar with this guidance and continue to be aware of their fiduciary responsibilities related to managing the Plan.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the trustees and management of T & M Associates Retirement and Savings Incentive Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

SMOLIN, LUPIN & CO., LLC.
