Plan Trustees, Plan Administrator, and Plan Participants
Creation Gardens 401(k) Retirement Savings Plan
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Creation Gardens 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Creation Gardens 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Creation Gardens 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Creation Gardens 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Creation Gardens 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021 and the Schedule H, line 4a – schedule of delinquent participant contributions for the year ended December 31, 2021, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Creation Gardens 401(k) Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CREATION GARDENS 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the Creation Gardens 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, formerly known as the Joe Lasita and Sons, Inc. 401(k) Plan, was established on November 1, 1999 for employees of Joe Lasita & Sons Inc. (based in Cincinnati, Ohio) and was most recently restated effective March 1, 2016. On March 3, 2017, Creation Gardens, Inc. (the Employer) acquired the assets and assumed certain liabilities of Joe Lasita & Sons, Inc. Effective March 2, 2017, the plan name changed to Creation Gardens 401(k) Retirement Savings Plan and the plan sponsor changed to Creation Gardens, Inc. Since the acquisition, the Plan has been amended to allow for additional acquired employees groups as follows:

- Effective January 1, 2018, employees not based in Cincinnati, Ohio became eligible to participate in the Plan.
- Employees of Midwest Fresh Foods, Inc. and Roby's County Gardens who met the Plan's eligibility requirements were permitted to enter the Plan on July 1, 2019.
- Employees of Dohme Produce who were employed on July 1, 2019 were permitted to enter the Plan on January 1, 2020, with prior service recognized for eligibility and vesting purposes.
- The Freshpack Produce 401(k) Plan merged into the Plan effective December 31, 2019. These participants entered the Plan on January 1, 2020 with eligibility requirements waived for participants that were employed as of June 21, 2019. Freshpack employees are 100% vested in any employer contributions made to the Creation Gardens 401(k) Retirement Savings Plan on or after January 1, 2020. Employer contributions transferred from the merging Freshpack Produce 401(k) Plan will continue to vest according to the merging plan's original vesting schedule.
- Employees acquired from SunFarm Food Service, Inc., who met the Plan's eligibility requirements, entered the Plan on February 1, 2021. Service with SunFarm Food Service, Inc., was recognized for eligibility and vesting purposes.
- Employees acquired from Vermilion Valley Produce, Inc. dba Central Illinois Produce who met the Plan's age and service requirements for eligibility entered the Plan on August 1, 2021.

The Plan is a defined contribution plan covering all employees of the Employer who have completed at least 1,000 hours of service in their initial employment year or any plan year thereafter and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Contributions

Each year, participants may contribute up to the maximum legal limit as determined by the Internal Revenue Service (IRS), of pre-tax annual compensation as defined in the Plan, after meeting eligibility requirements. Participants who have attained age 50 by the last day of the plan year may elect to contribute additional catch-up contributions. The Plan allows for legally qualified rollover contributions from other plans and certain investment retirement accounts (IRAs).

The Employer may make a discretionary contribution to match the employees' elective deferrals. The matching contribution will be a percentage of employee deferrals. Discretionary contributions are contributed each payroll period. Contributions are subject to certain statutory limitations. The matching employer contributions are invested in a portfolio of investments as directed by the participant.

Employer profit-sharing contributions are discretionary as determined by the Plan's trustees. The Employer made no profit-sharing contributions during the year ended December 31, 2021.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common/collective trusts as investment options to participants. Participants may change their investment options at their discretion.

Participant Accounts

Each participant's account is credited with the participant's contribution and Employer matching contribution, as well as allocations of (a) the Employer's profit-sharing contribution and, (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Vesting

Participants are immediately vested in their contributions and actual earnings thereon. Vesting in the Employer discretionary matching contribution, Employer discretionary profit-sharing contributions and actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credit service as described in the following schedule:

<u>Year of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Payment of Benefits

Upon a participant's separation from service, the value of the participant's vested interest is payable in the form of a lump-sum amount if the vested account is \$5,000 or less. If the vested amount is \$5,000 or less, and the participant does not provide the Plan with an affirmative distribution election, the distribution must be rolled over to an individual retirement account set up in the name of the participant. Distributions of account balances exceeding \$5,000 are subject to participant consent and distribution elections. A participant with an account balance exceeding \$5,000 may elect to commence distribution of the balance as soon as administratively practicable in a lump sum or in monthly, quarterly, or annual installments over a period of not more than the participant's assumed life expectancy. Participants who terminate service due to disability, death or early retirement become 100% vested in their account balance. The Plan permits hardship withdrawals from participant contributions and fully vested employer matching contributions and actual earnings thereon. Effective January 1, 2020, participants who are at least 59 ½ may also withdraw their vested account balance, and all participants may receive distributions from their rollover accounts at any time.

Forfeited Accounts

As of December 31, 2021 and 2020, forfeited non-vested accounts were \$396 and \$35,294, respectively. The non-vested portion of a participant's account will be forfeited on the date the terminated participant receives a cashout of the non-forfeitable percentage of his or her accrued benefit. Any forfeitures will be reallocated to reduce employer contributions. During the year ended December 31, 2021, forfeitures of \$42,535 were used to reduce employer contributions.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

CARES Act Provisions

During 2020, the Coronavirus, Aid, Relief and Economic Security (CARES) Act allowed the Employer to temporarily provide expanded retirement plan options to employees who have been impacted by the COVID-19 pandemic.

For the period March 27, 2020, through December 31, 2020, participants were eligible to receive a coronavirus-related distribution of up to \$100,000 from their vested account balance without a 10% early withdrawal penalty. Coronavirus-related distributions may be repaid within three years. These repayments will be treated as tax-free rollovers into the participant's account. Participants had to satisfy eligibility requirements to receive the coronavirus-related distribution.

Note 2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed excess contributions as of December 31, 2021 to the applicable participants prior to March 15, 2022.

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies (Continued)

Payment of Benefits

Benefit payments are recorded when paid. Under the rules for preparation of Form 5500, the Plan's Form 5500 will reflect an accrual for the amount to be paid to participants who withdrew from the Plan prior to year end, and who had requested a distribution which was approved but not yet paid at year end, if any. There were no unpaid distributions as of December 31, 2021 and 2020.

Administrative Costs

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. The Employer does not intend to request reimbursement from the Plan. Fees related to the administration for payment of benefits are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events

Management has evaluated subsequent events through September 16, 2022, the date the financial statements were available to be issued.

Note 3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held as of December 31, 2021 and 2020, net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified complete and accurate by Reliance Trust Company, the custodian of the Plan. The following table summarizes the certified information:

	<u>2021</u>	<u>2020</u>
Investments:		
Investments, at fair value	\$ 7,366,658	\$ 5,152,070
Investment income:		
Dividends	167,843	
Interest income	19	
Net appreciation in fair value of investments	545,913	

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements

U.S. GAAP provides a framework for fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The methodology for measuring fair value specifies a three-tier hierarchy of valuation techniques based upon whether the inputs to those valuation techniques are based on quoted prices of identical assets or liabilities (Level 1), significant other observable inputs (Level 2), or significant other unobservable inputs that reflect the Plan's own assumptions of market participant valuation (Level 3).

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. All assets have been valued using a market approach. There have been no changes in methodologies used as of December 31, 2021 and 2020.

Common/Collective Trusts

The common/collective trust accounts are valued at the net asset value (NAV) of units of the Reliance Advisory Trust funds. The NAV is based on the fair value of the underlying investments held by the funds less their liabilities. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. As a result, the Plan has determined that the common/collective trust accounts are classified within Level 3 of the fair value hierarchy.

Mutual Funds

Share of publicly traded mutual funds are measured at Level 1 since they are valued at net asset value, which is the published market price in an active market.

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Investments measured at fair value:		
Mutual funds, Level 1	\$ 2,659,221	\$ 2,071,520
Common/collective trusts, Level 3	<u>4,707,437</u>	<u>3,080,550</u>
	<u>\$ 7,366,658</u>	<u>\$ 5,152,070</u>

A reconciliation of the beginning and ending balances of assets measured at fair value using Level 3 inputs follows:

	<u>Common / Collective Trusts</u>
Balance at December 31, 2020	\$ 3,080,550
Gains	353,511
Purchases	746,973
Transfers in	526,403
Balance at December 31, 2021	<u>\$ 4,707,437</u>

Note 5. Related Party Transactions

Standard Insurance Company is the third-party administrator to the Plan and, therefore, qualifies as a party-in-interest. Fees of \$45,875 were paid by the Plan for administrative services for the year ended December 31, 2021.

The Plan has a number of service providers. Reliance Trust Company is the Plan's custodian. Jones, Nale & Mattingly PLC is the Plan's independent audit firm. Such parties are parties-in-interest under ERISA. Service provider fees are paid for by the Employer.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, no further contributions will be made to the Plan and all account balances will continue to be 100% vested.

NOTES TO FINANCIAL STATEMENTS

Note 7. Tax Status

The Plan is based on a prototype plan which has received a favorable opinion letter dated March 31, 2014, from the IRS that the prototype plan is designed to qualify as being exempt from federal income taxes. The plan administrator has not separately applied for a determination letter from the IRS. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities until the expiration of the statute of limitations, which is generally three years. There are currently no audits for any tax periods in progress.

Note 8. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

Note 9. Plan Amendment and Subsequent Events

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act). Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Effective May 1, 2022, the Plan was amended to allow employees to make Roth elective deferrals. The amendment also waived age and service requirements for acquired employees of Northeast Seafood Products, Inc. and created a special plan entry date of May 1, 2022 for these employees. As part of this amendment, prior service with Northeast Seafood Products, Inc., is recognized for eligibility and vesting purposes.

NOTES TO FINANCIAL STATEMENTS

Note 9. Plan Amendment and Subsequent Events (Continued)

Effective September 7, 2022, the Plan was amended to include those individuals who became employees due to any acquisition through asset or stock purchase. These employees will become eligible employees as of the first day of the plan year or quarter coinciding with or following the date of an acquisition. The age and service requirements are waived for individuals employed on the acquisition date, and service with the predecessor employer is recognized for eligibility and vesting purposes.
