To the Administrative Committee of
RUSNAK 401(k) Plan
P.O. Box 70489
Pasadena, California 91117-7489

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of RUSNAK 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of RUSNAK 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibility of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RUSNAK 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RUSNAK 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RUSNAK 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matters**

*2021 Supplemental Schedules Required by ERISA*

The supplemental Schedule of Assets (Held at End of Year), December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements or ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of RUSNAK 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**RUSNAK 401(k) PLAN**
**NOTES TO FINANCIAL STATEMENTS**

## Note A – Description of the Plan

The following description of the RUSNAK 401(k) PLAN ("Plan") provides only general information. Participants should refer to the Plan Agreement and/or the Summary Plan Description for a more complete description of the Plan's provisions.

### *General*

During the time period covered by these financial statements, except as noted below, the Plan was comprised of the following companies hereafter referred to as "the Company":

- PRM Corporation
- RUSNAK/Pasadena
- RUSNAK/Arcadia
- RUSNAK/Westlake
- RUSNAK Corporation dba Hyundai Inland Empire
- Anaheim Hills Jaguar Land Rover, Inc.
- Rusnak/South Bay, LLC

The Plan is a defined contribution plan covering eligible employees who have completed 60 days of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Entry Date is the first day of the month that is, or next follows, the date in which an employee satisfies the applicable eligibility requirements. The Administrative Committee oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Administrative Committee.

### *Contributions*

Each year, participants may contribute up to 90% of their Plan Compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various common collective trusts and index funds as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan with a 3% of compensation deferral, unless they affirmatively elect not to participate or elect a different deferral percentage. The Company has the option of making discretionary contributions and discretionary matching contributions. Contributions are subject to certain statutory limitations.

### *Participant Accounts*

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Note A – Description of the Plan** (concluded)

### *Vesting*

Participants are immediately vested in their contributions (including rollovers), plus actual earnings thereon. Participant contributions and any gains pertaining to the participant contributions can be withdrawn at any time. The portion of the participant's account attributable to employer matching contributions and employer discretionary contributions are fully vested after completion of five years of credited service. Vesting is accrued as outlined in the Plan Agreement. Participants' accounts become fully vested in the event of death, total disability or the attainment of normal retirement age while still under the employ of the Company.

### *Notes Receivable from Participants*

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. Participants may have two loans outstanding at any time. The notes are secured by the balance in the participant's account and bear interest at the prime rate as published in the Wall Street Journal, plus 1 percentage point. Loan terms cannot extend beyond five years, unless used for the purchase of a primary residence. The Plan Administrator will disclose the applicable interest rate at the time the loan is requested. Principal and interest is paid ratably through payroll deductions. Temporary exceptions to the loan policy exist which are more fully described in Note J.

### *Payment of Benefits*

On termination of service due to death, disability or retirement, a participant becomes 100% vested in all of their accounts under the Plan. In the case of termination due to disability or retirement, such participant may elect to have such vested account balance distributed to them as soon as administratively feasible following termination of employment. In the case of termination due to death, the account balance will be used to provide the decedent's beneficiary with a death benefit in a single lump-sum payment.

In-Service distributions (other than hardship) of the vested portion of a participant's non-elective employer contribution account are allowed at (1) attainment of normal retirement age, or later, (2) attainment of age 59 ½ or later, (3) upon a participant's total disability, or (4) upon the call to active duty of a qualified reservist participant. Hardship distributions, as defined, are permitted.

### *Forfeited Accounts*

At December 31, 2021 and 2020 forfeited nonvested accounts totaled $65,096 and $77,479, respectively. Forfeited non-vested accounts are to be used to reduce employer and/or matching contributions for the Plan year in which the forfeiture occurs, and may be used to pay Plan expenses. In 2021, employer contributions and Plan expenses were reduced by $0 and $13,480, respectively, from forfeited nonvested accounts. In 2020, employer contributions and Plan expenses were reduced by $4,947 and $13,300, respectively, from forfeited nonvested accounts.

## Note B – Summary of Significant Accounting Policies

### *Date of Management's Review of Subsequent Events*

Subsequent events were evaluated through October 5, 2022, which is the date the financial statements were available to be issued.

### *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Administrative Committee to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

### *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Administrative Committee considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

### *Investment Valuation and Income Recognition*

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

**Note B – Summary of Significant Accounting Policies** (concluded)

***Payment of Benefits***

Benefits are recorded when paid.

***Expenses***

Certain operating expenses for maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**Note C – Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

| | |
|---|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include<br>• quoted prices for similar assets or liabilities in active markets;<br>• quoted prices for identical or similar assets or liabilities in inactive markets;<br>• inputs other than quoted prices that are observable for the assets and liability;<br>• inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.<br>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

**Note C – Fair Value Measurements** (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Index funds:* These investments are public investment vehicles valued using the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and is classified within level 1 of the valuation hierarchy.

*Common collective trust funds:* A common collective trust fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Although the methods above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values, the Plan believes its valuation methods are appropriate and consistent with other market participants and that the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

| | | *Fair Value Measurements at the End of the Reporting Period Using:* | | |
|---|---|---|---|---|
| **December 31, 2021** | Fair Value | Level 1 | Level 2 | Level 3 |
| Index funds | $ 20,894,417 | $ 20,894,417 | $ - | $ - |
| Total assets in the fair value hierarchy | 20,894,417 | $ 20,894,417 | $ - | $ - |
| Investments measured at net asset value (a): | 18,374,445 | | | |
| Total investments at fair value | $ 39,268,862 | | | |

**Note C – Fair Value Measurements** (continued)

| | | *Fair Value Measurements at the End of the Reporting Period Using:* | | |
|---|---|---|---|---|
| **December 31, 2020** | Fair Value | Level 1 | Level 2 | Level 3 |
| Index funds | $ 16,716,372 | $ 16,716,372 | $ - | $ - |
| Total assets in the fair value hierarchy | 16,716,372 | $ 16,716,372 | $ - | $ - |
| Investments measured at net asset value (a): | 17,182,999 | | | |
| Total investments at fair value | $ 33,899,371 | | | |

(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. Except for redemption frequency for one common collective trust fund, there are no other participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

| **12/31/21** | **Fair Value** | **Unfunded Commitments** | **Redemption Frequency** | **Redemption Notice Period** |
|---|---|---|---|---|
| Common collective trust funds | $18,374,445 | N/A | N/A | 12 months |
| **12/31/20** | **Fair Value** | **Unfunded Commitments** | **Redemption Frequency** | **Redemption Notice Period** |
| Common collective trust funds | $17,182,999 | N/A | N/A | 12 months |

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

**Note C – Fair Value Measurements** (concluded)

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no significant transfers between Level 1 and 2 and no transfers into or out of Level 3.

**Note D – Related Party and Party-In-Interest Transactions**

The Plan has a number of service providers. Such parties are parties-in-interest under ERISA, including Reliance Trust Company, the trustee of the Plan, ADP Retirement Services, the record keeper for the Plan. The Plan issues loans to participants which are secured by the balances in the participants accounts. The Company paid certain administrative expenses of the Plan, including recordkeeping and audit fees.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**Note E – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer accounts.

**Note F – Tax Status**

On July 16, 2014 the Internal Revenue Service issued a favorable opinion letter with respect to the qualified status of the Plan's non-standardized prototype plan under §401 of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Administrative Committee and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Administrative Committee to evaluate tax positions taken by the Plan to recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

## Note G – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

## Note H - Information Prepared and Certified by Reliance Trust Company

The following information included in the accompanying financial statements and supplemental schedule were obtained from data that has been prepared and certified to as complete and accurate by Reliance Trust Company.

| | 2021 | 2020 |
|---|---|---|
| Investments, at fair value | | |
| Common collective trust funds | $ 18,374,445 | $ 17,182,999 |
| Index funds | $ 20,894,417 | $ 16,716,372 |
| Notes receivable from participants | $ 841,067 | $ 960,762 |
| Interest & dividends | $ 1,284,088 | |
| Net appreciation/(depreciation) in fair value of investments | $ 3,627,766 | |
| Other income | $ 71,520 | |
| Interest on notes receivable from participants | $ 47,525 | |

## Note I – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

| | 12/31/21 | 12/31/20 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 40,211,813 | $ 34,956,023 |
| Less: defaulted notes receivable from participants | (101,884) | (95,890) |
| Net assets available for benefits per Schedule H to the Form 5500 | $ 40,109,929 | $ 34,860,133 |

Defaulted notes receivable from participants, while required to be removed from the balance sheet of Schedule H when the associated participant has been taxed on such default, are obligated to be repaid by the participant. As such, the debt must remain on the financial statement balance sheet until such time as a terminating event is present allowing such defaulted loan to be repaid via a benefit reduction.

## Note J – Coronavirus Pandemic (COVID-19) Related Matters

### *Risks and Uncertainties*

The COVID-19 pandemic has resulted in the federal and provincial governments enacting emergency measures to combat the spread of the virus. These measures, which included the implementation of travel bans, self-imposed quarantine periods, restrictions on or closures of non-essential businesses and social distancing, have caused an economic slowdown and material disruption to businesses in the United States of America and globally. Given the continuously evolving circumstances surrounding COVID-19, it is difficult to predict with certainty the nature, extent and duration of COVID-19, and the duration and intensity of resulting business disruptions and related financial, social and public health impacts. Such effects could be adverse and material, including their potential effects on the Plan's investment performance both in the short-term and long-term.

### *CARES Act*

Effective April 7, 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to $100,000 from the Plan beginning on or after January 1, 2020 through December 31, 2020. In addition, effective April 7, 2020, the Plan also adopted the loan provision of the CARES Act, whereby the loan amount increased up to $100,000 and qualified Plan participants who have Plan loan payments are allowed to defer such payments until December 31, 2020.

Several of the provisions will require changes to the Plan. The Act includes relief for memorializing Plan amendments, generally giving Plans until at least the end of the 2022 Plan year.

## Note K – Subsequent Events

### *Cessation of RUSNAK/South Bay, LLC from Plan*

The Plan formally documented the cessation of RUSNAK/South Bay, LLC from participation in Plan effective January 1, 2022.

### *Amendment to comply with the 2017 Cumulative List*

On July 1, 2022, an amendment to, and restatement of the Plan, was adopted to bring the Plan into compliance with the legislative and regulatory changes set forth in the 2017 Cumulative List (Notice 2017-37), the 6-year pre-approved Plan restatement cycle, effective August 1, 2022.
