INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Eurostampa 401(k) Plan
Cincinnati, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Eurostampa 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Eurostampa 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Eurostampa 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Eurostampa 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the

effectiveness of Eurostampa 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Eurostampa 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of the Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Eurostampa 401(k) Plan. As permitted by 29 CFR 2530.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EUROSTAMPA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Eurostampa (the “Company”) 401(k) Plan (the “Plan”) provides only general information. For a more complete description of the Plan’s provisions, refer to the agreement governing the Plan (the “Plan Agreement”).

General

The Plan is a defined contribution plan adopted effective January 1, 2013 covering eligible employees of Eurostampa Holding North America, Inc. and Eurostampa California LLC. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may elect to contribute a specific percentage or dollar amount of compensation on a pre-tax basis, as defined in the Plan Agreement, up to the total annual deferral limits set by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. The Company makes a safe harbor matching contribution of 100% up to the first 3% of salary deferral plus 50% up to an additional 2% of salary deferral. The Company may also make additional discretionary employer contributions.

Investment Options

Upon enrollment in the Plan, participants may direct contributions among investment choices offered by the Plan. The Plan currently offers a variety of mutual funds as investment options for participants. There are no non-participant-directed investments in the Plan. All investments are based upon the participants’ elections.

Participant Accounts

Participants’ accounts are valued on a daily basis based on quoted market prices. Each account is credited with the participant’s contributions and allocations of net investment earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions, including rollovers, plus actual earnings thereon. Participants are also immediately vested in the Company’s safe harbor matching contributions plus earnings thereon. Discretionary Company contributions vest on a schedule based on years of continuous service, with 20% per year beginning after two years of service, up to 100% after six years of service.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime interest rate plus 1%. Principal and interest are paid ratably through bi-weekly payroll deductions.

Benefits

On termination of service due to death, retirement, disability, or other reasons, a beneficiary may receive a lump-sum distribution amount equal to the value of the participant's vested interest in his or her account. Hardship distributions and in-service distributions are allowed as defined by the Plan Agreement.

Forfeitures

Forfeited, non-vested accounts may be used to offset future employer contributions or other eligible plan expenses. \$1,676 and \$2,662 were used to fund employer contributions for the years ended December 31, 2021 and 2020, respectively. The balance of the forfeiture account was \$0 as of December 31, 2021 and 2020.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for a discussion of fair value measurements.

The net appreciation or depreciation in the fair value of investments is reflected in the Statements of Changes in Net Assets Available for Benefits and includes realized gains and losses on investments bought and sold and the change in appreciation from one period to the next. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Acquisition costs are included in the cost of investments purchased, and sales are recorded net of selling expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

Market conditions may result in a high degree of volatility and increase the risks and short-term liquidity associated with certain investments held by the Plan, which could impact the value of investments after the date of these financial statements.

Plan Administration Costs

The Company absorbs significant costs of Plan administration related to legal, accounting, audit, recordkeeping, and general administration. Investment advisory fees and other expenses related to the administration of the Plan are paid either by the Plan, the Company, or the participants.

Payment of Benefits

Benefits are recorded when paid.

Accounting for Participant Loans

Loans are required to be classified as loans receivable for GAAP purposes and measured at the unpaid principal plus accrued but unpaid interest.

NOTE 3 – INVESTMENTS

NOTE 4 – RECORDKEEPING AND CUSTODIAN AGREEMENTS

Recordkeeping services are performed by ADP Retirement Services and trustee services are provided by Reliance Trust Company.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. No such fees were paid during the years ended December 31, 2021 or 2020 as all fees were paid from Plan assets. Fees and commissions paid from Plan assets totaled \$28,294 and \$35,932 during the years ended December 31, 2021 and 2020, respectively.

In addition, the Company provides certain accounting and administrative services to the Plan for which no fees are charged.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 – TAX STATUS

The Plan has adopted a standardized form of a prototype plan sponsored by ADP who has represented that the prototype plan qualifies under Section 401(a) of the Internal Revenue Code. The Plan has not requested a determination letter specific to the Plan itself. However, the Plan administrator believes the Plan was designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the financial statements.

The Plan's tax returns are subject to examination by Federal authorities for a period of three years after the filing deadlines of those returns. The returns for the years ended December 31, 2018 to 2021 remain open to examination.

NOTE 8 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

- | | |
|-----------|---|
| Level I | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level II | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets• Quoted prices for identical or similar assets or liabilities in inactive markets• Inputs other than quoted prices that are observable for the asset or liability• Inputs that are derived principally from or corroborated by observable market data by correlation or other means If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level III | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The assets or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Money market funds and equity securities: Valued at the closing price reported on the active market on which the individual securities are traded.

EUROSTAMPA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 8 – FAIR VALUE MEASUREMENTS (Continued)

Mutual funds: Valued at quoted market prices held by the plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at estimated fair value as of December 31, 2021.

	Level I	Level II	Level III	Total
Self-directed investment account:				
Mutual funds	\$ 5,712,739	\$ -	\$ -	\$ 5,712,739
Bond funds	<u>-</u>	<u>28,790</u>	<u>-</u>	<u>28,790</u>
Total Investments	<u>\$ 5,712,739</u>	<u>\$ 28,790</u>	<u>\$ -</u>	<u>\$ 5,741,529</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at estimated fair value as of December 31, 2020.

	Level I	Level II	Level III	Total
Self-directed investment account:				
Mutual funds	\$ 4,415,982	\$ -	\$ -	\$ 4,415,982
Bond funds	<u>-</u>	<u>28,783</u>	<u>-</u>	<u>28,783</u>
Total Investments	<u>\$ 4,415,982</u>	<u>\$ 28,783</u>	<u>\$ -</u>	<u>\$ 4,444,765</u>

NOTE 9 - SIGNIFICANT ESTIMATES AND CONCENTRATIONS

The current economy continues to present retirement plans with difficult circumstances and challenges, which in some cases have resulted in large and unanticipated declines in the fair value of investments. The financial statements have been prepared using values and information currently available to the Plan.

Given the volatility of current economic conditions, the values of assets recorded in the financial statements could change rapidly, resulting in material future adjustments in investment values that could negatively impact the Plan.

December 31, 2021 and 2020

NOTE 10 – PLAN AMENDMENTS

Since initial adoption, the Plan has been amended to include employees of Eurostampa California LLC effective November 1, 2014 and to remove the eligible age requirement effective January 1, 2015.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts were assessed and the coronavirus-related distributions and loan repayment relief options have been implemented to date. The Plan has been amended to reflect these adoptions.

NOTE 11 – SUBSEQUENT EVENTS

Management reviews events and transactions occurring subsequent to the date of the financial statements for matters requiring potential recognition or disclosure in the financial statements. The Company has evaluated subsequent events through August 22, 2022, the date the financial statements were available to be issued. Management has determined that no events require disclosure, except those noted below.

In March 2020, the World Health Organization declared the novel strain of coronavirus a “Public Health Emergency of International Concern”. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. It is uncertain as to the full magnitude that the pandemic will have on the Plan’s financial condition, liquidity, and future results of operations. Plan management is actively monitoring the impact of the global situation on its subsequent financial condition, liquidity, operations, suppliers, industry, and workforce.

Subsequent to year end, the Plan’s investment portfolio as of August 22, 2022, reflected an unrealized loss. The August 22, 2022 market value of \$5,086,909 as compared to December 31, 2021 market value of \$5,741,629 reflected an unrealized loss of \$654,620. The Plan does not consider the unrealized loss to be other than temporary.
