Lanco Employees Retirement/Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Lanco Employees Retirement/Profit Sharing Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

The Plan Administrator and Participants
Lanco Employees Retirement/Profit Sharing Plan

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan Administrator and Participants
Lanco Employees Retirement/Profit Sharing Plan

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 3, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

LANCO EMPLOYEES RETIREMENT/PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan

The following description of the Lanco Employees Retirement/Profit Sharing Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Lanco Assembly Systems, Inc. (the Company) who are at least 21 years of age and have met service requirements specified by the Plan. It is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Effective July 1, 2021, the Company amended and restated the Plan by adopting a non-standardized pre-approved form of a Plan sponsored by ADP, LLC and Reliance Trust Company was appointed as trustee of the Plan. The adoption of the non-standardized Plan did not result in a significant change in Plan provisions. The Plan was again restated effective July 28, 2022. The restatement did not have a significant impact on Plan operations.

Contributions

Participants may elect to make pre-tax or Roth contributions up to the maximum allowable of their eligible compensation, subject to the limitations established by the Internal Revenue Service (IRS). Participants may elect to rollover distributions from other qualified retirement plans.

Employer matching contributions are voluntary and are determined at the discretion of the Company. During 2021 and 2020, the Company matched 20% of the first 6% of employee salary deferrals. The Company may elect to make discretionary nonelective employer contributions to the Plan which are allocated to participants based upon relative compensation, as defined in the Plan agreement. Only participants employed by the Company and meeting the eligibility requirements as of the last day of the Plan year are eligible to receive these contributions. No such contributions were made during the years ended December 31, 2021 and 2020.

Participants can direct the allocation of their accounts to any of the stipulated investment fund alternatives offered by the Plan. These funds include a stable value option (collective trust) which provides for a specified return, as well as mutual funds.

Participant Accounts

Each participant's account is credited with an allocation of contributions and Plan earnings. Certain administrative fees are allocated and charged against each participant's accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan (Continued)

Vesting

Participants are immediately vested in their contributions and earnings thereon. Employer contributions vest as follows:

<u>Years of Services</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	10
2 years	20
3 years	40
4 years	60
5 years	80
6 years	100

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Payment of Benefits

Upon death, disability, termination of employment, attainment of age fifty-nine and 1/2 or retirement on or after age sixty-five, participants are entitled to a distribution of the balance of their accounts. Participants may also be entitled to a hardship withdrawal as determined in accordance with the Plan's provisions. If the vested benefit exceeds \$5,000, the payment of a participant's account shall be made in a lump sum payment or substantially equal installments. If the vested benefit does not exceed \$5,000, the payment shall be made in lump sum.

Effective March 27, 2020, the Plan adopted the distribution provisions of the *Coronavirus Aid, Relief, and Economic Security Act* (the CARES Act) that was signed into law. A CARES Act distribution allowed the Plan's qualified participants to take a coronavirus (COVID-19) related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. Additionally, required minimum distributions were temporarily waived over the same period.

Participant Notes Receivable

Upon application, notes may be granted to participants. In no event shall the total of any such note to any participant exceed the lesser of (a) 50 percent of the participant's vested interest in his account in the fund, or (b) \$50,000. No note shall be for a term exceeding 5 years unless it is for the purchase of a principal residence. Only one outstanding note per participant is permitted at any one time. Notes bear interest at a rate that is commensurate with prevailing interest rates on similar loans. Principal and interest is paid ratably through payroll deductions.

LANCO EMPLOYEES RETIREMENT/PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan (Continued)

Under the CARES Act, the Plan adopted the temporary loan repayment deferral provision, which allowed qualified Plan participants who have Plan loan repayments due from March 27, 2020 to December 31, 2020, to delay such repayments up to one year. The CARES Act also permitted qualified participants the ability to take a loan up to the lesser of \$100,000 or 100% of the participant's vested balance from the Plan, beginning on or after March 27, 2020 through September 22, 2020.

Forfeitures

Participant forfeitures may be used to offset employer contributions or Plan expenses. Available forfeitures totaled \$11 and \$32,971 at December 31, 2021 and 2020, respectively.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options which in turn invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemics or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

LANCO EMPLOYEES RETIREMENT/PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (Continued)

Investments and Income Recognition

The Plan provides participants with a selection of mutual funds and a stable value option (collective trust) to which participants may direct their contributions. Mutual funds are valued at the quoted value of shares held by the Plan at year end. See note 6. Investment in the collective trust is stated at fair value based on net asset value (NAV). NAV has been determined based on the unit value of the trust. Unit value is determined by dividing the fund's net assets based on the fair value of the underlying investments by its units outstanding at each valuation date. The group annuity contract is valued at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of investments are recorded on a trade-date basis. Participants can purchase or redeem units on a daily basis in any of the Plan's funds based on the fund's reported net asset value per share. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

Participant Notes Receivable

Participant notes receivable are measured at the notes' unpaid principal balance plus accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned on an accrual basis. Related fees are recorded and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Benefit Payments

Benefit payments are recorded when paid.

Contributions

Participant deferrals are recorded in the period in which payroll deductions are made. Employer matching contributions are recorded in the same period as the corresponding participant contributions.

Administrative Expenses

Administrative fees are paid by the Plan to the extent they are not paid by the Company.

Subsequent Events

For the purposes of recognition and disclosure in these financial statements, management of the Plan has evaluated subsequent events through September 27, 2022, which is the date these financial statements were available to be issued.

LANCO EMPLOYEES RETIREMENT/PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

3. Information Certified by Custodians

The Plan's investments and notes receivable from participants, related investment income and investment and notes receivable transactions, including net appreciation of investments and interest income on notes receivable from participants as of and for the year ended December 31, 2020 and for the period January 1, 2021 through June 30, 2021, were certified by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company, the custodians of the Plan through June 30, 2021, and furnished to the Plan administrator.

The Plan's investments and notes receivable from participants, related investment income and investment and notes receivable transactions, including net appreciation of investments and interest income on notes receivable from participants as of December 31, 2021 and for the period July 1, 2021 through December 31, 2021, were certified by Reliance Trust Company, the current custodian, and furnished to the Plan administrator.

The Plan administrator has obtained certifications from the custodians for the periods stated above that information provided to the Plan administrator related to these assets and transactions is complete and accurate. The Plan administrator has determined that the custodians meet the requirements of qualified institutions as defined by the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to this information.

4. Tax Status

A qualifying plan is one for which the employer may currently deduct contributions on its income tax return, the employee is not currently taxed on the contribution, and the plan income is not taxable.

On October 1, 2019, the Company adopted a volume submitter form of a plan sponsored by Summit Financial Corporation. The IRS has issued an opinion letter dated November 30, 2014 for the volume submitter plan stating that the volume submitter plan is acceptable under Section 401(a) of the Code. Effective July 1, 2021, the Plan adopted a non-standardized pre-approved form of a plan sponsored by ADP, LLC. The IRS has issued an opinion letter dated July 16, 2014 for the non-standardized pre-approved plan stating that the pre-approved plan is acceptable under Section 401(a) of the Code. The Plan has been amended since the date of the determination letters. The Plan Administrator believes that the Plan is currently being operated in compliance with the terms of the Plan and the Code and remains qualified under the Code and applicable regulations.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

LANCO EMPLOYEES RETIREMENT/PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

5. **Stable Value Fund and Group Annuity Contract**

The Plan holds an investment in the Reliance Metlife Stable Value Fund, a collective trust. The Reliance Metlife Stable Value Fund's trustee is Reliance Trust Company. The fund's investment objective is to preserve principal while generating earnings at rates competitive over time with short-term, high quality fixed income investments, while maintaining sufficient liquidity to facilitate participant directed withdrawals. The fund invests primarily in high quality bonds with short to intermediate term maturities, and also purchases insurance contracts which aim to provide stability on a day to day basis. There are no unfunded commitments at December 31, 2021, and the fund provides for redemptions from the Plan at NAV, with no advance notice requirement.

Prior to June 30, 2021, the Plan held a group annuity contract with Great-West Life & Annuity Insurance Company (Great-West) that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The Key Guaranteed Portfolio Fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents contributions made under each contract, plus earnings based on the crediting rate, less participant withdrawals, and administrative expenses.

Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest is based on a formula agreed upon with the issuer but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting. The average yield earned by the Plan for the Key Guaranteed Portfolio fund was 1.04% for 2021 and 2020.

Certain employer initiated events may reduce the reported value of the investment in the collective trust or the group annuity contract. These events include discontinued operations, layoffs, Plan termination, bankruptcy or reorganization, merger, early retirement incentive programs, tax disqualification of the Plan, or other events. Such events are not expected to be probable to occur.

6. **Fair Value Measurements**

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities. Valuations are obtained from readily available pricing sources for market transactions involving assets or liabilities.

LANCO EMPLOYEES RETIREMENT/PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

6. Fair Value Measurements (Continued)

Level 2 – Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third-party pricing services for identical or similar assets or liabilities.

Level 3 – Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer, or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities. All assets and liabilities for which the fair value measurement is based on significant unobservable inputs are classified as Level 3.

Mutual funds are valued at the quoted net asset value of shares (based on quoted market price) held by the Plan at year end. The units of the collective trust are valued using the NAV practical expedient as determined by the issuer based on the current underlying assets of the fund. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2021</u>				
Mutual funds	<u>\$22,502,701</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$22,502,701</u>

<u>2020</u>				
Mutual funds	<u>\$18,448,536</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$18,448,536</u>

7. Related Party and Party-in-Interest Transactions

As discussed in Note 1, employees of the Company are allowed to rollover funds directly from the Company's employee stock ownership plan (ESOP) to the Plan for purposes of diversification after meeting certain eligibility requirements. During 2021 and 2020, \$55,082 and \$2,886, respectively, was directly rolled into the Plan from the ESOP for purposes of diversification. Such amounts are included in rollovers on the statements of changes in net assets available for benefits.

LANCO EMPLOYEES RETIREMENT/PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

7. Related Party and Party-in-Interest Transactions (Continued)

Administrative expenses include amounts paid to Great-West Life & Annuity Insurance Company, the former custodian, and ADP, LLC and Reliance Trust Company, the current recordkeeper and Plan Custodian, respectively, and qualify as party-in-interest transactions. Administrative fees also include amounts paid for investment advisory services and contract administrative services, which qualify as party-in-interest transactions. The Plan's collective trust is managed by Reliance Trust Company and therefore these transactions qualify as party-in-interest. The Plan's group annuity contract was managed by Great-West Life & Annuity Insurance Company, and therefore these transactions qualify as party-in-interest. Certain fees incurred by the Plan are paid through revenue sharing, rather than direct payment. In addition, notes to participants qualify as party-in-interest transactions.

8. Reconciliation to Form 5500

The following is a reconciliation of the significant differences between the financial statements and Form 5500 at December 31, 2021 and 2020 and for the years then ended:

	<u>2021</u>	<u>2020</u>
