We have performed an audit of the financial statements of Celltron, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audit of Celltron, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4—Summary of Information Certified by Trustees of Plan Under Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure Under the Employee Retirement Income Security Act of 1974 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The information in the financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Celltron, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for determining that the accounting principles generally accepted in the United States of America is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Celltron, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that individually, or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Celltron, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Celltron, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year), which are the responsibility of Plan management, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4—Summary of Information Certified by Trustees of Plan Under Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure Under the Employee Retirement Income Security Act of 1974, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan in 2020, except for comparing the information with the related information included in the 2020 financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained certifications from the trustee, as of and for the year ended December 31, 2020, that the information provided to the Plan administrator by the trustee is complete and accurate.

CELLTRON, INC. 401(K) PROFIT SHARING PLAN
Galena, Kansas

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of Celltron, Inc. 401(k) Profit Sharing Plan (the Plan) are kept on the accrual basis.

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3—Investments and Fair Value Measurements for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

The Plan follows the provisions of Topic 962 of the Financial Accounting Standards Board Accounting Standards Codification, which requires participant loans to be classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the cash basis, which approximates accrual basis. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance may be reduced and a benefit payment recorded based on the terms of the Plan document.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by Celltron, Inc. (the Company). Expenses that are paid by the Company are excluded from these financial statements.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through September 24, 2022, the date which the financial statements were available for issue.

NOTE 2—DESCRIPTION OF PLAN

The following description of the Celltron, Inc. 401(k) Profit Sharing Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all nonunion employees of Celltron, Inc. (the Company) who have completed two months of employment and are age 18 years or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 90% of their compensation, subject to the maximum limits established in the Internal Revenue Code.

The Company may make matching contributions equal to a discretionary percentage, to be determined by the Company, of the participants' elective deferrals. Elective deferrals will be matched by a discretionary percentage of participants' contributions or dollar amount as determined by the Company. The Company currently contributes fifty cents for each dollar of participant elective deferrals up to 3.00% of compensation.

The Company may also make an additional profit sharing contribution at the end of a Plan year for the benefit of those participants who have completed 500 hours of service during the year. No such contributions were made in 2021 and 2020.

Participants direct the investment of their contributions as well as the Company's contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and one pooled fund as investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, and Plan earnings, and is charged with an allocation of administrative expenses and investment advisory fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and are 100% vested in the Company's matching and profit sharing contributions after one year of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50.00% of their account balance. All loans must be repaid within five years, except for loans used to acquire any dwelling to be used as the participant's principal residence. The notes are secured by the balance in the participant's account and bear interest at the rates of 4.25% - 7.50%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service, a participant will normally receive a lump sum amount equal to the value of the participant's vested interest in their account.

Plan Amendment

The Plan was amended and restated effective October 1, 2021, pursuant to which the service requirement before being eligible to participate was reduced from 12 to two months and the age requirement was lowered from 20.5 to 18 years. There were no other significant changes in the operation of the Plan as a result of this restatement.

NOTE 3—INVESTMENTS AND FAIR VALUE MEASUREMENTS

The Plan's investments at December 31, 2021 and 2020, were held by the Plan's trustees, Reliance Trust Company and Wells Fargo Bank, N.A., respectively, and are reported at fair value in the accompanying statements of net assets available for benefits.

The Plan has determined the fair value of certain assets and liabilities through application of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10. FASB ASC 820-10 defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the Plan's principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The standard establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

- Level 1 inputs - are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2 inputs - are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs - are unobservable inputs for assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

- **Mutual Funds:** are valued based on quoted net asset values of the shares held by the Plan at year end. These investments, therefore, are classified as using Level 1 inputs.
- **Common Collective Trust Funds:** these are stable value funds valued at Net Asset Value (NAV) of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trusts, the issuers reserve the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level within the fair value hierarchy, show the Plan's investments at fair value as of December 31:

		Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Total Fair Value			
Fair value measurements at December 31, 2021, are as follows:				
Investments in the fair value hierarchy				
Mutual Funds	\$ 4,202,052	\$ 4,202,052	\$ -	\$ -
Investments measured at net asset value (a)				
Common Collective Trust Funds	387,349	-	-	-
Investments (at fair value)	<u>\$ 4,589,401</u>	<u>\$ 4,202,052</u>	<u>\$ -</u>	<u>\$ -</u>

Fair value measurements at December 31, 2020, are as follows:

Investments in the fair value hierarchy				
Mutual Funds	\$ 3,620,954	\$ 3,620,954	\$ -	\$ -
Investments measured at net asset value (a)				
Common Collective Trust Funds	638,648	-	-	-
Investments (at fair value)	<u>\$ 4,259,602</u>	<u>\$ 3,620,954</u>	<u>\$ -</u>	<u>\$ -</u>

- (a) In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments unless withdrawals are delayed to all unit holders; the redemption notice period is applicable only to the Company or Plan fiduciary.

Investment	December 31, 2021			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Galliard Stable Return Fund C	\$ 373,846	\$ -	Daily	12 months

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments. During 2021 and 2020, the Plan's investments (including gains in investments bought and sold, as well as held during the year) appreciated in value by \$416,282 and \$437,607 respectively.

NOTE 4—SUMMARY OF INFORMATION CERTIFIED BY TRUSTEES OF PLAN UNDER SECTION 29 CFR 2520.103-8 OF THE DEPARTMENT OF LABOR'S RULES AND REGULATIONS FOR REPORTING AND DISCLOSURE UNDER THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974

The following institutions held the Plan's investment assets and executed transactions therein for the periods of time indicated: Wells Fargo Bank, N.A., trustee of the Plan from January 1, 2020 to May 21, 2021, Principal Trust Company, the trustee of the Plan from May 21, 2021 to October 18, 2021, and Reliance Trust Company, the trustee of the Plan from October 18, 2021 to December 31, 2021. Financial information relating to those assets is included in the accompanying financial statements based on information provided by the trustees. The Plan administrator has obtained certifications from the trustees, as of and for the years ended December 31, 2021 and 2020, that such information is complete and accurate. That information, which has not been audited by independent accountants, is summarized as follows:

- a. Investment balances and transactions
- b. Participant loan balances and transactions
- c. Investment income and accrued income
- d. Realized and unrealized appreciation in fair value of investments

NOTE 5—TERMINATION OF THE PLAN

The Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan. In the event of termination or partial termination of the Plan or discontinuance of contributions thereto, the interests of the participants in the Plan shall be fully vested at the time of such termination or discontinuance. The trustee shall continue to administer the funds in the Plan until all obligations of the Plan have been satisfied.

NOTE 6—INCOME TAX STATUS

The Plan was amended and restated effective October 1, 2021. This was done by the adoption of a prototype plan. The Internal Revenue Service has determined by letter dated October 6, 2020, that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 7—RELATED PARTY TRANSACTIONS

The Plan made payments to the trustee Wells Fargo Bank, N.A., for administrative and investment advisory services rendered to the Plan for 2021 and 2020, in the amounts of \$9,098 and \$21,042, respectively. The Plan made payments to the trustees, Principal Trust Company and Reliance Trust Company, for administrative and investment advisory services rendered to the Plan for 2021 in the amounts of \$9,708 and \$2,211, respectively.

The Plan invested in certain proprietary mutual funds and a pooled fund that were both managed by the trustee, Wells Fargo Bank, N.A. The total fair value of these funds was \$0 and \$1,249,146 as of December 31, 2021 and 2020, respectively. Total investment income from these funds was \$76,786 and \$89,954 for 2021 and 2020, respectively.

Certain significant costs of operating the Plan are absorbed by the Plan sponsor.

NOTE 8—RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
