INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
Health Dimensions Consulting, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Health Dimensions Consulting, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined that it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520. 103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosure in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A –DESCRIPTION OF THE PLAN

The following description of the Health Dimensions Consulting, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Health Dimensions Consulting, Inc. (the Company). The purpose of the Plan is to provide eligible employees of the Company with retirement and other benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation

Employees are eligible to participate in the plan after having completed two months of service and having reached 21 years of age. The entry date is the first day of the month coinciding with or next following the date on which the eligibility is met.

Funding Policy

A participant may elect to defer up to 100 percent of his or her compensation on a pretax basis. The Plan also allows for after-tax contributions through its Roth 401(k) account option. All employee contributions are subject to Internal Revenue Code limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans.

The Company provides safe harbor matching contributions of a mandatory 100 percent of the participant's salary deferrals into the Plan, up to 3 percent of the participant's eligible compensation plus 50 percent of the participant's salary deferrals between 3 percent and 5 percent of eligible compensation. The Company may also make discretionary profit sharing contributions. The Company made matching contributions of \$234,002 and \$248,304 for the Plan years ended December 31, 2021 and 2020, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specified participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A – DESCRIPTION OF THE PLAN – cont'd

Vesting

Participants are vested immediately in their own contributions and Company matching contributions, pursuant to the safe harbor match rules. Discretionary profit sharing contributions vest ratably as follows:

<u>Years of Service</u>	<u>Vested Percentage of Employer Contributions</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

For eligibility and vesting purposes, a year of service is defined as 1,000 or more hours of service in a calendar year.

Investment options

Participants are allowed to invest in a variety of investment choices, as more fully described in the Plan's literature. Investment choices vary in types of investments, rates of return, and investment risk. Participants may elect at any time to have all or part of their account balances and future contributions transferred from one investment choice to another.

Forfeitures

Amounts forfeited by former participants are used to reduce the Company's contributions to the Plan or pay administrative expenses of the Plan. As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$140 and \$139, respectively.

Payment of benefits

Distributions of benefits are made when a participant retires, dies, becomes totally and permanently disabled, or otherwise ceases to be an employee. If the vested account balance does not exceed \$1,000, a lump-sum distribution, net of tax will be made. If the vested account balance exceeds \$1,000 but is not more than \$5,000, the balance will be automatically rolled into an individual retirement account if no distribution option is provided by the participant. In-service withdrawals are available in accordance with the Plan agreement. Hardship withdrawals are also available under the Plan.

Notes Receivable from Participants

Participants may borrow from their account balances a minimum of \$1,000 up to a maximum of the lesser of 50% of their account balance or \$50,000. Each participant note is secured by the balance in the participant's account. The rate of interest on existing notes at December 31, 2021 ranged from 4.25% to 6.50%. Principal and interest is paid ratably through payroll deductions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See note G for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expenses

Certain expenses of maintaining the Plan are paid by Health Dimensions Consulting, Inc. (the Company) and are excluded from these financial statements. Fees related to the administration of participant withdrawals and plan administration are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - cont'd

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes are reclassified as distributions based on the terms of the Plan agreement. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Subsequent Events

The Plan has evaluated the subsequent events through September 28, 2022, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE C – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Great-West Life & Annuity Insurance Company is a party-in-interest as defined by the Plan as a result of investing Plan assets and providing recordkeeping services. The Plan Administrator has approved these activities and transactions. A portion of the administrative costs for the Plan is paid by the Company. The remainder of the administrative expenses becomes the responsibility of the Plan. Administrative costs paid to Great-West Life & Annuity Insurance Company by the plan were \$8,882 and \$7,352 for the plan years ended December 31, 2021 and 2020, respectively. Advised Assets Group is a party-in-interest as defined by the Plan as a result of providing investment management services. Administrative fees were paid to Advised Assets Group in the amount of \$6,258 and \$3,866 for the plan years ended December 31, 2021 and 2020, respectively. MMA Securities, LLC is a party-in-interest as defined by the Plan as a result of providing investment advisory services. Administrative fees were paid to MMA Securities, LLC in the amount of \$25,961 and \$23,802 for the plan years ended December 31, 2021 and 2020, respectively. Goldleaf Partners is a party-in-interest as defined by the Plan as a result of providing contract administration services. Administrative fees were paid to Goldleaf Partners in the amount of \$715 and \$2,306 for the plan years ended December 31, 2021 and 2020, respectively. Futureplan is a party-in-interest as defined by the Plan as a result of providing contract administration services. Administrative fees were paid to Futureplan in the amount of \$1,170 and \$0 for the plan years ended December 31, 2021 and 2020, respectively.

NOTE D – INFORMATION CERTIFIED BY THE PLAN’S TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value on investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West Life & Annuity Insurance Company (the trustee of the Plan).

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE F – TAX STATUS

The original effective date of the Health Dimensions Consulting, Inc. 401(k) Profit Sharing Plan and Trust was January 1, 2004. The Plan was restated under the Volume Submitter 401(k)/Profit Sharing Plan sponsored by Goldleaf Partners effective January 1, 2014. The Plan was restated again effective January 1, 2016. The Prototype Plan Sponsor has obtained from the IRS an opinion letter dated June 30, 2020, specifying that the form of this adoption agreement and the basic plan document satisfy, as of the date of the opinion letter, Code Section 401. Although the plan has been amended since receiving the determination letter, the plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress

NOTE G – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets of the Plan measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE G – FAIR VALUE MEASUREMENTS – cont'd

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	7,170,562	-	-	7,170,562
Total Assets at Fair Value	\$7,170,562	\$0	\$0	\$7,170,562

	Level 1	Level 2	Level 3	Total
Mutual Funds	7,061,577	-	-	7,061,577
Total Assets at Fair Value	\$7,061,577	\$0	\$0	\$7,061,577

NOTE H – REVENUE SHARING FROM MUTUAL FUNDS

Great-West may enter into agreements with nonproprietary funds or their service providers (including advisers, administrators or transfer agents, and underwriters) whereby Great-West or its affiliate provides shareholder services, sub-transfer agency, custodial, and other administrative support services and receives compensation for the services. This compensation may include fees paid under a plan of distribution under SEC Rule 12b-1 (12b-1 fees). Generally, compensation received by Great-West or its affiliate directly or indirectly from each nonproprietary fund is based on the value of the Plan's investment in the fund (an asset-based fee) at rates that vary among the funds and share classes selected. Any excess of fund fees over advisory fees are credited to the Plan within 30 days of the end of the quarterly billing cycle.

NOTE I – RISKS AND UNCERTAINTIES

The plan invests in various investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefit

NOTE I – RISKS AND UNCERTAINTIES – cont’d

On March 22, 2020, the World Health Organization declared the COVID-19 outbreak a pandemic. Since that time, federal, state, and local authorities have taken measures to control the outbreak of COVID-19 in the United States. Many businesses in the United States have been required to cease or curtail operations, which has resulted in a negative impact on the economy. While the Company did not experience significant disruptions in its operations as a result of the pandemic, the impact of COVID-19 on investment fund and common stock share prices, and the overall economy, continues to evolve. As a result, the future impact of the pandemic on the Plan’s net assets available for benefits remains uncertain.

NOTE J – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT WITH GREAT WEST LIFE & ANNUITY INSURANCE COMPANY

The Plan has invested in Great-West Life & Annuity Insurance Company’s (Great-West) Key Guaranteed Portfolio Fund. The fund is credited with interest earned based on the stated interest rates over the life of the contract. Withdrawals can be made at any time for the purpose of participant withdrawals or benefit payments at contract value. Great-West is contractually obligated to repay the principal and a specified interest rate that is guaranteed by the Plan. The contract is included in the financial statements at contract value, as it is fully benefit-responsive, as reported to the Plan by Great-West.

Contract value represents contributions made under the contract, plus earnings, less any participant withdrawals or benefit payments. There are no reserves against contract value for credit risk of Great-West or otherwise.

The Key Guaranteed Portfolio Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The average yield earned by the Plan for Key Guaranteed Portfolio Fund was .90% and 1.04% for the plan years ended December 31, 2021 and 2020, respectively.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including a complete or partial termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction under ERISA. The Plan Administrator does not believe that any events that would limit the Plan’s ability to transact at contract value with participants are probable.
