INDEPENDENT AUDITORS' REPORT

401(k) Oversight Committee
Z-Golf Course Food and Beverage Services, LLC
401k Profit Sharing Plan and Trust
Temecula, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of **Z-Golf Course Food and Beverage Services, LLC 401k Profit Sharing Plan and Trust** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KRESTON

Member of Kreston International — a global network of independent accounting firms

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements

themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(1) Description of the Plan

The following description of the **Z-Golf Course Food and Beverage Services, LLC 401k Profit Sharing Plan and Trust** (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions, which are available from the plan administrator.

General

The Plan is a defined contribution plan established and sponsored by **Z-Golf Food and Beverage Services, LLC** (“the Company”). The Plan was established on January 1, 1998, as restated on September 1, 2015, thereby providing employees with an opportunity to accumulate funds for their retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Certain officers of the Company act as the fiduciary (“fiduciaries”). The Plan’s Trustee is Reliance Trust Company (“the Trustee”), which has the authority and responsibility for the management and investment of plan assets. The Plan is administered by the Company’s 401(k) Oversight Committee (“the Committee”), which has overall responsibility for the operation and administration of the Plan. The Committee determines the appropriateness of the Plan’s investment offerings, and monitors investment performance.

On March 27, 2020, President Trump signed into law the “Coronavirus Aid, Relief, and Economic Security (CARES) Act.” The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000 through December 31, 2020,
- Increased the available loan amount as described in Note 1 to the lesser of \$100,000 or 100% of the participant’s vested account balance through September 22, 2020
- Extended the period for loan repayments, if applicable, up to one year through December 31, 2020, and
- Required minimum distributions for the calendar year 2020 have been temporarily waived.

The Plan will be amended for the provisions implemented under the CARES Act by the time prescribed.

Eligibility

Employees who are at least 21 years old and have completed one year of eligible service are eligible to participate in the Plan as of the first date of the calendar quarter following the service requirement.

Contributions

Each year, participants may contribute up to 90% of their annual compensation as pre-tax or Roth contributions, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. Employees who elect to participate in the Plan agree to have their taxable compensation reduced by their contribution amount. Contributions withheld are invested in accordance with the participant's direction.

The Company contributes 100% of the first 3% of eligible contributions and an additional 50% on the next 2% of eligible contributions to the Plan. For 2021 the Company contributed a total of \$222,999. Effective October 1, 2020, the Safe Harbor discretionary employer match was been suspended. Effective July 1, 2021, the Safe Harbor discretionary employer match has been reinstated.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participants' direction and the Plan's provisions.

Participant investment account options

The Plan currently offers various mutual funds and one common collective trust as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at any time.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company matching contributions, as well as profit sharing contribution and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

Vesting

The portions of the participant's account attributable to elective deferral contributions and rollover contributions are 100% vested and non-forfeitable.

Participants are immediately 100% vested in employer contributions.

Notes receivable from participants

The Plan allows participants to borrow against their vested balances. Loans are not to be made for less than \$500 and are not to exceed the lesser of \$50,000 or 50% of a participant's vested balance. Participants can have up to two active loans at one time. Loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Loan terms range from one to five years unless it is for the purchase of principal residence in which case the loan repayment period may not extend beyond 30 years from the date of the loan. Interest income is recorded on an accrual basis.

Under the CARES Act, the available loan limit was increased to \$100,000 or 100% of the participant's vested account balance. The CARES Act also delayed loan payments for a COVID-19 qualified individual for any loan outstanding on or after March 27, 2020 through December 31, 2020 and, if applicable, extends the loan for up to one year. This increased loan limit was allowed to be taken from March 27, 2020 through September 22, 2020.

Benefit payments

On termination of service due to death, disability, or retirement, a participant (or beneficiary) may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. For termination of service for other reasons, a participant may only receive the value of the vested interest in their account as a lump-sum distribution. Account balances less than \$5,000, are automatically distributed as a lump sum. For those accounts over \$5,000, distributions can be taken at a later time and can be distributed in various ways in accordance with the plan agreement. Benefit payments upon the death of a participant are made to the beneficiary.

Section 2202 of the CARES Act permits eligible Plan participants to request special penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. These reasons include the participant, spouse or dependent diagnosed with COVID-19, adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19. The special coronavirus-related distributions waive the 10% early withdrawal penalty and were allowed to be made between January 1, 2020 and December 31, 2020.

Notes to Financial Statements

Forfeited accounts

There were no forfeited nonvested accounts at December 31, 2021 or 2020.

Administrative expenses

Expenses related to the operation and administration of the Plan may be paid by the Plan and reimbursed by the Company. In 2021, \$50,434 of expenses were paid by the Plan.

(2) Summary of Significant Accounting Policies

A summary of the Plan's significant accounting policies applied in the preparation of the accompanying financial statements are as follows:

Basis of accounting

The Plan uses the accrual basis of accounting in conformity with U.S. generally accepted accounting principles ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting period. Accordingly, actual results could differ from estimates.

Payment of benefits

Benefits are recorded when paid.

Fair value measurements

The Financial Accounting Standards Board ("FASB") establishes authoritative guidance on fair value measurements which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Level 1 – Valuation is based upon unadjusted quoted prices in active markets for identical assets or liabilities.

Z-Golf Course Food and Beverage Services, LLC

401k Profit Sharing Plan and Trust

Notes to Financial Statements

Fair value measurements, cont'd

Level 2 – Valuation is based upon other significant observable inputs (including quoted prices for similar assets or liabilities in active markets, identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, etc.)

Level 3 – Valuation is based upon significant unobservable inputs, including the reporting entity's own assumptions in determining the fair value of investments.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The inputs or methodology used in valuing securities are not necessarily an indication of risk associated with investing in those securities.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts are valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting dates.

Notes to Financial Statements

Fair value measurements, cont'd

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments measured at Fair Value as of December 31, 2021

	Level 1	Level 2	Level 3	Totals
Mutual Funds	\$ 10,133,909	\$ -	\$ -	\$ 10,133,909

Investments measured at NAV as of December 31, 2021

Common Collective Trusts	\$ 53,580
--------------------------	-----------

Investments measured at Fair Value as of December 31, 2020

	Level 1	Level 2	Level 3	Totals
Mutual Funds	\$ 8,341,573	\$ -	\$ -	\$ 8,341,573

Investments measured at NAV as of December 31, 2020

Common Collective Trusts	\$ 41,971
--------------------------	-----------

Investment valuation and earnings

Investments are reported at fair value (except for the fully benefit-responsive investment contract which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's fiduciaries determine the Plan's valuation policies utilizing information provided by the investment trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Z-Golf Course Food and Beverage Services, LLC

401k Profit Sharing Plan and Trust

Notes to Financial Statements

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

(3) Information Certified by the Plan's Trustee (Unaudited)

The Plan administrator has elected the method of annual compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Retirement Income Security Act of 1974 ("ERISA"). At December 31, 2021 and 2020, and for the year ended December 31, 2021, plan assets were held by the Trustee of the Plan. The Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments at fair value and NAV
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividends
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Tax Status

The Plan obtained its latest determination letter on July 8, 2014 which applies to all amendments through October 31, 2011 in which the Internal Revenue Service ("IRS") stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since October 31, 2011; however, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The tax positions taken by the Plan have been analyzed

401k Profit Sharing Plan and Trust

Notes to Financial Statements

(4) Tax Status, Cont'd

and, as of December 31, 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability, asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

(5) Party-In-Interest Transactions

The Plan's Trustee and certain members of the Committee are officers of the Company and participants in the Plan. These transactions qualify as party-in-interest transactions. Certain Plan investments are managed by the Trustee and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

(6) Pending Distributions

There were no pending distributions at December 31, 2021.

(7) Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' accounts balances and the amounts reported in the statement of net assets available for benefits. Plan Management will continue to monitor the impact COVID-19 has on the Plan and will reflect the results as appropriate in the Plan's financial records.

(8) Reconciliation of the Financial Statements to Form 5500

Net assets available for benefits, as reported in the financial statements, are consistent with the amounts reported in the Form 5500.

(9) Subsequent Events

The Company has evaluated subsequent events through October 5, 2022, the date the financial statements were available to be issued and noted the following item for disclosure:

Effective April 1, 2022, the Plan was amended to bring the Plan into compliance with legislative and regulatory changes.
