INDEPENDENT AUDITORS' REPORT

To Plan Management and Trustees
Thrive Behavioral Health, LLC 401(k) Plan
Rosedale, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Thrive Behavioral Health, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Thrive Behavioral Health, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Thrive Behavioral Health, LLC 401(k) Plan's ability to continue as a going concern for one (1) year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Thrive Behavioral Health, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Thrive Behavioral Health, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control - related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Thrive Behavioral Health, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1: Plan Description

The following description of Thrive Behavioral Health, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Thrive Behavioral Health, LLC (the Sponsor or Employer) on October 1, 2013 and restated January 1, 2016. The Plan is subject to the provisions of ERISA. Plan management is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law. Plans were permitted to adopt these provisions immediately provided the Plan document is retroactively amended on or before December 31, 2022. Plan management elected to adopt the following provisions:

- On or after April 20, 2020 and before December 31, 2020, any qualified individual, as defined in the CARES Act, was permitted to request a distribution from his or her vested account in the Plan, up to a maximum of \$100,000. Active employees who receive a coronavirus-related distribution from the Plan (or from any other eligible retirement plan) may repay all or any portion of the distribution to the Plan within the three (3) year period beginning on the date after the distribution.
- Qualified individuals with outstanding loans on or after April 20, 2020 were permitted to request that their loan payments through December 31, 2020 be deferred through December 31, 2020. Where payments were deferred, the loan was re-amortized in January 2021 to reflect interest accrued during the delay, and payments recommenced for the remainder of the loan period, plus one (1) year.
- The normal loan limits were increased from \$50,000 to \$100,000, and from fifty percent (50%) to one hundred percent (100%) of the vested account balance, for qualified individuals taking loans on or after April 20, 2020 and before September 23, 2020.

Eligibility

All employees, except union employees, nonresident aliens, and leased employees are eligible to participate in the Plan upon hire. To receive employer discretionary matching, participants must complete one (1) year of service, defined as one thousand (1,000) hours. Entry date for the employer discretionary match is the first day of the Plan year quarter coinciding with or next following the date the eligibility requirement is met. To receive employer safe harbor matching, participants must be twenty-one (21) years of age and must complete one (1) year of service. Entry date for the employer safe harbor matching is the first day of the Plan year coinciding with or next following the date the eligibility requirement is met.

Note 1: Plan Description (Continued)

Contributions

Each year, participants may contribute pretax or after-tax (Roth) compensation up to the maximum limit established by the Internal Revenue Code (IRC). Participants who are fifty (50) before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan is a safe harbor plan and the Sponsor makes safe harbor matching contributions to all eligible participants equal to one hundred percent (100%) of participant salary deferrals, not to exceed the first four percent (4%) of Plan compensation. In addition, the Sponsor may make discretionary matching contributions. For the year ended December 31, 2021, the employer made a safe harbor contribution of \$318,625.

Participants' Accounts

Each participant's account is credited with the participant's contributions, and allocations of (a) the Sponsor's safe harbor and discretionary matching contributions, if any, (b) Plan earnings (losses) and (c) charged with an allocation of any administrative expenses paid by the Plan. Expense allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Hardship Withdrawals

Hardship withdrawals are permitted in accordance with the Plan Agreement.

Vesting

Participants are immediately vested in their salary deferral, safe harbor matching, and rollover contributions. Vesting in employer discretionary matching contributions is determined by the following vesting schedule and is based on continuous service:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1 Year	0%
2 Years	50%
3 Years	100%

Regardless of the vesting schedule, participants become fully vested upon death.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive a partial amount or an amount equal to the value of the participant's vested interest in their account in either a lump-sum or annual installments at least equal to the required minimum distribution amount. For termination of service due to other reasons, a participant may elect to receive the value of the vested interest in their account as a lump-sum distribution. In-service distributions may be made to a participant who has not separated from service provided the participant has attained age fifty-nine and one-half (59 1/2).

Note 1: Plan Description (Continued)

Forfeitures

Forfeitures related to employer discretionary matching contributions are to be used to reduce future employer matching contributions other than contributions that must be fully vested when contributed. At December 31, 2021 and 2020, there was no forfeiture balance and no amounts were used during the year ended December 31, 2021 to reduce the employer matching contributions.

Notes Receivable from Participants

Except for the Cares Act provisions, participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent (50%) of their vested account balance. Loan terms range from one (1) to five (5) years except for loans for purchase of a primary residence, which may be longer as determined by the Plan Administrator. The loans are secured by the vested balance in the participant's account and bear interest at a rate of one percent (1%) above prime at the time of the loan's origination and will remain fixed for the duration of the loan. Principal and interest are paid ratably through payroll deductions.

Note 2: Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Revenue Sharing

Revenue sharing is placed in an "ERISA Account" which is invested in a money market fund and included in participant-directed investments in the accompanying statements of net assets available for benefits. Total revenue sharing balances, including interest, were \$10 and \$5,638 as of December 31, 2021 and 2020, respectively. The Plan used \$5,638 during the year ended December 31, 2021 to pay for administrative expenses.

THRIVE BEHAVIORAL HEALTH, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

Note 2: Summary of Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit loss has been recorded. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the loan balance is reduced, and a benefit payment is recorded based on the terms of the Plan Agreement.

Contributions Receivable

Contributions from the Employer and participants of the Plan are accrued in the period in which they become obligations under provisions of the Plan Agreement. The contributions not received by the Plan for the years ended December 31, 2021 and 2020 amounted to \$37,337 and \$3,248, respectively, and are reported as receivable on the statements of net assets available for benefits. Lost earnings on the late remittance of employer and participant contributions are included in the contributions receivable as of December 31, 2020 and amounted to \$468. In the Plan's opinion, the balance of contributions receivable at December 31, 2021 is fully collectible.

Excess Contribution Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to participant contributions. The Plan distributed the 2020 excess contributions to the applicable participants prior to March 15 of the subsequent year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of the Plan, including administration of notes receivable from participants and payment of benefits are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments. A portion of the investment related expenses for certain investment funds is returned to the Plan ("revenue sharing"). See discussion in the "revenue sharing" section for further detail.

Date of Management's Review

The Plan has evaluated events and transactions that occurred during the period from the date of the financial statements through October 3, 2022, the date the Plan's financial statements were available to be issued. There were no events or transactions that occurred during the period that materially impacted the amounts or disclosures in the Plan's financial statements.

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three (3) levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money Market Funds: Valued at cost, which approximates fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Investments at Fair Value

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation (depreciation) in fair value of investments.

Note 4: Information Prepared and Certified by the Plan's Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by Capital Bank and Trust Company, the custodian of the Plan, except for comparing such information certified by the custodian to information included in the Plan's financial statements as of December 31, 2021 and 2020 and supplemental schedule of assets held for investment purposes at end of year December 31, 2021.

Note 4: Information Prepared and Certified by the Plan's Custodian (Continued)

The custodian also certified to the completeness and accuracy of \$450,134 of net appreciation (depreciation) in fair value of investments, \$307,404 of dividends, and \$1,277 of interest on notes receivable from participants during the year ended December 31, 2021.

Note 5: Tax Status

The Plan is a qualified volume submitter plan under the Internal Revenue Code (IRC) as per opinion letter dated March 31, 2014. The Plan has since been amended; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The previous three (3) tax years remain subject to examination by the IRS.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become one hundred percent (100%) vested in their sponsor contributions.

Note 7: Rollover Contributions

In accordance with the Plan Agreement, qualified direct rollovers are permitted by the Plan. During the year ended December 31, 2021, \$534,165 of rollovers were contributed to the Plan.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, including the ongoing COVID-19 pandemic, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

Note 9: Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are interests in registered investment companies managed by Capital Bank and Trust. Capital Bank and Trust is the custodian and recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Additionally, any transactions with Pollard & Associates, Inc., the third-party administrator, and Wells Fargo Advisors, LLC, the investment advisor, also qualify as party-in-interest transactions. Certain fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. During the year ended December 31, 2021, the Plan made direct payments for certain administrative expenses of \$59,292. The Sponsor pays any other fees related to the Plan's operation.

The trustees of the Plan are also participants in the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
