INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan
and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Ascensus Trust Company, the Trustee of the Plan, as of December 31, 2021 and for the period from December 1, 2021 through December 31, 2021 and American United Life Insurance Company, the Custodian of the Plan, as of December 31, 2020 and for the period from January 1, 2021 through November 30, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CONSOLIDATED WATERPROOFING CONTRACTORS, INC. 401(k) CONTRIBUTION PROFIT SHARING PLAN

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN

The following description of the Consolidated Waterproofing Contractors, Inc. 401(k) Contribution Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective January 1, 1994, covering all employees of Consolidated Waterproofing Contractors, Inc. and Rolling Along, LLC (together, the Company). Prior to December 1, 2021, employees may enter the Plan on the first day of the quarter following commencement of employment and the attainment of age 21. Effective December 1, 2021, employees may enter the Plan immediately upon commencement of employment and the attainment of age 18.

Effective December 1, 2021, the Plan changed their recordkeeper from OneAmerica Financial Partners Inc. (OneAmerica) to The Vanguard Group. In addition, effective December 1, 2021, the Custodian and Trustee of the Plan changed from American United Life Insurance Company (AUL) to The Vanguard Group and Ascensus Trust Company, respectively. As a result of this change, a blackout period was in effect from November 24, 2021 through December 26, 2021 for loans, distributions, transfers and investment elections. During the blackout period, participants were unable to access their accounts, direct or diversify their investments, obtain a new loan, or receive a distribution from the Plan. Participants were able to make contributions and loan repayments to the Plan during the blackout period.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended and restated effective December 1, 2021 to adopt a prototype plan with Ascensus LLC.

Participant Contributions

Participants may elect to defer up to 100% of their eligible annual compensation, as defined by the Plan, not to exceed the maximum allowable contributions under the Internal Revenue Code (the Code), which totaled \$19,500 for the year ended December 31, 2021. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code, which totaled \$6,500 for the year ended December 31, 2021. Participants who elect to contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in compensation. Contributions withheld are invested in accordance with the participant's election and may be redirected online at any time. Participants are permitted to make rollover contributions of amounts received from other tax-qualified retirement plans. Such rollover contributions are deposited in the appropriate investment funds in accordance with the participant's elections and the Plan's provisions. Participants may also make Roth elective contributions to the Plan. A participant's Roth elective contributions are allocated to a separate account maintained for such contributions. Roth elective contributions are treated as elective contributions for all purposes under the Plan.

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

During the year ended December 31, 2021, the Company's safe harbor matching contributions totaled \$354,861. The Company may elect to make a discretionary matching contribution to the Plan, however, there were no discretionary matching contributions made to the Plan during the year ended December 31, 2021.

The Company may also elect to make a discretionary profit sharing contribution on behalf of eligible participants. To be eligible for the discretionary profit sharing contribution, a participant must be employed as of the end of the Plan year and have worked at least 1,000 hours during the Plan year. The last day requirement will be waived for any eligible employee who died, became disabled, or terminated after reaching normal or early retirement age during the Plan year. During the year ended December 31, 2021, there were no discretionary profit sharing contributions made to the Plan.

Participant Accounts

Each participant's account is participant-directed and is credited with participant's contributions and the Company's safe harbor contributions, as well as allocations of the Company's discretionary profit-sharing contributions and Plan earnings or losses. Plan earnings, losses and administrative expenses are allocated to each participant's account based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Payment of Benefits

Upon termination of service, death, disability, retirement (age 65), or attainment of age 59 ½, a participant (or their beneficiary, in the event of death) may elect to receive either a lump sum distribution of their vested account balance, unless the participant elects another option provided by the Plan. In addition, upon termination, the Plan allows for automatic lump sum distributions of participant vested account balances that do not exceed \$5,000. Hardship withdrawals are not permitted by the Plan. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. Distributions and withdrawals are subject to the applicable provisions of the Plan document. As of December 31, 2021 and 2020, there were no net assets of the Plan allocated to the accounts of participants who had elected to withdraw from the Plan that had not received such distributions prior to year-end.

Vesting

Participants are immediately vested in their elective deferral contributions, rollover contributions, and Company safe harbor contributions plus actual earnings thereon.

Forfeitures

All forfeitures resulting from the withdrawal of participants prior to vesting are retained in the Plan and may be applied to pay administrative expenses and reduce Company contributions. A forfeiture will occur in the Plan year that a participant receives a distribution of their entire vested balance, or if the participant did not receive a distribution, after five consecutive one year breaks in service. There were no forfeitures available for such reductions as of December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, forfeitures totaling \$23 and \$1 were used to pay Plan expenses and reduce Company contributions, respectively.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$1,000 and a participant may have no more than one note outstanding at any given time. Notes are collateralized by the participant's vested account. Such notes bear interest at commercially reasonable rates determined by the plan administrator at the time of the loan origination and must be repaid to the Plan within a five-year period, unless the note is used to purchase a primary residence. Notes for primary residence are to be repaid within 15 years. The interest rate shall remain fixed throughout the duration of the note.

Plan Expenses

Plan administrative and recordkeeping fees are paid by the Plan and are included in administrative expenses. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN – cont’d.

Plan Expenses – cont’d.

Fees related to specific participant transactions are charged directly to the participant’s account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments. Fees paid by the Plan for investment management services are included in net appreciation in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan made a direct payment of \$2,794 to the Custodian and Trustee during the year ended December 31, 2021, which was not covered by revenue sharing. The Company directly pays any other fees related to the Plan’s operations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities may occur that materially affect participant account balances and amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts (Note 5).

CONSOLIDATED WATERPROOFING CONTRACTORS, INC. 401(k) CONTRIBUTION PROFIT SHARING PLAN

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Investment Valuation and Income Recognition – cont'd.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interest bearing cash: Valued at amortized cost plus accrued interest, which approximates fair value.

CONSOLIDATED WATERPROOFING CONTRACTORS, INC. 401(k) CONTRIBUTION PROFIT SHARING PLAN

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

Fair Value Measurement – cont’d.

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

Interests in pooled separate accounts: Valued using the net asset value (NAV) practical expedient. The NAV is based on the value of the underlying assets owned by the pooled separate accounts, minus any liabilities, and then divided by the shares outstanding.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 987,204	\$ -	\$ -	\$ 987,204
Interests in registered investment companies	19,152,688	-	-	19,152,688
Total investments, at fair value	\$20,139,892	\$ -	\$ -	\$20,139,892

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Investments measured at net asset value:				
Interests in pooled separate accounts (a)	n/a	n/a	n/a	\$16,187,413
Total investments, at fair value	n/a	n/a	n/a	\$16,187,413

- (a) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have been removed from the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts in the statements of net assets available for benefits.

The Plan’s funds measured at NAV were composed of pooled separate accounts, which were measured daily, could be redeemed daily, and had no unfunded commitments.

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Interest income is recorded on the accrual basis. Delinquent notes are treated as distributions based on the terms of the Plan document. If a participant ceases to make note repayments and the plan administrator deems the note to be in default, the note balance is reduced, and a benefit payment is recorded based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through September 28, 2022, the date the financial statements were available to be issued, and determined there were no material events that warrant disclosure.

3. INVESTMENTS

All investment data contained in the accompanying financial statements and supplemental schedules, including assets held as of December 31, 2021 and 2020, interest and dividend income and net realized and unrealized appreciation in fair value of investments for the year ended December 31, 2021, was obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by Ascensus Trust Company, the Trustee of the Plan, as of December 31, 2021 and for the period from December 1, 2021 through December 31, 2021 and AUL, the Custodian of the Plan, as of December 31, 2020 and for the period from January 1, 2021 through November 30, 2021.

4. PARTY-IN-INTEREST TRANSACTIONS

Effective December 1, 2021, the Plan invests in mutual funds and a money market account managed by The Vanguard Group, who acts as Custodian for the Plan. Prior to December 1, 2021, Plan investments were managed by AUL, who acted as the Custodian of the Plan. The Company provides certain accounting and administrative services to the Plan for which no fees are charged. The Plan allows for participants to take loans against their vested account balances. All of these party-in-interest transactions are exempt from the prohibited transaction rules under ERISA.

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

Through November 30, 2021, the Plan had a traditional fully benefit-responsive investment contract with AUL. AUL maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The traditional guaranteed investment contract issuer was contractually obligated to repay principal and interest at a specified interest rate that was guaranteed to the Plan. The crediting rate was based on a formula established by the contract issuer with a minimum rate of one percent. The crediting rate was reviewed annually for resetting. The traditional guaranteed investment contract did not permit the insurance company to terminate the agreement prior to the scheduled maturity date, however, the contract was terminated effective November 30, 2021 due to the change in Custodian and Trustee.

The traditional guaranteed investment contract met the fully benefit-responsive investment criteria and therefore was presented at contract value. Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by AUL, represented contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due was dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its financial obligations could have been affected by future economic and regulatory developments. There were no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limited the Plan's ability to transact at contract value with the issuer. Such events could have included the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator did not believe that any events, which would limit the Plan's ability to transact at contract value with Plan participants, were probable of occurring.

In addition, certain events allowed the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events included the following: (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation, or (d) a material amendment to the agreements without the consent of the issuer.

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. INCOME TAX STATUS

Effective December 1, 2021, the Plan adopted a non-standardized profit sharing plan with a deferral arrangement with Ascensus LLC that received a favorable opinion letter dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the form of the Plan document was acceptable under the applicable requirements of the Code. Prior to December 1, 2021, the Plan adopted a volume submitter profit sharing plan with OneAmerica that received a favorable opinion letter dated March 31, 2014. Although the Plan has been amended since the date of the opinion letter, the Company believes that the Plan is designed, and operating in compliance with the applicable requirements of the Code, and therefore, believes that the Plan is qualified, and the related trust is tax-exempt. As such, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2021 and 2020.

The Plan is subject to routine audits by the IRS and Department of Labor (DOL); however, there are currently no audits for any periods in progress.

8. PROHIBITED TRANSACTIONS

During the year ended December 31, 2021, the Plan sponsor determined that participant deferrals and loan repayments totaling \$1,087 were remitted to the Plan outside the required timeframe as stated by the DOL. The DOL considers late deposits to be considered prohibited transactions. The Company made the necessary corrections and lost earnings to make the participant's whole during 2021.
