To the Plan Administrator of the

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Sarnova HC, LLC Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Sarnova HC, LLC Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SARNOVA HC, LLC
PROFIT SHARING PLAN and TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Sarnova HC, LLC (the “Company”) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan covering employees of the Company who are at least 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Participant Contributions: Each year, participants may contribute a maximum dollar amount as determined by the Federal Government. For 2021, the maximum dollar amount was \$19,500. Eligible participants who have attained age 50 prior to the close of a Plan year are also eligible to make a catch-up contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. As of December 31, 2021, the Plan offers a number of investment options in mutual funds, a self-directed brokerage account and a stable value fund. The Company, on a discretionary basis, contributes a matching amount as a percentage of the amount a participant contributes to the Plan. The matching Company contribution is invested in the investments as directed by the participants for their pre-tax deferrals. Additional amounts may be contributed at the option of the Company’s board of directors. Contributions are subject to certain limitations.

Automatic Enrollment and Escalation: The Plan provides that if an associate meets the Plan’s eligibility requirements the associate is automatically enrolled into the Plan but may opt out of enrollment. Pre-tax deferral contributions were automatically deducted from the participants’ eligible compensation at a rate of 5% for the period January 1, 2021 through February 28, 2021 and a rate of 6% for the period March 1, 2021 through December 31, 2021. Effective November 30, 2021, the Plan was amended for a one-time increase from 5% to 6% for participants that were contributing 5% of eligible compensation. If the participant was enrolled prior to 2021 automatic enrollment plan provisions and had pre-tax deferral contributions below 5% or 6%, respectively, the Plan provides for an automatic 1% increase each year to a maximum 6% as of December 31, 2021. Prior to November 30, 2021 the maximum rate was 5%. Participants may opt out of automatic escalation.

Participant Accounts: Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contribution and Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is generally 100% vested after four years of credited service.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years or up to a reasonable period of time for the purchase of a primary residence. The loans are secured by the balance in the participant’s account and bear interest at various interest rates ranging from 4.25% to 6.50%. Principal and interest is paid ratably through payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits: If a participant's employment ceases as a result of normal retirement, death or disability, the participant or the participant's beneficiaries, are entitled to receive the entire contents of the account. If a participant terminates for any other reason, the participant is entitled to receive only the vested percentage of the account. Beginning at age 59½ participants may make qualified withdrawals from their accounts. Participants may also make withdrawals in the case of financial hardship. Participants will receive benefits in a single lump sum.

Administrative Expenses: The costs of administering the Plan are paid for by the Company with the exception of certain recordkeeping fees, which are paid for by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees charged to the Plan are a reduction of investment return and included in the investment income (loss) reported by the Plan.

Forfeited Accounts: Forfeitures of Company contributions are used to offset future Company contributions or administrative expenses of the Plan. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$58,735 and \$5,207, respectively. For the year ended December 31, 2021, \$47,148 in forfeitures were used to reduce employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Risks and Uncertainties: The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to various risks, such as interest rate, market fluctuations, liquidity, and credit risks. Due to the risk associated with certain investments and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in market values, interest rates, or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Benefit Payments: Benefit payments are recorded when paid. Upon termination or after age 59 1/2, a participant may elect to receive a lump sum amount equal to the value of his or her vested balance in his or her account or a rollover to another qualified plan or individual retirement account. Also, in service distributions are allowed, in addition to hardship distributions.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America required the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and gives the lowest priority to unobservable inputs (level 3 measurements).

The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

Self-Directed Brokerage Accounts: These investments are brokerage accounts held at Charles Schwab and consist of publicly traded equity securities and mutual funds. Equity securities and mutual funds are valued at the closing price reported on the active market on which the individual securities are traded (Level 1 inputs).

Mutual Funds: The fair values of mutual funds are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trust: The fair values of participation units held in the collective trust are based on the net asset values per unit as reported by the fund managers and in the audited financial statements of the fund. The fund provides for daily redemptions by the Plan at reported net asset value per share for participant transactions.

Investments measured at fair value on a recurring basis as of December 31, 2021 are summarized below:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments				
Mutual Funds	\$ 77,540,656	\$ -	\$ -	\$ 77,540,656
Self-Directed Brokerage Accounts	1,600,361	-	-	1,600,361
Collective Trust*	<u>-</u>	<u>-</u>	<u>-</u>	<u>3,330,422</u>
Investments at fair value	<u>\$ 79,141,017</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 82,471,439</u>

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) Topic 820 defines fair value as the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs.

Investments at fair value	<u>\$ 63,414,297</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 66,032,710</u>

* In accordance with Subtopic 820-10, certain investments that are measured at net asset value per share or its equivalent as a practical expedient have not been classified in the fair value hierarchy. The fair value of the amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 3 – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by T. Rowe Price Trust Company (the trustee of the Plan).

NOTE 4 - TAX STATUS

The Internal Revenue Service issued an opinion letter dated August 2, 2017 indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 5 - PARTIES-IN-INTEREST

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. The Plan invests in certain mutual funds managed by T. Rowe Price, an affiliate of the trustee, and a stable value fund managed by T. Rowe Price Trust Company, the trustee. These investments and related investment income represent party-in-interest transactions to the Plan. Fees paid to Charles Schwab are considered party in interest transactions as the plan provides for self-directed brokerage accounts which are managed by Charles Schwab. Notes receivable from participants and related interest represent party-in-interest transactions of the Plan.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through October 5, 2022, which is the date the financial statements were available to be issued.
