Independent Auditors' Report

To the Plan Administrator
Savings Plan for Employees of Hartig Drug Company
Dubuque, Iowa

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit Of The 2021 Financial Statements

We have performed an audit of the financial statements of the Savings Plan for Employees of Hartig Drug Company (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion On The 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion On The 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The 2021 Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit Of The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required By ERISA

The supplemental schedule of Schedule H, Line 4i Schedule of Assets Held as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors' Report On The 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

SAVINGS PLAN FOR EMPLOYEES OF HARTIG DRUG COMPANY

NOTES TO FINANCIAL STATEMENTS

1. Description Of The Plan

The following description of the Savings Plan for Employees of Hartig Drug Company (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit-sharing plan covering substantially all employees of Hartig Drug Company (the Employer) who have attained 21 years of age and have completed 60 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 100% of eligible compensation in the form of pre-tax or after-tax (ROTH) contributions not to exceed Internal Revenue Code (IRC) limits. Entry dates to the Plan are semi-yearly on the first day of the first or seventh month of the plan year coinciding with or following eligibility. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Under the provisions of the Plan, the Employer elected to make discretionary matching contributions equal to 50% of the first 4% of compensation deferred by each participant for the year ended December 31, 2021. Employer matching contributions begin on the first day of the first or seventh month of the plan year coinciding with or following eligibility. The Plan credits years of service of certain predecessor entities acquired by the Employer as outlined in the plan agreement.

Under the provisions of the Plan, the Employer has the option to make discretionary profit-sharing contributions. Participants are eligible for the discretionary profit-sharing contributions upon completing 60 days of service and being employed by the Employer on the last day of the plan year. The Employer did not make any discretionary profit-sharing contributions to the Plan for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions and discretionary employer matching and profit-sharing contributions as well as allocations of the Plan's earnings and expenses. Allocations are based on the participant's eligible compensation, the value of account balances or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes To Financial Statements *(Continued)*

Vesting

Participants are immediately vested in their rollover and voluntary contributions plus actual earnings thereon. Vesting in the remainder of their account is based on a rate of 20% for each year of credited service beginning in the second year of service. Participants are fully vested after six years of credited service or upon death, disability or attainment of the normal retirement age of 65.

Hardship Withdrawals

Participants may elect to withdraw all or a portion of their vested account balance if they incur a financial hardship. Hardship withdrawals are subject to the terms of the plan agreement and provisions of the IRC.

Payment Of Benefits

Upon termination of service due to death, disability or retirement, participants with an account balance greater than \$5,000 may elect to receive either a lump-sum amount equal to the value of the participant's account, installments over a period of time or may elect to leave their balance in the Plan subject to minimum distribution requirements. Under the default automatic rollover provisions, distributions greater than \$1,000 but less than \$5,000 will be made to an Individual Retirement Account without participant consent if a participant does not make a different distribution election after receiving the required notification. Participants with a vested balance of \$1,000 or less will receive a lump-sum payment upon termination.

In-Service Withdrawals

Active participants who reach age 59½ may withdraw all or part of their vested accounts.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited accounts totaled \$0 and \$11,922, respectively. These accounts are used to reduce employer matching and discretionary profit-sharing contributions or to pay plan expenses. In 2021, employer matching contributions were reduced by \$12,314 and plan expenses of \$156 were paid from forfeited accounts.

2. Summary Of Accounting Policies

Basis Of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

SAVINGS PLAN FOR EMPLOYEES OF HARTIG DRUG COMPANY

Notes To Financial Statements *(Continued)*

Use Of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results may differ from those estimates.

Investment Valuation And Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's advisory committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payment Of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses are recorded net of amounts received under revenue sharing agreements with the fund managers. Expenses that are paid by the Employer are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 23, 2022, the date the financial statements were available to be issued.

3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020 and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to, or derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan.

SAVINGS PLAN FOR EMPLOYEES OF HARTIG DRUG COMPANY

Notes To Financial Statements (*Continued*)

4. Fair Value Measurements

The Plan's investments are reported at fair value in the financial statements. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available.

A three-tier hierarchy categorizes the inputs as follows:

Level 1 – Quoted prices unadjusted in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability and market-corroborated inputs.

Level 3 – Unobservable inputs for the asset or liability. In these situations, inputs are developed using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to the entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization within the hierarchy is based upon the pricing transparency of the asset or liability and does not necessarily correspond to our assessment of the quality, risk or liquidity profile of the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

SAVINGS PLAN FOR EMPLOYEES OF HARTIG DRUG COMPANY

Notes To Financial Statements (Continued)

Common/Collective Trusts: Valued at the NAV of units of the trusts as reported by the investment manager of the trusts. The NAV is marked to market daily based on the fair value of the underlying investments held by the funds, minus its liabilities, and then divided by the number of shares outstanding. The trusts have concluded that the NAV as adjusted and reported by the investment managers of the trusts denote a readily determinable fair value. The NAV is classified as Level 1 in the fair value hierarchy as the NAV is determined daily and the trust allows units to be sold back to the fund at the end of the day NAV. There were no unfunded commitments or redemption restrictions.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain investments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,513,852	\$ —	\$ —	\$ 18,513,852
Common/collective trusts	940,290	—	—	940,290
Total Assets At Fair Value	\$ 19,454,142	\$ —	\$ —	\$ 19,454,142

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,806,067	\$ —	\$ —	\$ 16,806,067
Common/collective trusts	920,027	—	—	920,027
Total Assets At Fair Value	\$ 17,726,094	\$ —	\$ —	\$ 17,726,094

5. Related-Party And Party-In-Interest Transactions

Certain plan investments are shares of a common/collective trust managed by Principal Global Investors Trust Company, a member of the Principal Financial Group. Delaware Charter Guarantee Company and Trust d/b/a Principal Trust Company, the trustee of the Plan, is also a member of the Principal Financial Group. Therefore, these transactions qualify as party-in-interest transactions.

The Plan receives a revenue credit under a revenue credit program from certain fund managers based on the funds participants have chosen. Revenue credits are either allocated to the participants or used to reduce plan expenses. For the year ended December 31, 2021, plan expenses were reduced by \$1,221 under the revenue credit program.

SAVINGS PLAN FOR EMPLOYEES OF HARTIG DRUG COMPANY

Notes To Financial Statements *(Continued)*

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

7. Tax Status

The Employer has adopted a non-standardized prototype plan sponsored by Principal Life Insurance Company. The prototype plan received a favorable opinion letter effective March 31, 2014 from the Internal Revenue Service regarding the prototype plan's qualified status. The Plan has been amended since receiving the opinion letter; however, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Management has determined that the Plan does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements and related disclosures.

8. Risks And Uncertainties

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

9. Subsequent Events

Effective January 1, 2022, the Plan was amended to include an automatic contribution arrangement (ACA) of 4%.

Effective February 17, 2022, the Plan amended and restated its plan document. There were no significant changes noted to the plan provisions as a result of this restatement.

Effective August 5, 2022, the Plan was amended to allow in-plan ROTH rollovers.
