Midwest Communications, Inc. 401(k) Retirement Plan

Financial Statements and Supplemental Schedule

Year Ended December 31, 2021

WIPFLI

Independent Auditor's Report

401(k) Retirement Plan Advisory Committee
Midwest Communications, Inc.
Wausau, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Midwest Communications, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Midwest Communications, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Midwest Communications, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest Communications, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Midwest Communications, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest Communications, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Midwest Communications, Inc. 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Midwest Communications, Inc. 401(k) Retirement Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Midwest Communications, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Midwest Communications, Inc. (the "Company"). Employees who are at least 18 years old are eligible for participation on the first day of the month following completion of six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Change in Trustee

Effective December 10, 2021, the Plan changed its Trustee from Matrix Trust Company ("Matrix") to Voya Retirement Insurance and Annuity Company ("Voya").

Contributions

Participants are allowed to contribute pretax compensation, as defined in the Plan, or Roth contributions up to the annual maximum allowed by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible pretax compensation and their contributions invested in a designated fund until changed by the participant.

The Company may make a discretionary matching contribution to each participant based on their elective deferrals in a uniform percentage set by the Company or as a flat dollar amount. There were no discretionary matching contributions made during 2021.

The Company may also contribute a discretionary employer contribution. These contributions are allocated to each participant in uniform proportion to the participant's compensation for the plan year. There were no discretionary employer contributions made during 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's discretionary matching contributions, and allocations of (a) the Company's discretionary employer contributions and (b) plan earnings (losses). Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Midwest Communications, Inc. 401(k) Retirement Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings (losses) thereon. Vesting in the Company's discretionary contributions plus actual earnings (losses) thereon is based on years of continuous service. Participants become fully vested in the Company's discretionary contributions after three years of continuous full-time service.

Notes Receivable From Participants

Participants may borrow from their fund accounts a maximum of one loan with a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance. Loan terms range from one to five years. The loans are secured by the balance in the participant's account and bear interest at the prime interest rate plus 1%. The interest rates on existing loans range from 4.25% to 6.00%. Principal and interest are paid ratably through payroll deductions.

Effective April 5, 2020, the Plan implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that was signed into law on March 27, 2020, including increased loan limits for qualified loans from \$50,000 or 50% of the participant's vested balance to \$100,000 or 100% of the participant's vested balances for loans granted from March 27, 2020 to September 22, 2020, and delayed loan repayments for up to one year for qualifying individuals who had an outstanding loan balance with payments due between March 27, 2020 and December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account, if the account balance is greater than \$5,000, in either a lump-sum amount or to satisfy required minimum distributions, partial lump-sum, or annual installments. If the participant's vested account balance does not exceed \$5,000, the plan administrator will pay an involuntary cash-out distribution as a direct rollover to an individual retirement plan, otherwise, if participant elected, in a single lump-sum payment. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, hardship distributions out of the participant's voluntary contributions account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attainment of normal retirement age, defined as age 65.

Effective April 5, 2020, the Plan adopted the provision to waive the 10% early distribution penalty tax (for distributions made before age 59 1/2) for coronavirus-related distributions up to \$100,000 per individual as provided for under the CARES Act.

Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Forfeitures

Plan forfeitures arise as a result of participants who terminate service with the Company before becoming 100% vested in the Company's discretionary contributions. The Company may decide in its discretion how to treat forfeitures under the Plan. There were no unallocated forfeitures at December 31, 2021 and 2020, and there were no forfeited amounts reallocated to participants during the year ended December 31, 2021.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Excess Contributions Payable

At December 31, 2021 and 2020, amounts payable to participants totaling \$4,196 and \$13,966, respectively, for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to March 15, 2022 and 2021, respectively.

Midwest Communications, Inc. 401(k) Retirement Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of the Plan are included in administrative expenses and allocated proportionally to participants. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are allocated proportionally to plan participants based on their respective account balances and are offset against investment income.

Subsequent Events

The Plan has evaluated subsequent events through September 30, 2022, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Midwest Communications, Inc. 401(k) Retirement Plan

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The use of NAV as fair value is deemed appropriate because the collective trust fund does not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 19,117,041	\$ -	\$ -	\$ 19,117,041
Investment assets measured at NAV				1,028,950
Total investment assets at fair value				\$ 20,145,991

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,357,685	\$ -	\$ -	\$ 18,357,685
Investment assets measured at NAV				1,038,086
Total investment assets at fair value				\$ 19,395,771

Notes to Financial Statements

Note 4: Information Prepared and Certified by the Plan Trustees

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments, notes receivable from participants, non-interest-bearing cash held, and due to broker for securities purchased at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Voya, the Trustee of the Plan as of December 31, 2021, and for the period December 10, 2021 to December 31, 2021, and Matrix, the Trustee of the Plan as of December 31, 2020, and for the period January 1, 2021 to December 10, 2021.

Note 5: Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by Voya and Matrix, the Trustees as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees for investment management services during the plan year ended December 31, 2021, were paid by the Company.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company discretionary contributions.

Note 7: Tax Status

The Company adopted a volume submitter profit sharing/401(k) plan with an IRS notification letter which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The plan administrator is not aware of any significant uncertain tax positions taken by the Plan.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Midwest Communications, Inc. 401(k) Retirement Plan

Notes to Financial Statements

Note 8: Risks and Uncertainties (Continued)

Beginning in March 2020, the United States economy began suffering adverse effects from the COVID-19 Virus Crisis ("CV-19 Crisis"). The Company's operations have not been significantly impacted by the CV-19 Crisis; however, the Company continues to monitor the situation. Negative impact to the Company's results of operations, cash flows, and financial condition, and the ability for the Company to make contributions to the Plan, cannot be reasonably estimated or determined at this time.

Note 9: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	\$ 20,332,216	\$ 19,540,868
Excess contributions payable	4,196	-
Participant contributions receivable	(78,788)	-
Net assets available for benefits per the Form 5500	<u>\$ 20,257,624</u>	<u>\$ 19,540,868</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the year ended December 31, 2021, to net income per Form 5500:

	2021
Net increase in net assets available for benefits per the financial statements	\$ 791,348
Excess contributions payable	4,196
Current year participant contributions receivable	(78,788)
Net income per Form 5500	<u>\$ 716,756</u>
