Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Horizon Bancorp Employee Stock Ownership Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Horizon Bancorp Employee Stock Ownership Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, the Plan Administration Committee elected on December 9, 2020 to terminate the Plan effective July 1, 2021. Management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going concern basis used in presenting the 2019 financial statements to the liquidation basis used in presenting the 2021 and 2020 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Horizon Bancorp Employee Stock Ownership Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Horizon Bancorp Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Horizon Bancorp Employee Stock Ownership Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Horizon Bancorp Employee Stock Ownership Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

Horizon Bancorp Employee Stock Ownership Plan

Notes to Financial Statements December 31, 2021 and 2020

Note 1: Description of the Plan

The following description of the Horizon Bancorp Employee Stock Ownership Plan (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General

Horizon Bancorp (Company) established the Plan effective January 1, 2000, as the Horizon Bancorp Employees' Stock Bonus Plan. Prior to the establishment of the Stock Bonus Plan, the Company sponsored the Horizon Bancorp Employees' Stock Ownership Plan (Prior ESOP), which terminated effective as of March 31, 2000, and the Prior ESOP accounts of active employees were transferred to the Plan. Effective as of January 1, 2007 (Effective Date), the Plan was amended and restated in its entirety as an Employee Stock Ownership Plan and renamed the Horizon Bancorp Employee Stock Ownership Plan. The provisions of the Plan, as restated, only apply to an individual employed by the Company on or after the Effective Date.

Effective as of December 31, 2006, certain assets consisting of participants' matching contribution accounts were spun off and transferred to the Horizon Bancorp Employees' Thrift Plan, another Company-sponsored plan.

The Plan is subject to the provisions of Section 401(a) of the Internal Revenue Code of 1986, as amended, and is subject to the applicable provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Effective October 1, 2019, Principal Trust Company (Principal) is the Trustee of the Plan and the recordkeeper of the Plan.

On December 9, 2020, the Plan Administration Committee (Committee) elected to terminate the Plan on July 1, 2021.

Eligibility

Employees of the Company are generally eligible to participate in the Plan after completing 12 consecutive months of service with at least 1,000 hours of service and are age twenty-one or older. Participants who do not have at least 1,000 hours of service during such Plan year or are not employed on the last working day of a Plan year, are generally not eligible for an allocation of Company contributions for such year unless terminated due to death, disability or greater than normal retirement age (age 65).

Plan Administration

The Plan is administered by the Committee comprised of no less than three persons appointed by the Company's Board of Directors. The Plan's trustee is responsible for the custody and management of the Plan's assets. The recordkeeper manages the participant data and allocations, and calculates benefit payments. Officers or employees of the Company perform certain administrative functions. No such officer or employee receives compensation from the Plan.

Horizon Bancorp Employee Stock Ownership Plan

Notes to Financial Statements December 31, 2021 and 2020

Contributions

Contributions made to the Plan are in such amounts as determined annually by the Company's Board of Directors, at its discretion. This contribution is determined without regard to current or accumulated profits. Contributions are nonparticipant-directed and may be paid in cash or in whole shares of Company stock, as determined by the Board of Directors, and are subject to certain limitations. No contribution was made to the Plan for the year ended December 31, 2021, as there will be no further Company contributions made to the Plan upon termination effective July 1, 2021. A discretionary contribution of \$560,000 was made to the Plan for the year ended December 31, 2020.

Participant Accounts

Each participant's account is credited with an allocation of (a) the common stock contributed or purchased during the year as discussed above, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Voting Rights

Each participant is entitled to direct the Trustee how to vote company shares allocated to his or her account and is notified by the Company 30 days prior to the time such rights are to be exercised. The Committee will direct the Trustee on the manner of voting any allocated company stock which a participant provided no voting instruction, as well as unallocated shares in the Trust.

Diversification

Prior to the Plan termination effective July 1, 2021, diversification was offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company common stock into investments which were more diversified. Participants who were at least age 55 with at least 10 years of participation in the Plan could elect to diversify a portion of their account. Diversification was offered to each eligible participant over a six-year period. In each of the first five years, a participant could diversify up to 25 percent of the number of post-1986 shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changed to 50 percent. Participants who elected to diversify receive a stock distribution.

Investment Options

The trust fund is invested primarily in the Company's common stock, although the Trustee may also invest in other securities or investments as deemed appropriate by the Committee.

Vesting

Participants are vested in their accounts based on years of credited service. A participant is 100% vested after six years of credited service or terminated due to death, disability or greater than normal retirement age (age 65). If a participant's employment terminates prior to account vesting, the non-vested portion of his or her account is forfeited.

Participants are 100% vested in their accounts transferred into the Plan from the Prior ESOP. Participants became 100% vested upon Plan termination effective July 1, 2021.

Payment of Benefits

No distributions from the Plan will be made until a participant retires, dies (in which case, payment is made to his or her beneficiary, or if none, to his or her legal representatives), terminates employment with the Company, or qualifies under other circumstances as defined in the Plan Document. Distributions are made in cash or, if the participant elects, in the form of Company common stock plus cash for any fractional shares.

Upon Plan termination effective July 1, 2021, participants can begin to elect to receive 75% of their account balance as a distribution and the remaining 25% will be distributed once the Internal Revenue Service termination approval is received. Any participant's account balance which includes more than 3,000 shares of Company common stock will receive an in-kind common stock distribution. Any participant with less than 3,000 shares can receive cash or in-kind distribution.

Forfeited Accounts

Forfeited accounts may be used to pay administrative expenses or reallocated to eligible Plan participants in the same manner as Company contributions. There were no forfeited non-vested account balance at December 31, 2021. Forfeited balances of 1,546 shares of approximately \$26,800 were used to offset administrative expenses during 2021. Forfeited non-vested accounts totaled 697 shares for the year ended December 31, 2020. This balance was reallocated to eligible participant accounts during 2021.

Dividends

Cash dividends received by the Plan on Horizon Bancorp common stock are allocated to participants based on the number of shares allocated to their respective participant accounts at the date of declaration. The Plan Administrator will allocate Company stock having a fair market value equal to the cash dividends which would have been allocated to the participant accounts.

Plan Termination

On October 29, 2021, the Plan has received approval from the Internal Revenue Service for termination.

Due to the Plan termination and change to liquidation basis of accounting, as disclosed in Note 2, administrative expenses expected to be incurred during the period of liquidation of \$22,000 were recorded as of December 31, 2020. No additional administrative expenses is expected to be incurred in 2022. All participant accounts are expected to be fully liquidated by December 31, 2022.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

Effective December 9, 2020, the accompanying financial statements are prepared on the liquidation basis of accounting. Prior to December 9, 2020, the accompanying financial statements were prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The common stock of the Company is valued at fair value. Fair value is determined by quoted market price which represents the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statements of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

As an ESOP, the Plan has a material concentration of its assets in the equity securities (common stock) of its sponsor, Horizon Bancorp. Such concentration poses a risk that Plan assets and participant accounts are exposed to both overall market volatility and volatility in equity securities of the financial institution sector, and the changes in Horizon Bancorp's common stock could materially affect participants' account balances and the amounts reported in the Plan financial statements.

Notes to Financial Statements December 31, 2021 and 2020

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3: Certification of Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2021 and 2020
- Investment income (loss) as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020
- Investment information included in the accompanying schedule of assets (held at year end) as of December 31, 2021 and schedule of reportable transactions for the year ended December 31, 2021

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

Note 4: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2021 and 2020:

		Fair Value Measurements Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Horizon Bancorp Employee Stock Ownership Plan

Notes to Financial Statements December 31, 2021 and 2020

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Horizon Bancorp common stock is considered a Level 1 security and is valued at the closing price reported on the active market on which the individual securities are traded. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with similar characteristics or discounted cash flows. There are no Level 2 securities in the Plan. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. There are no Level 3 securities in the Plan.

Note 5: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association or relatives of such persons.

The Plan holds Horizon Bancorp common stock. Horizon Bancorp is the employer and Plan sponsor. Any transactions in its common stock qualify as party-in-interest transactions, as defined under the Department of Labor's regulations. At December 31, 2021 and 2020, the Plan held 740,113 shares and 1,399,383 shares of Horizon Bancorp common stock, respectively. During the Plan years ended December 31, 2021 and 2020, the Company paid \$637,724 and \$654,226, respectively, in dividends on ESOP shares.

The Company provides certain administrative services at no cost to the Plan. The Plan paid administrative expenses of \$31,995 and \$31,531 during the years ended December 31, 2021 and 2020, respectively, to Principal. Certain other professional fees were paid by the Plan of \$12,168 and \$16,120 during the years ended December 31, 2021 and 2020, respectively.

Note 6: Plan Tax Status

The Plan has received a determination letter from the IRS dated October 29, 2021, stating that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code and therefore not subject to tax.

Note 7: Risks and Uncertainties

The Plan invests in various investment securities. The investments in the common stock of Horizon Bancorp are exposed to market risk - the potential economic loss that may result from adverse changes in fair value. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with the common stock of Horizon Bancorp and other investments of the Plan, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

The outbreak of the novel coronavirus COVID-19, which was declared a pandemic by the World Health Organization on March 11, 2020, has led to adverse impacts on the U.S. and global economies. Economic uncertainties have arisen, which have resulted in significant volatility in the investment markets and may continue to impact the value of Plan assets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Note 8: Reconciliation of Financial Statements to Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan (Form 5500) filed with the Internal Revenue Service and the accompanying financial statements include reporting \$22,000 of estimated accrued administrative expenses through liquidation date as of December 31, 2020.

Note 9: Subsequent Events

Subsequent events have been evaluated through September 20, 2022, which is the date the financial statements were available to be issued.
