YKK 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of YKK 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Independent Auditor's Report

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 9, 2021, we indicate that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

YKK 401(K) RETIREMENT PLAN NOTES TO FINANCIAL STATEMENTS

1 – Description of Plan

The following description of the YKK 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of YKK (U.S.A.) Inc. (YKK USA), YKK Corporation of America (YCA or Plan Sponsor) and Tape Craft Corporation (TCC) (collectively, the Company). The Plan is administered by the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligible employees who have completed three months of service may participate in the Plan. There is no minimum age requirement.

Plan Administration

The administration of the Plan is the responsibility of the Company. The assets of the Plan are maintained in a trust fund that is administered under a trust agreement with State Street Bank and Trust Company (State Street), the trustee of the Plan. Transamerica Retirement Solutions Corporation (Transamerica) serves as recordkeeper for the Plan.

Contributions

Participants may make tax-deferred contributions to the Plan, up to the maximum amount allowable by the Internal Revenue Code (the Code). Eligible employees who do not make a participation election upon their eligibility are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation.

The Plan's automatic enrollment provision includes an auto escalation feature that provides for a 1% automatic annual increase up to a maximum of a 20% deferral rate.

Upon the completion of three months of service, the Company matches 100% of each participant's contributions up to 3% of the participant's base compensation, as defined. The Company also made a true-up matching contribution on behalf of participants during the contribution period in an amount which, when aggregated with the regular matching contribution with respect to the contribution period within the Plan year, will provide the maximum contribution. For the year ended December 31, 2021, true-up matching contribution totaled \$13,043.

**YKK 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

1 – Description of Plan (continued)

Contributions (continued)

The Company may also make a discretionary contribution to all eligible participants, whether or not they have elected to make contributions to the Plan. The Plan excludes employees from TCC and expatriate employees of YCA and its subsidiaries from receiving such contribution. The discretionary contribution shall be allocated as a percentage of compensation, as defined, of eligible participants. A participant is eligible for such a contribution after the completion of three months of service. The Company made a discretionary contribution each pay period during 2021 equal to 2% of each eligible participant's compensation, as defined. The total discretionary contribution was \$958,315 for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions, rollover contributions, and allocations of the Plan's investment results. Allocations of the Plan's investment results are based on relative account balances, as defined.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon.

Participants vest in the Company's matching and discretionary contributions as follows:

<u>Years of service</u>	<u>Vesting percentage</u>
0-1	0%
1-2	20%
2-3	40%
3-4	60%
4-5	80%
5 or more	100%

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant or his or her beneficiary may elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in his or her account or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

YKK 401(K) RETIREMENT PLAN NOTES TO FINANCIAL STATEMENTS

1 – Description of Plan (continued)

Forfeited Accounts

Forfeitures of nonvested contributions are used to reduce employer contributions. At December 31, 2021 and 2020, forfeited nonvested accounts available to reduce future employer contributions were approximately \$138,000 and \$1,500, respectively. For the year ended December 31, 2021, the Company used approximately \$319,000 of forfeited nonvested accounts to reduce employer contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts, as defined by the Plan, a minimum of \$1,000 up to a maximum equal to the lesser of 50% of the participant's vested account balance or \$50,000. Such loans bear interest at prime rate plus one percent.

The loan is collateralized by the remainder of the participant's account and is paid back over a period not to exceed five years. Participants may select a repayment term up to 15 years for loans used to purchase a principal residence. Principal and interest are paid ratably through monthly or weekly payroll deductions.

2 – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan Sponsor considers all highly liquid investments purchased with maturity dates of three months or less to be cash equivalents.

Accounting Pronouncements

New pronouncements issued but not effective until after December 31, 2020, are not expected to have a material impact on the Plan's financial statements or disclosures.

Reclassification

Certain 2020 footnotes amounts have been reclassified to conform to the current year presentation.

YKK 401(K) RETIREMENT PLAN NOTES TO FINANCIAL STATEMENTS

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants represent loans to participants made against their vested balances as permitted by the Plan. Notes receivable from participants are valued at the principal amount outstanding plus any accrued but unpaid interest.

Administrative Expenses

Pursuant to provisions of the Plan, expenses incurred in the administration of the Plan may, but need not, be paid by the Plan Sponsor. If the Plan Sponsor elects not to pay such expenses, these expenses are paid by the Plan. During 2021, the Plan Sponsor paid all expenses on behalf of the Plan, except participant loan fees which were paid from participant accounts with outstanding loan balances. Trustee and recordkeeping fees are paid by the Plan through revenue sharing that the Plan receives indirectly from certain of the Plan's investment options.

3 – Fair Value Measurements

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**YKK 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

3 – Fair Value Measurements (continued)

Level 2—Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual Funds

Investments in mutual funds are valued at quoted market prices in an active market, which represents the fair value of shares held by the Plan at year end.

Self-Directed Brokerage Account

Investments in self-directed brokerage accounts are valued at the net asset value (NAV) of the underlying funds reported on various stock exchanges and classified within Level 1 of the valuation hierarchy.

Common/Collective Trusts

Investments in common/collective trusts are a public investment vehicle valued using NAV provided by the fund administrator. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV's unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments traded on an active market. This is not classified in the fair value hierarchy table. The fair value is included in the table to allow reconciliation of the fair value hierarchy to the fair value of investments per the statement of net assets available for benefits.

YKK 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

3 – Fair Value Measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Level 1	Level 2	Level 3	Total
December 31, 2021:				
Mutual funds	\$ 88,920,274	\$ —	\$ —	\$ 88,920,274

Common/Collective trust measured at NAV *				67,166,330
Total investments, fair value				<u>\$ 151,103,811</u>

* Amounts are comprised of investments measured at fair value using NAV (or its equivalent) as a practical expedient and have not been classified within the fair value hierarchy.

4 – Information Certified by the Trustee

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, net appreciation in fair value of investment, interest and dividends income for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by State Street Bank and Trust Company, the trustee of the Plan.

5 – Parties-In-Interest Transactions

The Plan engaged in transactions involving Transamerica, the recordkeeper of the Plan, which is a party-in-interest with respect to the Plan. Notes receivable from participants also qualify as party-in-interest transactions. These transactions are not considered “prohibited transactions” under the Code and are not prohibited by ERISA.

6 – Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become fully vested and receive distributions of their account balances in accordance with the terms of the Plan.

YKK 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

7 – Income Tax Status

The Internal Revenue Service (IRS) has determined and informed the Plan Sponsor by a letter dated July 16, 2010, that the Plan and related trust are designed in accordance with applicable sections of the Code. The Plan has been amended since receiving the determination letter. The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audits by taxing jurisdictions; however, there are currently no such audits in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

8 – Differences Between Financial Statements and Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	2021	2020
Net assets available for benefits per financial statements	\$ 158,997,040	\$ 153,811,199
Contributions receivable	(13,043)	(12,072)
Net assets available for benefits per Form 5500	<u>\$ 158,983,997</u>	<u>\$ 153,799,127</u>

The following is a reconciliation of net decrease per the financial statements to net decrease on the Form 5500:

	2021
Statement of changes in net assets available for benefits:	
Increase in net assets per the financial statements	\$ 5,185,841
Less: Contributions receivable at December 31, 2021	(13,043)
Add: Contributions receivable at December 31, 2020	12,072
Increase in net assets per the Form 5500	<u>\$ 5,184,870</u>

9 – Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

10 – Subsequent Events

The Plan has evaluated events subsequent to December 31, 2021 and through September 23, 2022, the date the financial statements were available to be issued and determined that there were no events that require adjustments to these financial statements.
