INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Park Place Technologies 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Park Place Technologies 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 financial statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Park Place Technologies 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Park Place Technologies 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Park Place Technologies 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2021, and assets (held at end of year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Park Place Technologies 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Park Place Technologies 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan in which employees of Park Place Technologies, LLC (the Company), are eligible to participate immediately upon hiring and attaining age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Effective April 1, 2021, due to the Plan Sponsor's acquisition of Curvature, Inc., employees of Curvature, Inc. immediately became eligible to participate in the Plan.

The Plan was amended and restated effective January 1, 2022. Effective January 1, 2022, employees are eligible to participate in the Plan immediately upon hiring and attaining age 18. Effective January 1, 2022, employees who are part of a collective bargaining agreement and are residents of Puerto Rico are not eligible to participate in the Plan. The Investment Committee is responsible for oversight of the Plan, determining appropriateness of the Plan's investment offerings and monitoring investment performance.

Transfers from other plans represent transfers of account balances and notes receivable from participants between the Plan and other plans, as a result of the Plan Sponsor's acquisitions. During the year ended December 31, 2021, Curvature, Inc. 401(k) Savings Plan, was transferred into the Plan due to the acquisition of Curvature, Inc. The total amount transferred to the Plan was \$4,644,240 for the year ended December 31, 2021. FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS

Participants may elect to contribute up to \$19,500 in 2021 and 2020, (plus catch up contributions as defined in the Plan document) or 75% of their compensation to the Plan on a pre-tax or after-tax Roth basis. The Plan provides for an Automatic Contribution Arrangement (ACA). Under the ACA provisions of the Plan, the Company automatically withholds a deferral amount of 4% of compensation for each pay period for eligible participants unless participants elect different deferral rates or elect not to participate in the Plan. The participants of Curvature, Inc. 401(k) Savings Plan became eligible for the ACA provisions of the Plan upon the plan merger date April 1, 2021.

The Company matches 50% of the participant's deferrals up to 3% of compensation. The Company can make discretionary contributions based on operating results of the Company and other factors. Rollover contributions are permitted as described in the Plan document. Participants are able to direct their contributions into a variety of investment options offered by the Plan.

Company matching contributions were \$2,506,725 and \$1,741,557 for the years ended December 31, 2021 and 2020, respectively. There were no discretionary contributions for the years ended December 31, 2021 and 2020.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company matching contributions, allocations of the Company's discretionary contributions, and any earnings thereon, and charged with an allocation of administrative expenses. Discretionary contributions are allocated to participants based on their compensation for the Plan year. Allocations of the earnings and expenses are based upon the participant's account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contributions is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3 years	0%
3 years or more	100%

PAYMENTS OF BENEFITS

Upon reaching age 65, termination of service due to death, disability, retirement, early retirement upon reaching age 59 ½, or separation of service, a participant may elect to receive a distribution of his or her vested account balance in the form of a lump-sum payment or installment payments. If the vested account balance is less than \$5,000, a lump-sum distribution will be made to the participant regardless of whether the participant elects to receive it. In the case of severe financial hardship, the Company, in its sole discretion, could direct distributions of all or a portion of the participant's voluntary contributions, subject to certain restrictions.

In December 2019, the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) was signed into law. The SECURE Act increased the age for required minimum distributions from 70 ½ to 72. This change is effective for participants who turn 70 ½ after December 31, 2019, and does not apply to participants already receiving required minimum distributions.

In March 2020, the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was signed into law. The CARES Act was designed to provide fast and direct economic assistance for workers in the midst of the COVID-19 pandemic. The CARES Act suspended the required minimum distribution provisions for the year ending December 31, 2020 and allowed qualified participants impacted by the COVID-19 pandemic to withdraw up to \$100,000 of their vested account balance without being subject to the 10% early withdrawal penalty from January 1, 2020 to December 31, 2020. In addition, the required minimum distribution requirement was waived for participants who turned 70 ½ in 2019 and postponed their first required minimum distribution until April 1, 2020.

The repayment period shall not be less than six months and no greater than five years, except for the purchase of a home where the term will be 30 years. All notes receivable with a repayment period in excess of six months shall be determined by the Plan sponsor in six month increments. The notes receivable are secured by the balance in the participant's account and bear interest at the prime rate (at the time of issuance) plus 1%. Principal and interest are paid ratably through payroll deductions. In management's opinion, all notes receivable are fully collectible; accordingly, no allowance for credit losses was recorded as of December 31, 2021 and 2020.

The CARES Act allowed participants to borrow up to \$100,000, or 100% of their vested account balance between the period of March 27, 2020 and September 27, 2020. The first payment date on a new loan was deferred up to one year. Participants with outstanding loans (meaning loans taken before the CARES Act was enacted) for which a payment was due between March 27, 2020 and December 31, 2020, could delay their loan repayments up to one year. Interest continued to accrue on these deferred payments. The term of the loan was extended by the length of the deferment period.

The CARES Act also removed the 10% early withdrawal penalty for a coronavirus-related distribution up to \$100,000 made during 2020. Participants who took a coronavirus-related distribution could spread the income over a three-year period for income tax purposes or avoid income taxes if the distribution is repaid with the three-year period following the distribution. The voluntary adoption of this provision by the Plan was effective March 27, 2020. As of December 31, 2021, the Plan has not been formally amended, as a formal amendment is not required until the plan year ended December 31, 2025. The Plan intends to formally adopt the amendment upon a future restatement of the Plan, prior to this date.

FORFEITURES

Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$4,751,252 and \$55,855, respectively. At December 31, 2021, account balances and notes receivable from participants were transferred in to the Plan from the Curvature, Inc. 401(k) Savings Plan in the amount of \$4,644,240. The amounts were held in the forfeiture account and subsequently allocated to the participants accounts in January 2022.

FORFEITURES (CONTINUED)

Forfeitures can be used to pay Plan expenses or reduce any Company contributions. For the years ended December 31, 2021 and 2020, forfeitures in the amount of \$51,447 and \$4,840, respectively, were used to pay Plan expenses. For the years ended December 31, 2021 and 2020, forfeitures in the amount of \$243,533 and \$117,581, respectively, were used to reduce the Company's matching contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements are prepared on the accrual basis of accounting (GAAP).

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Administrative expenses are paid by the Plan or the Company, at the discretion of the Company. During 2021 and 2020, the Plan paid custodians, investment advisory and other administrative expenses of \$296,923 and \$238,039, respectively. The Plan's other administrative expenses were paid by the Company and are excluded from these financial statements.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments of the Plan are reported at fair value except for the Group Annuity Contract, which is recorded at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains (losses) on the investments purchased and sold, as well as held, during the year.

GROUP ANNUITY CONTRACT

The Plan has entered into a group annuity contract with Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company maintains the contributions in a general account. The contract is included in the financial statements at contract value as reported to the Plan by Great-West Life & Annuity Insurance Company. Contract value represents contributions made to the accounts, plus earnings, less participant withdrawals and administrative expenses. Earnings on the contract are based on interest calculated at a specified rate. The crediting interest rate as of December 31, 2021 and 2020 was 1.03% and 1.20%, respectively. Crediting interest rates are determined daily by dividing earned income for the day by the new contract value. Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or the Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. The Plan Administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. The investment advisor or the contract owner may terminate the group annuity contract with 60 days advance written notice to the other party.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events through October 5, 2022, the date these financial statements were available to be issued. Except as described below and Notes 1 and 5, there were no other events identified that required recognition or disclosure in these financial statements.

Subsequent to December 31, 2021, the Plan Sponsor acquired Reliant Technology, LLC. The Plan Sponsor is currently in the process of merging the Reliant Technology, LLC 401(k) Plan, into the Plan. The merger will go into effect December 1, 2022.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, net appreciation in fair value of investments, and interest and dividends for the years ended December 31, 2021 and 2020, was obtained by management and agreed to information certified as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company, the custodians of the Plan. This information has not been audited by the Plan's independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

PARK PLACE TECHNOLOGIES 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 - Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices for identical or similar assets or liabilities in inactive markets; or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities. Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level of assets and liabilities within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – Investments in mutual funds are stated at the respective fund's net asset value (NAV), which is determined based on quoted market prices on the last business day of the Plan year. The NAV is a quoted price on an active market.

Common/collective trusts – The fair value of the underlying assets are used to determine the net asset value (NAV) of the funds. The NAV, as provided by the custodians, is used as a practical expedient to estimate fair value. The NAV practical expedient is not used when it is determined to be probable the fund will sell the investment for an amount different than the reported NAV.

^(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 5 – TAX STATUS

The Company adopted a Volume Submitter Profit Sharing Plan with a cash or deferral arrangement. The Volume Submitter Profit Sharing Plan received a favorable opinion letter on March 31, 2014, which stated that the Plan was designed in compliance with the applicable requirements of the Internal Revenue Code (IRC). Effective January 1, 2022, the Plan adopted Non-Standardized Pre- Approved Profit Sharing Plan. The Non-Standardized Pre-Approved Profit Sharing Plan obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Non-Standardized Pre-Approved Profit Sharing Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for incomes taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts.

NOTE 7 – PARTY-IN-INTEREST

Certain Plan investments are shares of a group annuity contract, mutual funds and common/collective trusts managed by Great-West Life & Annuity Insurance Company and Great-West Trust Company. Great-West Life & Annuity Insurance Company and Great-West Trust Company are the custodians of the Plan as defined by the Plan document and, therefore, these investments qualify as party-in-interest transactions. The Plan also makes loans to Plan participants who are also considered to be parties-in-interest. The participants with outstanding loans included in notes receivable from participants in the accompanying statements of assets available for benefits, are considered a parties-in-interest as defined by ERISA. In addition, the Sponsor provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 – DELINQUENT CONTRIBUTIONS

During the year ended December 31, 2021, the Company failed to timely remit employee contributions to the Plan in the amount of \$113,046 and employer matching contributions of \$35,432. This failure to remit participant contributions timely is considered a prohibited transaction according to the provisions of ERISA and the IRC. During the year ended December 31, 2021, the Company filed corrections for lost earnings in the amount of \$95 on the employee contributions and \$29 on the employer matching contributions.
