Independent Auditor's Report

Plan Committee
Creative Food Ingredients, Inc. Profit Sharing/401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Creative Food Ingredients, Inc. Profit Sharing/401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by a qualified institution and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued..

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The Supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Creative Food Ingredients, Inc. Profit Sharing/401(k) Retirement Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the Creative Food Ingredients, Inc. Profit Sharing/401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan whereby eligible employees of Creative Food Ingredients, Inc. (the Company or Employer or Plan Sponsor) are permitted to make pretax contributions that are tax-deferred under Section 401(k) of the Internal Revenue Code (IRC). The Plan is intended to satisfy the requirements for a qualified retirement plan under the appropriate provisions of the IRC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Employees of the Company, aside from non-resident aliens, union or leased employees, may become a participant after such employee has completed one year of service in which an employee has 1,000 hours of service and has attained the age of 18. Eligible employees may enter the Plan on the first day of the quarter coinciding with the date on which eligibility requirements are met or the first day of the next following quarter.

Contributions: Participants may contribute up to 100% of eligible compensation, as defined by the Plan document, subject to certain maximum limitations imposed by the Code. Unless otherwise elected, each eligible participant will automatically have 3% of defined compensation before taxes deferred into the Plan upon meeting eligibility requirements and the participant's automatic deferral percentage shall be increased as of the first day of each plan year by 1%, up to a maximum of 10%. Employees who are eligible to make elective deferrals under the Plan and who have attained the age of 50 before the end of the plan year are also eligible to make catch-up contributions subject to the maximum limitation imposed by the Code. Participant may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company may make discretionary matching contributions to the Plan. The Company elected to make matching contributions in the amount of 100% of the participant's contributions up to 1% of each participant's eligible compensation. The Company may also elect to make an additional discretionary contribution to the Plan based upon a percentage of the profit sharing compensation paid to eligible employees, as determined by the Company. There were no additional discretionary profit-sharing contributions for the year ended December 31, 2021.

Vesting: Participants are immediately vested in their salary deferral contributions and related investment earnings. Participants become 20% vested in discretionary employer contributions and profit sharing contributions, and earnings thereon after one year of service, as defined, and vest an additional 20% for each year of service thereafter until they are fully vested after completion of five years of service. In addition, each employee becomes 100% vested upon plan termination, death, disability or attaining normal retirement age.

Benefits paid to participants: Participants or their beneficiaries are eligible for benefits upon termination of service, retirement, or death. Participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or periodic installments. The Plan provides for automatic lump sum distribution of accounts with balances less than \$5,000 upon termination of service. In-service distributions are permitted for participants that attain age 59 ½, or in situations of hardship subject to the provisions specified in the Plan agreement.

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Participant accounts: Participants direct the investment of their and employer contributions into various investment options offered by the Plan. Each participant's account is credited with the participant's contribution and allocations of, (a) the Company's discretionary matching and profit sharing contributions, if any, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Forfeitures: At December 31, 2021 and 2020, forfeited nonvested accounts totaled approximately \$1,700 and \$9,200, respectively. The balance of the forfeiture employer contributions and allocated earnings thereon may be used to reduce employer contributions to the Plan or to pay Plan administrative expenses. During 2021, amounts of employer nonvested contributions forfeited and associated earnings were approximately \$1,400. There were approximately \$8,900 employer contributions or Plan expenses reduced by forfeited nonvested accounts. The vested accumulated forfeitures will be applied to pay expenses or reduce the employer's contribution in 2022.

Investment options: Participants are allowed to invest in a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options any time throughout the year.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets or liabilities. Actual results may differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividend income is recognized on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits paid to participants: Benefits paid to participants are recorded when paid.

Risk and uncertainties: The Plan provides for investments in a variety of investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participant's account balances the amounts reported in the statement of net assets available for benefits.

Note 2. Summary of Significant Accounting Policies (Continued)

Administrative expenses: Certain administrative functions are performed by officers or employees of the Plan Sponsor. However, such employees receive no compensation from the Plan. The Plan Sponsor and the Plan participants share in the Plan expenses. Plan expenses, such as transaction fees from receiving a loan, withdrawal, or distribution from the Plan, are deducted from participant's accounts or investment income.

Subsequent events: The Plan Administrator has evaluated subsequent events through September 6, 2022, the date the financial statements were available to be issued.

Note 3. Information Certified and Provided by Hand Benefits & Trust Company

The following is a summary of the Plan's asset and income information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Hand Benefits & Trust Company, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate to the best of their knowledge. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and the ERISA-required supplemental schedule related to the following assets:

	2021	2020
Investments at fair value:		
Mutual funds	\$ 4,336,096	\$ 3,480,558
Common collective trusts	4,786,357	4,278,375
	<u>\$ 9,122,453</u>	<u>\$ 7,758,933</u>

The custodian also certified to the completeness and accuracy of \$1,062,785 of net appreciation in the fair value of investments, and \$155,408 in dividend income related to the aforementioned investments during the year ended December 31, 2021.

Note 4. Fair Value Measurements

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, Fair Value Measurement and Disclosures (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active market
- Quoted prices for identical or similar assets or liabilities in inactive markets

Creative Food Ingredients, Inc. Profit Sharing/401(k) Retirement Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020. Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: The mutual funds are valued at the closing price reported on the active market on which the individual funds are traded.

Common collective trusts: Valued at the net asset value (NAV) of units held by the Plan at year end as a practical expedient. The NAV of these accounts is based on the market value of its underlying investments divided by the number of units outstanding.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Investment Type	Fair Value Measurements Using			
	(Level 1)	(Level 2)	(Level 3)	Total
2021:				
Mutual funds	\$ 4,336,096	\$ -	\$ -	\$ 4,336,096
Total assets in the fair value hierarchy	\$ 4,336,096	\$ -	\$ -	4,336,096
Common collective trusts measured at NAV (i)				4,786,357
Total investments				\$ 9,122,453
2020:				
Mutual funds	\$ 3,480,558	\$ -	\$ -	\$ 3,480,558
Total assets in the fair value hierarchy	\$ 3,480,558	\$ -	\$ -	3,480,558
Common collective trusts measured at NAV (i)				4,278,375
Total investments				\$ 7,758,933

- (i) In accordance with ASC 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the statement of net assets available for benefits.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. For the year ended December 31, 2021, there were no transfers in or out of level 3.

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following table sets forth additional disclosures of the Plan's investments, whose fair value is estimated using NAV per share (or its equivalent) as a practical expedient as of December 31, 2021 and 2020:

	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020			
Common collective trusts	\$ 4,786,357	\$ 4,278,375	None	Immediately	None

In accordance with ASC 820, for investments that file a DOL Form 5500, Annual Return/Report of Employee Benefit Fund, as a direct filing entity, disclosures of that investment's strategy is not required. All the investment funds valued at NAV above file Form 5500 annually.

Note 5. Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary to the Plan, any party rendering services to the Plan, the employer, and certain others. As such, transactions conducted by the Company, or Hand Benefits & Trust Company, the custodian, qualify as party-in-interest transactions. The Plan's investments include shares of common collective trusts managed by Manning & Napier Advisors, Inc. (Manning). As Manning is the Plan's investment advisor, these transactions qualify as party-in-interest transactions.

Note 6. Income Tax Status

The Plan has adopted a non-standardized, 401(k) profit sharing, prototype plan sponsored by Benefit Plans Administrative Services, LLC. The prototype plan provider has received an opinion letter from the IRS, dated March 31, 2014, as to the prototype plan's qualified status. The prototype plan's opinion letter has been relied upon by this Plan. The Plan Administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, the participants become fully vested in their entire account balances, and the net assets of the Plan will be distributed to the participants of the Plan in accordance with the provisions of ERISA.
