INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Memphis Obstetrics & Gynecological Association, P.C. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Memphis Obstetrics & Gynecological Association, P.C. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Memphis Obstetrics & Gynecological Association, P.C. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Memphis Obstetrics & Gynecological Association, P.C. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Memphis Obstetrics & Gynecological Association, P.C. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Memphis Obstetrics & Gynecological Association, P.C. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Memphis Obstetrics & Gynecological Association, P.C. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Memphis Obstetrics & Gynecological Association, P.C. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MEMPHIS OBSTETRICS & GYNECOLOGICAL ASSOCIATION, P.C. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Memphis Obstetrics & Gynecological Association, P.C. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for more complete information.

General

The Plan is a defined contribution 401(k) retirement plan available to all employees of Memphis Obstetrics & Gynecological Association, P.C. (the “Company”) who are twenty-one (21) years of age or older and have completed twelve (12) consecutive months of service to qualify for employee deferrals, Company safe harbor contributions and discretionary profit-sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participant Investment Account Options

The Plan currently allows participants to direct varying portions of their contributions and account balances among different mutual funds and a guaranteed investment contract offered by Prudential Bank and Trust, F.S.B. and Prudential Retirement Insurance and Annuity Company (collectively, “Prudential”) and self-directed brokerage accounts through Prudential Investment Management Services, LLC.

Contributions

Participants may elect to defer any percentage of their eligible annual compensation either as pre-tax 401(k) deferrals or Roth 401(k) deferrals, subject to Internal Revenue Service (IRS) limitations. Participants who have attained age fifty (50) before the end of the plan year are eligible to make catch-up contributions. The Company makes a safe harbor contribution equal to three percent (3%) of eligible compensation. The Plan also allows the Company to make discretionary profit-sharing contributions to the Plan in amounts determined by the Company. The Company made discretionary profit-sharing contributions of \$291,838 for 2021 and \$225,643 for 2020.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account. Upon enrollment in the Plan, a participant may direct all contributions to any of the Plan’s fund options.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the excess of the highest outstanding balance of the loans from the Plan to the Participant during the one-year period ending on the day before the date the loan is made or 50% of their account balance. The loans are secured by the balance in the participants account and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contributions is based on years of service as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants are 100% vested after normal retirement, death, disability, plan termination, or 6 years of credited service for employer contributions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lumpsum amount equal to the value of the participant's vested interest in his or her account or annual installments over a period of time as defined in the plan document. For terminations of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Withdrawals by a participant while employed are limited to those requested due to events of financial hardship as defined by the plan document or upon the attainment of age 59½ or hardship for COVID-19 as defined by the plan document.

Forfeitures

Forfeited non-vested accounts can be used first to reinstate participant account balances, then to reduce administrative expenses of the Plan, then any remaining forfeitures shall be applied to reduce future Company safe harbor matching or profit-sharing contributions as defined by the plan document. As of December 31, 2021 and 2020, there were \$1,642 and \$2,407 in forfeited non-vested accounts, respectively. No forfeitures were used to reduce employer contributions for the year ended December 31, 2021.

Administrative Expenses

Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants and distributions to participants are charged directly to the respective participant's account. Certain investment related expenses are included in net appreciation of fair value of investments.

NOTE 2 – DATE OF MANAGEMENT'S REVIEW

The plan sponsor evaluated the Plan's December 31, 2021 financial statements for subsequent events through October 5, 2022, the date the financial statements were issued. Other than the subsequent even disclosed in Note 11, the plan sponsor is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE 3 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are prepared using the accrual method of accounting.

Investments are stated at fair market value (except for the fully benefit-responsive investment contract which is reported at contract value), as defined by generally accepted accounting principles. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as deemed loan distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of investment income, realized gains (losses), and the unrealized appreciation (depreciation) on investments.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

Benefits are recorded when paid.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under generally accepted accounting principles are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end.

Self-directed accounts: Consists of common stocks and mutual funds, which are valued at the closing price reported on the active market on which the individual securities are traded.

Cash value of life insurance: Valued at cash surrender value, which approximates fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts				
Mutual funds	\$ 25,256,959	\$ -	\$ -	\$ 25,256,959
Self-directed accounts	540,936	-	-	540,936
Total assets in the fair value hierarchy	<u>\$ 25,797,895</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 25,797,895</u>
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts				
Mutual funds	\$ 21,663,020	\$ -	\$ -	\$ 21,663,020
Self-directed accounts	496,681	-	-	496,681
Cash value of life insurance	-	8,780	-	8,780
Total assets in the fair value hierarchy	<u>\$ 22,159,701</u>	<u>\$ 8,780</u>	<u>\$ -</u>	<u>\$ 22,168,481</u>

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has a benefit-responsive guaranteed investment contract with Prudential that maintains the contributions in a general account. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participants if they were to initiate permitted transactions under the terms of the Plan. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal interest at a specified interest rate that is guaranteed by the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0 percent. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory development.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or contract value paid over time. There are no events that allow the issuer to terminate the contract and which require the plan sponsor to settle at an amount different than contract value paid either within 90 days or over time.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions. The normal benefit payment provisions of the Plan will remain operative, with the exception that participants will be eligible to receive payment of their accrued benefits as soon as administratively practicable.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

NOTE 8 – TAX STATUS

The IRS has determined that the volume submitter profit sharing plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC) and has stated such in a letter dated March 31, 2014. The plan administrator and the plan's tax counsel believe the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator believes that the Plan has not generated any taxable income and no federal or state income tax returns have been filed. Federal and state taxing authorities could request an examination of the financial records of the Plan to ascertain if any such taxable income exists, but no such examination has occurred or is pending.

NOTE 9 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan expenses that are paid directly by the Company qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction provisions of ERISA and the Internal Revenue Code.

NOTE 10 – SUMMARY OF INFORMATION CERTIFIED BY ASSET CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the asset custodian has certified that the following data included in the accompanying financial statements and supplemental information is complete and accurate:

- Investments at fair value as of December 31, 2021 and 2020
- Fully benefit-responsive investment contract at contract value as of December 31, 2021 and 2020
- Notes receivable from participants as of December 31, 2021 and 2020
- Net appreciation in fair value of investments for the year ended December 31, 2021
- Dividend income for the year ended December 31, 2021
- Interest income on notes receivable from participants for the year ended December 31, 2021
- Schedule of net assets (held at end of year) as of December 31, 2021 and 2020

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and the schedule of assets (held at end of year) with the exception of the investment in life insurance policies.

NOTE 11 – SUBSEQUENT EVENTS

As a result of current market conditions, the fair value of Plan investments has declined by approximately \$5.7 million as of October 5, 2022.
