INDEPENDENT AUDITOR'S REPORT

To the Trustee, Plan Administrator, and Executive Committee of
TJS Deemer Dana LLP Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of TJS Deemer Dana LLP Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of TJS Deemer Dana LLP Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TJS Deemer Dana LLP Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TJS Deemer Dana LLP Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TJS Deemer Dana LLP Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of TJS Deemer Dana LLP Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TJS DEEMER DANA LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the TJS Deemer Dana LLP Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2002 and is a defined contribution plan covering all employees and partners of TJS Deemer Dana LLP (the Firm) and various merged in affiliates who have signed participating adoption agreements, who are age twenty-one or older. Prior to January 1, 2021, employees were required to complete one year of service prior to entering the plan and could elect to defer salary on the first day of the first and seventh month of the Plan year after completion of one year of service. Effective January 1, 2021, the Plan's service eligibility criteria was reduced from one year of service to three months of service. Participants are also allowed to be admitted to the Plan on the month coinciding with or subsequent to meeting the service and age requirements. The Plan was also amended to allow participants to have the option to modify their contributions monthly rather than on the first day of the first and seventh month of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was enacted. Among other provisions, the CARES Act provided temporary options for Plan participants with respect to certain Plan distributions, loans and waiver of required minimum distributions. Certain provisions of the CARES Act were automatically added to the Plan by the Plan's third-party administrator and recordkeeper; amendments for these provisions were formally adopted during the year ended December 31, 2021.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation and may contribute Roth elective deferrals on after-tax annual compensation, not to exceed statutory limitations as set by law, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a money market savings account as investment options for participants. The Firm currently provides a non-elective safe harbor contribution each year. The non-elective safe harbor contribution is 3% of participant's eligible compensation. The Firm may also elect to contribute to the Plan amounts in the form of discretionary matching contributions and profit-sharing contributions. Matching and profit-sharing contributions are subject to certain limitations. The Firm elected to make profit sharing contributions for the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions, non-elective safe harbor contributions and profit-sharing contributions, an allocation of the Plan's investment earnings, an allocation of forfeitures of terminated participants' nonvested amounts, and is charged with an allocation of the Plan's investment and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and non-elective safe harbor contributions and actual earnings thereon. Vesting in the Company's profit-sharing contributions are based on years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF THE PLAN (continued)

Payment of Benefits

If a participant's employment is terminated due to his or her retirement, permanent disability, or death, the participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account, in a single lump-sum distribution.

Notes Receivable from Participants

Participants may borrow from their participant account a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of the participant's vested interest in the Plan. The loans are secured by the balance in the participant's account and bear reasonable interest rates, currently at 4.25% to 5.75%. Loan terms currently range from 2 to 30 years. Principal and interest are paid ratably through payroll deductions. As of December 31, 2021 and 2020, notes receivable from participants were \$87,994 and \$44,629, respectively.

Allocation Provisions

Earnings from investments are allocated to a participant's account based on the percentage that the participant's account balance bears to the value of all participants' accounts. Company profit-sharing contributions are allocated to a participant's account based on the percentage the participant's compensation bears to the total compensation of eligible participants.

Forfeited Accounts

Forfeitures may be used to reduce employer contributions or pay administrative expenses for the Plan. At December 31, 2021 and 2020, there were \$2,512 and \$3,866 of forfeitures, respectively. During 2021, \$3,866 of the forfeitures were used to reduce employer contributions. Accumulated forfeitures at December 31, 2021, were used subsequent to year end.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Payment of benefits are recorded when paid.

Investment Fees and Administrative Expenses

Investment fees are absorbed by the participants and are deducted from the participant account balances. Administrative expenses of maintaining the Plan may be absorbed from participants' accounts or may be paid by the Firm.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Subsequent Events

Subsequent events have been evaluated for potential recognition and/or disclosure through September 9, 2022. This represents the date the financial statements were available to be issued. See Note 9. Subsequent Events.

NOTE 3. CERTIFICATION OF ASSETS AND INCOME

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by Charles Schwab Trust Bank (Charles Schwab), the custodian of the Plan, as complete and accurate to the best of their knowledge, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplementary schedule.

a) Assets held and certified by Charles Schwab at December 31:

	2021	2020
Mutual funds	\$ 18,387,166	\$ 15,818,529
Money market savings account	855,260	858,268
Non-interest bearing cash	7	6
	<u>\$ 19,242,433</u>	<u>\$ 16,676,803</u>

b) Income certified by Charles Schwab for the year ended December 31, 2021:

	Net Appreciation in Fair Value	Dividend, Interest, and Other Income*
Mutual funds, money market savings account, loan interest, and other income*	<u>\$ 856,229</u>	<u>\$ 1,338,364</u>

*Note - loan interest of \$2,474 is presented for reconciling purposes only and is not certified.

During the year ended December 31, 2021, the Plan's investments in participant-directed funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$856,229.

NOTE 4. FAIR VALUE MEASUREMENTS

The FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

TJS DEEMER DANA LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4. FAIR VALUE MEASUREMENTS, continued

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market savings account: Valued at the carrying amount as presented on the statements of NAAFB, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,387,166	\$ -	\$ -	\$ 18,387,166
Money market savings account	855,260	-	-	855,260
Total investments at fair value	<u>\$ 19,242,426</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,242,426</u>

TJS DEEMER DANA LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021 and 2020

NOTE 4. FAIR VALUE MEASUREMENTS, continued

	Investments at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,818,529	\$ -	\$ -	\$ 15,818,529
Money market savings account	858,268	-	-	858,268
Total investments at fair value	<u>\$ 16,676,797</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,676,797</u>

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment size and the transfer of the relative assets to total net assets available for benefits.

NOTE 5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Charles Schwab is the custodian of the Plan, any Charles Schwab investments that the Plan holds are considered exempt party-in-interest transactions.

Notes receivable from participants, totaled \$87,994 and \$44,629 at December 31, 2021 and 2020, respectively, and qualify as exempt party-in-interest transactions.

Administrative expenses paid from Plan assets totaled \$77,275 for the year ended December 31, 2021. Service providers that received direct compensation included the Plan's investment advisor, in the amount of \$45,727 and the Plan's recordkeeper and TPA, in the amount of \$31,548, these transactions qualify as exempt party-in-interest transactions. Charles Schwab, the Plan's custodian, may have received indirect compensation during the year per service arrangements between the Plan and Charles Schwab, these qualify as exempt party-in-interest transactions.

A partner of the Firm who is also a participant of the Plan, occasionally provides accounting, consulting and advisory services to the Plan and Trustee of the Plan. These services qualify as exempt party-in-interest transactions. The Plan paid no compensation or fees to the partner or the Firm during the year ended December 31, 2021 related to these services.

NOTE 6. PLAN TERMINATION

The Company anticipates and believes that the Plan will continue without interruption but has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances.

NOTE 7. TAX STATUS

The Plan has adopted a regional prototype standardized plan, which received a favorable determination letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

TJS DEEMER DANA LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

FASB requires the Plan Administrator to annually evaluate the Plan's tax positions, including accounting and measurement of uncertain tax positions. For the years ending December 31, 2021 and 2020, the Plan Administrator concluded that no uncertain tax positions had been taken that would require adjustment to or disclosure in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by federal, state, or local tax authorities for years before 2018.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the statement of net assets available for benefits. The net assets of the Plan approximated \$16,700,000 as of the date of issuance of these audited financial statements.

In early 2020, COVID-19 surfaced in China, and subsequently spread to other countries, including the United States. In March 2020, the World Health Organization declared COVID-19 a global pandemic and the United States declared a National Public Health Emergency. The COVID-19 pandemic severely impacted domestic and global economic conditions, resulting in substantial volatility in domestic and global financial markets, increased unemployment, and operational challenges such as the temporary closures of businesses, sheltering-in-place directives and increased remote work protocols. Governments and central banks around the world reacted to the economic crisis caused by the pandemic by implementing stimulus and liquidity programs and cutting interest rates. In the fourth quarter of 2020, vaccines began to become available in the United States and as more people were vaccinated the spread of COVID-19 slowed. In most regions of the country, businesses returned to operating in a more normal capacity.

In 2021, two variants of the virus began to spread, Delta in June and Omicron in November. Other variants started to develop in 2022. While booster vaccine shots were also made available and proved effective in reducing the severity of the virus on individuals, COVID-19 began to spread again as a result of both variants, causing further disruption in domestic and global economic conditions, particularly in domestic and global supply chains. The disruption in the supply chains has led to extreme inflation rates. The spread of both variants has slowed as of the date of these financial statements; however, more variants could surface and if the vaccine proves to be less effective against new variants and the COVID-19 virus begins to spread again, the adverse impact on the domestic and the global economies could worsen, and the net assets of the Plan could be adversely affected.

The impact of COVID-19 on the Plan's net assets remains dependent on future developments, including the continued effectiveness of the vaccine, coverage of people receiving the vaccine, and the spread of potential new variants.

NOTE 9. SUBSEQUENT EVENTS

Effective January 1, 2022, the Plan was amended to exclude interns from participating and to add an automatic deferral of 3% for all newly eligible employees.

Subsequent to year end, the Firm and its related subsidiaries and affiliates formally changed its name from TJS Deemer Dana LLP to Symphona LLP. The name of the Plan was also changed from the TJS Deemer Dana LLP Retirement Plan to the Symphona LLP Retirement Plan.
