ANNUAL AUDIT COMMUNICATION

Webster Five Cents Savings Bank 401(k) Plan

Year Ended December 31, 2021

REPORTING MATTERS

Purpose

- Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance
- To inform the Plan Administrator of the Webster Five Cents Savings Bank 401(k) Plan (the "Plan") about significant matters related to the conduct of the annual audit so that it can appropriately discharge its oversight responsibility
- To comply with our professional responsibilities to the Plan Administrator of the Plan

This communication should be read in conjunction with the audited financial statements and does not relieve management or those charged with governance of their responsibilities.

REPORTING MATTERS

Opinion

- AICPA Auditing Standards Board Statement on Auditing Standards No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*, took effect this year
- 2021 Financial Statements (as defined in the Independent Auditor's Report)
 - We rendered an unmodified ERISA Section 103(a)(3)(C) audit opinion (see Slide 4 for further detail)
- Other Matter – Auditor's Report on the 2020 Financial Statements
 - We performed a limited scope audit in accordance with 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA

This communication should be read in conjunction with the audited financial statements and does not relieve management or those charged with governance of their responsibilities.

REPORTING MATTERS

- ☑ We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS)
- ☑ As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for:
 - ☑ Obtaining and reading the certification
 - ☑ Comparing the certified investment information with the related information presented and disclosed in the financial statements
 - ☑ Reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework
- ☑ Our audit was designed to obtain reasonable, rather than absolute, assurance that the financial statements are free from material misstatements

REPORTING MATTERS

- ☑ Our audit does not relieve management or those charged with governance of their responsibilities
- ☑ Our audit included:
 - Consideration of internal control over financial reporting as a basis for designing our audit procedures, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control
 - Examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements
 - Assessing the accounting principles used and significant estimates made by management
 - Evaluating the overall financial statement presentation

ACCOUNTING POLICIES, PRINCIPLES, AND TECHNICAL UPDATES

- ☑ The primary responsibility for establishing the Plan's accounting policies and practices, applied in its financial statements, rests with management. The Plan's significant accounting policies and practices are included in Note 2 to the financial statements. We believe that management's disclosures regarding such policies and practices are adequate.
- ☑ There have been no new accounting pronouncements that had a significant impact on the financial statements.
- ☑ We are not aware of any accounting pronouncements that have been issued but are not yet effective that may have a significant effect on the future financial reporting.

AUDIT PLAN UPDATE

- ☑ There were no significant changes to the planned audit strategy or risks communicated in the audit scope letter.
- ☑ As part of our risk assessment procedures and as required by auditing standards, we identified management override of controls and contributions as significant risks. These risks and others identified during the planning process were communicated to you in the audit scope letter.
- ☑ Audit procedures included testing of account reconciliations, examination of support documentation, detailed transaction testing, third party confirmation procedures, analytical procedures and testing of management's estimates and assumptions.

MANAGEMENT JUDGMENTS & ACCOUNTING ESTIMATES

There are estimates inherent in the financial statement preparation process, including investment valuation.

The process used by management in formulating accounting estimates encompasses their knowledge and experience about past and current events and certain assumptions about future events.

There were no changes in the process used by management in formulating sensitive accounting estimates.

We were engaged by management to perform an ERISA Section 103(a)(3)(C) audit; accordingly, our audit procedures were limited to reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

We have concluded that management's presentation and disclosure of investments are in accordance with the applicable financial reporting framework.

REQUIRED COMMUNICATIONS

- Audit adjustments and uncorrected misstatements
 - ⊙ For purposes of this communication, professional standards define an audit adjustment as a proposed correction of the financial statements that, in our judgment may not have been detected except through our auditing procedures.
 - ⊙ There were no audit adjustments made to the original trial balance presented to us to begin our audit.
 - ⊙ There were no uncorrected misstatements in the financial statements as of December 31, 2021 and 2020.
- Financial Statement Disclosures
 - ⊙ We did not identify any exceptions to the overall neutrality, consistency, and clarity of the disclosures in the financial statements nor are there any disclosures in particularly sensitive or judgmental areas. Neutrality relates to disclosures which inform, rather than influence, the users of the financial statements.
- Form 5500 Filing
 - ⊙ GAAS require that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

REQUIRED COMMUNICATIONS

- ERISA-Required Supplemental Schedule

- ☑ We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS.
- ☑ The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
- ☑ We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedule.
- ☑ We did not identify inconsistencies with the audited financial statements or with the certified investment information.

This representation letter is provided in connection with your audits of the financial statements of Webster Five Cents Savings Bank 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020; the related statement of changes in net assets available for benefits for the year ended December 31, 2021; and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodically examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, that as of the date of this letter:

Independent Auditor's Report

To the Plan Administrator of the Webster Five Cents Savings Bank 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Webster Five Cents Savings Bank 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and

Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan is administered by the Bank for the exclusive benefit of participants in the Plan and their beneficiaries. The Plan assets are invested in various investment options offered by Fidelity Investments Institutional Operations Company, Inc. Fidelity Management Trust Company (the “Trustee”) is the Plan's trustee and Fidelity Workplace Services LLC (“Fidelity”) is the recordkeeper.

Eligibility Requirements

To become eligible for participation, an employee must have reached 21 years of age, not be a resident of Puerto Rico or an intern. The employee will become a participant in the Plan on the first day they become eligible.

Contributions

Each year, participants may contribute to the Plan a percentage of their annual compensation, on a pre-tax or after tax Roth basis, as defined in the Plan, up to 75% of eligible compensation subject to the Internal Revenue Code (IRC) limitations. The Plan includes an automatic enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation with an automatic increase of 1% per year up to a maximum of 15%, unless

the participant elects out. Participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Bank makes a safe harbor matching contribution equal to 100% of eligible participant deferrals, up to 3% of each participant's eligible compensation plus 50% of eligible participant deferrals of the next 2% of each participant's eligible compensation contributed to the Plan.

In addition, the Bank may also make discretionary non-elective contributions to eligible employees as determined by the Bank's Board of Directors. To be eligible for Bank discretionary non-elective contributions, participants need be employed on the last day of the Plan year. For the Plan year ended December 31, 2021, the Bank made non-elective contributions totaling \$360,042.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Bank's contributions and an allocation of Plan earnings. Allocations are based on the participant's earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and Bank safe harbor matching contributions, plus actual earnings thereon. Vesting in the Bank's non-elective contribution portion of their accounts plus earnings thereon is based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes are required to be repaid within 5 years unless the note is to be used for the purchase of a primary residence in which case the note may be repaid within a period of no more than 10 years. Participants may have up to 2 loans outstanding at any time. The notes are secured by the balance in the participant's account and bear interest at a rate ranging from 4.25% to 6.50%.

The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law on March 27, 2020. Effective April 15, 2020, the Plan adopted the applicable provisions of the CARES Act. As a result of the CARES Act, qualifying participants may take a loan up to \$100,000 or 100% of the participant's vested balance, whichever is less, until December 31, 2020. Further, repayment on existing loans due through the end of 2020 may be delayed one year. The ability to request a delay in repayments under the CARES Act ceased as of December 31, 2020.

Payment of Benefits

Upon termination of service, retirement, disability or death, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount, installment payments or partial payments. In-service withdrawals from the participant's account are available upon reaching age 59½. A participant may withdraw from their rollover account at any time. If a participant's vested account balance is \$1,000 or less, the Plan administrator can distribute the entire balance in a lump-sum amount. Hardship withdrawals are available from the participant's elective deferral account, excluding earnings thereon, in order to meet a participant's immediate and heavy financial need.

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$29,575 and \$3,169, respectively. These accounts will be used to offset future Bank contributions. During the Plan year ended December 31, 2021, \$32,500 was used to offset Bank contributions to the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged against participant accounts when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable from participants, if applicable, are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Bank and are excluded from these financial statements. Fees related to the benefits paid to participants and processing of loans are charged directly to the participant’s account and are included in the administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Trustee, except for comparing such information certified by the Trustee to information included in the Plan's financial statements. The Plan Administrator has obtained a certification from the Trustee as of December 31, 2021 and 2020 and for the year ended December 31, 2021 that the information is complete and accurate.

Information certified is as follows:

	2021	2020
Investments at fair value:		
Mutual funds	\$ 20,752,669	\$ 18,454,995
Common collective trust funds	8,709,747	7,471,958
Participant loans:		
Notes receivable from participants	327,173	355,107
Investment income:		
Net appreciation in fair value of investments	2,527,186	
Dividend income	1,013,493	
Interest income:		
Notes receivable from participants	17,576	

The Trustee also certified the information included in the Schedule of Assets (Held at End of Year).

4. FAIR VALUE MEASUREMENTS

Fair value estimates are made as of a specific point in time based on the characteristics of the financial instruments and relevant market information. In accordance with GAAP, the fair value estimates are measured within the fair value hierarchy, which gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement

Level 1 – Unadjusted quoted prices for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

See independent auditor's report.

Webster Five Cents Savings Bank 401(k) Plan

Notes to Financial Statements (Continued)

FAIR VALUE MEASUREMENTS (continued)

Basis of Fair Value Measurement (concluded)

Level 2 – Significant other observable inputs other than Level 1 quoted prices such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds:

Valued at the daily closing price as reported by the fund. Mutual funds are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds are deemed to be actively traded.

Common collective trust funds:

The fair value of common collective trust funds is based on the NAV reported by the administrator of the respective common collective trust funds. The NAV is calculated daily and is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. There are no restrictions on redemptions related to the common collective trust funds.

See independent auditor's report.

FAIR VALUE MEASUREMENTS (concluded)

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021	Fair Value Measurements			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 20,752,669	\$ -	\$ -	\$ 20,752,669

Investments measured at net asset value (a)				<u>8,709,747</u>
Total investments, at fair value				<u>\$ 29,462,416</u>

December 31, 2020	Fair Value Measurements			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 18,454,995	\$ -	\$ -	\$ 18,454,995
Investments measured in the fair value hierarchy	<u>\$ 18,454,995</u>	<u>\$ -</u>	<u>\$ -</u>	18,454,995
Investments measured at net asset value (a)				<u>7,471,958</u>
Total investments, at fair value				<u>\$ 25,926,953</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

There are no restrictions on redemptions and no unfunded commitments related to the common collective trust funds held by the Plan as of December 31, 2021 and 2020.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

See independent auditor's report.

6. TAX STATUS

The Plan is a prototype plan and a determination letter was received by Fidelity Management & Research Company on June 30, 2020, in which the Internal Revenue Service (“IRS”) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained up on examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations prior to 2018.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Fidelity Investments and Fidelity Workplace Services LLC, recordkeeper, are related parties to the Trustee, Fidelity Management Trust Company. Therefore, these transactions and fees paid to the recordkeeper for administration of notes receivable from participants and processing of benefits paid, which amounted to \$43,152 for the year ended December 31, 2021, qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. Fees paid for investment management services are included as a reduction of the return earned by each mutual fund.
