INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
AxessPointe Community Health Center, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of AxessPointe Community Health Center, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 10 to the financial statements, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, it is inappropriate to, and we do not, express an opinion on this supplemental schedule.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by qualified institutions. Further, the Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

The Plan has excluded from the 2020 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the 2020 financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the 2020 financial statements.

In our report dated September 30, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements. That report did not include, but should have included as part of the basis for disclaimer of opinion, the exclusion from investments in the accompanying 2020 statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. However, the omission of that component of the basis for disclaimer of opinion did not impact the overall result of a disclaimer of opinion on the 2020 financial statements.

AXESSPOINTE COMMUNITY HEALTH CENTER, INC.
403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following description of AxessPointe Community Health Center, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of AxessPointe Community Health Center, Inc. (the Company) who are age 18 or older, except those in an excluded class. Excluded classes of employees include collectively bargained employees, leased employees, non-resident aliens and part-time employees who work less than 20 hours per week, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan. Participants are permitted to designate a portion or all of their deferral contributions as Roth contributions. Participants who have obtained age 50 before the end of the plan year are eligible to make catch-up contributions in accordance with Internal Revenue Service (IRS) regulations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company may make discretionary matching contributions. Participants must have completed 90 days of service with the Company before they are eligible to receive the discretionary matching contributions, with quarterly entry dates for the discretionary matching contributions. From January 1, 2020 through June 30, 2020, the Company made discretionary matching contributions of 25% of the first 4% of base compensation that a participant contributed to the Plan. Effective July 1, 2020, the Company made discretionary matching contributions of 100% of the first 5% of base compensation that a participant contributes to the Plan.

Contributions are subject to certain limitations as mandated by the Internal Revenue Code (IRC).

Investment Options

Participants may direct all their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan's provisions.

403(B) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution(s) and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Effective July 1, 2020, vesting in the Company's discretionary matching contribution portion of their accounts is based on the following table:

<u>Years of Service</u>	<u>Percentage</u>
1	33%
2	66%
3	100%

Prior to July 1, 2020, vesting in the Company's discretionary matching contribution portion of their accounts is based on a 6-year graded vesting schedule.

Payment of Benefits

On termination of service, death, disability, retirement, or attainment of age 59½, a participant may receive a lump sum amount equal to the value of the participant's vested interest in his or her account or any other option as specified by the Plan. Under certain conditions participants may receive a hardship distribution. In addition, during 2020, the Plan allowed for distributions up to \$100,000 for participants impacted by COVID related illness or financial burden.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Distribution fees are charged directly to the participant's account and are included in administrative expenses. The Plan also pays certain investment advisory and plan administration fees from plan assets. Certain investment-related expenses are included in net appreciation of fair value of investments.

Investment income	13	98
BALANCE, END OF YEAR	\$ 1	\$ 1

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIESBasis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America (US GAAP) and requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

AXESSPOINTE COMMUNITY HEALTH CENTER, INC.

403(B) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Subsequent Events

Subsequent events are events or transactions that occur after year end but before financial statements are issued or are available to be issued. These events and transactions either provide additional evidence about conditions that existed at year end, including the estimates inherent in the process of preparing financial statements (that is, recognized subsequent events), or provide evidence about conditions that did not exist at year end but arose after that date (that is, nonrecognized subsequent events).

The Plan has evaluated subsequent events through October 5, 2022, which was the date that these financial statements were available for issuance, and determined that there were no significant nonrecognized subsequent events through that date.

3. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. As of December 31, 2021 and 2020, the contract value of the fully benefit-responsive investment contract was \$194 and \$108, respectively.

3. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The traditional investment contract held by the plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.0%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with the contract issuers and with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include the following: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreements without the consent of the issuer.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

AXESSPOINTE COMMUNITY HEALTH CENTER, INC.

403(B) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

4. FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a. Quoted prices for similar assets or liabilities in active markets,
- b. Quoted prices for identical or similar assets or liabilities in inactive markets,
- c. Inputs other than quoted prices that are observable for the asset or liability,
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds: The funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

AXESSPOINTE COMMUNITY HEALTH CENTER, INC.**403(B) PLAN****NOTES TO FINANCIAL STATEMENTS (Continued)**

4. FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021 Level 1	2020 Level 1
Total investments at fair value - mutual funds	<u>\$ 2,886,960</u>	<u>\$ 2,178,319</u>

5. CERTIFICATION OF FINANCIAL INFORMATION

The following financial data included in the accompanying financial statements and supplemental schedule as of and for the years ended December 31, 2021 and 2020 has been certified as complete and accurate by Principal Trust Company, a qualified institution, from January 1, 2020 to August 31, 2020, and Great-West Life & Annuity Company and Great-West Trust Company, LLC, qualified institutions, from September 1, 2020 to December 31, 2021, and has not been audited by the independent auditors for the Plan:

	2021	2020
Investments at fair value	\$ 2,811,800	\$ 2,107,901
Investments at contract value	194	108
	2021	2020
Net appreciation in the fair value of investments	\$ 292,227	\$ 295,274
Interest and dividends	66,759	20,637

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments were managed by Principal Trust Company during 2020 or are managed by Great-West Life & Annuity Insurance Company, the custodians, and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Certain administrative expenses were paid by the Plan or by the Company. These transactions qualify as party-in-interest. Employees of the Company provide administrative services to the Plan for which no fees are charged.

AXESSPOINTE COMMUNITY HEALTH CENTER, INC.

403(B) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

8. TAX STATUS

The volume submitter plan sponsor has obtained an opinion letter dated March 31, 2017, in which the IRS stated that the volume submitter plan document was in compliance with applicable requirements of the IRC. The Plan has not received a determination letter specific to the Plan itself and has been amended since the date of the opinion letter; however, the plan administrator believes that the Plan was designed, and is being operated, in compliance with the applicable requirements of the IRC.

US GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. OTHER MATTERS

The Plan may not have maintained sufficient accounting records and supporting documents for certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009 to determine the proper accounting of plan assets.

The plan administrator has determined that these accounts meet the conditions to be excluded from plan investments. The plan administrator is unable to obtain sufficient documentation to establish the balances in these transferred accounts as of December 31, 2021 and 2020.

AXESSPOINTE COMMUNITY HEALTH CENTER, INC.

403(B) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

10. OTHER MATTERS (Continued)

As permitted by the Department of Labor's Field Assistance Bulletin (FAB) No. 2009-02, the plan administrator has elected to exclude from plan assets certain annuity and custodial accounts issued to current and former employees. The FAB specifically excludes from plan assets annuity contracts and custodial accounts for purposes of ERISA's annual reporting requirements provided that:

1. The contract or account was issued to a current or former employee before January 1, 2009;
2. The employer ceased to have any obligation to make contributions (including employee salary reduction contributions), and in fact ceased making contributions to the contract or account before January 1, 2009;
3. All of the rights and benefits under the contract or account are legally enforceable against the insurer or custodian by the individual owner of the contract or account without any involvement by the employer; and
4. The individual owner of the contract is fully vested in the contract or account.
