REPORT OF INDEPENDENT AUDITORS

To the Board of Trustees
Plumbers' and Pipefitters' Local 162 Retirement Savings Plan
Dayton, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Plumbers' and Pipefitters' Local 162 Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statement's section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental Schedules of Administration Expenses for the years ended December 31, 2021 and 2020, Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements. The Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedules, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedules, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PLUMBERS' AND PIPEFITTERS' LOCAL 162 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following description of the Plumbers' and Pipefitters' Local 162 Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on June 1, 1993. The Plan is a multiemployer defined contribution plan established pursuant to collective bargaining agreements ("CBAs") by and between participating employers and the local union. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Administration of the Plan is the responsibility of a joint board of trustees ("Board of Trustees"), which consists of representation from the participating employers and the local union.

Contributions

The entire cost of the Plan is paid for by employer contributions. No participant contributions are permitted through December 31, 2021. Under the terms of the CBAs, participating employers contribute various amounts to the Plan for each reported hour for covered employees. Participants direct the investment of these contributions into various investment options offered by the Plan.

The Plan may accept rollover contributions made on behalf of employees from another qualified trust maintained in conjunction with a qualified pension plan. However, the rollover contribution may not include any employee contributions and must be made no later than 60 days after the date of distribution if paid directly to the employee.

Subsequent to the Plan's 2021 Plan year, the Plan was amended to allow for participant deferrals at voluntarily elected hourly rates. Such deferral options are available effective October 1, 2022.

Participant Accounts

Each participant's account is credited with the employer's contribution and an allocation of Plan earnings and losses. Participant accounts are charged with an allocation of administration expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in the contributions made on their behalf by employers plus actual earnings thereon.

PLUMBERS' AND PIPEFITTERS' LOCAL 162 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's interest in his or her account, or annual installments, provided by the purchase of an irrevocable annuity from an insurance company using the value of the participant's account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution after a prescribed waiting period.

Reciprocity Contributions

Participants of the Plan and participants of the benefit plans of other affiliated local unions may have temporary employment assignments outside the jurisdiction of their local union. Therefore, the Plan has entered into reciprocity agreements with other affiliated locals to ensure that employer contributions are forwarded to the benefit plans of the participant's local union. The Plan has recorded reciprocal contributions during the 2021 and 2020 plan years, as reflected on the statement of changes in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash

As of December 31, 2021 and 2020, cash consisted primarily of business checking accounts. The Plan maintains its business checking in bank deposit accounts.

Investment Valuation and Income Recognition

Investments are reported at fair value, with the exception of the fully benefit-responsive investment contract, which is recorded at contract value, as described in Note 5. Fair value is the price that

PLUMBERS' AND PIPEFITTERS' LOCAL 162 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Contributions receivable as of December 31, 2021 and 2020 primarily represent employer contributions for the last month of the Plan's fiscal year.

In accordance with the Plan's collection and delinquency control program, all contributions must be paid on or before the 10th day of the month following the month in which hours are performed, or on the first business day following the tension day, if the 10th day is not a business day. After this date, the contribution is determined to be late and on the 16th day of the subsequent month, the delinquent contractor is referred to the Plan's legal counsel. Amounts that have been referred to legal counsel, and that the Plan's management believes to be potentially uncollectible, are included in an allowance for uncollectible contributions. There was no allowance as of December 31, 2021 and 2020. Amounts in dispute with employers are not recorded as a receivable by the Plan. Any subsequent recoveries of amounts previously written off are recorded as contributions.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administration Expenses

The Plan pays for all administration expenses. Participant accounts are charged with an allocation of administration expenses.

Reclassifications

Certain prior year amounts have been reclassified herein to conform to the current method of presentation.

PLUMBERS' AND PIPEFITTERS' LOCAL 162 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Subsequent Events

The Plan has evaluated subsequent events through September 30, 2022, which is the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of the following information in the accompanying financial statements as of and for the years ended December 31, 2021 and 2020.

	2021	2020
Mutual funds	\$ 43,576,712	\$ 37,743,793
Fully benefit-responsive investment contract	6,167,348	5,602,800
Net appreciation in fair value of investments	2,741,316	3,605,050
Dividends and interest	4,557,124	2,150,478

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

PLUMBERS' AND PIPEFITTERS' LOCAL 162 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification with the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Investments at fair value:	Assets at Fair Value as of December 31, 2021	
	Level 1	Total
Mutual funds	43,576,712	43,576,712
Total assets in the fair value hierarchy	<u>\$ 43,576,712</u>	<u>\$ 43,576,712</u>

Investments at fair value:	Assets at Fair Value as of December 31, 2020	
	Level 1	Total
Mutual funds	37,743,793	37,743,793
Total assets in the fair value hierarchy	<u>\$ 37,743,793</u>	<u>\$ 37,743,793</u>

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds an unallocated insurance contract that meets the fully benefit-responsive investment contract criteria. Fully benefit-responsive investment contracts are presented at contract value in the Statements of Net Assets Available for Benefits because contract value is the relevant measurement attribute for that portion of the Plan's net assets available for benefits. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants in fully benefit-responsive contracts may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract value of this traditional investment contract, Mass Mutual SAGIC Core Fund ("SAGIC Fund"), was \$6,167,348 and \$5,602,800 at December 31, 2021 and 2020 respectively.

PLUMBERS' AND PIPEFITTERS' LOCAL 162 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

The objective of the SAGIC Fund is to provide a stated rate of return, generated from performance of a core bond portfolio. Massachusetts Mutual Life Insurance Company ("Mass Mutual") serves as the contract issuer for the SAGIC Fund, and Baring Asset Management serves as the investment advisor. There are no restrictions on redemptions for the SAGIC Fund, but transfers to competing fixed income investments are not allowed. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on an agreed-upon formula established by the contract issuer but cannot be less than zero percent. The crediting rate is reviewed on a quarterly basis for resetting.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract noted above is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations could be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value and may result in a deferral of the payment at contract value for up to twelve months. Such events include but may not be limited to the following: (1) the complete or partial termination of the Plan; (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. At December 31, 2021, no events were considered probable that could limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreement without the consent of the issuer

6. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the plan sponsor, and certain others.

The Plan rents its office facilities from the Plumbers' and Pipefitters' Local 162 on a month-to-month basis. Rent expense was \$2,133 and \$3,200 for the years ended December 31, 2021 and 2020, respectively. The Plan is not responsible for utilities, maintenance, or taxes. The Plan operates jointly with the Plumbers' and Pipefitters' Local 162 Pension Fund and Plumbers' and Pipefitters'

PLUMBERS' AND PIPEFITTERS' LOCAL 162 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Local 162 Health and Insurance Fund. As of December 31, 2021 and 2020, \$28,274 was due to the Plumbers' and Pipefitters' Local 162 Pension Fund.

The Plan invests in assets held by Reliance Trust Company, which is the custodian of the Plan. Empower Retirement, LLC is the recordkeeper of the Plan starting at the beginning of 2021. Mass Mutual served as the recordkeeper prior to 2021 and is the contract issuer of the SAGIC Fund in which the Plan invests. These transactions qualify as party-in-interest transactions.

HealthSCOPE Benefits, Inc. serves as the third-party administrator. Strategic Capital Investment Advisors, Inc. is the investment advisor for the Plan. Ledbetter Parisi LLC is the legal counsel to the Plan. Blue & Co., LLC is the independent auditor of the Plan. UAS is a consultant to the Plan. All of these parties receive payment from the Plan.

7. INCOME TAX STATUS

The Internal Revenue Service has determined by an opinion letter for the Plan dated May 23, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and that the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the relevant taxing authorities. Management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, as of the date the financial statements were available to be issued, there were no audits for any tax periods in progress.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan may discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, any obligations of the Plan would be paid, and all remaining net assets would be distributed to participants in the manner specified in the Plan.

PLUMBERS' AND PIPEFITTERS' LOCAL 162 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

9. RISKS AND UNCERTAINTIES

The Plan's contributing employers are primarily located throughout the Midwest Region. Due to the Plan's dependence on the industry and its geographical concentration of contributing employers, the Plan is affected by the economic conditions of the aforementioned region. Consequently, contributions may be affected, either positively or negatively, by changes in economic conditions in this geographic area.

The Plan holds investments which are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risks associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.
