# Independent Auditors' Report

To the Trustees of
ICF Retirement Savings Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the financial statements of ICF Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

**Other Matter - 2021 Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), as of ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Other Matter - Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 15, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## 1. Description of the Plan

ICF International, Inc. (the Company), established a defined contribution plan, the ICF Retirement Savings Plan (the Plan), to provide retirement benefits to all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The following provides a general description of the Plan. Participants should refer to the plan agreement for a complete description of the Plan's provisions. The Plan's Retirement Committee is responsible for oversight of the Plan. The Plan's Retirement Committee determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

### Eligibility and Contributions

Upon employment, employees are eligible to participate in the Plan, with exception of employees covered by a collective bargaining agreement, nonresident aliens, bona fide residents of Puerto Rico and leased employees. Participants may elect to make a pre-tax and/or after-tax contribution of up to 70% of their compensation (as defined by the Plan) to the Plan subject to annual statutory limitations.

The Company matches participants' pre-tax and after-tax contributions at the rate of 100% of a participant's 401(k) contributions that are attributable to the first 3% of the participant's compensation plus 50% of the participant's contributions that are attributable to the next 2% of the participant's compensation.

All contributions are deposited into investment funds according to the participant's investment selections for his or her contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

### Vesting

Participants vest immediately in their pre-tax and after-tax contributions, rollover contributions, employer matching contributions and any earnings thereon.

### Notes Receivable From Participants

Plan participants may borrow from the Plan up to the lesser of 50% of their vested account balances or $50,000. The minimum loan amount is $500. No more than one general purpose loan and one principal residence loan may be outstanding at any time. Principal and interest on the loans are paid back to the Plan through payroll deductions. Interest is based on prime plus 1%. The interest rates on loans outstanding as of both December 31, 2021 and 2020 ranged from 4.25% to 6.50%. Generally, the loans must be repaid within five years, unless the loan was used for the purchase of a primary residence, in which case the term may be ten years.

### Benefits Paid to Participants

Participants may make withdrawals from their vested account balances upon attaining age 59½, retirement, death, disability, hardship or termination of employment as defined by the plan agreement and Section 401(k) of the Internal Revenue Code (IRC).

Upon termination of service, if the vested value of the participant's account is $1,000 or less, the participant's benefits will be paid in a lump-sum unless the Vanguard Fiduciary Trust Company (the Trustee or Vanguard) is instructed within 90 days of termination by the participant electing to make a direct rollover. If the vested value is more than $1,000, but less than or equal to $5,000, the balance of the participant's account will automatically be rolled over by the Plan into an individual retirement account with the Trustee unless the Trustee is instructed within 90 days of termination by the participant electing to make a direct rollover or receive a lump-sum payment. If the vested portion of the participant's account is more than $5,000, the participant may elect a direct rollover, lump-sum payment, installment payments not to exceed a period of ten years, or to leave the account in the Plan. If no request is made and the account is greater than $5,000, the participant's account will remain in the Plan.

**Expenses**

A portion of the administrative costs associated with the Plan are paid by the Company. Certain recordkeeping and investment management fees are netted against net appreciation in fair value of investments on the accompanying Statement of Changes in Net Assets Available for Benefits.

**Participant Accounts**

The Plan maintains an account for each participant. Each participant's account is credited with the participant's contribution and an allocation of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Participant contributions are allocated among separate investment funds as elected by the participant. Participants may change percentages contributed to the Plan and may redirect contributions and transfer existing balances between investment accounts on a daily basis. The account balances may be charged for fees related to transactions and loans.

**Coronavirus Aid, Relief and Economic Security Act**

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law. This aid package was designed to help the economy from the effects of the coronavirus pandemic, several of the provisions of the CARES Act affected employee benefit plans. The provisions of the CARES Act were optional. During 2020, the Plan opted into the following provisions of the CARES Act:

- Hardship distributions - Qualified plan participants were permitted to take a coronavirus-related distribution of up to $100,000 from the Plan without a 10% early withdrawal penalty. Eligible distributions were permitted to be taken up till December 30, 2020. Distributions may be repaid within three years or a participant may elect these distributions to be included in taxable income on a pro rata basis over three years.

- Participant loans - Qualified plan participants with loans outstanding were permitted to defer payment on the loans that were due during 2020 to after January 1, 2021.

- Required minimum distributions (RMDs) - A temporary waiver of required minimum distributions rules permitted participants to suspend their RMDs for 2020 for participants that turned 70½ in 2019 and 72 in 2020.

## 2. Summary of Accounting Policies

### Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 3 for further information regarding fair value.

Net appreciation of investments included in the accompanying Statement of Changes in Net Assets Available for Benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in the fair value of investments. Net appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the period. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investments as of the beginning of the period or the cost of the investments if purchased during the year. Fees netted against net appreciation in fair value of investments represent fees charged by the Trustee and sponsoring mutual fund companies for services provided in connection with recordkeeping and investment management services.

The Plan invests in common collective trusts that determine fair value using the net asset value (NAV) of the funds. The NAV is determined by each fund's trustee using the fair values of the underlying securities.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

### Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements, the reported amounts of assets, liabilities, additions and deductions, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

### Benefit Payments

Benefit payments are recorded when paid.

### Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 3, 2022, the date the accompanying financial statements were available to be issued.

### 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted market prices for identical assets in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds are based on quoted market prices of the shares held by the Plan at year-end. Accordingly, these fair value measurements are classified as having used Level 1 inputs.

Self-directed brokerage accounts consist of investments in common stocks. Common stocks held in brokerage accounts are valued at the closing price reported in the active market on which the individual securities are traded. In the event that a stock held in a personal brokerage account is not frequently traded the last published bid price may be used at year-end.

The Vanguard Retirement Savings Trust III is a stable value common collective trust with Vanguard. This trust invests primarily in intermediate-term investment contracts issued by insurance companies (GICs), investment contracts issued by commercial banks (BICs), synthetic investment contracts comprising underlying assets and a "wrapper" contract issued by a third party and cash equivalents represented by units in Vanguard's money market portfolios, all of which are subject to the credit quality standard established by the Vanguard Fiduciary Trust Company.

The Plan includes investments in Vanguard Target Retirement common collective trusts. The collective trusts are valued at the NAV of units of bank collective trusts. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. Accordingly, this fair value measurement is excluded from the fair value hierarchy.

The plan sponsor is responsible for the determination of fair value. Accordingly, the plan sponsor performs periodic analysis on the prices received from the pricing services used to determine whether the prices are reasonable estimates of fair value. As a result of these reviews, the plan sponsor has not historically adjusted the prices obtained from the pricing services.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

| | Assets at Fair Value as of December 31, 2021 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |
| Mutual funds | $ 791,869,555 | $ - | $ - | $ 791,869,555 |
| Self-directed brokerage accounts | 1,185,036 | - | - | 1,185,036 |
| Total assets in the fair value hierarchy | $ 793,054,591 | $ - | $ - | 793,054,591 |
| Investments measured at net asset value (a) | | | | 377,476,164 |
| Total investments at fair value | | | | $ 1,170,530,755 |

| | Assets at Fair Value as of December 31, 2020 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |
| Mutual funds | $ 709,123,198 | $ - | $ - | $ 709,123,198 |
| Total assets in the fair value hierarchy | $ 709,123,198 | $ - | $ - | 709,123,198 |
| Investments measured at net asset value (a) | | | | 324,271,170 |
| Total investments at fair value | | | | $ 1,033,394,368 |

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying Statements of Net Assets Available for Benefits.

**Investments Measured Using NAV per Share Practical Expedient**

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

| | December 31, 2021 | | | |
|---|---|---|---|---|
| | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
| Common collective trust funds | $ 377,476,164 | N/A | Daily | None |

| | December 31, 2020 | | | |
|---|---|---|---|---|
| | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
| Common collective trust funds | $ 324,271,170 | N/A | Daily | None |

**4. Information Certified by Trustee**

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2021 and 2020. Accordingly, Vanguard Fiduciary Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity reported in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

**5. Related-Party and Party In Interest Transactions**

Certain of the Plan's investments are managed by Vanguard and therefore, these transactions qualify as party in interest transactions, which are exempt from the prohibited transaction rules of ERISA. Fees paid by the Plan for investment management services to Vanguard also are party in interest transactions.

Certain fees incurred by the Plan for investment management services are included in net appreciation in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

## 6. Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants remain fully vested in their account balances.

## 7. Tax Status

The Plan is based on a prototype plan which received an advisory letter on June 30, 2020, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable sections of the IRC. Although the Plan has been amended since receiving the advisory letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

## 8. Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, credit and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

The following is a disclosure of individual investments, as a percentage of net assets available for benefits that represent a significant concentration as of December 31, 2021 and 2020:

| | 2021 | 2020 |
|---|---|---|
| Vanguard Institutional Index Fund | 15 % | 13 % |
