INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
PAC-12 Enterprises, LLC Access Plan

SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT FOR THE 2021 FINANCIAL STATEMENTS

We have performed an audit of the financial statements of PAC-12 Enterprises, LLC Access Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

OPINION ON THE 2021 FINANCIAL STATEMENTS

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION ON THE 2021 FINANCIAL STATEMENTS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of PAC-12 Enterprises, LLC Access Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE 2021 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PAC-12 Enterprises, LLC Access Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE 2021 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PAC-12 Enterprises, LLC Access Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PAC-12 Enterprises, LLC Access Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Administrative Committee of
PAC-12 Enterprises, LLC Access Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AUDITORS' REPORT ON THE 2020 FINANCIAL STATEMENTS

Lindquist LLP, who joined WithumSmith+Brown, PC effective January 1, 2022, was engaged to audit the financial statements of PAC-12 Enterprises, LLC Access Plan for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed Lindquist LLP not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, Lindquist LLP indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PAC-12 ENTERPRISES, LLC ACCESS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation, Transactions and Income Recognition -

General - Investments are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the “exit price”) in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan’s assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets, or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods - In determining fair value, FASB ASC 820 allows various valuation approaches. The specific methods used for each of the Plan's investment classes are presented below.

Collective trust funds: The collective trust funds are invested in benefit-responsive contracts or other common/collective trust funds and are valued based on the net asset value as a practical expedient.

Mutual funds: The fair value of the mutual funds is based on quoted market prices in active markets (Level 1).

Pooled separate accounts: The pooled separate accounts may invest in equities, fixed income, mutual funds and other types of investments and are valued based on the net asset value as a practical expedient.

Valuation Methods, Consistency - The valuation techniques used in the accompanying financial statements have been consistently applied.

Transactions and Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable - Participant and employer contributions due but not paid prior to year-end are recorded as contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Administrative Expenses - The Plan Sponsor provides administrative services at no cost to the Plan. Administrative expenses are paid by the Plan if, and to the extent that, the Plan Sponsor does not pay such expenses.

Payment of Benefits - Benefits are recorded when paid. Benefits payable to participants who have requested distribution from the Plan, which have not yet been paid, are not accrued. At December 31, 2021 and 2020, there were no unpaid benefits to participants.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan invests in various investment securities. Such investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

On March 11, 2020, the World Health Organization declared the outbreak of a novel coronavirus ("COVID-19") as a global pandemic. Management continues to evaluate the impact of COVID-19 on the Plan. Impacts of COVID-19 are not fully known at this time, nor can they be projected with any certainty. To the extent that contributing employers are negatively impacted by COVID-19 economic events, the Plan may also experience negative economic events in turn through reduction of participants and related contribution income. A reasonable estimate of the impact or potential impact of COVID-19 on the Plan as of the date of the financial statements cannot be made.

NOTE 2. DESCRIPTION OF THE PLAN

The following brief description of the PAC-12 Enterprises, LLC Access Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of PAC-12 Enterprises, LLC (the Company, or Plan Sponsor). The Plan is subject to the provisions of Section 401(a) of the Internal Revenue Code of 1986 and the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Sponsor is the administrator of the Plan. Principal Trust Company acts as the trustee and custodian of the Plan's assets.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

Effective January 1, 2015, the Company created a new plan for eligible "Network/Enterprises" employees, the PAC-12 Enterprises, LLC Generation Plan (the Generation Plan). Also, effective January 1, 2015, the plan name of the PAC-12 Enterprises 401(k) Plan from the preceding year was changed to PAC-12 Enterprises, LLC Access Plan (the Access Plan). As of that date, eligible "freelancers," as defined in the Generation and Access Plans, are included in the Generation and Access Plans (as applicable). In conjunction with this plan split, the Access Plan was amended and restated, effective January 1, 2015. The primary changes resulting from the restatement include the removal of options for participant loans, Roth deferral elections and safe harbor matching contributions. Additionally, participant account balances of "Network/Enterprises" employees were transferred to the Generation Plan, as applicable and as required under the plans' terms. During 2021 and 2020, \$374,287 and \$512,924, respectively was transferred to the Generation Plan.

Participant Contributions - Participants may elect to defer any whole percentage of their compensation in the form of pre-tax deferrals, not to exceed the dollar limits set by law. The limits were \$19,500 for 2021 and 2020. If the participant was age 50 or older by the end of the Plan year, he or she could elect to defer additional amounts, called "catch-up contributions," to the Plan, limited to \$6,500 for the years ended December 31, 2021 and 2020. Rollover contributions from other qualified plans are permitted by the Plan.

Employer Contributions - The Company may make a discretionary matching contribution equal to a uniform percentage of salary deferrals. Each year the Company will determine the amount of the discretionary percentage. For the years ended December 31, 2021 and 2020, the discretionary percentage was equal to 100% of deferrals that were not over 3% of eligible compensation, plus 50% of deferrals over 3%, but not over 5% of eligible compensation. Additionally, the Company may, at its discretion, make a profit-sharing contribution, which participants will proportionally share. No profit-sharing contributions were made for the years ended December 31, 2021 and 2020.

Participant Accounts - Participants may direct their accounts among a variety of funds and may change their investment options at any time. Each participant's account is credited with the participant's contribution and allocations of Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their participant contributions, previously contributed safe harbor matching contributions and discretionary matching contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their account plus actual earnings is based on years of continuous service. A participant is 100% vested after three years of credited service.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

Distributions - Distributions will be made to each participant upon retirement, death or disability, or termination of employment. A participant will receive either a lump sum or a rollover amount equal to the value of the vested portion of the account balance. The Plan allows for automatic lump-sum distributions of participant account balances that do not exceed \$5,000. Hardship withdrawals and in-service withdrawals are also allowed by the Plan, if certain criteria are met. During 2021, the Plan was amended and implemented the provisions of the Coronavirus Aid, Relief, and Economic Act (CARES Act), which affects qualified employee benefit plans. Under the CARES Act, the Plan will allow COVID-19 related hardship withdrawals.

NOTE 3. TAX STATUS

The Plan adopted a Sungard Business Systems LLC Volume Submitter Plan Document, which received an opinion letter from the Internal Revenue Service dated March 31, 2014, indicating that the form of the Volume Submitter Plan is designed in accordance with applicable sections of the Internal Revenue Code (the IRC). The Plan has since been amended; however, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC and the Plan continues to be tax-exempt; therefore, no provision for income taxes has been included in the accompanying financial statements.

Management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for the fiscal years prior to 2018.

NOTE 4. PRIORITIES UPON TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the Plan's participants will be fully vested in all benefits earned to date.

NOTE 5. INVESTMENTS AT FAIR VALUE HIERARCHY

In accordance with FASB ASC 820, assets measured at fair value on a recurring basis, based on their fair value hierarchy at December 31, 2021 and 2020, are as follows:

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in collective trust funds, mutual funds and pooled separate accounts managed by Principal Trust Company, the custodian of the Plan. Any purchases or sales of these investments, while considered party-in-interest transactions under ERISA regulations, are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Fees paid to Principal Trust Company for administrative and investment advisory services are paid directly by the Plan Sponsor.

NOTE 9. SUBSEQUENT EVENTS

Subsequent events were evaluated through the date on which the financial statements were available to be issued. This date is approximately the same as the independent auditors' report date.
