## INDEPENDENT AUDITOR'S REPORT

**To the Plan Administrator and Plan Trustees of  
Corporate America Family Credit Union 401(k) Plan  
Elgin, Illinois**

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of the Corporate America Family Credit Union 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Corporate America Family Credit Union 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

To the Plan Administrator and Plan Trustees of  
Corporate America Family Credit Union 401(k) Plan

***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Corporate America Family Credit Union 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporate America Family Credit Union 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator and Plan Trustees of  
Corporate America Family Credit Union 401(k) Plan

***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Corporate America Family Credit Union 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Corporate America Family Credit Union 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

To the Plan Administrator and Plan Trustees of  
Corporate America Family Credit Union 401(k) Plan

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matters***

***2021 Supplemental Schedules Required by ERISA***

The supplemental Schedule of Assets Held is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Corporate America Family Credit Union 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

|-----------------------------------------------------------------------------------------------------------------------------------------------------|

***NOTE 1: DESCRIPTION OF PLAN***

The following description of the Corporate America Family Credit Union 401(k) Plan (the "Plan") provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Corporate America Family Credit Union (the "Credit Union"). The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Coronavirus Aid, Relief and Economic Security Act (CARES) was signed into law on March 27, 2020. The Act consisted of relief in the areas of loans, distributions, and Required Minimum Distributions.

The Setting Every Community Up for Retirement Enhancement (SECURE) Act was signed into law on December 20, 2019, and impacts various areas of Plan; including distributions, Plan administration, Lifetime Income Provisions and encourages Employer-Provided Plans; each area having a different effective date.

The Plan has not yet been amended to include the changes resulting from the implementation of these Acts but has until December 31, 2025 to do so based on recently issued IRS Notice 2022-33.

Eligibility and Vesting: Employees are eligible to participate in the Plan on the first entry date following their hire date provided the employee has completed six months of credited service. Participants are immediately vested in their voluntary and rollover contributions plus actual earnings thereon. Vesting in any employer discretionary match by the employer is based on years of eligible service. Participants in this plan will become 100% vested in any employer discretionary contributions after completing six years of credited service. Additionally, participants will become 100% vested in qualified safe harbor contributions after completing two years of credited service.

Contributions: Participants may elect to defer to the Plan a portion of their eligible earnings on a pre-tax basis up to the maximum allowed under Section 402(g) of the Internal Revenue Code ("IRC"). Participants may contribute funds from another qualified plan as rollover contributions. The Plan also allows Roth elective deferrals. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Credit Union contributes a safe harbor contribution equal to 100% of salary deferrals that do not exceed 1% of compensation plus 50% of salary deferrals between 1% and 6% of compensation. The credit Union may also make a discretionary match and profit sharing contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic deferral feature wherein unless a participant elects otherwise, employee compensation will be reduced by a 6% contribution to the plan for each payroll period. Each January thereafter, the employee contribution will increase by 1% each year up to the maximum of 10% for six or more years of service. The Credit Union made safe harbor matching and profit sharing contributions to participants during the Plan years ending December 31, 2021 and 2020 equal to a calculation specified in the Plan document.

|-----------------------------------------------------------------------------------------------------------------------------------------------------|

**Participant Accounts:** Each participant's account is credited with the participant's contribution, the Credit Union's contributions, Plan earnings and losses and reduced by certain plan expenses and distributions. Allocations are based on participant contributions, participant earnings, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Payment of Benefits:** Upon termination of service due to death, disability, or retirement, benefits are paid in the form chosen, including single sum, equal annual payments for a fixed period of years not to exceed life expectancy, a specified dollar amount each year, or several annuity options. For death benefits before benefits begin, the beneficiary may receive that value of the vested interest in the account as a lump sum distribution or an optional form of death benefit. For termination of service for other reasons, a participant may receive that value of the vested interest in his or her account as a lump-sum distribution.

**Forfeitures:** A participant vests in the employer contributions in accordance with the provisions of the Plan. Forfeitures of non-vested amounts remain in the Plan and may be used to reduce future contributions of the plan sponsor. There were approximately \$39,600 and \$19,000 in forfeited amounts available at December 31, 2021 and 2020, respectively. There were \$19,000 and \$44,000 of forfeited amounts used to reduce employer contributions for the years ended December 31, 2021 and 2020, respectively.

***NOTE 2: SUMMARY OF ACCOUNTING POLICIES***

**Basis of Presentation:** The Plan's financial statements are on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator/Management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

**Investment Valuation and Income Recognition:** Investments are reported at fair value except for the fully benefit responsive investment contract which is held at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits:** Benefits are recorded when paid.

**Administrative Expenses:** The Plan permits payment of plan expenses to be made from Plan assets. Certain other expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees related to the administration of distributions from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

**Subsequent Events:** Credit Union Management has evaluated subsequent events through October 4, 2022, the date on which the financial statements were available to be issued.

***NOTE 3: INVESTMENT CONTRACT***

The Plan holds an investment contract with Minnesota Life Insurance Company. The assets are invested in a fund, reported as the Guaranteed Return Account in the Plan's accounting records. The account is credited with earnings on the underlying investments and charged for participants' withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because this contract meets the fully benefit-responsive investment contract criteria, the contract is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported by Minnesota Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a periodic basis.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual agreements may be affected by future economic, financial and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

***NOTE 4: INVESTMENTS - UNAUDITED***

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments at December 31, 2021 and 2020, and net appreciation/loss in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by Minnesota Life Insurance Company. This information has not been audited by independent public accountants.

***NOTE 5: FAIR VALUE MEASUREMENTS***

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

|                                                                                                                                                     |
|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| <p style="text-align: center;"><b>CORPORATE AMERICA FAMILY CREDIT UNION</b><br/><b>401(K) PLAN</b><br/><b>NOTES TO THE FINANCIAL STATEMENTS</b></p> |
|-----------------------------------------------------------------------------------------------------------------------------------------------------|

The availability of inputs relevant to the asset or liability and the relative reliability of the inputs might affect the selection of appropriate valuation techniques.

***Level 1 Inputs***

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

***Level 2 Inputs***

Inputs to the valuation methodology include:

- (a) quoted market prices for similar assets or liabilities in active markets;
- (b) quoted market prices for identical or similar assets or liabilities in inactive markets;
- (c) inputs other than quoted market prices that are observable for the asset or liability;
- (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

***Level 3 Inputs***

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2021 and 2020:

Pooled separate accounts (PSAs): Investments are stated at the corresponding unit value of the pooled separate account. The estimated fair value of pooled separate accounts are based on the fair value of the underlying assets owned by the pooled separate accounts. PSAs are made up of a wide variety of underlying investments such as fixed maturity securities, equity securities, cash and cash equivalents. These are deemed to have a readily determinable fair value.

**NOTE 6: TRANSACTIONS WITH PARTIES-IN-INTEREST**

Certain plan investments are shares and mutual funds managed by Minnesota Life Insurance Company. Minnesota Life Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

**NOTE 7: TAX STATUS**

The Internal Revenue Service has determined and informed the Credit Union by a letter dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan management believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 8: PLAN TERMINATION**

Although it has not expressed any intent to do so, Corporate America Family Credit Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

***NOTE 10: RISKS AND UNCERTAINTIES***

The Plan invests in various investments which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
