Report of Independent Auditor

To the Plan Administrator
Kendrick Paint & Body Shop 401(k) Plan
Augusta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Kendrick Paint & Body Shop 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

KENDRICK PAINT & BODY SHOP, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021

Note 1—Description of the Plan

The following brief description of the Kendrick Paint & Body Shop, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan was established by Kendrick Paint & Body Shop (the “Company” or “Plan Sponsor”) in November 2008 and was amended and restated recently on February 12, 2021. The Plan was amended to reflect a change in the “qualified “ from Suntrust Bank to Great-West Trust Company, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

All employees, except for leased employees, of the Company are eligible to participate in the Plan after one year of service, as defined as 1,000 hours of service, and are age 21 or older. Employees meeting these criteria are eligible for participation as of the next election date. Election dates are on a semi-yearly basis of the Plan year coinciding with or next following the date in which the Plan’s eligibility requirements are satisfied.

On March 27, 2020, Congress signed the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”). The CARES Act took immediate effect and contains several provisions that temporarily impact qualified plans, including a new hardship withdrawal option and a loan payment pause option. The Company incorporated these provisions into the Plan effective March 27, 2020.

Administration – The Plan Sponsor has designated certain employees, who serve without additional compensation, to administer the Plan. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities.

Contributions – Participants may contribute up to \$19,500 of pre-tax annual compensation subject to certain Internal Revenue Code (“IRC”) limitations. Once eligible, participants may also contribute amounts representing distributions from other qualified retirement plans or traditional individual retirement accounts. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated, balanced fund until changed by the participant. The automatic deferral percentage increases each year the participant is in the Plan as follows: 3% for Plan years 1 and 2, 4% for Plan year 3, 5% for Plan year 4, and 6% for Plan year 5 and after.

The Company may make matching contributions equal to a discretionary percentage, to be determined annually by the Company, of the participants’ deferrals. The Company may also make discretionary profit-sharing contributions. During the year ended December 31, 2021, the Company made matching contributions of \$50,000 to the Plan. There was no discretionary profit-sharing contribution for the year ended December 31, 2021.

Participants direct their contributions into various investment options offered by the Plan.

Participant Accounts – Each participant’s account is credited with the participant’s contributions, related Company matching contributions, and Plan earnings, and charged with benefits paid to participants, plan losses, and an allocation of administrative expenses, if not paid by the Company. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

KENDRICK PAINT & BODY SHOP, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021

Note 1—Description of the Plan (continued)

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 and a maximum of the lesser of 50% of their vested account balance or \$50,000 reduced by the highest outstanding loan balance in their account during the prior 12-month period. The loans are secured by the balance in the participant's account and bear interest which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through weekly payroll deductions.

Vesting Requirements – Participants are vested immediately in all of their Plan accounts, plus earnings or losses thereon.

Investment Options – Upon enrollment in the Plan, a participant may direct 100% of their allocation of contributions. Participants may select between several investment options, including various mutual funds and a common collective trust fund.

Benefits Paid to Participants – Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount, equal to the value of the participant's vested interest in their account, a partial lump sum, or installment distribution for required minimum distributions. For termination of service for other reasons, distribution of the value of the participant's vested interest in their account will begin as soon as possible after the participant's request. Hardship distributions are permitted upon demonstration of financial hardship. All fully vested balances are available for distribution after the participant reaches the age of 59½.

Forfeitures – Forfeitures may be used to reduce employer and/or matching contributions following the year in which the forfeitures occur. As of December 31, 2021 and 2020, there were \$0- and \$78, respectively, of unapplied forfeiture balances. During the year ended December 31, 2021, there were \$78 of forfeitures used to reduce employer contributions.

Note 2—Summary of significant accounting policies

Basis of Accounting – The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments in the Plan are reported at fair value, except for the fully benefit-responsive investment, which is reported at contract value. U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to the fully benefit-responsive investment contract because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as earned. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

KENDRICK PAINT & BODY SHOP, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021

Note 2—Summary of significant accounting policies (continued)

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. Delinquent participant loans are reclassified as distributions based on the terms of the Plan Agreement.

Risks and Uncertainties – The Plan invests in various investment securities. Investment securities, in general, are subject to various risks, such as interest rate, credit, and overall market volatility. Due to the levels of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

As a result of the spread of the coronavirus (“COVID-19”), economic uncertainties have arisen triggering volatility in financial markets and a significant negative impact on the global economy. As the values of the Plan’s individual investments have and will fluctuate in response to changing market conditions, the amount of potential losses that will be recognized in subsequent periods, if any, cannot be determined. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report.

Benefits Paid to Participants – Benefits paid to participants are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation/depreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant’s account. Except as disclosed in Note 6, Plan administrative expenses are generally paid by the Company.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (“IRS”) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to March 15 of the subsequent year.

Note 3—Information certified by the qualified institutions (unaudited)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC, the qualified institution, has certified to the completeness and accuracy of the following data included in the accompanying financial statements and supplemental schedule as of December 31, 2021 and for the period of February 12, 2021 to December 31, 2021. SunTrust Bank, the prior qualified institution of the Plan in the accompanying financial statements and supplemental schedule as of December 31, 2020, and for the period of January 1, 2021 to February 11, 2021.

- Investments, at fair value, investments, at contract value, and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2021 and 2020.

KENDRICK PAINT & BODY SHOP, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021

Note 3—Information certified by the qualified institutions (unaudited) (continued)

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4—Common collective trust

The Plan invests in a collective trust investment offering, Federated Capital Preservation Fund. This investment is a collective trust with investments in contracts at fair value of the underlying investments, and then adjusted by the issuer to net asset values. The fund may invest in fixed interest insurance investment contracts, money market funds, corporate and governmental bonds, mortgage-backed securities, bond funds, and other fixed income securities. Participants may ordinarily direct the withdrawal or transfer all or a portion of their investment at net asset value. Net asset value represents contributions made to the funds, plus earnings, less participant withdrawals. The risk of the collective trust and its net realizable value are dependent upon the financial stability of the issuing entity and its ability to fulfill the terms of the contracts. For the Federated Capital Preservation Fund, there were no reserves established against the value for credit risk at December 31, 2021 and 2020.

Note 5—Fair value of financial investments

The Plan follows the *Fair Value Measurements* topic of the Financial Accounting Standards Board Accounting Standards Codification which defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in the situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual Funds – These investments are public investment vehicles valued using the net asset value ("NAV") provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. These mutual fund investments are classified within Level 1 of the valuation hierarchy.

KENDRICK PAINT & BODY SHOP, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021

Note 5—Fair value of financial investments (continued)

Common Collective Trust – These investments, which include the Federated Capital Preservation Fund, are valued using NAV provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. NAV is used as the practical expedient to estimate fair value and the trust is, therefore, excluded from classification in the fair value hierarchy. This practical expedient would not be used if it determined to be probable that the trust will sell the investments for an amount different from the reported NAVs.

The Plan believes the valuation methods are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Below are the Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels as of December 31:

	December 31, 2021			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Mutual funds	\$ 5,966,057	\$ -	\$ -	\$ 5,966,057
Total investments in fair value hierarchy	\$ 5,966,057	\$ -	\$ -	5,966,057
Investments measured at NAV*				8,251
Investments, at fair value				\$ 5,974,308

	December 31, 2020			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Mutual funds	\$ 5,290,206	\$ -	\$ -	\$ 5,290,206
Cash	78	-	-	78
Total investments in fair value hierarchy	\$ 5,290,284	\$ -	\$ -	5,290,284
Investments measured at NAV*				8,171
Investments, at fair value				\$ 5,298,455

* In accordance with Financial Accounting Standards Board Accounting Standards Codification Subtopic 820-10, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTES TO THE FINANCIAL STATEMENTS

Note 5—Fair value of financial investments (continued)

Investments Measured Using NAV per Share Practical Expedient – The following table summarizes investments measured for which fair value is measured using NAV per share practical expedient as of December 31:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency 'if currently eligible'</u>	<u>Redemption Notice Period</u>
2021				
Common collective trust	\$ 8,251	N/A	Daily	N/A
2020				
Common collective trust	\$ 8,171	N/A	Daily	N/A

Note 6—Guaranteed investment contracts, fully benefit-responsive investment contracts

The Plan holds an investment contract that is considered a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. With traditional investment contracts, the Plan owns the contract. Traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer and was 1.15% for the year ended December 31, 2021. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under Section 501(a) of the IRC;
2. Premature termination of the contract
3. Plan termination or merger;
4. Changes to the Plan's prohibition on competing investment options;
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

KENDRICK PAINT & BODY SHOP, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021

Note 6—Guaranteed investment contracts, fully benefit-responsive investment contracts (continued)

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines;
2. A breach of material obligation under the contract;
3. A material misrepresentation;
4. A material amendment to the agreements without the consent of the issuer.

Note 7—Party-in-interest transactions

Certain Plan investments are managed by Great-West Trust Company, LLC. Great-West Trust Company, LLC is the third party administrator; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management and other services to Great-West Trust Company, LLC amounted to \$34,442 for the year ended December 31, 2021. Fees paid to the Plan's investment advisor, Resource Investment Advisors LLC were \$3,896 for the year ended December 31, 2021.

Notes receivable from participants also qualify as party-in-interest transactions.

Note 8—Tax status

The Company has adopted the Plan based on a prototype plan document sponsored by Great-West Trust Company, LLC and has received an opinion letter from the IRS dated June 30, 2020 that states the form of the prototype plan is acceptable under Section 401 of the IRC. The Company and the Plan administrator believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a tax liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions. However, there are currently no audits for any tax periods in progress.

Note 9—Plan termination

The Company believes the Plan will continue without interruption but reserves the right to discontinue the Plan. In the event such discontinuance results in termination of the Plan, the Plan provides that the assets be allocated among the participants and beneficiaries in the amounts credited to each participant's respective account at the effective date of such termination. Participants would continue to be 100% vested at this time. Distribution of participant account balances will occur as soon as administratively feasible upon termination of the Plan.

Total net assets available for benefits per Form 5500	<u>\$ 6,083,509</u>	<u>\$ 5,345,686</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements for the year ended December 31, 2021 to Schedule H per Form 5500:

Changes in net assets available for benefits per the financial statements	\$ 726,975
Change in participants contributions receivable	3,639
Change in excess contributions payable	7,209
Total changes in net assets available for benefits per Form 5500	<u>\$ 737,823</u>

Note 11—Subsequent events

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated subsequent events through September 29, 2022, the date which the financial statements were available to be issued. As of this date, there were no material subsequent events requiring adjustment to or disclosure in the financial statements as of December 31, 2021.
