INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
403(b) Thrift Plan of Lawrence Family Jewish
Community Center of San Diego County

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan of Lawrence Family Jewish Community Center of San Diego County (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2021, and the related notes to the financial statements (the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the 2021 Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the 2021 Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibilities for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the 2021 Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

INDEPENDENT AUDITORS' REPORT (CONTINUED)

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the financial statements of the Plan as of and for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the investment information certified by a qualified institution. In our report dated September 14,

INDEPENDENT AUDITORS' REPORT (CONTINUED)

2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified investment information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of Plan

The following description of the 403(b) Thrift Plan of Lawrence Family Jewish Community Center of San Diego County (the “Plan”) provides only general information. Participants should refer to the Plan agreement and the Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan was established on January 1, 2009 and was subsequently amended December 1, 2017. The Plan is a qualified, defined contribution plan covering all employees of Lawrence Family Jewish Community Center of San Diego County (the “Organization”) who elect to participate in the Plan. An employee is eligible to become a participant in the Plan on their hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Organization has appointed Mutual of America Life Insurance Company as the Trustee of the Plan assets with authority over management and investment of Plan assets.

Contributions

Participants may make Elective Deferral Contributions up to the maximum dollar amount established by the Internal Revenue Code (“IRC”) of pretax annual compensation (\$19,500 in 2021), as defined in the Plan. Participants age 50 and older may make catch-up contributions to a maximum dollar amount established by the IRC. During 2021, a participant’s catch-up contributions for the plan year may not exceed \$6,500. Participants may elect to designate all or any portion of their Elective Deferral Contributions as Roth Elective Deferrals. Participants may also contribute amounts representing distributions from other tax qualified plans (rollovers).

The Organization matches participant elective deferral contributions after a period of twelve (12) consecutive months in which the employee completes 1,000 hours of service. The Organization’s matching contribution is equal to the lesser of: (a) 50% of the employee elective deferral contributions or (b) 3% of compensation received during the Plan year in which the eligibility requirements are met. The Organization’s matching contributions totaled \$85,738 for the year ended December 31, 2021.

See accompanying independent auditors’ report.

1. Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, the Organization's matching contribution, and earnings and losses on investments selected by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their contributions and Organization contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds and money market funds.

Forfeitures

Forfeitures are used to reduce the Organization's contribution or to pay Plan expenses. Forfeitures of \$9,546 were netted with the Organization's contributions for the year ended December 31, 2021.

Vesting

Participants are immediately 100% vested in their contributions to the Plan. The Organization matching contributions and base contributions, if applicable, vest as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Administrative Expenses

Expenses of the Plan, including legal, audit, administrative, and trustee expenses, are generally paid by the Organization, with the exception of certain administrative expenses which are paid for by the Plan and charged to participants' accounts. The Plan paid \$1,433 of administrative expenses for the year ended December 31, 2021.

See accompanying independent auditors' report.

Notes to Financial Statements (continued)

December 31, 2021 and 2020

1. Description of Plan (continued)

Payment of Benefits

On termination of service, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or payment in the form of an annuitized series of payments. Participants may withdraw any part of their vested account upon attaining age 59 1/2.

The Plan permits hardship withdrawals in certain circumstances. Following a hardship withdrawal, a participant must wait six months before making additional contributions to the Plan.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting which is in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Employee and employer contributions were recognized in the period that contributions are due.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

See accompanying independent auditors' report.

**403(B) THRIFT PLAN OF LAWRENCE FAMILY JEWISH
COMMUNITY CENTER OF SAN DIEGO COUNTY**

Notes to Financial Statements (continued)

December 31, 2021 and 2020

2. Significant Accounting Policies (continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

3. Investments

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy based on inputs used to measure fair value and enhance disclosure requirements for fair value measurements. The fair value hierarchy distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Level 1 or 2 of the hierarchy) and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).

Level 1- Inputs are quoted prices in active markets for identical investments that the investment manager has the ability to access at the measurement date.

Level 2- Inputs are inputs other than quoted prices included within Level 1 that are observable for the investment, either directly or indirectly.

Level 3- Inputs are unobservable inputs for the investment.

The mutual funds held by the Plan are measured at fair value. Mutual funds are valued at the daily closing price as reported by the respective fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded, and therefore are classified within the Level 1 of the valuation hierarchy.

See accompanying independent auditors' report.

**403(B) THRIFT PLAN OF LAWRENCE FAMILY JEWISH
COMMUNITY CENTER OF SAN DIEGO COUNTY**

Notes to Financial Statements (continued)

December 31, 2021 and 2020

3. Investments (continued)

Fair Value Measurement (continued)

The Plan is a party to a fully benefit-responsive guaranteed interest account with Mutual of America. The guaranteed interest account issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the guaranteed interest account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits. The guaranteed interest account is presented on the face of the accompanying statements of net assets available for plan benefits at contract value. Contract value, as reported to the Plan by Mutual of America, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Organization or other Organization events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the value of certain financial instruments could result in a different value measurement at the reporting date. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

4. Information certified by the Trustee

The following information regarding the Plan is included in the financial statements and supplementary information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, and was obtained from data that has been prepared and certified as complete and accurate by the trustee:

See accompanying independent auditors' report.

COMMUNITY CENTER OF SAN DIEGO COUNTY**

Notes to Financial Statements (continued)

December 31, 2021 and 2020

4. Information certified by the Trustee (continued)

- a. The total value of mutual funds and the guaranteed interest account as of December 31, 2021 and 2020, as indicated on the statements of net assets available for benefits;
- b. All mutual funds and the guaranteed interest account information, as indicated in the statement of changes in net assets available for benefits; and
- c. All information on the supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year)

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary schedule.

5. Party-In-Interest Transactions

Certain Plan investments are managed by Mutual of America Life Insurance, the trustee, and therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation or depreciation in fair values of investments.

6. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. Tax Status

On January 1, 2009, the Organization adopted the Mutual of America 403(b) Basic Plan. The Plan was amended and restated on October 1, 2009. The Organization believes that the Plan currently is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan believes that it has appropriate support for any tax position taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Plan is subject to routine audits by taxing authorities, however, there are currently no audits for any tax periods in progress.

8. Subsequent Events

In preparing these financial statements, the Plan management has evaluated events and transactions for potential recognition or disclosure through September 23, 2022, the date the financial statements were available to be issued.

See accompanying independent auditors' report.
