## Independent Auditor's Report

To the Plan Administrator  
Peterson Co. Retirement Savings Plan  
Auburn, Washington

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits*

We have performed audits of the financial statements of the Peterson Co. Retirement Saving Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Fax: 206-382-7700  
www.bdo.com

Two Union Square, 601 Union Street  
Suite 2300  
Seattle, WA 98101

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

---

### 1. Plan Description

The following description of the Peterson Co. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Documents for a more complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) and covers substantially all employees of Floyd Peterson Co., Inc. (the Employer or Company), except leased employees and employees covered under a collective bargaining agreement. The Plan was established on July 1, 1985, and has been subsequently amended and restated. The Plan provides benefits to eligible employees, as defined in the Plan Document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### *Trustee and Administration of the Plan*

The Plan trustee and recordkeeper is Fidelity Management Trust Company (Fidelity or the Trustee). The administrator of the Plan is the Company. The trustee holds all assets of the Plan in accordance with the service provider contract with the Company. Management determines the appropriateness of the Plan's investment offerings and monitors investment performance.

#### *Eligibility*

Prior to August 1, 2021, employees who are 21 years of age or older who have completed at least one year of service, excluding leased employees and employees covered by a collective bargaining agreement, are eligible to participate in the Plan. Effective August 1, 2021, employees who are 18 years of age or older who have completed at least one month of service, excluding leased employees and employees covered by a collective bargaining agreement, are eligible to participate in the Plan. Entry dates are the first day of the month subsequent to obtaining eligibility.

#### *Contributions*

*Participant Contributions* - Participants may contribute a minimum of 1% up to a maximum of 90% of their eligible compensation as either pre-tax and/or Roth contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in the Fidelity Freedom Target Date Fund, determined by the participant's expected retirement date, until changed by the participant. Employees who have been automatically enrolled and have not made affirmative elections otherwise will have annual automatic deferral increases of 1% of compensation until their deferral rate equals 10% of eligible compensation as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or defined contribution plans.

*Employer Contributions* - Each year, the Company contributes to the Plan a minimum of 35% of the participant's annual contributions, limited to a maximum of 6% of the participant's annual compensation.

# Peterson Co. Retirement Savings Plan

## Notes to Financial Statements

---

Contributions are subject to certain limitations of the Internal Revenue Code (IRC).

### ***Participant Accounts***

Each participant's account is credited with the participant's contribution, the Company's matching contributions, allocations of Plan earnings and losses, and is charged with an allocation of administrative expenses. Allocations are based on each participant's eligible compensation, participant contributions, or account balances, as defined. Participants direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are 100% vested in their contributions to the Plan and related earnings at all times. Contributions from the Company and related net earnings become vested to the participant based on the following schedule of years of service:

| Completed Years of Service | Percentage Vested |
|----------------------------|-------------------|
| 1 but less than 2          | 0%                |
| 2 but less than 3          | 20%               |
| 3 but less than 4          | 40%               |
| 4 but less than 5          | 60%               |
| 5 but less than 6          | 80%               |
| 6 or more                  | 100%              |

The Plan has an early retirement provision that allows participants who reach the age of 55 to become fully vested in the Company's contribution portion of their accounts, regardless of their length of service.

### ***Forfeitures***

The portion of a terminated participant's account that is not vested (forfeitures) will be used to pay expenses of the Plan or reduce employer contributions. For the year ended December 31, 2021, forfeited amounts totaled \$9,978. Forfeitures used to pay Plan expenses were \$3,889 in 2021 and forfeitures used to reduce employer contributions were \$8,544 in 2021. Unallocated forfeitures available for future use were \$6,876 and \$9,150 as of December 31, 2021 and 2020, respectively.

### ***Notes Receivables from Participants***

Participant loans are not allowed under the Plan.

### ***Payment of Benefits***

Upon termination of service due to death, disability, retirement, or separation, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or to have the balance rolled over into another qualified account. An in-service withdrawal is permitted upon attainment of age 59½, and hardship withdrawals are permitted under certain circumstances, as defined by the Plan. Upon termination of employment, if the account balance is less than \$1,000, it will be paid automatically in a lump sum shortly after termination,

# Peterson Co. Retirement Savings Plan

## Notes to Financial Statements

---

and if the balance is between \$1,000 and \$5,000, it will be transferred to an Individual Retirement Account (IRA) as a direct rollover. Benefits larger than \$5,000 will be distributed as described above upon request of the recipient. Retired participants also have an option of delaying the receipt of benefits.

## 2. Significant Accounting Policies

### *Basis of Accounting*

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

### *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisor and Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### *Payment of Benefits*

Benefit payments are recorded when paid.

### *Administrative Expenses*

Administrative expenses related to operating and maintaining the Plan and investments, except for certain expenses that are charged to participant accounts, including withdrawal fees, are paid by the Plan. Additionally, the Company pays certain expenses of the Plan, including fees for the annual audit of the Plan. Expenses paid by the Company are excluded from these financial statements. Certain investment expenses which are charged within investments are presented net of the appreciation in fair value of investments.

### *Risks and Uncertainties*

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values

# Peterson Co. Retirement Savings Plan

## Notes to Financial Statements

---

of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

### ***Subsequent Events***

The financial statements and related disclosures include an evaluation of events up through and including September 23, 2022, which is the date the financial statements were available to be issued.

### **3. Certified Investment Information**

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income, net as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in Note 4 and reflected on the schedule of assets (held at end of year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

### **4. Fair Value Measurements**

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

*Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2:* Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

# Peterson Co. Retirement Savings Plan

## Notes to Financial Statements

---

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money Market Fund:* Interest in the money market fund is valued based on the short-term cash component as of the measurement date.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

| <i>December 31, 2021</i>                | Level 1              | Level 2     | Level 3     | Total                |

party-in-interest transactions. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

### **6. Income Tax Status**

The Plan uses a prototype plan document sponsored by Fidelity. Fidelity received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. Although the Plan Agreement has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirement of the IRC. Therefore, no provision for income taxes is recorded in the accompanying financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

### **7. Plan Termination**

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.
