INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor and Trustees,
Hello! Destination Management Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Hello! Destination Management Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hello! Destination Management Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedule Required by ERISA

The supplementary schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the Supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 16, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Hello! Destination Management Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following brief description of the Hello! Destination Management Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was established by Hello! Destination Management, LLC (the “Employer” and “Plan Sponsor”) as a defined-contribution plan. The Plan was initially funded through a spinoff from the Mears Destination Services, Inc. 401(k) Savings Plan.

Participating employers in the Plan are affiliates of the Employer and include Hello! Florida Destination Management, Inc., Hello! Arizona Destination Management, Inc., Hello! Las Vegas Destination Management, Inc., Hello! Washington, D.C. Destination Management, Inc., Hello! Texas Destination Management, Inc., Hello! Nashville Destination Management, Inc., Hello! Colorado Destination Management, Inc., Hello! California Destination Management, Inc., (collectively “Hello! Destination Management”), and Executive Pilot Services, Inc. (“EPS”), A Premier Event, Inc., and Premier Convention Services, Inc., Kapow! Events Management, LLC. Effective May 17 2021, and June 21 2021, Hello! New York Destination Management, Inc. and Hello! Chicago Destination Management, Inc. became participating employers.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. Federal income taxes on amounts contributed by the participants are deferred in accordance with Section 401(k) of the Internal Revenue Code (“IRC”). Subsequent to December 31, 2021, Hello! Destination Management Savings Plan restated the Plan with an effective date of July 1, 2022 in order to comply with requirements of changes to the IRC.

Eligibility

Substantially all employees who are at least age 21 and who have completed one year of service, as defined by the Plan agreement, are eligible to participate in the Plan. Employees are eligible to participate in the Plan as of January 1, April 1, July 1, and October 1 coincident with or immediately following the date that the employee satisfies the eligibility requirements. After the first 12-month eligibility service period, the Plan measures the eligibility service period on an anniversary basis. Service with or compensation from a specific predecessor employer as defined in the Plan documents shall be included for eligibility purposes. Leased employees, independent contractors, and employees covered by any collective bargaining agreement are excluded from participation.

Participant Contributions

Participating employees can elect to contribute up to 100% of compensation, excluding bonuses and third-party sick pay, not to exceed the IRS limits for the Plan year. New employees are automatically enrolled into the Plan with a deferral percentage of 3% into a preselected fund, unless the participant requests a change. Additionally, all participants are permitted to contribute a percentage of their post-tax annual compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Upon termination of service, retirement, disability, or death, participants or their beneficiaries may elect to rollover their funds to an eligible retirement plan in an amount equal to the value of the participants’ vested interests in their accounts. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may suspend contributions at any time or may increase or decrease their level of participation quarterly during the Plan year. Employees 50 or older by the end of the year are eligible to make catch-up contributions.

Hello! Destination Management Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Employer Contributions

The Employer may, at its discretion, match participant deferral contributions. Effective April 1, 2020, the employer match was suspended. Subsequent to year end, effective July 2022, employer match was reinstated.

The Plan Sponsor may match employee deferral contributions up to a percentage determined by them and may apply the match for the entire Plan year. Additionally, the Employer may make periodic nonelective contributions to the Plan at the discretion of the Employer's Board of Directors. Allocations of these Employer nonelective discretionary contributions are made to individual participants' accounts based on the ratio of each participant's eligible compensation to the total eligible compensation of all participants for that year. There were no nonelective matching contributions made to the Plan for the year ended December 31, 2021.

Participant Accounts

Individual accounts are established for each participant. Each participant's account is credited with the participant's elective deferrals and (a) matching contributions, (b) discretionary contribution, if any, and (c) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The participant's account is reduced by withdrawals, losses on investments, administrative fees, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

The benefits to which a participant is entitled are those that can be provided by the contributions and earnings thereon, including net unrealized gains and losses, which are credited to the participant's account. Participants are fully vested in their elective contributions and earnings thereon at all times. Participants become fully vested in Employer contributions and earnings thereon upon retirement, at death, upon total and permanent disability, or after two years of service, as defined in the Plan.

Notes Receivable From Participants

Participants may obtain notes based upon their vested account balances, subject to certain conditions. The minimum note permitted is \$1,000, and the maximum note amount is the lesser of 50% of the participant's vested account balance or \$50,000. A participant may only have two loans outstanding at a time. Interest rates on participant notes are determined based on a reasonable rate of interest. The rate of interest will be a fixed rate equal to the prime rate of interest at the date of the note plus 1%. Note payments consisting of principal and interest are made through payroll deductions over a term of one to five years or up to fifteen years for the purchase of a primary residence. At December 31, 2021, the notes earned interest at a rate between 4.25% and 6.50%, and maturities ranged from 2022 to 2029. As of December 31, 2021, all notes are considered collectible. Notes receivable balances are collateralized by the borrowers' vested account balances in the Plan.

Payment of Benefits

All of the participants' vested balances are payable upon the participants' 59 1/2, normal retirement, termination of employment, total and permanent disability or death, and financial hardship, subject to certain limitations. In the event that the participants' vested accrued benefits are less than \$5,000, the Plan administrator may make a distribution without the election or request of a terminated participant. The Plan requires that such distributions of amounts less than \$5,000 but greater than \$1,000 be rolled over to an individual retirement account unless the participant elects to receive the distribution directly.

Hello! Destination Management Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Under the provisions of the CARES Act, which was passed in early 2020 as a result of the COVID-19 pandemic, participants were permitted to take distributions up to \$100,000 from all plans and IRA's and not be subjected to the 10% early distribution tax under the Internal Revenue Code section 72(t) or 20% tax withholding or 402(f) notices.

These distributions will be taxed over 3 years, unless immediate taxation is elected, and can be repaid within 3 years under which repayments will be treated as timely rollover contributions. In addition, minimum distribution was suspended during 2021.

Investment Options

Upon enrollment in the Plan, a participant may direct participant deferral contributions and Employer contributions to any of the Plan's investment options offered by Principal Trust Company (the "Trustee"). Participants may change their contribution allocations quarterly and transfer amounts between funds daily.

Forfeited Accounts

The Plan allocates forfeited amounts to pay Plan expenses and/or reduce Employer contributions in the year forfeitures occur. At December 31, 2021 and 2020, there were \$10,417 and \$0, respectively, of forfeited nonvested account balances available to reduce future Employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan uses the accrual basis of accounting for the presentation of financial statements.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from these estimates.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable is reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments consists of the net realized gains or losses on investments sold and the net unrealized gains or losses on investments held.

Payment of Benefits

Benefits are recorded when paid.

Hello! Destination Management Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Plan Expenses

Certain administrative expenses are paid by the Plan. These expenses are primarily investment management fees paid to the Trustee. Other investment related expenses are included in net appreciation (depreciation) of fair value of investments. The Employer pays substantially all administrative expenses of the Plan, including legal and audit fees. Fees related to notes receivable from participants are charged directly to the participants' account and are included in administrative expenses.

Subsequent Events

Plan management has evaluated subsequent events through September 20, 2022, the date which the financial statements were available to be issued. Based upon this evaluation the Plan has determined that no subsequent events have occurred, other than the matter described in Note 1, which require adjustment to or disclosure in the financial statements other than the one identified in note one.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used on December 31, 2021 and 2020.

Registered investment companies: (Mutual Funds and Exchange-traded funds) are valued at the closing market price of the fund, reported on the active market on which the individual fund is traded.

Units held in collective trusts and pooled separate accounts are valued on the net asset value ("NAV") of shares held by the Plan at year end, which is based on the unit prices quoted by the fund representing the fair value of the underlying investments.

Hello! Destination Management Savings Plan
Notes to Financial Statements
December 31, 2021 and 2020

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth investment assets measured at fair value on a recurring basis on December 31, 2021 and 2020.

	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 1,861,531	\$ -	\$ -	\$ 1,861,531
Pooled separate accounts, at NAV*				546,938
Collective trusts, at NAV*				17,096,920
				<u>\$ 19,505,389</u>

	2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 2,321,652	\$ -	\$ -	\$ 2,321,652
Pooled separate accounts, at NAV*				623,968
Collective trusts, at NAV*				15,898,310
				<u>\$ 18,843,930</u>

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value at December 31,		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020			
Pooled separate accounts	\$ 546,938	\$ 623,968	N/A	Immediate	None
Collective trusts	\$ 17,096,920	\$ 15,898,310	N/A	Immediate	None

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments and notes receivable from participants were held and managed by Principal Trust Company (the "Trustee"). Also, certain investments are managed by the Trustee. These transactions qualify as party-in-interest transactions. The Plan paid fees for investment management services of \$41,050. In addition, there are transaction fees charged by the Trustee that are absorbed in investment income that are not readily determinable.

5. PLAN TERMINATION

Although the Employer has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants would become 100% vested in their accounts.

6. INCOME TAX STATUS

The Plan Sponsor adopted the amended and restated Principal Financial Group Prototype for Savings Plans. The Internal Revenue Service ("IRS") informed Principal by opinion letter, dated June 30, 2020, that the prototype plan is acceptable under applicable sections of the Internal Revenue Code. The Plan Sponsor relies on the opinion letter, and the Plan is required to operate in conformity with the Internal Revenue Code ("IRC") to maintain its qualification.

The Plan Sponsor and Trustee believe the Plan is currently operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, believe the Plan is qualified and the related trust is exempt from federal income taxes as of the financial statement date.

The Plan Sponsor has evaluated tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Furthermore, there are no tax related interest or penalties for periods presented in these financial statements.

7. SUMMARY OF INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Trustee has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related interest income in the accompanying financial statements and supplemental schedule. No auditing procedures were performed with respect to information certified by the Trustee as complete and accurate.

8. RISKS AND UNCERTAINTIES

The Plan provides participants with various investment options. All investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
