Independent Auditor's Report

To the Plan Administrator of the St. Anne's Credit Union of Fall River 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the St. Anne's Credit Union of Fall River 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended; and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i- Schedule of Assets (Held at the end of the year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included

in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

St. Anne's Credit Union of Fall River 401(k) Retirement Plan

Notes to Financial Statements

As of December 31, 2021 and 2020 and for the Year Ended December 31, 2021

1. DESCRIPTION OF PLAN

The following brief description of the St. Anne's Credit Union of Fall River 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan intended to qualify under section 401(k) of the Internal Revenue Code (the "Code") covering all eligible employees of the St. Anne's Credit Union of Fall River (the "Credit Union"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The purpose of the Plan is to enable participating employees of the Credit Union to accumulate capital for their future economic security. The Plan enables participants to supplement their retirement income by accumulating an individual account balance during their years of employment with the Credit Union.

All assets acquired under the Plan, as a result of participant and Credit Union contributions, income and other additions, will be administered, distributed, forfeited and otherwise governed by the provisions of this Plan. The Plan is administered by the Credit Union for the exclusive benefit of participants in the Plan and their beneficiaries.

Eligibility

Employees who have completed at least 3 months of service with the Credit Union and have attained 21 years of age are eligible to become participants of the Plan for all contribution types noted below, on the first day of the month following the day they meet the eligibility requirements.

Participant Contributions

An active participant may elect to make two types of contributions to the Plan as follows:

Salary deferral contributions

Each active participant may elect, but shall not be required, to contribute a percentage of their compensation to the Plan each year, subject to certain limitations.

See independent auditor's report.

Notes to Financial Statements (Continued)

DESCRIPTION OF PLAN (continued)

Participant Contributions (concluded)

Rollover contributions

An active participant may contribute to the Plan, with permission of the Plan Administrator, distributions from other qualified plans or individual retirement accounts, if the contributions satisfy the tax law requirements for a qualified rollover.

Employer Contributions

Matching contributions

Each year the Credit Union will make a matching contribution in an amount equal to 50% of salary deferrals. In applying the matching contribution, a participant's salary deferrals that exceed 6% of compensation will not be considered.

Safe Harbor contributions

Each year the Credit Union will make a nonelective contribution to the account of each eligible participant in an amount equal to 3% of the employee's compensation for the Plan year.

Discretionary contributions

Each year the Credit Union may elect to make a discretionary contribution allocated based on eligible compensation. For the year ended December 31, 2021, no discretionary contribution was made to the Plan.

Vesting

A participant is 100% vested in that portion of their account attributable to salary deferral, rollover contributions and safe harbor contributions. Employer matching and discretionary contributions will vest according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	0%
2	25%
3	50%
4	75%
5	100%

See independent auditor's report.

Notes to Financial Statements (Continued)

DESCRIPTION OF PLAN (continued)

Vesting (concluded)

For purposes of vesting, participants are considered to have completed a year of service upon completion of 1,000 hours of service.

Distributions

Retirement, disability, or death

Participants who retire or become disabled will be entitled to 100% of their account balance. Upon death, the participant's beneficiary will be entitled to 100% of the account balance, payable in accordance with the Plan Document.

Other termination of employment

Upon termination of employment for any reason other than retirement, disability, or death, the participant shall be entitled to receive the vested amount of their account balance.

All distributions from the Plan are made as lump-sum payments, unless otherwise requested in writing.

Notes Receivable from Participants

Loans may be made to participants when directed by the Plan Administrator upon request by the participant. Each loan shall bear interest at the prime rate plus 1%. Interest and principal are repaid through payroll withholdings.

The maximum loan amount is one half of the participant's vested 401(k) account balance, not to exceed \$50,000. The minimum loan amount is \$1,000. Loans are repayable over a period of up to five years, unless such loan is used to acquire a principal residence of the participant in which case the term may be extended.

Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$14,639 and \$13,873, respectively. These accounts will be used to reduce future employer contributions. Forfeitures may not be used to reduce any employer safe harbor contributions. Employer contributions were reduced by \$20,590 from forfeited non-vested accounts in 2021.

See independent auditor's report.

St. Anne's Credit Union of Fall River

401(k) Retirement Plan

Notes to Financial Statements (Continued)

DESCRIPTION OF PLAN (concluded)

Participant's Accounts

Each participant's account is credited with the participant's contributions and Credit Union matching contributions, as well as allocations of the Credit Union's safe harbor contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Termination

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

See independent auditor's report.

St. Anne's Credit Union of Fall River

401(k) Retirement Plan

Notes to Financial Statements (Continued)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Investment Valuation and Income Recognition (concluded)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Credit Union. Expenses that are paid by the Credit Union are excluded from these financial statements. Fees related to the administration of notes receivable from participants and processing of benefit payments are charged directly to the participant's account and are included in administrative expenses. Fees related to investment and recordkeeping fees are paid by the Plan and charged to each participant's account. Investment related expenses are included in net appreciation of fair value of investments.

3. INFORMATION CERTIFIED BY CUSTODIANS

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Matrix Trust Company and CMFG Life Insurance Company (the "Custodians"), except for comparing such information certified by the Custodians to information included in the Plan's financial statements and supplemental schedule.

See independent auditor's report.

Notes to Financial Statements (Continued)

INFORMATION CERTIFIED BY CUSTODIANS (concluded)

The Plan Administrator has obtained certifications from the Custodians for 2021 and 2020 that such information is complete and accurate.

Information certified by the Custodians as of and for the year ended December 31, 2021 and as of December 31, 2020 is as follows:

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Mutual funds	\$ 10,937,892	\$ 8,987,332
Investment at contract value:		
Annuity contract	1,702,214	1,909,907
Notes receivable from participants	317,474	376,956
Investment income:		
Net appreciation in fair value of investments	1,293,998	
Interest income from annuity contract	37,133	
Dividend and interest income	390,861	
Interest income on notes receivable from participants	17,445	

The Custodians also certified the information utilized in the supplemental Schedule of Assets (Held at End of Year).

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

See independent auditor's report.

St. Anne's Credit Union of Fall River

401(k) Retirement Plan

Notes to Financial Statements (Continued)

FAIR VALUE MEASUREMENTS (continued)

Level 1 – Valuation is based on quoted prices in active markets for identical assets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets.

Level 2 – Valuation is based on observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets.

Level 3 – Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets. Level 3 assets include financial instruments whose value is determined using unobservable inputs to pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

In certain cases, inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

See independent auditor's report.

St. Anne's Credit Union of Fall River

401(k) Retirement Plan

Notes to Financial Statements (Continued)

FAIR VALUE MEASUREMENTS (concluded)

Investments at Fair Value on a Recurring Basis

The following table summarizes the valuation of the Plan's investments measured at fair value on a recurring basis as of December 31, 2021 and 2020:

	December 31, 2021			Fair Value
	Level 1	Level 2	Level 3	
Mutual funds	\$10,937,892	\$ -	\$ -	\$10,937,892
Total investments at fair value	<u>\$10,937,892</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$10,937,892</u>

	December 31, 2020			Fair Value
	Level 1	Level 2	Level 3	
Mutual funds	\$ 8,987,332	\$ -	\$ -	\$ 8,987,332
Total investments at fair value	<u>\$ 8,987,332</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,987,332</u>

5. ANNUITY CONTRACT

The Plan has entered into a fully benefit-responsive annuity contract with CMFG Life Insurance Company. The traditional investment contract is reflected in the financial statements at contract value as reported to the Plan by CMFG Life Insurance Company. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on the rate in effect on the date of the deposit and is credited annually on the anniversary date of the deposit. The interest rate at December 31, 2021 and 2020 was 1.90% and 2.45%, respectively. The guaranteed investment contract does not permit the insurance company to terminate the agreement except under certain circumstances outlined in the contract.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by CMFG Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

See independent auditor's report.

St. Anne's Credit Union of Fall River

401(k) Retirement Plan

Notes to Financial Statements (Continued)

ANNUITY CONTRACT (concluded)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value with the contract issuer. Such events include but may not be limited to the following: (1) the complete or partial termination of the Plan; (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

6. TAX STATUS OF THE PLAN

The Plan obtained a determination letter from the Internal Revenue Service ("IRS") dated March 31, 2014, in which the IRS stated that the Plan, as then designed was in compliance with the applicable requirements of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and therefore believes that the Plan is qualified and the related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor ("DOL"). The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and DOL, however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to examinations for years prior to December 31, 2018.

See independent auditor's report.

St. Anne's Credit Union of Fall River

401(k) Retirement Plan

Notes to Financial Statements (Concluded)

7. RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. RELATED PARTY TRANSACTIONS

CUNA Mutual Group and its related entity, CMFG Life Insurance Company, are parties in interest to the Plan. Accordingly, transactions with these entities qualify as party in interest transactions. Fees paid to these entities amounted to \$23,564 for the year ended December 31, 2021. Notes receivable from participants also qualify as party-in-interest transactions.

9. PROHIBITED TRANSACTIONS

During 2020, the Credit Union was delinquent in remitting certain participant deferrals to the Plan totaling \$981. The DOL considers late deposits to be prohibited transactions. During 2021, the Credit Union made self-correcting contributions to the Plan to correct lost earnings on delinquent remittances.

10. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 1, 2022, which is the date the financial statements were available to be issued. There were no subsequent events that require adjustment to or disclosure in the financial statements.
