INDEPENDENT AUDITOR'S REPORT

To the Trustee of the
Hinterland Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Hinterland Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Hinterland Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hinterland Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hinterland Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

Pascale, Razzino, Alexanderson & Co., PLLC

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Hinterland Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hinterland Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

401(K) PLAN**

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1 - Description of the Plan

The following description of the Hinterland Group 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. Hinterland Group, Inc. is referred to in the notes as the Company or the Sponsor.

a. General - The Plan (which is a 401(k) profit sharing plan) is a defined contribution plan covering all full-time eligible employees of the Company who have one year of service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustee oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

b. Contributions - Each year, participants may contribute up to the maximum percentage allowable under the federal statutory limit of Code Section 401(k), as defined in the Plan. The limit for 2021 and 2020 is \$19,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. For the years ended December 31, 2021 and 2020 the catch-up contribution amounted to \$6,500.

Each year, the employer will determine in its sole discretion how much, if any, it will make as an employer contribution. For the years ended December 31, 2021 and 2020, the Company contributed an amount equal to the sum of 50 percent of the amount of the participant's elective deferral that does not exceed 2 percent of the participant's compensation. All employer contributions are invested in the same proportion to that of the participants. The Company may also make a profit sharing contribution to eligible employees on a pro rata basis in the ratio that each participant's compensation bears to the compensation of all eligible participants at the end of the year. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans.

**HINTERLAND GROUP
401(K) PLAN**

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1 - Description of the Plan (continued)

c. Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after four years of credited service earned at 25 percent after the first year and each year thereafter. A participant would become 100 percent vested upon death or disability.

e. Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested interest in the Plan. Participants may only have one loan outstanding at any time. Loan transactions are treated as a transfer to (from) the respective investment funds from (to) the Notes Receivable from Participants' Fund. The loans are secured by the balance in the participant's account. Unless otherwise determined by the Trustee, the interest rate will be the prime rate published by the Wall Street Journal as of the date of the loan plus 2 percent. The rate of interest will be constant throughout the term of the loan. All loans are required to be repaid within 5 years of the date of the loan, unless for the purchase of a principal residence which allows for extended loan amortization. During 2021 and 2020 interest rates ranged from 5.25 to 7.50 percent. Principal and interest are paid ratably through payroll deductions.

f. Payment of Benefits - On termination of service due to disability or retirement, a participant may only elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Distributions on account of death of the participant allows for extended payments for all beneficiaries. For termination of service due to other reasons, a participant may only receive the value of the vested interest in their account as a lump-sum distribution within one year.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1 - Description of the Plan (continued)

g. Forfeited Accounts - Forfeited balances of terminated participants' non-vested amounts may be used to pay for administrative expenses of the plan and reduce future employer contributions. Forfeited non-vested accounts amounted to \$9,182 and \$4,775 as of December 31, 2021 and 2020, respectively.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The trustee determines the Plan's valuation policies. See Note 3 for discussion of fair value measurements.

**HINTERLAND GROUP
401(K) PLAN**

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 2 - Summary of Significant Accounting Policies (continued)

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan Document.

Excess Contributions Payable

Amounts payable for contributions in excess of amounts allowed by the IRS are recorded as excess contributions payable. There were no excess contributions payable as of December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Reasonable expenses for the administration, investments, and processing transactions relating to the on-going maintenance and operation of the plan (including expenses or fees charged on a one-time or on-going basis for legal, accounting, or recordkeeping services) may be charged against the assets of the plan and trust, paid by the Employer, or allocated among terminated and active participants (or beneficiaries) in the plan. In some instances, these expenses are deducted directly from the investment returns of the investment funds offered under the plan as an investment related fee.

401(K) PLAN**

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 2 - Summary of Significant Accounting Policies (continued)

Date of Management's Review

Subsequent events were evaluated through October 3, 2022, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

401(K) PLAN**

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 3 – Fair Value Measurements (continued)

Level 2 Fair Value Measurements

The fair value of corporate bonds and U.S. government securities are valued using a market approach on yields currently available on comparable securities of issuers with similar credit ratings.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

			Fair Value Measurements at the End of the Report Period Using:
			<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
December 31, 2021		<u>Fair Value</u>	
Total Mutual Funds and Bonds		\$1,234,686	\$1,234,686

Total Mutual Funds and Bonds		\$1,010,976	\$1,010,976
Total Assets at Fair Value		\$1,010,976	\$1,019,976

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments. During 2021, the Plan's investments in underlying mutual funds and bonds (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$159,391.

The Plan's policy is to recognize transfers between Level 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no transfers between Level 1 and 2 or into or out of Level 3.

**HINTERLAND GROUP
401(K) PLAN**

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 5 – Related Party Transactions and Party In Interest Transactions

Certain Plan investments are shares of John Hancock mutual funds managed by John Hancock Life Insurance Company of New York. John Hancock is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan totaled \$18,914 for the year ended December 31, 2021.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

Note 7 - Tax Status

On December 28, 2017, the Internal Revenue Service has determined and informed the Company, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**HINTERLAND GROUP
401(K) PLAN**

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization declared the outbreak of the novel coronavirus (COVID-19) as a global pandemic and the virus has continued to spread throughout the United States. As a result of this outbreak, this pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets. Because values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.
