Independent Auditors' Report

To the Participants and Plan Administrator of the
Babst Calland Clements & Zomnir, P.C.
Profit Sharing 401(k) Plan I
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Babst Calland Clements & Zomnir, P.C. Profit Sharing 401(k) Plan I (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated August 23, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not, express an opinion on the financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Babst Calland Clements & Zomnir, P.C. Profit Sharing 401(k) Plan I

Notes to Financial Statements December 31, 2021 and 2020

1. Plan Description

The following description of the Babst Calland Clements & Zomnir, P.C. Profit Sharing 401(k) Plan I (the Plan) provides only general information. Participants should refer to the Plan document or the summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution plan covering all eligible employees, as defined by the Plan, of Babst Calland Clements & Zomnir, P.C. (the Company) who elect to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Company is the sponsor of the Plan.

Contributions

Participating employees may contribute any percentage of compensation or dollar amount subject to limitations in accordance with the Plan document and Internal Revenue Code limitations for the calendar year. Roth contributions are also permitted. Eligible employees may also make rollover contributions from other qualified retirement plans. The Company may make profit sharing contributions, including a required minimum 2% base contribution, as defined by the Plan.

Investment Options

Upon enrollment, participants may direct their elective contributions in any of the allowable investment funds offered by the Plan. Participants may make changes to their investment elections at any time.

Participant Accounts

Each participant account is credited with the participant's contributions and an allocation of (a) the Company's profit sharing contribution and (b) Plan earnings and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Babst Calland Clements & Zomnir, P.C. Profit Sharing 401(k) Plan I

Notes to Financial Statements December 31, 2021 and 2020

1. Plan Description (cont.)

Vesting

Participant elective contributions and rollover accounts vest immediately, and a participant's interest in the employer's contribution becomes 100% vested and distributable upon normal retirement, disability, or death.

For purposes of the base 2% minimum profit sharing contribution, participants become 100% vested upon completion of one year of service. Any additional secondary profit sharing contributions over the 2% base vest immediately.

Participant Loans

The Plan allows participants to borrow against their accounts up to the lesser of the following amounts:

- a) \$50,000, or
- b) An amount equal to 50% of the participant's current vested interest.

The period of repayment for any loan will be determined by mutual agreement between the plan administrator and the participant in accordance with the Plan. The term is limited to 5 years; however, a longer period is available if the loan is used for purchase of a principal residence. Interest rates on loans outstanding range from 4.25% to 6.25% at December 31, 2021 and 2020. The minimum loan amount is \$1,000 and a participant may only have two loans outstanding at any time.

Participant loans are valued at their outstanding balances, which approximate fair value.

Notes to Financial Statements December 31, 2021 and 2020

1. Plan Description (cont.)

Payment of Benefits

Upon termination of employment, a participant's account is generally payable in cash, a lump sum payment or substantially equal annual amounts. If the value of the participant's vested benefit does not exceed \$1,000, the Plan may distribute the entire amount to the participant.

Participants may keep their funds in the Plan after their normal retirement date, but must begin withdrawing once they reach age 72 unless they remain employed by the Company.

Additionally, a participant's vested benefit is distributable upon the occurrence of any one of the following events: (a) death, (b) disability or (c) plan termination.

Participants may withdraw any part of their fully-vested account upon written notice of financial hardship as determined by the plan administrator. Participants are also eligible to receive in-service distributions.

Forfeited Accounts

Forfeitures are used to reduce Company contributions and/or pay plan expenses. Forfeitures from the Plan during 2021 and 2020 were \$176 and \$0, respectively. Forfeitures were used to pay plan expenses totaling \$0 and \$2,796 during 2021 and 2020, respectively, and the balance remaining in the forfeiture account at December 31, 2021 and 2020 was \$176 and \$0, respectively.

Plan Expenses and Related Party Transactions

A portion of expenses incurred for administration of the Plan are paid by the Company.

For the years ended December 31, 2021 and 2020, fees of \$12,252 and \$2,705 were paid by the Plan for asset custody, recordkeeping and loan processing.

In addition, the Plan entered into a revenue-sharing agreement with Charles Schwab Trust Bank, whereby revenue generated by the Plan in excess of the trustee's fee or a percentage of plan assets is shared with the Plan.

December 31, 2021 and 2020

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting generally accepted in the United States of America.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

Purchases and sales of the investments within the Plan are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

The change between years in the market value of investments and realized gains and losses through purchases and sales of investments are reflected as net appreciation in fair value of investments in the accompanying statements of changes in net assets available for benefits.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates and these differences could be material.

Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

3. Certified Financial Information

Certain information related to investments and participant loans held at December 31, 2021 and 2020 disclosed in the accompanying financial statements and ERISA-required supplemental schedule and net appreciation in fair value of investments, dividend and interest income, and interest income from participant loans for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank (Schwab) (the trustee of the Plan). Investments that represent ten percent or more of the Plan's net assets are separately identified with an asterisk (*) in the following table. The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

There are no restrictions in place as of December 31, 2021 or 2020 with respect to the daily redemption of Plan investments.

4. Fair Value Measurements

ASC 820, *Fair Value Measurement and Disclosures* (ASC 820), establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Babst Calland Clements & Zomnir, P.C.

Profit Sharing 401(k) Plan I

Notes to Financial Statements December 31, 2021 and 2020

4. Fair Value Measurements (cont.)

Basis of Fair Value Measurement

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 – Quoted prices of securities in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly,

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Mutual Funds

Mutual Funds represent investments with various investment managers. The fair values of these investments are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the net asset value as of December 31, 2021 and 2020.

Collective Investment Trust Funds

Collective investment trust funds represent investments with various investment managers. Units held in collective investment trusts are valued at the daily unit value as reported by the investment managers as of December 31, 2021 and 2020. The collective investment trusts have no restrictions or redemption period requirements. There are no unfunded commitments relating to the collective investment trusts.

The methods described above may provide a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. While the Plan believes its valuation methods are appropriate and consistent with other market participants, it is possible that different fair value measurements may arise due to the use of different methodologies or assumptions in determining the fair value measurement at the reporting date.

Babst Calland Clements & Zomnir, P.C.

Profit Sharing 401(k) Plan I

Notes to Financial Statements December 31, 2021 and 2020

4. Fair Value Measurements (cont.)

The following tables set forth, by level within the fair value hierarchy, the Plan investment assets and investment liabilities at fair value as of December 31, 2021 and 2020. As required by ASC 820, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan had no material financial liabilities as of December 31, 2021 and 2020.

Investment Assets at Fair Value as of December 31, 2021

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

5. Plan Termination

The Plan sponsor believes that the existence of the Plan is in the best interest of its employees and has no intention of discontinuing it. However, in the event of plan termination, all balances in the participants' accounts will become fully vested and will be distributed as soon as practicable.

Babst Calland Clements & Zomnir, P.C.

Profit Sharing 401(k) Plan I

Notes to Financial Statements

December 31, 2021 and 2020

6. Income Tax Status

The Plan document is a volume submitter 401(k) profit sharing plan. The Internal Revenue Service issued an opinion letter dated August 1, 2015 stating that the form of the Prototype Plan was acceptable under Section 401 of the Internal Revenue Code (IRC) for use by adopting employers, and that an employer adopting the Plan could rely on the opinion letter with respect to the qualification of the Plan under Section 401(a) of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, management believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC, is qualified, and the related trust is tax exempt.

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the relevant taxing authority. Management has determined that no provision for income taxes is required to be reflected in the accompanying financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes the Plan is no longer subject to income tax examinations for years prior to 2018.

7. Terminated Participants

When participants terminate employment with the Plan sponsor, they may choose to leave their investments in the Plan, as long as their balance is greater than \$1,000. As of December 31, 2021 and 2020, there were 69 and 56 terminated participants who had not withdrawn their account balances totaling \$9,529,755 and \$10,473,615, respectively.

8. Subsequent Events

Subsequent events have been evaluated through the date of the independent auditors' report which is the date the financial statements were available to be issued. The plan was restated effective January 1, 2022. The restatement did not affect the benefits provided to participants. Management did not identify any other events requiring recording in or disclosure to the financial statements as of and for the year ended December 31, 2021.
