INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
CT Spring & Stamping Corporation 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of CT Spring & Stamping Corporation 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements (modified cash basis) (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 1.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of CT Spring & Stamping Corporation 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 1, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CT Spring & Stamping Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a

guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CT Spring & Stamping Corporation 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CT Spring & Stamping Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment

information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements (modified cash basis) of CT Spring & Stamping Corporation 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
For The Years Ended December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the CT Spring & Stamping Corporation (the Company) 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees who have been employed for at least two months and have attained 21 years of age. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may make voluntary contributions through payroll deductions on a pre-tax basis, an after tax-basis (Roth), or a combination of both, up to the maximum allowed by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible participants are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and have their contributions invested in a designated balance fund until changed by the participant. Effective February 1, 2020, automatic deferrals increased annually by 1% up to 5% and prior to this, the automatic deferrals increased annually by 1% up to 4%. Beginning January 1, 2023, the automatic deferrals will be increased up to 6%.

During 2021, it was discovered that certain auto-enrolled participants were not auto-escalated in a timely manner in the third-party administrator's system. As a result, these participants suffered a missed opportunity. The missed deferral, match and lost earnings will be deposited in the participants' accounts. The Plan Sponsor is currently working with the third-party administrator to determine the correction amount and it is anticipated that the funds will be deposited in 2022 at which time they will be recorded.

The Plan provides for a discretionary matching contribution by the Company. For the Plan year ended December 31, 2021, a matching contribution of \$471,914 was made. Included in this amount is a match true-up contribution of \$9,222 from the 2020 Plan year. The match was calculated as 50 percent of the first 5 percent of compensation through June 30, 2021 and 50 percent of the first 6 percent of compensation effective July 1, 2021. The match true-up of \$13,576 for the 2021 Plan year will be included in 2022 in accordance with the modified cash basis of accounting. In addition, the Company may make additional profit sharing contributions. No discretionary profit sharing contribution was made for 2021. Contributions are subject to certain IRS limitations.

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
For The Years Ended December 31, 2021 and 2020

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution, if any, and participants' investment earnings. Participant accounts are charged with a quarterly asset based fee of 25 basis points based on the participant's average daily account balance for the quarter. Other fees are charged directly to participants' accounts for specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary, rollover and Company matching contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based on continuous service. Upon the completion of six or more years of service, a participant is 100% vested in any additional discretionary contributions made by the Company. Effective December 31, 2020, all Company contributions for new participants who join the Plan will be subject to the six-year graded vesting schedule.

Notes Receivable from Participants

Participants may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is 1 percent over the prime rate published in the Wall Street Journal on the first business day of the month the loan is originated. Loan terms are not to exceed a period of five years, unless used for a principal residence. Principal and interest are paid ratably through weekly payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or the participant's designated beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum or installments if the participant was subject to lifetime required minimum distributions. Terminated participants may elect to receive lump sum benefits in accordance with Plan provisions. The Plan also provides for in-service withdrawals by participants who have a proven hardship or have attained the age of 59½. If a participant terminates employment for any reason and their vested account balance does not exceed \$5,000, the Plan distributes such amount in a lump-sum payment to the participant without consent of the participant.

Forfeited Accounts

All forfeitures of Company discretionary contributions from terminated participants' nonvested accounts are used by the Company to pay Plan expenses and to reduce future employer contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$254 and \$14, respectively. For the year ended December 31, 2021, no Plan expenses were paid from forfeited nonvested accounts.

NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
For The Years Ended December 31, 2021 and 2020

Coronavirus Aid, Relief, and Economic Security (CARES) Act

The Plan has implemented certain requirements provided by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which, among other changes, allows certain eligible individuals to receive coronavirus-related relief for loan repayment, suspends required minimum distributions, and delays the commencement date for required minimum distributions. The Plan will be updated to reflect these operational changes in accordance with applicable laws and IRS guidance.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting. Contributions, interest income, except for interest income on notes receivable from participants, benefit payments, excess deferral contributions and administrative expenses are recognized only as cash is received or paid.

Use of Estimates

The preparation of financial statements in accordance with the basis of accounting described above requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for approximately 14% investments at December 31, 2021 and 2020, which are fully benefit-responsive contracts and are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. Contract value is explained in Note 5. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded as received, except for interest income on notes receivable from participants which is on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when earned. Related fees are recorded as administrative expenses and are expensed when they are paid. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

CT SPRING & STAMPING CORPORATION
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
For The Years Ended December 31, 2021 and 2020

Excess Contributions

For the years ended December 31, 2021 and 2020, amounts payable to participants for contributions in excess of amounts allowed by the IRS, inclusive of earnings, were \$59,130 and \$1,124, respectively. These amounts were distributed in June 2022 and February 2021, respectively, and therefore, will be included in benefits paid directly to participants in the Plan year in which they are disbursed in accordance with the modified cash basis of accounting. Because the distributions for the plan year ending December 31, 2021 were not made timely, a Form 5330 *Return of Excise Taxes Related to Employee Benefit Plans* was filed.

Payment of Benefits

Benefits to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 5, 2022, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets;• quoted prices for identical or similar assets or liabilities in inactive markets;• inputs other than quoted prices that are observable for the asset or liability; and• inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

CT SPRING & STAMPING CORPORATION
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
For The Years Ended December 31, 2021 and 2020

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Accounts primarily consist of publicly traded securities that are valued on the basis of readily determinable market prices.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2021:

<i>Assets at Fair Value as of December 31, 2021</i>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 23,181,699	\$ -	\$ -	\$ 23,181,699
Self-directed brokerage accounts	13,455	-	-	13,455
Investments, at fair value	<u>\$ 23,195,154</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 23,195,154</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2020:

<i>Assets at Fair Value as of December 31, 2020</i>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 21,531,874	\$ -	\$ -	\$ 21,531,874
Self-directed brokerage accounts	72,876	-	-	72,876
Investments, at fair value	<u>\$ 21,604,750</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,604,750</u>

NOTE 4 - INFORMATION CERTIFIED BY THE ASSET CUSTODIANS

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, custodians, have certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.

CT SPRING & STAMPING CORPORATION
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
For The Years Ended December 31, 2021 and 2020

- Net appreciation in fair value of investments, interest and dividends, interest income on notes receivable from participants and other income reflected on the accompanying statements of changes in net assets available for benefits for the year ended December 31, 2021.
- Investments reflected on the schedule of assets (held at end of year) at December 31, 2021.

NOTE 5 - GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive group annuity contract with Great-West Life and Annuity Insurance Company (Great-West). Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the accompanying financial statements at contract value as reported by Great-West. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The group contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for the credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but the effective annual interest rate will never be less than 0%. Interest crediting rate is reset quarterly.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the premature termination of the contract by the Plan. The Plan administrator believes that no events are probable of occurring that might limit the Plan's ability to transact at contract value with the contract issuer, and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 6 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Empower Retirement (Empower, formerly known as Great-West Retirement Services) is the contract administrator and, therefore, qualifies as a party-in-interest. Fees paid by the Plan for these administrative services amounted to \$50,501 for the year ended December 31, 2021.

Empower remits funds to the Plan to cover plan audit and advisory expenses. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. For the year ended December 31, 2021, the amount deposited into the Plan was \$50,473, which is reflected as other income on the accompanying statement of changes in net assets available for benefits. Of this amount, \$10,452 was used to pay fees for the year ended December 31, 2021 to Envestnet, who act as registered investment advisors, and therefore, qualify as a party-in-interest. An additional \$17,000 was used to pay Federman, Lally & Remis, LLC, who acts as the Plan auditor, and therefore qualifies as a party-in-interest. At December 31, 2021 and 2020, the remaining balance in this account was \$64,316 and \$43,078, respectively.

TD Ameritrade, Inc. provides brokerage services for the self-directed brokerage accounts and, therefore, qualifies as a party-in-interest. Fees incurred by the participants for the investment management services are included in net appreciation in fair value of the investments. No fees were paid by the Plan for these services for the year ended December 31, 2021.

For The Years Ended December 31, 2021 and 2020

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer discretionary contributions.

NOTE 8 - TAX STATUS

The Internal Revenue Service has informed Great-West Trust Company, LLC, the prototype plan sponsor, by letter dated June 30, 2020, that the Plan is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of notes receivable from participants and net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Form 5500:

For The Years Ended December 31, 2021 and 2020

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits at December 31, 2021.

NOTE 11 - SUBSEQUENT EVENTS

Subsequent to December 31, 2021, equity markets experienced wide fluctuations in value. The Plan's investments experienced an approximately 20% decline in value through the end of September 2022.
