INDEPENDENT AUDITORS' REPORT

To the Retirement Plan Committee of the
CVR Associates 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of CVR Associates 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of CVR Associates 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CVR Associates 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CVR Associates 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CVR Associates 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CVR Associates 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Retirement Plan Committee of the
CVR Associates 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of CVR Associates 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by Transamerica Financial Life Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CVR ASSOCIATES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN

The following description of CVR Associates 401(k) Plan (the “Plan”) is provided for general informational purposes only. More complete information regarding the Plan’s provisions may be found in the Plan Document.

General – The Plan is a defined contribution plan established by CVR Associates, Inc. (the “Company”) under the provisions of Section 401(k) of the Internal Revenue Code (“IRC”). The Plan covers all eligible employees and is administered by an Administrative Committee appointed by the Board of Directors of the Company. An eligible employee is any person employed by the company who is an employee at any of the following company divisions: CVR Associates, Inc.; CVR Housing Services Corporation; CVR Management, Inc.; and CVR Inspection Services, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility – Employees are eligible to participate in the Plan upon attaining ninety days of service and reaching the age of 21 and are not classified as temporary employees or interns.

Contributions – Participants may elect to defer a portion of their annual compensation subject to IRC limitations. The Company may make a matching safe-harbor contribution. The Company has elected to match 100% of the participant’s contributions to the Plan up to 1% of participant’s compensation plus 50% of the participant’s contributions between 1% and 6% of participant’s compensation. Contributions are subject to certain limitations.

Participant accounts – Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contribution and plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Vesting – All participant’s contributions and earnings thereon are fully vested. Vesting in Company’s matching contributions, plus actual earnings thereon, is based on years of continuous service, as defined. A participant is 0% vested in the employer match until two years of credited service and 100% vested after two years.

Forfeited accounts – Forfeitures of terminated participants’ non-vested accounts are used to reduce future Company contributions and to pay administrative expenses of the Plan. Forfeitures used to reduce the Company’s contributions and administrative expenses were \$4,378 for the year ended December 31, 2021. On December 31, 2021 and 2020, there was \$0 and \$2,687, respectively, of forfeited nonvested accounts held in the Forfeiture Account. The Plan Administrator expects to use these amounts to reduce Company contributions and/or administrative expenses in the year following the year they are forfeited.

Benefits – The full value of a participant’s account is paid when (1) the participant retires at age 65 or later; (2) the participant becomes permanently disabled; (3) the participant terminates employment; (4) the participant dies while an active participant in the Plan; (5) early retirement distribution is permitted so long as the participant is 59 1/2 years of age and is fully vested.

CVR ASSOCIATES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates – The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of benefits – Benefits are recorded when paid.

Net appreciation in fair value of investments – Net realized and unrealized appreciation is recorded in the accompanying statement of changes in net assets available for benefits as net depreciation in fair value of investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative expenses – All administrative expenses of the Plan have been paid by the Company and are therefore not reflected in the accompanying statement of changes in net assets available for benefits. Fees paid by the Plan for the processing of distributions or other transactions during the year ended December 31, 2021 were \$62,661.

Fair value measurements – Financial Accounting Standards Board ("FASB") issued FASB ASC 820, *Fair Value Measurements*, which defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles, and expands disclosures about fair value measurements.

FASB ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Plan uses various methods including market, income, and cost approaches. The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs.

As a basis for categorizing these inputs, FASB ASC 820 establishes the following hierarchy, which prioritizes the inputs used to measure fair value from market-based assumptions to entity specific assumptions. When available, the Plan measures fair value using Level 1 inputs because they are generally more reliable evidence of fair value. Level 2 inputs are used only when Level 1 inputs are not available, and Level 3 inputs are only used when Level 1 or Level 2 inputs are unavailable.

- Level 1: Inputs based on quoted market prices for identical assets or liabilities in active markets at the measurement date.
- Level 2: Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair value measurements (continued)

- Level 3: Inputs reflect management’s best estimate of what market participants would use in pricing the asset or liability at the measurement date. The inputs are unobservable in the market and significant to the instrument’s valuation.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Pooled separate accounts are investments in participation units held in pooled separate accounts through sub-accounts of an insurance company. The underlying securities in pooled separate accounts are listed on national securities exchanges and valued on the basis of year-end closing prices. The Plan has concluded that the net asset value as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the insurance company denotes fair value using the net asset value per share practical expedient.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Subsequent events – Subsequent events have been evaluated through August 15, 2022, which is the date the financial statements were available to be issued.

NOTE C – TAX STATUS

The Plan is a non-standardized pre-approved 401(k) profit sharing plan created by Ascensus LLC. The Internal Revenue Service has determined and informed Ascensus LLC. by a letter dated June 30, 2020 that the plan document is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has not obtained an individual determination letter and has been amended since receiving Ascensus LLC’s opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and has no income subject to unrelated business income tax. The Plan’s income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

NOTE D – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan maintains a fully benefit-responsive investment contract with Transamerica Life Insurance Company (“Transamerica”). Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate to the Plan. However, if an event should ever occur such that realization of full contract value is no longer probable, the investment may no longer be considered fully benefit-responsive.

Because the investment contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract approximates contract value. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan’s ability to transact at contract value with participants, is probable.

The investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE E – CERTIFIED INFORMATION

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified by Matrix Trust Company and was not subjected to any auditing procedures performed by the independent public accountants:

- a) Total investments as shown in the accompanying statements of net assets available for benefits of \$6,627,066 as of December 31, 2021, and \$5,365,700 as of December 31, 2020.
- b) Net investment earnings as shown in the accompanying statement of changes in net assets available for benefits of \$1,261,366 for the year ended December 31, 2021.
- c) All investment-related information in the accompanying supplemental Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2021.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G – PARTIES-IN-INTEREST

During the year ended December 31, 2021, fees in the amount of approximately \$62,661 were paid to Transamerica Financial Life Insurance Company, FuturePlan by Ascensus, and Merrill Lynch Life Agency by the Plan. Transamerica Financial Life Insurance Company is the Plan trustee. FuturePlan by Ascensus is the third-party administrator. Merrill Lynch Life Agency is the investment advisor. Therefore, the transactions qualify as party-in-interest transaction. In addition, the Plan Sponsor paid audit fees during the year ended December 31, 2021, which also qualifies as a party-in-interest transaction.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – FAIR VALUE MEASUREMENTS

The following represent fair value measurements based on inputs as of December 31, 2020 and 2019:

	<u>Level 1</u> <u>Inputs</u>	<u>Level 1</u> <u>Inputs</u>	<u>Level 1</u> <u>Inputs</u>	<u>Fair Value</u>
At December 31, 2021				
Pooled separate accounts measured at net asset value:	(a)			<u>\$ 6,398,551</u>
Total investments at fair value				<u>\$ 6,398,551</u>

	<u>Level 1</u> <u>Inputs</u>	<u>Level 1</u> <u>Inputs</u>	<u>Level 1</u> <u>Inputs</u>	<u>Fair Value</u>
At December 31, 2020				
Pooled separate accounts measured at net asset value:	(a)			<u>\$ 5,154,567</u>
Total investments at fair value				<u>\$ 5,154,567</u>

(b) Pooled separate accounts are measured at net asset value (NAV) as a practical expedient to estimate fair value and, therefore, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which the fair value is measured using NAV as a practical expedient as of December 31, 2020 and 2019, respectively:

NOTE J – CARES ACT

The Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) was passed by the U.S. Senate on March 26, 2020. Section 2202 of the CARES Act permits eligible Plan participants to request penalty-free distributions of up to \$100,000, increase the available loan amount to the lesser of \$100,000 or 100% of the participant’s vested account and extend the period for loan repayment for up to one year for qualifying coronavirus-related reasons. These reasons include adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19. The implemented provisions also increased the amount that an eligible participant may borrow from his or her own account to a maximum equal to the lesser of: (a) \$100,000 or (b) 100% of the participant’s vested account balance through September 23, 2020, permit eligible participants with outstanding loans to delay certain repayments that would otherwise be due during 2020, and provide a temporary waiver of required minimum distributions for 2020. The Plan did not opt into the provisions of the CARES Act in 2020.
