INDEPENDENT AUDITOR'S REPORT

To the Employee Benefits Plan & Investment Committee of the
Oneida Nation Enterprises, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Oneida Nation Enterprises, LLC 401(k) Plan, an employee benefit plan under the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Oneida Nation Enterprises, LLC 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's applicable Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Oneida Nation Enterprises, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Oneida Nation Enterprises, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements, Continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Oneida Nation Enterprises, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Oneida Nation Enterprises, LLC 401(k)'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's applicable Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's applicable Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's applicable Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ONEIDA NATION ENTERPRISES, LLC
401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Description of Plan

The following brief description of the Oneida Nation Enterprises, LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

(a) General

The Plan is a defined contribution plan with salary reduction features as permitted under section 401(k) of the Internal Revenue Code and is subject to other applicable provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and subsequent legislation. The Plan is funded by employee and employer contributions. The Plan covers substantially all eligible employees of Oneida Nation Enterprises, LLC (the “Company”). The Company is the plan sponsor. The assets of the Plan are held by Fidelity Management Trust Company (“Fidelity” or “the trustee”).

Section 2202 of the Coronavirus Aid, Relief and Economic Security Act (CARES Act), which was enacted on March 27, 2020, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions: (1) special coronavirus distributions up to \$100,000 before December 31, 2020; and (2) extend the period for loan repayments, if applicable, up to one year.

(b) Eligibility

Employees who are age 21 or older, and otherwise meet the Plan’s eligibility requirements may immediately enter the Plan, solely with respect to making participant contributions, as of their date of hire.

Employees must perform at least 1,000 hours of service during a one year period of service, as further defined by the Plan, to receive the employer match contributions, which will begin the first day of the Plan year or the first day of the seventh month of the Plan year following their meeting the eligibility requirements.

(c) Contributions

Participants may authorize an elective deferral contribution in 1% increments of their earnings up to the maximum annual limitations as provided by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

ONEIDA NATION ENTERPRISES, LLC
401(k) PLAN

Notes to Financial Statements

(1) Description of Plan, Continued

(c) Contributions, Continued

The Company matches 100% of participant contributions, up to 5% of the employee's compensation each payroll period. Participants direct the investment of their contributions and any employer contributions into various investment options offered by the Plan. Participants may change their options on a daily basis. Participants may change or revoke their contribution percentages as of the beginning of each payroll period.

(d) Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(e) Vesting

Participants are immediately vested in their employee deferral contributions plus actual earnings thereon. Vesting in the Company's employer contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percent vested</u>
Less than 1	0%
1 but less than 2	25%
2 but less than 3	50%
3 but less than 4	75%
4 or more	100%

(f) Forfeited Accounts

Forfeitures of unvested employer contributions because of termination will generally be applied to reduce future Company contributions. During the years ended December 31, 2021 and 2020, employer contributions were reduced \$71,106 and \$38,114, respectively, from forfeited non-vested accounts. As of December 31, 2021 and 2020, there were \$16,495 and \$126,393, respectively, of unapplied forfeitures.

ONEIDA NATION ENTERPRISES, LLC
401(k) PLAN

Notes to Financial Statements

(1) Description of Plan, Continued

(g) Payment of Benefits

The normal retirement age under the Plan is age 65 with an early retirement option when a participant reaches age 55 and has five years of vesting service. On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments over a specified period. If a participant's vested interest does not exceed \$1,000, the Plan will direct a lump-sum distribution without the participant's consent following the participant's termination of employment because of retirement, disability or other termination of employment.

(h) Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1-5 years and may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account. The loan interest rates range from 4.25% to 6.50% which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through weekly payroll deductions.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

(b) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

ONEIDA NATION ENTERPRISES, LLC
401(k) PLAN

Notes to Financial Statements

(2) Summary of Significant Accounting Policies, Continued

(c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as plan expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded based upon the terms of the plan document.

Interest income on notes receivable from participants has been presented separately from interest and dividend investment income on the statements of changes in net assets available for benefits.

(d) Investments

The Plan's investments are stated at fair value. Purchases and sales of investments are recorded on a trade-date basis; interest income is recorded on the accrual basis; and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) Investment Fees

Net investment returns reflect certain fees paid by the various investment funds to their affiliated investment advisors, transfer agents, and others as further described in each fund prospectus or other published documents. These fees are deducted prior to allocation of the Plan's investment earnings activity and thus not separately identifiable as an expense.

(f) Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

A description of where the Plan's investments fall within the ASC 820 fair value hierarchy is provided in note 3.

(g) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(h) Payment of Benefits

Benefits are recorded when paid.

(i) Administrative Expenses

The Plan document states that at the discretion of the Plan's sponsor, any administrative expenses can be paid by either the Plan or the Plan's sponsor. For the years ended December 31, 2021 and 2020, most of the plan expenses were paid by the Plan sponsor; the exceptions being recordkeeping fees for notes receivable from participants, which were paid by the Plan, and fees for an investment advisor retained by the Plan sponsor in connection with the Plan, which were primarily paid by the Plan through a revenue credit issued by Fidelity to the Plan during the years ended December 31, 2021 and 2020.

(3) Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Assets at fair value at December 31, 2021			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Common collective trust fund, at net asset value (NAV)				<u>11,996,341</u>
Total investments				<u>\$ 179,294,727</u>

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the years ended December 31, 2021 and 2020.

Money market fund and mutual funds: valued at the quoted market prices of the shares held by the Plan at year-end. The quoted market prices are reported on an active market on which the securities are traded.

Common collective trust fund: valued at fair value using the net asset value (NAV) per share practical expedient based on the net asset value of participation units held by the Plan at year-end. The value of these units is determined by the insurance carrier based on current market values of underlying assets of the trust account.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain investments could result in a different fair value measurement at the reporting date.

Investments in Entities that Calculate Net Asset Value

The Union Bond & Trust Company Morley Stable Value Fund (“Morley Stable Value Fund”) is a common collective trust fund that seeks to provide preservation of capital, relatively stable returns and liquidity for benefit-responsive payments. The fund seeks to achieve this objective by investing primarily in a variety of high quality stable value investment contracts as well as cash and cash equivalents. There are no unfunded commitments or redemption restrictions.

(4) Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA – required supplementary schedule, including investments held at December 31, 2021 and net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

(5) Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

(6) Party-In-Interest Transactions

Certain Plan investments are managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest. In addition, the Plan issues notes receivable to participants, which are secured by the balances in the participants' accounts. Therefore, related transactions qualify as party-in-interest transactions. All other transactions which may be considered parties-in-interest transactions relate to normal plan management and administrative services, and the related payment of fees.

(7) Tax Status

The Plan is operating under the Volume Submitter Profit Sharing Plan with Cash or Deferred Arrangement ("CODA") prepared by Fidelity Management & Research Co. The Volume Submitter Profit Sharing Plan with CODA obtained its latest determination letter on March 31, 2014, which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. There are currently no tax audits of the Plan for any tax periods in progress.

(9) Subsequent Events

During 2022, certain employees of the Company were transferred to a new company, within the controlled group, which also offers a 401(k) plan. In June 2022, the account balances of these employees, totalling \$6,892,813, were transferred from the Plan to the new company's 401(k) plan.

Subsequent events have been evaluated through October 6, 2022 which is the date the financial statements were available to be issued.
