INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
**Section 403(b) Retirement Plan for
Stein Hospice Service, Inc.**
Sandusky, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of Section 403(b) Retirement Plan for Stein Hospice Service, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the 2021 financial statements of Section 403(b) Retirement Plan for Stein Hospice Service, Inc. referred to in the first paragraph. Because of the significance of matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Because of unavailable records for the prior periods, we were not able to perform sufficient auditing procedures with respect to the participants' individual account balances accumulated from inception of the plan to December 31, 2008. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Section 403(b) Retirement Plan for Stein Hospice Service, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of Section 403(b) Retirement Plan for Stein Hospice Service, Inc.'s financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Section 403(b) Retirement Plan for Stein Hospice Service, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) – modified cash basis is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Section 403(b) Retirement Plan for Stein Hospice Service, Inc. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In addition, because of the unavailable records for the prior periods, we were not able to perform sufficient auditing procedures with respect to the participants' individual account balances accumulated from inception of the Plan to December 31, 2008 and therefore are unable to form an opinion regarding the balances at December 31, 2008. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit and because of unavailable records for the periods prior to December 31, 2008, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**SECTION 403(b) RETIREMENT PLAN FOR
STEIN HOSPICE SERVICE, INC.**

**Notes to Financial Statements
For the year ended December 31, 2021**

1. Description of the plan

The following description of the Section 403(b) Retirement Plan for Stein Hospice Service, Inc. (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan in accordance with Internal Revenue Code Section 403(b) covering all employees of Stein Hospice Service, Inc. (the Organization), except for student employees. An employee becomes eligible to participate in the elective deferral portion of the Plan on their first day of employment with the employer, but in order to participate in the employer matching portion of the Plan, an employee must be at least 21 years of age and have been employed one year. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On January 1, 2010, the Plan sponsor, Stein Hospice Services, Inc. opened a new investment vehicle for its employees. At that same time salary deferrals and contributions were redirected to the new investment vehicle. The financial statements and tax filing are reported as a combination of the old and new investment vehicles.

Contributions

Each year participants may elect to make deferred salary contributions to the Plan in amounts subject to the limitations of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers deferred variable annuities as investment options for the participants. The Organization matches 100 percent of a participants' elective deferral up to a maximum of 4 percent of compensation, as defined by the Plan.

Participant accounts

Each participant's account is credited with their own contributions and allocations of the Organization's contributions and Plan earnings and charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All participants hired prior to November 1, 2009 were immediately 100% vested in their salary deferral contributions, Organization matching contributions and approved rollover contributions, plus actual earnings thereon. All participants hired on or after November 1, 2009 are 100% vested in their salary deferral contributions, approved rollover contributions, plus actual earnings thereon, but are subject to the following vesting schedule for Organization matching contributions:

<u>Years of Service</u>	<u>Vested %</u>
Less than 1	0
1	0
2	100

1. Description of the plan - continued

Notes receivable from participants

The Plan allows for participant loans and participants may borrow against their fund accounts up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants made from the Plan's new investment vehicle are measured at their unpaid principal balance. Interest income is recorded on the modified cash basis. Related fees are charged directly to the borrowing participant's account and are added to the principal of the loan when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. These notes receivable bear interest at 4.25% to 6.50%.

Loan transactions from the Plan's old investment vehicle are collateralized by the participants investment funds and bear interest at 3.00% to 3.25%, which is commensurate with local prevailing rates. Loan terms may range from 1 to 5 years (longer for the purchase of a primary residence). Notes receivable from participants from the Plan's old investment vehicle are made directly with Metropolitan Life Insurance Company. The balance of these notes receivable from participants is \$37,594 and \$41,250 at December 31, 2021 and 2020, respectively. All notes receivable from participants are secured by the account balance of each respective individual participant. Principal and interest is paid ratably through payroll deductions.

Payment of benefits

On termination of service, a participant may elect to receive a lump sum or an installment payment amount equal to the vested balance of his or her account.

The Plan Administrator may direct the custodian to make a lump-sum distribution to a terminated participant whose vested account balance is less than \$1,000.

Forfeitures

Forfeitures can be used to reduce employer match and plan expenses. The plan forfeitures were \$0 as of December 31, 2021.

2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are presented under the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under the modified cash basis of accounting employee deferrals and company contributions are recognized when received rather than when determined, and certain expenses are recognized when paid rather than when the obligation is incurred. Consequently, the Plan has not recognized a receivable for employee deferral or employer contributions or accrual for plan expenses and their related effects on plan earnings in the accompanying financial statements.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from these estimates.

Payment of benefits

Benefits are recorded when paid.

2. Summary of significant accounting policies – continued

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Changes in appreciation of investments are reflected currently in the statement of changes in net assets available for benefits and include the Plan's gains and losses on investments bought and sold as well as held during the year.

Subsequent events

Management has evaluated subsequent events through September 27, 2022, the date the financial statements were available to be issued.

3. Information certified by Metropolitan Life Insurance Company (MetLife)

The Plan sponsor entered into an agreement with MetLife, which established MetLife as the custodian and third party administrator of the Plan. The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under this election, no audit procedures were performed on the financial statements and accompanying supplementary information (other than with respect to contributions and benefits paid to participants), except for comparing such information to the information certified by the custodian.

4. Investments

The Plan invests in various investment securities. Such investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that a change could occur in the near term that could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

5. Fair value measurements

FASB ASC 820, Fair Value Measurements, establishes that fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price) and establishes a fair value hierarchy based upon the inputs used to measure fair value. The three levels of the fair value hierarchy defined by FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

5. Fair value measurements - continued

As required by FASB ASC 820, financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of the fair value of assets and liabilities and their placement within the fair value hierarchy levels. The Plan's investments accounted for at fair value as of December 31 are summarized below:

	<u>2021</u>	<u>2020</u>
<u>Level 2 inputs:</u>		
Metropolitan Life Fixed Interest Account	\$ 1,849,623	\$ 2,015,173
Metropolitan Life Separate Account E	<u>7,778,513</u>	<u>6,607,468</u>
	<u>\$ 9,628,136</u>	<u>\$ 8,622,641</u>

The deferred variable annuities of the Plan are invested in the Metropolitan Life Fixed Interest Account and Separate Account E and are reported at fair value. Investments in the accounts are valued based on the current market value of the underlying assets of the funds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

Gains and losses (realized and unrealized) are included in net appreciation (depreciation) in fair value of investments in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

6. Net assets available for benefits

Net assets available for benefits at December 31, 2021 and 2020 include \$3,165,782 and \$2,867,625, respectively, allocated to the accounts of persons who terminated employment as of or prior to that date. This is the vested amount available to the participants.

7. Tax determination

The Plan adopted a prototype 403(b) plan from MetLife. The IRS now offers a pre-approval process for 403(b) plans; however, the IRS has not yet issued opinion letters for any 403(b) plans. The MetLife Specimen 403(b) Plan Document has been submitted to the IRS for approval as a prototype plan and is expected to receive the appropriate IRS Opinion Letters. The MetLife Specimen 403(b) Plan was obtained from a leading document provider (Relius/Sungard) and they do not anticipate any difficulties in obtaining approval from the IRS. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal taxing authorities. The Plan is subject to routine audit by the Internal Revenue Service; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to examinations for years prior to the year ended December 31, 2018.

8. Plan termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their employer contributions. In certain circumstances, contributions to the Plan are subject to withdrawal charges over a seven year period. The declining seven year withdrawal charge schedule applies to each contribution and is as follows, per year: 7%, 6%, 5%, 4%, 3%, 2%, 1%, and 0% thereafter.

9. Administrative expenses

Administrative expenses consist primarily of accounting, loan fees and other custodial costs of servicing the Plan. Loan fees are deducted from the respective participant's account. Certain administrative functions are performed by officers or employees of the Plan sponsor. No such officer or employee receives compensation from the Plan.

10. Related party and party-in-interest transactions

Plan investments are deferred variable annuities managed by MetLife. MetLife is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to MetLife for record keeping services amounted to \$488 for the year ended December 31, 2021.

11. Reconciliation of financial statements to Schedule H of Form 5500

The following is a reconciliation of the fair value of investments per the financial statements for the year ended December 31, 2021, to Schedule H of Form 5500:

Investment contract in insurance company per the financial statements	\$ 9,628,136
