C Plan sponsor's name as shown on line 2a of Form 5500 TRAYLOR PORTER HEALTH CARE MAN	D Employer Identification Number (EIN) 26-4227834	

Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☐ Yes ☒ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

2. Information on Other Service Providers Receiving Direct or Indirect Compensation. Except for those persons for whom you answered "Yes" to line 1a above, complete as many entries as needed to list each person receiving, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of value) in connection with services rendered to the plan or their position with the plan during the plan year. (See instructions).

(a) Enter name and EIN or address (see instructions)

PAYCHEX, INC.

(2) EIN:

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?			
4e		X	
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?			
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)			
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n		X	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

☐ Effective duration ☐ Macaulay duration ☐ Modified duration ☐ Other (specify): _____

- 20 PBGC missed contribution reporting requirements.** If this is a multiemployer plan or a single-employer plan that is not covered by PBGC, skip line 20.

a Is the amount of unpaid minimum required contributions for all years from Schedule SB (Form 5500) line 40 greater than zero? ☐ Yes ☐ No

b If line 20a is "Yes," has PBGC been notified as required by ERISA sections 4043(c)(5) and/or 303(k)(4)? Check the applicable box:

☐ Yes.

☐ No. Reporting was waived under 29 CFR 4043.25(c)(2) because contributions equal to or exceeding the unpaid minimum required contribution were made by the 30th day after the due date.

☐ No. The 30-day period referenced in 29 CFR 4043.25(c)(2) has not yet ended, and the sponsor intends to make a contribution equal to or exceeding the unpaid minimum required contribution by the 30th day after the due date.

☐ No. Other. Provide explanation _____

September 23, 2022

Traylor Porter Health Care Management, Inc. 401(k) Plan
495 Lee Road 14
Auburn, AL 36830

Dear Plan Administration and Management:

We are pleased to present the results of our audit of the 2021 financial statements of the Traylor Porter Health Care Management, Inc. 401(k) Plan (the "Plan").

This report to Plan administration and management summarizes our audit, the reports issued and various analyses and observations related to the Plan's accounting and reporting. The document also contains the communications required by our professional standards.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). We considered the Plan's current and emerging business needs, along with an assessment of risks that could materially affect the financial statements, and aligned our audit procedures accordingly. We conducted the audit with the objectivity and independence that you, the Plan administration and management, expect. We received the full support and assistance of the Plan's personnel.

At Carr, Riggs & Ingram, LLC ("CRI"), we are continually evaluating the quality of our professionals' work in order to deliver audit services of the highest quality that will meet or exceed your expectations. We encourage you to provide any feedback you believe is appropriate to ensure that we do not overlook a single detail as it relates to the quality of our services.

This report is intended solely for the information and use of Plan administration and management, and others within the Plan, and should not be used by anyone other than these specified parties.

We appreciate this opportunity to work with you. If you have any questions or comments, please contact me at 205-625-3472 or mtaylor@cricpa.com.

Very truly yours,

Matthew Taylor, CPA

Required Communications

As discussed with the Plan administration and management during our planning process, our audit plan represented an approach responsive to the assessment of risk for the Plan. Specifically, we planned and performed our audit to:

- Perform ERISA Section 103(a)(3)(C) audit, as deemed permissible by the Plan Administrator and pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, in accordance with auditing standards generally accepted in the United States of America ("GAAS"), in order to express an opinion on the Plan's financial statements for the year ended December 31, 2021;
- Communicate directly with the Plan Administrator and Management regarding the results of our procedures;
- Address with the Plan Administrator and Management any accounting and financial reporting issues;
- Anticipate and respond to concerns of the Plan Administrator and Management; and
- Other audit-related projects as they arise and upon request.

Required Communications

We have audited the financial statements of the Plan for the year ended December 31, 2021, and have issued our report thereon dated September 23, 2022. Professional standards require that we provide you with the following information related to our audit:

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Auditor's responsibility under Generally Accepted Auditing Standards	As stated in our engagement letter dated April 19, 2022, and as described below, we conducted our audit in accordance with GAAS. You have determined it is permissible in the circumstances and elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information described in Note 3), by a qualifying institution, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your responsibilities. As part of our audit, we considered the internal control of the Plan. Such considerations were solely for the purpose of determining our audit procedures

Required Communications

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
	and not to provide any assurance concerning such internal control.
Client's responsibility	Management, with oversight from those charged with governance, is responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; and for the fair presentation in the Plan's financial statements of net assets available for benefits and changes in net assets available for benefits in conformity with the applicable framework. Management is responsible for the design and implementation of programs and controls to prevent and detect fraud. Management is responsible for determining whether (1) an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances; (2) the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8; (3) the certification meets the requirements in 29 CFR 2520.103-5; and (4) the certified investment information is appropriately measured, presented, and disclosed in accordance with the applicable financial reporting framework. Management is responsible for overseeing nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.
Planned scope and timing of the audit	Our initial audit plan was not significantly altered during our fieldwork.
Management judgments and accounting estimates <i>The process used by management in forming particularly sensitive accounting estimates and the basis for the auditor's conclusion regarding the reasonableness of those estimates.</i>	Please see the following section titled "Accounting Policies, Judgments, and Sensitive Estimates & CRI Comments on Quality."
Potential effect on the financial statements of any significant risks and exposures <i>Major risks and exposures facing the Plan and how they are disclosed.</i>	No such significant risks or exposures were noted.
Significant accounting policies, including critical accounting policies and alternative treatments within generally accepted accounting principles and the auditors' judgment about the quality of accounting principles	Significant accounting policies are described in Note 2 to the Plan's financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative

Required Communications

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
<i>The initial selection of and changes in significant accounting policies or their application; methods used to account for significant unusual transactions; and effect of significant policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.</i> <i>The auditor should also discuss the auditors' judgment about the quality, not just the acceptability, of the Plan's accounting policies as applied in its financial reporting. The discussion should include such matters as consistency of accounting policies and their application, and clarity and completeness of the financial statements, including disclosures. Critical accounting policies and practices applied by the Plan in its financial statements and our assessment of management's disclosures regarding such policies and practices (including any significant modifications to such disclosures proposed by us but rejected by management), the reasons why certain policies and practices are or are not considered critical, and how current and anticipated future events impact those determinations;</i> <i>Alternative treatments within GAAP for accounting policies and practices related to material items, including recognition, measurement, presentation and disclosure alternatives, that have been discussed with client management during the current audit period, the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the auditor; Furthermore, if the accounting policy selected by management is not the policy preferred by us, discuss the reasons why management selected that policy, the policy preferred by us, and the reason we preferred the other policy.</i>	guidance or consensus. All significant transactions have been recognized in the Plan's financial statements in the proper period. Certain Plan financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure(s) affecting the Plan's financial statements was: The disclosure of fair value measurements of investments in Note 4 to the financial statements. The Plan's financial statement disclosures are neutral, consistent, and clear.
Significant difficulties encountered in the audit <i>Any significant difficulties, for example, unreasonable logistical constraints or lack of cooperation by management.</i>	We encountered no significant difficulties in dealing with management in performing and completing our audit.
Disagreements with management <i>Disagreements, whether or not subsequently resolved, about matters significant to the financial accounting, reporting, or auditing matter, that could be significant to the financial statements or the auditors' report. This does not include those that came about based on incomplete facts or preliminary information.</i>	We are pleased to report that no such disagreements arose during the course of our audit.
Other findings or issues <i>Matters significant to oversight of the financial reporting practices by those charged with governance, including any circumstances that</i>	None noted.

Required Communications

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
<i>could affect the form or content of the report. For example, an entity's failure to obtain the necessary type of audit, such as one under Government Auditing Standards, in addition to GAAS.</i>	
Matters arising from the audit that were discussed with, or the subject of correspondence with, management <i>Business conditions that might affect risk or discussions regarding accounting practices or application of auditing standards.</i>	None noted.
Corrected and uncorrected misstatements <i>All significant audit adjustments arising from the audit, whether or not recorded by the Plan, that could individually or in the aggregate have a significant effect on the financial statements. We should also inform the Board of Directors about uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented, that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole. Any internal control deficiencies that could have prevented the misstatements.</i>	See "Summary of Audit Adjustments" section.
Major issues discussed with management prior to retention <i>Any major accounting, auditing or reporting issues discussed with management in connection with our initial or recurring retention.</i>	Discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.
Consultations with other accountants <i>When management has consulted with other accountants about significant accounting or auditing matters.</i>	To our knowledge, there were no such consultations with other accountants.
Written representations <i>A description of the written representations the auditor requested (or a copy of the representation letter).</i>	See "Management Representation Letter" section.
Internal control deficiencies and Reportable Findings <i>Any significant deficiencies or material weaknesses in the design or operation of internal control that came to the auditors' attention during the audit.</i> <i>A reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations (2) a finding that in our professional judgement is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of</i>	See "Internal Control & Reportable Findings" section.

Required Communications

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
<i>internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention.</i>	
Fraud and illegal acts <i>Fraud involving senior management or those responsible for internal controls, or causing a material misstatement of the financial statements, where the auditor determines there is evidence that such fraud may exist. Any illegal acts coming to the auditors' attention involving senior management and any other illegal acts, unless clearly inconsequential.</i>	We are unaware of any fraud or illegal acts involving management or causing material misstatement of the Plan's financial statements.
Parties in interest and prohibited transactions <i>Any parties in interest in the plan, prohibited transactions as defined by ERISA, and other reportable transactions.</i>	No prohibited transactions were noted. Transactions with parties-in-interest were properly disclosed in the notes to the Plan's financial statements.
Form 5500 Procedures <i>The external auditors' requirement to obtain and read a substantially complete draft of the Form 5500 prior to dating of the auditors' report. The purpose is to identify any material inconsistencies between the draft 5500 and the Plan's financial statements.</i>	We identified no material Form 5500 inconsistencies in performing and completing our audit except as any disclosed in the financial statements.
Other information in documents containing audited financial statements <i>The external auditors' responsibility for information in a document containing audited financial statements, as well as any procedures performed and the results.</i>	Our responsibility related to documents (including annual reports, websites, etc.) containing the Plan's financial statements is to read the other information to consider whether: - Such information is materially inconsistent with the Plan's financial statements; and - We believe such information represents a material misstatement of fact. We have not been provided any such items to date and are unaware of any other documents that contain the audited financial statements. The 5500 will be considered upon completion by the third party administrator to determine if there are any exceptions noted related to the considerations above.
Significant unusual accounting transactions <i>Auditor communication with governance to include auditors' views on policies and practices management used, as well as the auditors' understanding of the business purpose.</i>	No significant unusual accounting transactions were noted during the year.
ERISA Required Supplementary Information in relation to the financial statements as a whole	Our responsibility for the ERISA-required supplemental schedules accompanying the financial

Required Communications

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
<i>The auditors' responsibility for supplementary information accompanying the financial statements, as well as any procedures performed and the results.</i>	statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

Accounting Policies, Judgements and Sensitive Estimates & CRI Comments on Quality

We are required to communicate our judgments about the quality, not just the acceptability, of the Plan's accounting principles as applied in its financial reporting. We are also required to communicate critical accounting policies and sensitive accounting estimates. Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. Plan Management may wish to monitor throughout the year the process used to compute and record these accounting estimates. The table below summarizes our communications regarding these matters.

AREA	ACCOUNTING POLICY	CRITICAL POLICY?	JUDGMENTS & SENSITIVE ESTIMATE	COMMENTS ON QUALITY OF ACCOUNTING POLICY & APPLICATION
Investments	The Plan follows the provisions of Accounting Standards Codification (ASC) 820, Fair Value Measurements, when reporting investments.	X	The Plan relies on valuations from the trustee for 100% of the asset values. The allocation between Levels 1-3 under ASC 820 is based on management's review of the underlying investments.	Based on the ERISA Section 103(a)(3)(C) procedures we performed with respect to the Plan's investments, we noted that it appears the Plan accounts for investments in accordance with GAAP and all applicable standards and guidelines of ERISA.

Summary of Audit Adjustments

During the course of our audit, we accumulate differences between amounts recorded by the Plan and amounts that we believe are required to be recorded under GAAP reporting guidelines. Those adjustments are either recorded (corrected) by the Plan or passed (uncorrected). Uncorrected misstatements or the matters underlying them could potentially cause future period financial statements to be materially misstated, even if, in the auditors' judgment, such uncorrected misstatements are immaterial to the financial statements under audit.

These adjustments were reviewed and approved by management. There were no uncorrected adjustments as a result of our audit procedures. See the attached schedule of adjustments made during the audit.

QUALITATIVE MATERIALITY CONSIDERATIONS

In evaluating the materiality of audit differences when they do arise, we consider both quantitative and qualitative factors, for example:

- Whether the difference arises from an item capable of precise measurement or whether it arises from an estimate, and, if so, the degree of imprecision inherent in the estimate.
- Whether the difference masks a change in net assets or other trends.
- Whether the difference changes a net decrease in assets to addition, or vice versa.
- Whether the difference concerns an area of the Plan's operating environment that has been identified as playing a significant role in the Plan's operations or viability.
- Whether the difference affects compliance with regulatory requirements.
- Whether the difference involves concealment of an unlawful transaction.
- Whether the difference involves concealment of a prohibited transaction, or transaction with a party in interest, as defined by ERISA.

Mr. Mark Traylor
Traylor Porter Health Care Management, Inc. 401(k) Plan
495 Lee Road 14
Auburn, AL 36830

Dear Mr. Traylor:

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Traylor Porter Health Care Management, Inc. 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered Traylor Porter Health Care Management, Inc. 401(k) Plan’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan’s internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Mid Atlantic Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan’s financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control over financial reporting, that is less severe than a material weakness, yet important enough to merit attention by those responsible for oversight of the Plan’s financial reporting. A reportable finding is an indication of deficiencies in internal control identified during the audit that have not been communicated to management by other parties and that, in the auditor’s professional judgment, are of sufficient importance to merit management’s attention. We consider in the accompanying chart the

Internal Control & Reportable Findings

deficiencies in Traylor Porter Health Care Management, Inc. 401(k) Plan's internal control to be deficiencies and reportable findings.

During our audit, we also became aware of deficiencies in internal control other than significant deficiencies or material weaknesses, and the accompanying chart also includes other matters that are opportunities for strengthening internal controls and operating efficiency.

We have included the accompanying chart of deficiencies and internal control recommendations for Management's consideration.

This communication is intended solely for the information and use of Plan administration and management, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties. Traylor Porter Health Care Management, Inc. 401(k) Plan's written response to the deficiencies, improvement points and reportable finding identified in our audit has not been subjected to the audit procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Carr, Riggs & Ingram, LLC

Carr, Riggs & Ingram, LLC

Internal Control & Reportable Findings

The following legend should be used in conjunction with reviewing the “Rating” of each of the identified internal control items:

IP = Improvement Point	D = Control Deficiency	SD = Significant Deficiency	MW = Material Weakness	RF = Reportable Finding *
---------------------------------------	---------------------------------------	--	---------------------------------------	--

Note: generally control deficiencies, significant deficiencies and/or material weaknesses are deemed to also be reportable findings unless otherwise noted. This concept is only relevant for benefit plans.

CONTROL NUMBER	RATING	AREA	ITEM NOTED	SUGGESTION	MANAGEMENT ACTION
21-01	D, RF	Across Areas	Plan administration does not document a review of plan statements. Without a review of Plan documents and Plan statements, transactions materially impacting the Plan might not be identified timely.	Plan statement review could be documented by retaining and reconciling copies of Plan statement, along with correspondence related to Plan transactions. Do so at least quarterly to ensure compliance with Plan documents and to ensure Plan transactions are recorded timely.	We will consider implementing periodic meetings for plan administration.
21-02	D, RF	Participant Accounts	No employee signed forms for employees that elect to not participate in the Plan. Without evidence of opportunity to participate in the Plan, there could be eligible employees who are not aware of their opportunity to join the Plan.	Keep records for employees who decline to participate, for example, by retaining a signed refusal. This would indicate employees who become eligible to participant in the Plan have been notified of their eligibility.	Employees enroll online. There are no signed forms to maintain.

Internal Control & Reportable Findings

21-03	D, RF	Participant Accounts	A remittance of deferrals from February 17, 2017, was remitted incorrectly to participants and there is still amount due to the Plan from those deferrals. This leads to a receivable on the financial statements and the impacted participant funds to be underfunded.	Review the documentation of deferrals and remittances from February 17, 2017 for Arbor Springs Health and Rehab. Remit the remaining deferral balance, currently included in Plan receivables, and properly allocate the prior remitted portion to the proper participants.	We are near the completion of this correction, as we communicated with Paychex on the process for correction in the prior year.
21-04	D, RF	Benefit Payments/Forfeitures	During testing of forfeiture payments, we identified multiple participants who were impacted by improper calculation of their vested balance and forfeited funds. The Plan's adoption agreement was not followed, impacting benefit payments to participants and forfeitures available for future use by the Plan Sponsor.	Work with your third-party retirement services provider, Paychex, Inc., to determine the proper vested account balances for employees with distributions during the year and determine what corrections should be made for the impacted participants. Review the current Plan documents for vesting schedules and methods used for calculating forfeitures.	We will work with Paychex, Inc. to determine cause of this issue and make corrections to participants or former participants that were impacted.

Internal Control & Reportable Findings

21-05	IP	Timeliness of Employee Deferral Remittances	Across members of the control group, there is inconsistencies in timeline for deferral and remittances. Review of remittance timelines indicate entities have the ability to remit within 1-3 days but have remittances up to 7 days after payroll check issuance, which the Department of Labor could consider delinquent.	Periodically review and test participant deferrals to ensure all deferrals were remitted timely. Consistently make remittances as soon as contributions can be reasonably segregated from the Sponsor's general assets. Take proper steps to ensure compliance.	We are continuing to work towards having all deposits remitted by the Thursday following each paycheck. This should help us to have timely deposits in the future. Our compliance consultant has reviewed the timeliness of our 2020 deposits and they have not proposed any corrections due on these deposits made within one week of the applicable pay date.
-------	----	---	--	--	--

Internal Control & Reportable Findings

21-06	IP	Across Areas	The Plan does not have any formal meetings and no minutes are available.	Take a proactive approach to implementing a comprehensive fiduciary governance process, which includes formal meetings and minutes to document the fiduciary process and decisions. This can also be beneficial for annual audits or to meet requests of regulatory bodies.	We will consider implementing quarterly meetings with minutes in which we will review Plan documents and Plan statements.
-------	----	--------------	--	---	---

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with various personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Traylor Porter Health Care Management, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Traylor Porter Health Care Management, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Traylor Porter Health Care Management, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Traylor Porter Health Care Management, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Traylor Porter Health Care Management, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Traylor Porter Health Care Management, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Traylor Porter Health Care Management, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4(i)-Schedule of Assets (Held at End of Year) as of December 31, 2021, and Schedule H, Line 4(a)-Schedule of Delinquent Participant Contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the

supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Traylor Porter Health Care Management, Inc. 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying statement of net assets available for benefits of Traylor Porter Health Care Management, Inc. 401(k) Plan as of December 31, 2020 and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Mid Atlantic Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statement. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020 that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Traylor Porter Health Care Management, Inc. 401(k) Plan Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN

The following description of the Traylor Porter Health Care Management, Inc. 401(k) Plan (the Plan) provides only general information. Refer to Plan documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC. The Plan covers substantially all hourly and salaried employees of Traylor Porter Health Care Management, Inc., (the "Company", "Sponsor", "Employer", or "Plan Administrator"), Arbor Springs Health & Rehab Center, LTD, Arbor Woods Health & Rehab, LLC, and Randolph Management Company, Inc. (the Plan employers), subject to certain eligibility requirements. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

The Plan's limited trustee and management determines the appropriateness of the Plan's investment offerings and monitors investment performance. Some administrative functions are performed by employees of the Company. No compensation is remitted to the Company for these services.

Plan assets are held and managed by Mid Atlantic Trust Company which invests contributions and Plan earnings, makes investment transactions as directed by the trustee. Paychex Retirement Services provides certain recordkeeping services as well as performs certain plan administration and annual ERISA compliance testing.

Coronavirus Aid, Relief, and Economic Security Act of 2020

The Coronavirus Aid Relief and Economic Security Act (the CARES Act) was passed by the U. S. Senate on March 26, 2020. Under certain provisions of the CARES Act, certain requirements for loans and benefit payments to participants were changed in response to the COVID-19 pandemic. The Plan adopted these provisions for the year ended December 31, 2020. The Plan will be amended to reflect these changes prior to the December 31, 2025 deadline.

Eligibility

The Plan covers substantially all full-time employees of the Plan Sponsor and the related control group excluding union employees and non-resident aliens who have no earned income from sources within the United States. The employees must also meet other requirements such as reaching twenty-one years old with a year of eligible service, which requires 1,000 hours. They then become eligible for participation in the Plan on the first day of the first month and the seventh month of the Plan year.

Traylor Porter Health Care Management, Inc. 401(k) Plan Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN (continued)

Contributions

Each year, participants may contribute up to 15 percent (%) of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (i.e. rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. In addition, for each participant who made contributions during the plan year, the employer made a discretionary matching contribution equal to 50% of the participant's deferral. The match cannot exceed 3% of compensation.

During the year ended December 31, 2021, the Company contributed \$92,878 in employer matching contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company's matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Employer's matching, profit sharing, and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. In order to obtain a year of vesting service, a participant is required to work at least 1,000 hours. A participant is vested in these contributions as follows:

Years of service	Vesting Percent
Less than 3 years	0%
Year 3 and thereafter	100%

A participant's account becomes fully vested upon the participant's death, total disability, or attaining normal retirement age.

Receivables

Contributions receivable include those pursuant to formal commitments based on the Plan's adoption agreement. Evidence that a formal commitment existed was based on criteria that (a) the contribution is based on participant compensation that existed for the current plan year and (b) the plan terms require a contribution to be made for the current plan year.

Traylor Porter Health Care Management, Inc. 401(k) Plan Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN (continued)

Notes Receivable from Participants

Participant loans are not allowed under the Plan provisions.

Benefit Payments

The Plan provides retirement benefits for participants who reach normal retirement age of sixty-five. The Plan provides for a payout of deferrals while still employed but only after the participant reaches age 59 1/2. Terminated participants may take a payout of their account balance. Participants who have reached normal retirement age may receive a lump-sum amount equal to the value of his/her account. The Plan also provides for complete distribution of the participant's account balance to the participant or designated beneficiary upon disability or death. The Plan allows for distributions in the form of lump sum, partial payments, installment payments or annuity contracts.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. These forfeited amounts are invested in the money market fund until utilized to pay plan expenses, offset employer contributions, or allocated to participant accounts. There was \$3,367 of forfeited nonvested accounts in 2021, with additional immaterial gains on the forfeited account balance. Accumulated forfeitures totaled \$1,061 as of December 31, 2021 and there were no accumulated forfeitures as of December 31, 2020. Of those forfeited amounts, \$2,467 was utilized to pay Plan expenses in 2021.

Hardship Withdrawals

As permitted by the Internal Revenue Code (IRC), a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The participant must meet the condition that they cannot relieve the amount of the need by stopping the elective contributions to the Plan. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

Plan Amendments

There were no significant Plan amendments during the current year.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments generally are reported at fair value, but may also be reported at contract value or net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements and NAV.

The Plan's limited trustee and management determines the Plan's valuation policies utilizing information provided by the investment advisers, directed trustee and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is reported on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Distributions to participants are recorded when paid. At the year-ended December 31, 2020 there was a benefit payment in the process of being paid amounting to \$3,500, which was recorded and paid out to the participant in 2021.

Administrative Expenses

The Plan provides for administrative expenses to be paid from the Plan assets. Administrative expenses of the Plan include fees paid to the third party consultants and trustee. All operating expenses related to maintaining the Plan are typically paid by the Plan Sponsor. During the year ended December 31, 2021, expenses of \$31,386 were paid by the Plan and allocated to participant accounts.

Traylor Porter Health Care Management, Inc. 401(k) Plan Notes to Financial Statements

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

Subsequent Events

Management has evaluated subsequent events through September 23, 2022, the date the financial statements were available to be issued. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Note 3: INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of annual compliance reporting permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements have been derived from information certified to be complete and accurate by Mid Atlantic Trust Company (the trustee) have certified that the following data included in the accompanying financial statements is complete and accurate under such regulation:

- a) Total investments, at fair value, included in the Statement of Net Assets Available for Benefits as of December 31, 2021 and 2020.
- b) Investment income information included in the Statement of Changes in Net Assets Available for Benefits, for the year ended December 31, 2021.
- c) All amounts included in Note 4, *Fair Value measurements (Unaudited)*.
- d) All information included in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021.

Traylor Porter Health Care Management, Inc. 401(k) Plan Notes to Financial Statements

NOTE 4: FAIR VALUE MEASUREMENTS (UNAUDITED)

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
 - observable; or
 - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Traylor Porter Health Care Management, Inc. 401(k) Plan

Notes to Financial Statements

NOTE 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Mutual funds	\$ 3,574,111	\$ -	\$ -	\$ 3,574,111
	3,574,111	-	-	3,574,111
Total investments			\$	3,574,111

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Mutual funds	\$ 3,233,487	\$ -	\$ -	\$ 3,233,487
	3,233,487	-	-	3,233,487
Total investments			\$	3,233,487

Note 5: TAX STATUS

The Plan has adopted a prototype non-standardized profit sharing plan for which the IRS has determined and informed the prototype document sponsor by a letter dated April 10, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Tax positions are recognized only if it is "more likely than not" that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions

Traylor Porter Health Care Management, Inc. 401(k) Plan Notes to Financial Statements

Note 5: TAX STATUS (continued)

not meeting the "more likely than not" test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress

Note 6: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2021 and 2020, Mid Atlantic Trust Company was the directed trustee for the Plan. The directed trustee of the Plan provides investment services to the Plan and also manages and invests contributions and other cash received as directed, records interest and dividend income, and makes distributions to participants. Paychex Retirement Service served as Plan consultant and record-keeper for the Plan.

In general, the administrative expenses for the Plan are paid from the Plan's assets. From time to time certain expenses of the Plan, including legal and accounting fees, are paid by the Plan Sponsor. In addition, certain services to the Plan by the Plan Sponsor were performed at no charge.

Note 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.
