Independent Auditor's Report

To the Plan Administrative Committee of the  
Anesthesia Associates of Kansas City, P.C. 401(k) Profit Sharing Plan  
Overland Park, Kansas 66210

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of the Anesthesia Associates of Kansas City, P.C. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for Plan benefits as of December 31, 2021, and the related statement of changes in net assets available for Plan benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Independent Auditor's Report

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Anesthesia Associates of Kansas City, P.C. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Anesthesia Associates of Kansas City, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

## Independent Auditor's Report

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements** (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Anesthesia Associates of Kansas City, P.C. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Anesthesia Associates of Kansas City, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### **2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplemental information required by the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or was derived from the certified investment information, we compared such information to the related certified investment information.

## Independent Auditor's Report

### **Other Matters** (continued)

#### 2021 Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or was derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Anesthesia Associates of Kansas City, P.C. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA.

**401(K) PROFIT SHARING PLAN**

Notes to the Financial Statements  
Years Ended December 31, 2021 and 2020

**1. Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for Plan benefits and changes therein and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as investments held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes are treated as distributions based upon terms of the Plan document.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the participating employers, Anesthesia Associates of Kansas City, P.C. through December 31, 2020 and Anesthesia Associates of Kansas City, P.A. effective January 1, 2021 and Healthcare Administrative Services, P.A. (the Company). No such officer or employee receives compensation from the Plan, and the related administrative expenses are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits are deducted when paid.

Notes to the Financial Statements  
Years Ended December 31, 2021 and 2020

**2. Description of Plan**

The following description of the Anesthesia Associates of Kansas City, P.C. 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company. The Plan and the trust of which it is a part are intended to satisfy all the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrative Committee is responsible for oversight of the Plan, monitoring investment performance and determining the appropriateness of the Plan's investment offerings.

Eligibility

Employees of the Company automatically become eligible for the 401(k) saving feature of the Plan and all employer contributions when they are hired if they are at least 21 years of age. The Plan is a safe harbor 401(k) plan whereby all participants are eligible for a special safe harbor non-elective contribution equal to 3% of the participant's compensation.

Contributions

Each year participants may contribute any percentage (subject to the maximum allowed by the Internal Revenue Service (IRS)) up to 85% of their pretax annual compensation, as defined by the Plan (deferral contributions). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up deferral contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Deferral contributions can be changed at any time. The Plan has an automatic enrollment feature at 5% deferral of pretax annual compensation, but participants can elect a different deferral percentage, or they can revoke the automatic enrollment.

The Company makes fixed matching contributions on behalf of participants. The Company applies a fixed matching formula of 100% of each participant's deferral contributions, up to a maximum matching contribution of 4.25% of a participant's compensation to a maximum of \$12,190 and \$11,904 in 2021 and 2020, respectively. These contributions are made at the Company's discretion.

The Company may also make a discretionary profit sharing contribution, which is determined each year by the Company. For the Plan years ended December 31, 2021 and 2020, the profit sharing contributions were \$3,422,998 and \$4,465,806, respectively.

Participants have the option of directing their contributions and their allocation of the employer contributions to numerous investment options. Participants can change contribution allocations and transfer investment balances as often as desired using the telephone or internet.

Participant Accounts

Each participant's account is credited/(charged) with the participant's contributions, the participant's allocation of the employer's contributions and allocations of Plan earnings/(losses). Allocations of the employer's contributions and Plan earnings/(losses) are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Years Ended December 31, 2021 and 2020

**2. Description of Plan** (continued)

Vesting

Participants are vested immediately in their contributions and employer safe harbor contributions. Vesting in Company discretionary contributions is based upon years of service. A year of service for vesting purposes is 1,000 hours. A participant is 0% vested until after three years of credited service at which time the participant becomes 100% vested, except as discussed below, under Plan Amendments.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of his or her account or installment payments.

Notes Receivable from Participants

Except as discussed below, under Plan Amendments, Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms range from one to five years except notes for the purchase of a primary residence may be for up to 20 years. The notes are secured by the balance in the participant's account. The interest rate charged on notes is determined by Plan management and ranged from 3.75% to 6.50% at December 31, 2021. Interest rates on notes receivable from participants ranged from 3.50% to 6.50% at December 31, 2020. Principal and interest are paid ratably through payroll deductions.

Forfeitures

Forfeitures of non-vested account balances are used by the Company to reduce employer contributions. For the years ended December 31, 2021 and 2020, forfeitures in the amounts of \$112,604 and \$120,646, respectively, were used to offset employer contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$112,203 and \$120,463, respectively.

Plan Amendments

Effective January 1, 2020, the Plan adopted the following hardship distribution provisions of the Bipartisan Budget Act of 2018:

- Hardship distributions made on or after the effective date do not trigger a suspension of elective deferrals. If a participant received a distribution before the effective date, the participant is able to resume deferrals as soon as practical after the effective date.
- Participants do not need to take Plan loans before taking hardship distributions.
- Earnings on elective deferrals may be withdrawn on account of a hardship.
- Hardship needs include residential casualty losses (without regard to whether the casualty was in a federally declared disaster area) and disaster losses.

**2. Description of Plan** (continued)

Plan Amendments (continued)

On April 15, 2020, the Plan adopted the following amendments related to provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) enacted by Congress in response to the COVID-19 pandemic:

- Through December 31, 2020, qualified individuals were permitted to take a distribution in an amount up to \$100,000 from the Plan. Any such distribution was not subject to the 10% early distribution penalty or 20% federal income tax withholding. Participants who took a qualified distribution could elect to have the distribution taxed over a three year period. They can also recontribute up to the full amount of the distribution within three years and not be subject to federal income tax.
- Loan repayments with respect to qualified participants that were due between March 27, 2020 and December 31, 2020 could be delayed for one year upon participant request.
- Through September 22, 2020, the loan limit increased to \$100,000 and the loan percent increased to 100% of the participants vested account balance.
- Required minimum distributions for calendar year 2020 were waived for retired and retirement-aged individuals.

Effective January 31, 2021, the Plan was amended to accelerate vesting to 100% for all participant accounts of employees whose primary work location was Children's Mercy Hospital and whose employment with the Company ended on January 31, 2021.

**3. Income Taxes**

The Plan has adopted a prototype plan which has received an opinion letter dated September 21, 2020 from the IRS indicating that the Plan, as then designed, was qualified for tax-exempt status under the appropriate sections of the IRC. The Plan has been amended since receiving the opinion letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan is qualified and tax-exempt as of the financial statement date and no provision for income taxes has been recorded in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

**4. Certified Information**

Certain information related to the investments disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained or derived from information supplied to Plan management and certified as complete and accurate by Charles Schwab Trust Bank (Schwab), the trustee of the Plan.

**5. Fair Value Measurements of Investments**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**5. Fair Value Measurements of Investments** (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used to determine the fair value of investments at December 31, 2021 and 2020. There have been no changes in the methodologies used at December 31, 2021 and 2020:

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Common collective trust funds: Valued at the NAV of shares held by the Plan at year end. The NAV, as provided by Schwab at December 31, 2021 and 2020, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust, less its liabilities. The practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common collective trust, the investment advisor generally reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.
- Individually directed accounts: Consists primarily of common stocks, preferred stocks, partnerships, and exchange traded funds which are valued at the closing price reported on the active market on which the securities are traded, mutual funds, which are valued as described above, money market funds, which are valued at the amortized cost of securities held in the fund and interest bearing cash, which is stated at cost which approximates fair value. Amortized cost and cost do not meet the criteria for an active market and therefore money market funds and interest bearing cash are considered Level 2 assets.

The preceding valuation methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the years ended December 31, 2021 and 2020, there were no transfers.

(b) The stable value collective investment trust fund requires a 60-day advance notice for the Plan to liquidate the investment. The fund trustee may grant redemption earlier than 60 days, with its discretion, if it determines the redemption is not detrimental to the best interest of the fund and plans participating therein.

**6. Risks and Uncertainties**

The Plan allows participants to invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuation, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements and supplemental schedule.

**7. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**8. Party-in-Interest Transactions**

Certain Plan investments are managed by Schwab, the Plan trustee. These investments and transactions in these investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA. Schwab Retirement Plan Services, Inc. is the third-party administrator (TPA) for the Plan. Fees paid to the TPA, the trustee, investment advisors, and fees paid for other professional services are included in administrative expenses and are party-in-interest transactions that are exempt from the prohibited transaction rules of ERISA. In addition, notes receivable from participants and related transactions are party-in-interest transactions exempt from the prohibited transaction rules of ERISA.

**9. Subsequent Events**
