INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of

Fres-co System USA, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of Fres-co System USA, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (a "qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

FRES-CO SYSTEM USA, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following brief description of Fres-co System USA, Inc. Retirement Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document and adoption agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan sponsored by Fres-co System USA, Inc. (the "Company" or "plan sponsor") for the benefit of substantially all employees, as defined in the Plan, who are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

COVID-19 pandemic - On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus (the "COVID-19 outbreak") creating risks to the international community as the virus spread globally. On March 11, 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in global exposure.

On March 27, 2020, President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security Act" (the "CARES Act"). The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions for the calendar year 2020:

- special coronavirus distributions up to \$100,000;
- increased the available loan amount as described in Note 1 to the lesser of \$100,000 or 100% of the participant's vested account balance;
- extended the period for loan repayments by up to one year; and
- waiver of required minimum distributions due in 2020.

Contributions - Each year, participants may contribute a percentage of eligible compensation, as defined in the Plan, subject to certain limitations established by the Internal Revenue Code ("IRC"). Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions, as defined in the Plan. Highly-compensated employees are permitted to contribute up to 6% of their eligible compensation to the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollover).

The Company makes an annual discretionary matching contribution of 75% of participants' contributions up to 5% of eligible compensation, as defined. All contributions are participant-directed. The Company's contribution may be increased, decreased, or eliminated at the Company's discretion.

Participant investment account options - Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common/collective trust.

Participants' accounts - Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's contribution; (b) Plan earnings; and (c) forfeitures of terminated participants' nonvested accounts, and charged with an allocation of certain administrative and investment expenses. Allocations are based on the participant's earnings, account balances, or contributions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(1) Description of plan (continued)

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in Company contributions is based on years of service as defined in the Plan prototype document and adoption agreement. A participant is 25% vested after one year of service, 50% vested after two years of service, and 100% vested after three years of service.

Notes receivable from participants - Participants may borrow, from their fund accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balances (increased to the lesser of \$100,000 or 100% of their vested balance for a portion of 2020 due to the COVID-19 pandemic). Loans range from 1-5 years or up to 30 years for the purchase of a primary residence. The loans are secured by the balances in the participants' accounts and bear interest at the prevailing local rates at the inception of the loans. Interest rates range from 4.25% to 6.50% as of December 31, 2021. Principal and interest are paid ratably through biweekly payroll deductions.

Payment of benefits - On termination of service due to retirement, a participant with a balance in excess of \$5,000 can choose to: 1) receive a lump sum amount equal to the value of his or her account or 2) leave his or her balance in the Plan until minimum payments are required as specified in the Plan. Balances under \$5,000 are distributed in a lump sum. On termination of service due to death, a participant's beneficiary(ies) are paid the value of the participant's account in a single lump sum payment with certain limited exceptions as specified in the Plan. On termination of service due to resignation or discharge or in instances of hardship, the participant may retain balances over \$5,000 in the Plan or receive a lump sum distribution up to the value of his or her vested account balance.

Forfeited accounts - As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$131,363 and \$35,041, respectively. Forfeitures are to be used first to restore participants' forfeitures, and then the remainder is allocated annually to participants in the same proportion that their allocation of Company contributions bear to the total Company contributions for the year. There were no forfeitures allocated to participant accounts during the year ended December 31, 2021. Total forfeitures allocated to participant accounts during the year ended December 31, 2020, were \$112,957.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis of accounting. Dividend income is recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains or losses on investments bought and sold as well as held during the year.

(2) Summary of significant accounting policies (continued)

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the note receivable from participant to be in default, the note receivable balance is reduced, and a benefit payment is recorded.

Payment of benefits - Benefits are recorded when paid.

Administrative expenses - Certain expenses and costs of administering the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

(3) Information prepared and certified by the trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by PNC Bank N.A. ("PNC"), the trustee of the Plan.

(4) Fair value measurements

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, "Fair Value Measurements and Disclosures," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets and liabilities in active markets;
- quoted prices for identical or similar assets in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

FRES-CO SYSTEM USA, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

(4) Fair value measurements (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust: Valued at the NAV/unit value of units of a common/collective trust fund. The NAV/unit value, as provided by the fund's trustee, is used as a practical expedient for estimating fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common/collective trust fund, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities' liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3
Total investments in fair value hierarchy:			
Mutual funds	\$ 58,773,807	\$ -	\$ -
Investment measured at net asset value:			
Common/collective trust (a)			4,619,206
Total investments at fair value			\$ 63,393,013

Investments at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3
Total investments in fair value hierarchy:			
Mutual funds	\$ 53,472,291	\$ -	\$ -
Investment measured at net asset value:			
Common/collective trust (a)			3,380,736
Total investments at fair value			\$ 56,853,027

(a) The common/collective trust listed in the above tables is redeemable on a daily basis and does not have any redemption restrictions. Additionally, there are no unfunded commitments.

NOTES TO FINANCIAL STATEMENTS

(5) Related-party transactions and party-in-interest transactions

Certain expenses are paid by the Plan to its trustee for investment management services. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments.

Fees paid by the Plan to the third-party administrator for administrative functions amounted to \$117,891 and \$92,910 for the years ended December 31, 2021 and 2020, respectively.

(6) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

(7) Tax status

The Internal Revenue Service ("IRS") has determined that the volume submitter basic plan document adopted by the Plan is designed in accordance with applicable sections of the IRC and informed PNC of such in a letter dated September 21, 2017. The plan administrator has adopted the volume submitter basic plan and believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that "more likely than not" would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(9) Subsequent events

Management has evaluated subsequent events through October 4, 2022, which is the date the financial statements were available to be issued.
