INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Calise & Sons, Bakery, Inc. Profit Sharing Plan
Lincoln, Rhode Island

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Calise & Sons, Bakery, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements. Management, having determined it is permissible in the circumstances, has elected to have the audit of Calise & Sons, Bakery, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Calise & Sons, Bakery, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Calise & Sons, Bakery, Inc. Profit Sharing Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Calise & Sons, Bakery, Inc. Profit Sharing Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Calise & Sons, Bakery, Inc. Profit Sharing Plan ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related

Supplemental Schedules Required by ERISA

For information included in the supplemental schedule matters that we identified during the audit that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CALISE & SONS BAKERY, INC., PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A – DESCRIPTION OF PLAN

The following description of the Calise & Sons Bakery, Inc., Profit Sharing Plan. ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan with a 401k provision covering all eligible employees of the Company. Individuals classified as non-resident aliens, union employees, or leased employees are not eligible to participate in the Plan. Effective January 1, 2021, no minimum service is required for participants to contribute elective deferrals (See Note I-Plan Amendment (Elective Deferral). Prior to January 1, 2021, all eligible employees who provided sixty days of service were eligible to contribute elective deferrals only. Great Western Trust Company, LLC acts as Trustee and record keeper. The Plan has a 3(38)-relationship established with a Registered Investment Advisor to oversee the appropriateness of the Plan's investment offerings and monitor investment and overall Plan performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute up to one hundred percent (100%) of compensation, as defined by the Plan, but cannot exceed the maximum limits set by the Internal Revenue Service. Participants who have attained age fifty (50) before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute 100% of any bonus received and amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company historically matched contributions of all eligible employees', as defined by the Plan. The Company matched fifty percent (50%) of the eligible employee's contribution that are not in excess of five percent (5%) of compensation. Effective 2019, the Plan Sponsor, as part of a cost reduction plan, suspended the discretionary employer match until further notice. The Company, at its sole discretion, may also contribute a profit-sharing component to the Plan. In 2021 and 2020, the Company made no discretionary profit-sharing contributions.

Participant Accounts. Each participant's account is credited with the participant's contribution, the Company's match as well as allocations of (a) the Company's profit-sharing contribution; (b) Plan earnings and (c) charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of the employee's vested balance or \$50,000,

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate of 1% over the Prime Rate as published in the Wall Street Journal on the first business day of the month the loan is originated. The interest rate on outstanding loans ranges from 4.25% to 6.50% with current year loans having an interest rate of 4.25%. Principal and interest is paid ratably through payroll deductions over a maximum term of five (5) years. The term of loans used to acquire a participant's primary residence may be extended to thirty (30) years. The notes are valued at their unpaid principal balances plus any accrued but unpaid interest.

Payment of Benefits. On termination of service due to death or total and permanent disability, the participant's account will become fully vested regardless of the number of service years. On termination of service due to retirement or any other reason not stated in the previous sentence, a participant may receive the value of the participant's vested interest in his or her account.

Forfeited Accounts. During the years ended December 31, 2021, and 2020, the Plan used forfeited accounts to cover a portion of the employer match in the amounts of \$19 and \$0, respectively. On December 31, 2021, and 2020, there was \$4,737 and \$3,055, respectively remaining in forfeited non-vested balance. Future forfeitures will be used to reduce future employer contributions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded when earned and dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Revenue Recognition - On January 1, 2019, the Plan adopted new accounting guidance under Accounting Standards Codification Topic 606 (ASC 606), *Revenue from Contracts with*

CALISE & SONS BAKERY, INC., PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Customers. ASC 606 outlines a single comprehensive model for entities to utilize for revenues. The guidance is based on the principle that an entity should recognize revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration to which the entity expects to be entitled in exchange for such goods or services. The Plan elected to adopt this guidance using the modified retrospective transition method. No adjustments to net assets were required as of January 1, 2019, as there was no impact to previously reported revenue or expenses associated with adopting ASC 606.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for doubtful credit losses have been recorded as of December 31, 2021, and 2020. If a participant fails to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan is reduced, and a benefit payment is recorded.

Payment of Benefits. Benefits are recorded when paid.

Administrative Expenses. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent events. The Plan has evaluated subsequent events through September 30, 2022, which is the date the financial statements were available to be issued

Reclassifications – Certain amounts have been reclassified in the 2020 financial statements to conform to the 2021 presentation.

NOTE C – FAIR VALUE MEASUREMENT

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the custodians as complete and accurate to the best of their knowledge, except for comparing such information certified by the custodian to the information included in the Plan's financial statements and supplemental schedule. Investments held and certified by the custodian in the accompanying statements of net assets available for benefits totaled \$7,596,985 and \$6,993,893 as of December 31, 2021, and 2020, respectively.

U.S. generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation

NOTES TO FINANCIAL STATEMENTS

NOTE C – FAIR VALUE MEASUREMENT (continued)

techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in the active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below.

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from or corroborated by observable market data by correlation or by other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair values measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used on December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and are required to transact at that price. The mutual funds held by the plan are deemed to be actively traded

Common Collective Trust/Stable Value Fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchase and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust (stable value fund only), the investment advisor reserves the right to

temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021, and 2020, respectively.

NOTE D – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE E – TAX STATUS

The Internal Revenue Service has determined and informed the Plan's volume submitter on September 30, 2014, that the Prototype Standardized Profit-Sharing Plan with cash or deferred arrangement ("CODA"), as then designed, was following the applicable requirements of the Internal Revenue Service (IRS). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine tax audits by jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to informational return examinations for years prior to 2018.

NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan utilizes a third-party custodian and record keeper, Great-West Trust Company, LLC. Certain plan investments are shares of mutual funds managed by Great-Western Life Insurance Company; therefore, these transactions qualify as party-in-interest transactions. The Plan Sponsor also provides administrative services to the Plan at no cost while also paying certain Plan expenses in the amount of \$17,811 during the 2021 plan year. All these party-in-interest transactions are exempt from the prohibited transaction rules.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the custodian of the Plan.

Effective January 1, 2021, no minimum service requirements for elective deferrals existed with entry dates for elective deferrals being the "first day of each Plan quarter". Eligibility for the employer match and non-elective contributions requires one year of service as defined by 1,000 hours or more of service.

NOTE J – INVESTMENT EXPENSES

The Plan's investment expenses are calculated for each fund based on the Asset Management Charge (AMC). The charges to each fund are not shown separately in the financial statements, but rather are netted against the net appreciation of each individual fund and are disclosed to the participants on their individual statements.

NOTE L – REVENUE SHARING

Certain funds within the investment line-up, whose expense fee ratios provide for revenue sharing arrangement, provide for those participants, that selected those investments, to be credited for their proportional share thereby lowering plan fees/expenses. During 2021 and 2020, the revenue sharing amounts were \$18,481 and \$15,856, respectively.

NOTE M – COVID RESPONSE

COVID 19 Pandemic - In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan China and has since spread to other countries, including the United States of America. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. The COVID-19 in the United States of America has caused significant business disruption through mandated and voluntary closings of businesses and organizations across the country for non-essential services. While the disruption is expected to be temporary, there is considerable uncertainty about the duration of the closings.

As of the date of these financial statements were available to be issued, there was considerable uncertainty about the expected duration of this pandemic. The eventual financial impact to the Plan cannot be reasonably estimated at this time.

NOTE N – EMPLOYER MATCH

Suspension of Employer Match - Effective 2019, the Plan Sponsor, as part of a cost reduction plan, suspended the discretionary employer match until further notice.
