## Independent Auditor's Report

To the Plan Administrator and Plan Administrative Committee  
DCG One, LLC Retirement Savings Plan  
Seattle, Washington

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of DCG One, LLC Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Tel: 206-382-7777  
Fax: 206-382-7700

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Tel: 206-382-7777  
Fax: 206-382-7700  
www.bdo.com

Two Union Square, 601 Union Street  
Suite 2300  
Seattle, WA 98101

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental Schedule H, line 4i - Schedule of Assets (Held at end of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Fax: 206-382-7700

Two Union Square, 601 Union Street

Seattle, WA 98101

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

# DCG One, LLC Retirement Savings Plan

## Notes to Financial Statements

---

### 1. Description of Plan

The following description of the DCG One, LLC Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of Plan provisions.

#### *General*

The Plan is a defined contribution retirement plan established for eligible employees of Direct Connect Group (DCG), LLC dba DCG ONE (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### *Trustee and Administration of the Plan*

The trustee and recordkeeper of the Plan is Fidelity Management Trust Company (Fidelity). The administrator of the Plan is the Company. The trustee and recordkeeper holds all assets of the Plan in accordance with the service provider contract with the Company. Management determines the appropriateness of the Plan's investment offerings and monitors investment performance.

#### *Eligibility*

In general, unless specifically excluded by provisions in the Plan, full time employees of the Company are eligible to participate in the Plan upon date of hire, provided they are at least 18 years of age. Part-time, temporary, and seasonal employees of the Company are not eligible to participate in the Plan unless they are at least 21 years of age and have completed one year of service comprising at least 1,000 hours of service. Additionally, in order to be eligible for non-elective contributions from the Company, an employee must have completed one year of service comprising at least 1,000 hours of service.

#### *Contributions*

*Participant Contributions* - In general, eligible employees may elect to contribute up to 100% of eligible compensation (as defined in the Plan document) to the Plan. The Plan allows for traditional pre-tax deferrals and Roth contributions. When eligible to participate in the Plan, if an employee does not make an election otherwise, he or she will be automatically enrolled in the Plan initially at a pre-tax deferral rate of 3%. Participants who are automatically enrolled in the Plan at the pre-tax deferral rate of 3% will automatically have their deferral rates increase by 1% annually up to a maximum rate of 10%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers from other qualified plans).

*Employer Contributions* - The Plan provides that the Company may make non-elective contributions to the Plan each year in an amount determined by the Company at its discretion. Any non-elective contribution is allocated based upon the ratio of eligible compensation earned by the participant compared to total compensation earned by participants in the same employment group, as defined by the Plan. The Plan also provides that the Company may make matching contributions to the Plan at its discretion. Matching contributions are based upon participants' eligible contributions made during the year. No employer contributions were made to the Plan in 2021.

Contributions are subject to certain limitations of the Internal Revenue Code (IRC).

### ***Participant Accounts***

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions, if any, and Plan earnings and losses, and is charged with an allocation of administrative expenses. Allocations are based on participant-eligible compensation, participant contributions, or account balances, as defined.

Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are 100% vested in their contributions to the Plan and related earnings at all times. Contributions from the Company and related net earnings become vested to the participant based on the following schedule of years of service:

| Completed Years of Service | Percentage Vested (%) |
|----------------------------|-----------------------|
| 1                          | 0                     |
| 2                          | 20                    |
| 3                          | 40                    |
| 4                          | 60                    |
| 5                          | 80                    |
| 6 or more                  | 100                   |

Additionally, a participant becomes 100% vested when the participant reaches normal retirement age (62), dies, or becomes disabled while in the service of the Company.

### ***Notes Receivable from Participants***

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the balance of the participant's account and bear interest at the prime rate of interest plus 1%. The maximum loan term is five years, unless the loan term qualifies as a home loan, in which case the Plan administrator may permit a longer repayment term up to ten years. A participant cannot have more than two loans outstanding at any given time. Principal and interest are typically paid ratably through payroll deductions. As of December 31, 2021, the rate of interest on all outstanding loans was between 4.25% and 6.50% with various maturities from May 2022 through April 2030.

### ***Payment of Benefits***

Upon termination of service, a participant or the participant's beneficiary, upon their consent, will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account provided the vested account balance is in excess of \$5,000. For participants whose vested account balance is less than \$5,000, a participant, with or without his or her consent, will receive the value of the vested interest in his or her account as a lump-sum distribution or, if the balance is between \$1,000 and \$5,000, as a rollover to an individual retirement account. Distributions are generally only allowed after termination of employment with the Company; however, distributions

---

can be made during a participant's employment upon attainment of age 59½ or under certain hardship provisions as defined within the Plan document.

### ***Forfeitures***

The portion of a terminated participant account that is not vested (forfeitures) will be used first to reduce employer contributions and then to pay expenses of the Plan. No forfeitures were used to reduce employer contributions and \$9,050 of forfeitures were used to pay expenses of the Plan in 2021. As of December 31, 2021 and 2020, there were \$93 and \$8,533, respectively, of forfeitures included with net assets available for benefits to be used to reduce future employer contributions or pay expenses of the Plan.

### ***Risks and Uncertainties***

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

## **2. Summary of Significant Accounting Policies**

### ***Basis of Accounting***

The financial statements of the Plan are prepared using the accrual basis of accounting.

### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisor and Trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### ***Notes Receivable from Participants***

Notes receivable from participants are stated at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses had been recorded as of December 31, 2021 or 2020.

# DCG One, LLC Retirement Savings Plan

## Notes to Financial Statements

---

If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

### ***Payment of Benefits***

Benefits are recorded when paid.

### ***Administrative Expenses***

Administrative expenses of the Plan are paid by the Company, except for certain expenses that are charged to participant accounts, including loan fees, withdrawal fees, plan administrative fees, and investment management fees. Certain investment expenses which are charged within investments are presented net of the appreciation in fair value of investments. All other expenses of the Plan for the year ended December 31, 2021 were paid by the Company and are excluded from these financial statements.

### ***Subsequent Events***

The Plan has evaluated subsequent events through the date these financial statements were available to be issued, which was September 9, 2022.

In January 2022, the Company acquired The Garrigan Lyman Group, Inc. (GLG), a company that provides digital marketing and advertising services. GLG has a defined contribution retirement plan, the GLG 401(k) Retirement Savings Plan & Trust (GLG Plan), for its eligible employees. As of the date of these financial statements, the Plan is working with Fidelity to transfer and merge the current balances held by the GLG Plan with the Plan.

## **3. Fair Value Measurements**

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

*Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2:* Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

# DCG One, LLC Retirement Savings Plan

## Notes to Financial Statements

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds* - Valued at the daily closing price, as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money Market Fund* - Reported at cost plus accrued interest, which approximates fair value.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

| Assets at Fair Value as of December 31, 2021 |                      |             |             |                      |
|----------------------------------------------|----------------------|-------------|-------------|----------------------|
|                                              | Level 1              | Level 2     | Level 3     | Total                |

## Notes to Financial Statements

---

has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income, net and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in Note 3 and the schedule of assets (held at end of year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related information included in the financial statements and ERISA-required supplement schedule.

### 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA and its related regulations. In the event of Plan termination, participants would become 100% vested in any employer contributions.

### 6. Tax Status

The Plan has adopted a pre-approved plan document sponsored by its third-party administrator. The pre-approved plan document has received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

### 7. Related Party and Party-in-Interest Transactions

Certain Plan investments consist of assets managed or sponsored by Fidelity or its affiliates for the Plan year ended December 31, 2021. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. The Plan also pays fees to a third-party investment advisor. These transactions with Fidelity and the third-party investment advisor qualify as exempt party-in-interest transactions. Additionally, the Plan issues loans to participants, which are secured by the participants' account balances. These transactions also qualify as exempt party-in-interest transactions.
